*The Hunter Sep 21 2022 You probably haven't ever noticed them. But they've noticed you. They notice everything. That's their job. Sitting quietly in a nondescript car outside a bank making note of the tellers' work habits, the positions of the security guards. Lagging a few car lengths behind the Brinks truck on its daily rounds. Surreptitiously jiggling the handle of an unmarked service door at the racetrack. They're thieves. Heisters, to be precise. They're pros, and Parker is far and away the best of them. If you're planning a job, you want him in. Tough, smart, hardworking, and relentlessly focused on his trade, he is the heister's heister, the robber's robber, the heavy's heavy. You don't want to cross him, and you don't want to get in his way, because he'll stop at nothing to get what he's after. Parker, the ruthless antihero of Richard Stark's eponymous mystery novels, is one of the most unforgettable characters in hardboiled noir. Lauded by critics for his taut realism, unapologetic amorality, and razor-sharp prose-style—and adored by fans who turn each intoxicating page with increasing urgency—Stark is a master of crime writing, his books as influential as any in the genre. The University of Chicago Press has embarked on a project to return the early volumes of this series to print for a new generation of readers to discover—and become addicted to. In *The Hunter*, the first volume in the series, Parker roars into New York City, seeking revenge on the woman who betrayed him and on the man who took his money, stealing and scamming his way to redemption. “Westlake knows precisely how to grab a reader, draw him or her into the story, and then slowly tighten his grip until escape is impossible.”—*Washington Post Book World* “Elmore Leonard wouldn't write what he does if Stark hadn't been there before. And Quentin Tