Flipping convention on its head, Eric Dietrich argues that science uncovers awe-inspiring, enduring mysteries, while religion, regarded as the source for such mysteries, is a biological phenomenon. Just like spoken language, Dietrich shows that religion is an evolutionary adaptation. Science is the source of perplexing yet beautiful mysteries, however natural the search for answers may be to human existence. Excellent Beauty undoes our misconception of scientific inquiry as an executioner of beauty, making the case that science has won the battle with religion so thoroughly it can now explain why religion persists. The book also draws deep lessons for human flourishing from the very existence of scientific mysteries. It is these latter wonderful, completely public truths that constitute some strangeness in the proportion, revealing a universe worthy of awe and wonder. Although wisdom and beauty are prized everywhere, in what exactly they consist is a matter of dispute that even has tragic political implications. As the traditional elites of fifth-century BCE Athens felt their social privileges being chipped away by democratic encroachments, they clung to their traditional belief that they—and they alone—were “beautiful and good” enough to rule. Plato’s alternately comic and serious dialogue Charmides is set in this Athens and explores the nature of temperance (s?phrosun?: in eating, in drinking, in life in general). In this book,. Cohen-Taber uses the dramatic structure of this dialogue to show how Socrates challenges the elitist views of his two interlocutors, revealing Plato’s critiques of aristocrats’ smug complacency about their supposed exclusive natural beauty and intellectual capacities (kalokagathia) that grant them the natural right to rule. Plato decided to write the dialogue because he saw this claim of superiority as continuously threatening to destabilize his polis. This leads Plato, Cohen-Taber argues, to suggest alternative, and more egalitarian, accounts of wisdom and beauty as the drama about s?phrosun? unfolds. These accounts are thoroughly moral, and therefore open to people from any economic class. This book dwells on the subject of how to go deeper with Jesus. For our Christian life it is vital to continually grow closer to the Lord and His presence. The person of the Holy Spirit is with us but our experience of His Christ glorifying ministry is dependent on receiving His truth. This book opens powerful windows into the realm of pursuing deeper intimacy with the presence of the Spirit of Christ. The revelations communicated in this book will equip and empower you for this. Be ready for your world to be changed! This book is intended to connect the reality of the living Christ with your conscious life's experience. By His Spirit He is already on the move for us. Sometimes our ability to receive the move of the Spirit towards us is limited due to a lack of revelation and spiritual understanding. This book equips you to become a skillful receiver of spiritual graces. The greatest of them is to walk in deep union with the Son of God. That is the core purpose of the chapters written in this book. In earlier parts of this series Deepening the Christian spiritual experience we have looked into the purpose and nature of spiritual revelation. This subject will be present also in these texts. The revelation knowledge of God's heart should become the program our inward man runs by. By this our life becomes like an oasis of spiritual water since our inner man has taken on the character and virtues of the divine waterfall rushing down into our spirit from the throne of glory. Our God is the God of abundance and overflow. Our experience with Him is greatly dependent on the realm of revelation we have become steadfast in walking in. Going Deeper is a priceless book on deep and precious spiritual matters, written by a deep and discerning thinker. Though the author is known internationally as one of the world’s foremost Bible expositors, here the emphasis is not on the study of the text of Scripture, but on the practical application of its message in victorious Christian living. It is not knowing about Christ, but knowing Him, and performing a spiritual service of being as well as doing which leads to complete surrender to a sovereign Christ, says Dr. Baxter. When many an exciting but transient issue of today has been forgotten, the deep spiritual realities dealt with in the three areas of this spiritual classic will live on with imperishable significance, as will the reverent, scholarly exposition of them in this rich and rewarding volume. Knowing, loving, and serving our Lord Jesus Christ - the greatest of these is loving, for it is the outcome of intimate communion, and the reward of obedience, and responsiveness to the calls of duty. To know Him is to love Him, and to love Him is to serve Him in utter loyalty and devotion. He was originally one of the top Shadow Guards in China, but after being framed by a traitor, he was sent to prison. However, due to his good fortune, he managed to obtain an ancient martial arts technique. The Goddess of Gold, the commoner school beauty, the long-legged policewoman, the flirtatious CEO ... Powerful men were like the sun, they would always attract the love and love of thousands. Experiencing New Depths in the Holy Spirit Walk step-by-step through eight distinctive ministries of the Holy Spirit. 0817 “Grow in the grace and knowledge of our Lord and Savior

Jesus Christ.” —2 Peter 3:18 How do Christians grow? Few question the call of the Bible to grow in godliness, but the answer to exactly how this happens is often elusive. In this book, Dane Ortlund points believers to Christ, making the case that sanctification does not happen by doing more or becoming better, but by going deeper into the wondrous gospel truths that washed over them when they were first united to him. Drawing on wisdom from figures throughout church history, Ortlund encourages readers to fix their gaze on Jesus in the battle against sin, casting themselves upon his grace and living out their invincible identity in Christ. Publishers Weekly Bestseller "If you're tired of surface-level teaching and shallow faith, this book will ignite a fire in your soul for a deeper walk with Jesus and draw you into the depths of the Word." —Gretchen Saffles, founder of Well-Watered Women Why We Need Jesus More Than Compliments "You're a beautiful daughter of the Most High King." And it's true. But it's not the whole truth. The beauty of being God's daughter has backstory. If you're tired of hearing the watered-down Christian teaching and hungry for a deeper spiritual life—one that gives real answers to your hardest questions—Stop Calling Me Beautiful teaches you how. You will learn how to pursue the truths of who God is and who you are in relationship to Him how to study Scripture, and how your view of God determines how you face life's challenges how legalism, shallow theology, and false teaching keep you from living boldly as a woman of the Word how to experience God's presence in painful circumstances Jesus doesn't offer a powerless salvation. He makes your brokenness part of His whole redemption story—if you allow Him to. Don't settle for a feel-good faith. If you want victory over insecurity, fear, shame, and the circumstances you are facing, it's time to embrace Jesus. All of Him. Many Bible studies about knowing God are too mechanical and systematic. Using “story theology” to highlight God’s character, Christians will be introduced to a different approach for desiring spiritual intimacy and transformation. Go Deeper invites you to explore your relationship with God by placing yourself into the biblical narratives. Readers will encounter God, who passionately pursues us with His sovereignty, holiness, presence, grace, and love. Follow Andrew Klavan to a deeper, richer understanding of the words of Jesus. Andrew Klavan believed what he read in the Gospels, but he often struggled to understand what Jesus really meant. So he began a journey of wrestling with the beautiful and often strange words of Jesus. He learned Greek in order to read the Gospels in their original languages, and he vowed to set aside any preconceptions about what the Scriptures say. But it wasn't until he began exploring how some of history's greatest writers wrestled with the same issues we confront today--political upheaval, rejection of social norms, growing disbelief in God--that he found a new way of understanding what Jesus meant. In *The Truth and Beauty*, Klavan combines a decades-long writing career with a lifetime of reading to discover a fresh understanding of the Gospels. By reading the words of Jesus through the life and work of writers such as William Wordsworth and John Keats, Mary Shelley and Samuel Taylor Coleridge--the English romantics--Klavan discovered a way to encounter Jesus in a deeper and more profound way than ever before. For readers seeking to find renewed meaning in the words of Jesus--and for those who are striving for belief in a materialistic world--*The Truth and Beauty* offers an intimate account of one man's struggle to understand the Gospels in all their strangeness, and so find his way to a life that is, as he says, "the most creative, the most joyful, and surely the most true." A woman who is separated needs a friend to walk beside her on her difficult journey. *Broken Heart on Hold* is that friend, one that will uplift, encourage, and hold her up while offering practical insights and pointing her to God. It is a book of hope. Because it is written by a woman who has gone through the trauma of a separation and the eventual healing of her own marriage, the reader will know she is not alone. This collection of honest, heartfelt messages reaches down into the valleys of a woman's loneliness, travels with her through her mental labyrinths, and sheds light in the dark tunnels where answers seem nonexistent. It provides the emotional and spiritual strength to help a woman sort through her confusion. While winding her way through the maze of her emotions, she will realize there is hope as she hangs on to God and trusts him for the outcome. *Broken Heart on Hold* is a book she will return to again and again. *The Masses are the Ruling Classes* proposes the radical, yet seemingly innocuous view that social policy in the United States is determined by mass consent. Contemporary explanations of decision making in the US typically attribute power over policy making to a variety of hidden forces and illegitimate elites holding the masses innocent of their own problems. Yet the enormous openness of the society and near-universal suffrage sustain democratic consent as more plausible than the alternatives -- conspiracy, propaganda, usurpation, autonomous government, and imperfect pluralism. Contrary to prevailing explanations, government is not either autonomous or out of control, business and wealthy individuals have not usurped control of the nation, large segments of the population are not dispossessed of the vote or of a voice in public affairs, and the media has not formed a conspiracy with Hollywood and liberals to deny Americans their God-given freedoms. Despite the multitude of problems that the nation faces, its citizens are not oppressed. In this pithy yet provocative book, Epstein argues that Democracy in the United States is not progressive but is instead populist, and that the core of the populist ideology is romantic rather than pragmatic. *Inside Every Young Woman is a Princess...In Search of her Prince* In a culture that mocks our longing for tender romance, in a world where fairy tales never seem to come true — do we dare hope for more? For every young woman asking that question, this book is an invitation. With refreshing candor and vulnerability, bestselling author Leslie Ludy reveals how, starting today, you can experience the passion and intimacy you long for. You can begin a never-ending love story with your true Prince. Discover the authentic beauty of a life fully set-apart for Him. Experience a romance that will transform every part of your existence and fulfill the deepest longings of your feminine heart. This is Book Six in the *Teach Me Your Paths* series, covering the entire scope of biblical and theological study, intended for Christian lay people. *Going Deeper with God* gives practical and timely counsel for those who desire to mature in the Christian faith, draw closer to God, and finish well. Drawing from five decades of personal, pastoral and classroom experience, the author gives sound advice about how to successfully mine the bible and the Christian classics, as well as how to strengthen our prayers lives and self-discipline. This book will be of inestimable help both to individuals and for use in small groups focused on discipleship. With companies actively marketing products and services beyond their borders, marketers must understand culturally ingrained consumer behavior throughout the world. Focusing on psychological and social dimensions of these behaviors, this textbook brings together academic research and contemporary case studies from marketing practice. Built on a strong, cross-disciplinary theoretical foundation and extensive practice experience, this concisely written text is a practical guide to understanding the intricacies of cultural influence on consumption, and for the design and implementation of effective intercultural marketing strategies, focused on branding and promotion. The book uses representative, well-known corporate cases while also including dynamic examples from the sharing economy, blockchain, and emerging economy companies. Incorporating strategy, sociology, linguistics, cross-cultural communications, psychology, philosophy, religious studies, and economics, the book is particularly distinguished from the mainstream by introducing non-Western frameworks. Upper-level undergraduate and postgraduate students of marketing and

international business will benefit from the book's new concepts and novel methods, as well as clear objectives, examples, and discussion topics in each chapter. Instructors will appreciate the inclusion of a semester-long project for students, allowing them to wear the "practitioner's hat" and including practice in a netnographic research method. It is very difficult to get somebody to have a drink when he is not thirsty. There must be a thirst before there can be a drink. People who are not thirsty do not even ask for drinks. A hunger and thirst for God can start you on a journey to go deeper. It is your deep desire that will let you go deep and do more! Only those who have a thirst for more get to go deeper. There are many advantages of going deeper in the things of God. If you go deeper in God, you will find yourself enjoying a much greater dimension of the Lord. If you go deeper, you will do more! Do you want to enjoy the deeper things of God? I am sure you do and that is why you are reading this gratifying book. Remember, "Blessed are they which do hunger and thirst after righteousness, for they shall be filled." May you be filled as you go deeper and do more! This volume forms a part of the Critical Discourses in South Asia series which deals with schools, movements, and discursive practices in major South Asian languages. It offers crucial insights into the making of Bengali or Bangla literature and its critical tradition across a century. The book brings together English translation of major writings of influential figures dealing with literary criticism and theory, aesthetic and performative traditions, and reinterpretations of primary concepts and categories in Bangla. It presents 32 key texts in literary and cultural studies from Bengal from the middle of the 19th to that of the 20th century, with most of them translated for the first time into English. These seminal essays are linked with socio-historical events and phenomena in the colonial and post-independence period in Bengal, including the background to the Language Movement in Bangladesh. They discuss themes such as integrative aesthetic visions, poetic and literary forms, modernism, imagination, power structures and social struggles, ideological values, cultural renovations, and humanism. Comprehensive and authoritative, this volume offers an overview of the history of critical thought in Bangla literature in South Asia. It will be essential for scholars and researchers of Bengali/Bangla language and literature, literary criticism, literary theory, comparative literature, Indian literature, cultural studies, art and aesthetics, performance studies, history, sociology, regional studies, and South Asian studies. It will also interest the Bengali-speaking diaspora and those working on the intellectual history of Bengal and conservation of languages and culture - Most people who journal use words. But words come from the left brain, which interprets experiences through our learned beliefs and expectations. As this breakthrough book demonstrates, there is a more effective way to journal---using images. Simple drawings, crayon art, even doodles and stick figures can help anyone---even those who believe they "can't draw"---move beyond thought into deep reaches of feeling and intuitive knowing. Barbara Ganim and Susan Fox have developed their Visual Journaling technique into an acclaimed workshop. This book, beautifully illustrated with black and white and color drawings from the journals of students in their workshops, makes this enjoyable tool for personal exploration accessible to everyone. A six-week plan of exercises and interpretive activities teaches readers a lifelong practice that can reduce stress, explore conflicts, and overcome obstacles. Its simple techniques can help everyone gain access to "soul-based" inner wisdom. Sensuality equals beauty---that's what today's young women are learning from our sex-obsessed society. Millions of 20somethings are caught up in trying to look like fashion models, movie stars, or the hottest new pop singer and end up plagued by insecurity, eating disorders, and sexual promiscuity. Bestselling author and speaker Leslie Ludy (Set-Apart Femininity and Authentic Beauty) shares a different vision for feminine loveliness as God intended it to be---the breathtaking radiance of a young woman who has been transformed by Christ from the inside out. With candid personal stories, practical advice, and inspiration, Leslie leads young women on a life-changing journey to become women of feminine grace, beauty, and enduring style. Leslie inspires girls toward inner changes but also talks about practical social grace and manners, how to dress beautifully, and even how to create a warm and lovely environment in the home. Clearly, true beauty is more than skin deep. About Book: Falling to a certain death, Abhi protests and yearns to be spared so he can fulfil his un-lived wishes. And god agrees. On 20th Mar '21, his soul is separated from the body enabling him to visit his past and reverse previous losses and regrets. He becomes his own god. Great marks, sport-wins, girls, popularity...are thrilling, but, how much should he give himself before altering his original self, irreversibly? Success & wealth puts him on top of the world, but the aftereffects are unexpected. Now, he just wants the wisdom to know what to wish but is he even in control, as he feels internally split into two people. It's 20th Mar '21 again. Abhi owes to god to either revert to the incomplete original life or continue his unbridled wish-fulfillment. What life will he choose? After fulfilling all his wishes. About the Author: Arvind Bhandari is Executive Vice President /Director with Nestle India. He is the author of a business book, 'Pragmarketism: Pragmatic Insights for Winning Indian Consumers,' a spiritual fiction, Mahavir: Conqueror of the Self and a self-help book, Inverted: Unobvious Reflections towards a Better Life. He writes regularly on business issues in Brand Equity of Economic Times. A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. Beauty kills the Beast transports us to imaginary worlds through very real stories. Four short tales, told as metaphors to actual societal issues, state the struggles of young characters facing emotional abuse, social discrimination, transgender identity, drugs and human trafficking. Each story introduces us to the circumstances and emotional conditions lived by each character, under a close analysis of the author where she calls our attention to issues of self-esteem, respect for oneself and others, forgiveness, gratitude and love, and invites us, the reader, to voice our own point of view and face our own fears to empower ourselves for a better world. Each story faces the problem, goes through an analysis and opens to the endless possibilities of a life lived with love, knowing that all good is within and that with positive mindfulness and faith one can achieve the unthinkable and overcome any obstacles. The book is addressed to the young at heart and its intention is to shed light on modern issues and give a hand in the search for one's power and true love. In 1881 five brothers, known as the Bāqirof-Khamsi clan, whom Bahá'u'lláh designated as Sādāt-i-Khams (The Five Siyyids, in Arabic) accepted the Bahá'í Faith in the northern part of Iran. For such an intrepid decision they were automatically disinherited from the family fortune although, interestingly, became affluent later by their own toil. This book describes this wealthy family and their struggles to survive in the midst of a fanatical establishment. It is the narrative of a kinfolk using their high social position, to defend, overtly and covertly, their newly espoused religion and the vulnerable community gathered around those teachings. Bigotry, persecution and harassment could not abate their inner spiritual forces but rather strengthened their resolution for getting their religion known, recognised and protected. Going through various tumultuous Iranian social scenarios, three main waves in such a courageous family are easily recognisable namely, Siyyid Na'ru'lláh Bāqirof, Siyyid Ahmad Khamsi-Bāqirof, and Mas'ud Khamsi, the latter whom ultimately brought the Bahá'í Faith to ten of thousands of indigenous people of South America. An exemplary trilogy taking the reader to Iran, Russia, the Holy Land, France, Germany, Austria, Hungary, Africa and even to awe-inspiring areas such as the Amazon rainforest and the Andes mountains, exemplifying that love for humanity also travels and it

never tires in giving if inspired by higher principles. The vast majority of human beings believe in a higher power, but few can clearly and articulately explain what they believe in or why. When it comes to explaining one's beliefs, most rely on intuition or personal experience, relegating faith to the realm of subjective judgment as opposed to objective truth. In *Going Deeper*, Leo Severino presents a systematic, easy-to-understand, journey that grounds the certitude of faith in logic and reason. The author maps out a train of thought that begins with everyday events, reasons its way through proofs of the existence of God, then goes on to describe the deep purpose inscribed in every human heart. For those not well versed in theology or philosophy, this book is an accessible way to tether matters of faith to demonstrable premises and logical conclusions. For those with deeper theological formation, this book will provide fresh perspectives on the classic arguments that demonstrate how faith and reason go hand in hand. Do you find yourself believing the gospel on Sundays, but wondering what difference it makes on Mondays? Jesus calls us to full humanity, not empty religiosity – to engage with him not only as the Way and the Truth, but also as the Life. Find the Life You've Been Longing for All Along In this companion guide to *Life with a Capital L: Embracing Your God-Given Humanity*, Matt Heard takes us to the heart of the gospel, revealing how God wants us to experience Life in all its fullness, not just in eternity but right now. This interactive guide can be used in four-, six-, or twelve-week formats and can also be used with the *Life with a Capital L DVD*. It includes questions for group discussion and individual reflection, along with instructions for group leaders. Embracing Life with a capital L means exploring our longings more deeply, embracing the gospel more fully—and becoming more authentically human in the process. Author and speaker Matt Heard lives in Colorado Springs with his wife, Arlene. Whether standing in front of people with a microphone, camping in the mountains with his three adult sons, enjoying the journey with friends, or serving a need in his city—he loves exploring and experiencing Life with a capital L. New research tells us what we already know intuitively--we are happier and healthier, more open and more compassionate, in nature. Nature heals, comforts and teaches. Here we learn about wonder and beauty, sorrow and loss, unity and wholeness. Our blood pressure goes down. We relax. We are kinder to others--human and non-human. And, we experience the Divine, in ourselves, in the many critters and creatures around us, in the earth itself. As we live more disconnected from nature, we show the signs in our individual and communal health. And, in the health of our ecosystems. In this book, you will find a wide range of activities and exercises designed specifically to reconnect individuals and groups with the natural world and the spiritual presence within. Some exercises will be explicitly spiritual; others are more focused on the ecological processes that unveil nature's wisdom. Some are oriented to groups, others to individuals. All are meant to encourage wonder, mindfulness and attentiveness to the Spirit that unites and connects us all. We encourage you to tailor and adapt these activities to different ages, communities and faith traditions. Experience the Fulfillment of your Feminine Dreams In a world that mocks our desire for a fairy tale, do we dare long for more? Leslie Ludy offers hope to every young woman who wonders if lasting love can ever be found. In this companion guide to *Authentic Beauty*, Leslie gives you the opportunity to talk, write, and think through what it means to find unshakable fulfillment in a daily romance with Christ. Whether you are reading on your own or with a group, this 12-part guide will point you to Jesus Christ - the heroic Prince you have always dreamed of — and enable you to fall in love with Him like never before. Discover what it means to become fully set-apart for Christ, and experience the only true answer to the deepest longings of your feminine heart. When I started writing this book, I wasn't sure if I would live long enough to finish it. My drug addiction was so unmanageably bad, I truly believed that I was doomed to fail. I had so many secrets, hidden thoughts, and feelings that I felt it was very important for me to document my life in such a way that it would help explain some things to my family that I have kept in the dark, to shed some light as to who I was as a person. Because I truly felt like I was running out of time and I didn't know what else to do but to write somewhat of a love letter/goodbye letter to my friends and family. Then as my sobriety became stronger, I decided to leave everything as it was but add lessons that I have learned along the way. Now, much of this book has become mostly what I've learned before and during my sobriety with the intention of sharing my experiences for the reader to relate to on an emotional level, to inspire everyone and anyone searching for a deeper understanding of life and spiritual wisdom. I believe I am only scratching the surface of what is possible. But I know I'm on to something good. This is the type of good that should be shared with anyone who is seeking it. I wouldn't be doing the universe any favors by keeping this information all to myself. This is a spiritual book about life—my life, your life, and all life. From the smallest life-forms to the largest. This is a book about the past, the present, and the possible future. I believe all people have unique qualities that make them individuals. I also believe, on a fundamental level, that all people are the same. If I can understand my life, I can understand all life. Everything we say and do is a reflection of how we see ourselves and how we see the world. We are living in a modern society where all the information of the world is at our fingertips, good and bad. As our intelligence increases, the likelihood of depression increases with it. Unless you know how to counter it. How much is a quiet, peaceful mind worth to you? This book combines mind, body, spirit, psychology, religion, and science all in one. Mainly because they are all connected and we can't fully comprehend the full complex simplicity of life if we leave one of them out. This book will help you deepen your relationship with your Father (Your Heavenly Father). Through people like Moses, Joseph, and other we are able to relate to a heavenly who is full of mercy and grace. Revisits a fictional New England congregation on a quest with friends and parishioners to cultivate spiritual depth and maturity and grow into a community of believers whose hearts and minds are truly focused on God. Veronica Farmer was diagnosed with extensive cancer just days before her wedding, and it was a powerful life scar for her. *Made Beautiful by Scars* started with the idea of Farmer sharing how cancer made her more beautiful. She then realized hosts of other women's lives are molded by their own scars. In this collection, she shares her story and the stories of twenty-two other women who have lived through trauma that did not break them. The narratives show how the tragedies they encountered grew them, expanded their beauty into a whole new realm, and touched many others. From Nicky who suffered the pain of infertility, to Kate who battled melanoma, and to Amanda who became a paraplegic, *Made Beautiful by Scars* captures raw stories from Farmer and other women who have faced all types of life scars and been made stronger. Farmer shines a light on the unimaginable strength of women, survivors who have been empowered by adversity and challenge. The road to freedom from your sexual or pornography addiction goes through your childhood. Learn how comforting your inner child can help manage your sexual addiction. Full of practical exercises and simple techniques for beginners, a psychotherapist reveals how you can use energy healing—alongside meditation and mindfulness—to heal yourself and others. In this book, energy healer and psychotherapist Abby Wynne explains the basic concepts of energy healing and gives the reader exercises and techniques for getting started right away. This book teaches the reader how to:

- ground and center themselves
- bring healing into their everyday activities to feel calmer and more balanced
- open to a healing light
- send energy healing to loved ones

Energy

Healing Made Easy is aimed at readers who are completely new to, or only just getting to grips with, energy healing. With step-by-step instructions and uncomplicated exercises that can be performed at home, it will give the reader the confidence they need to find healing and balance in their life. This book was previously published within the Hay House Basics series. How can this Bible Study help you? Living in this world can get messy. To each of us will come trials and suffering: Brokenness. The Brokenness to Beauty Bible Study, designed to accompany the book, Brokenness to Beauty, will guide you in transforming your brokenness into the beautiful life you long for and that God desires for you, in the midst of life's hardships. Jacqueline Wallace has written a beautiful book and now has completed it with a Women's Bible Study about her life's journey with not one, but two potentially fatal diagnoses. She walks us through her daily struggles and long suffering battles. Jacqueline shows us how to be a shining light when you feel so much devastation and darkness. You will be renewed with hope, joy and purpose as you read through her study Brokenness to Beauty Bible Study: Going Deeper to the Source of Transforming Your Brokenness to Beauty. Enjoy the journey. —Dena Leavitt, Women's Ministry Leader/Small Group Coordinator, Centerpoint Church, Colton, California Brokenness to Beauty Bible Study offers the participant a study that will encourage and teach the importance of clinging to the transforming Word of God for our Hope, Encouragement and Healing, no matter how difficult the storm. —Naomi Chow, Abide Prayer Group Leader, The Bridge Bible Church, Bakersfield, California A Simon & Schuster eBook. Simon & Schuster has a great book for every reader. In the aftermath of 9/11 . . . Larry, a successful young Los Angeles lawyer, and his dog, Zeus, negotiate a life-changing, two-and-a-half-day odyssey that leads them to Joshua Tree National Park. There, Larry encounters an array of unlikely teachers including talking trees and stones, white buffaloes, and a rap-spouting raccoon. These unorthodox characters mock conventional wisdom with irreverential humor to reveal to him the back-stage mechanics of Creation. Larry for the first time understands who he really is and why he has chosen to be born on Earth at this precise time. He also comes to appreciate the perfection of the Great Experiment and the extraordinary possibilities awaiting the human race; should it awaken before it's too late.
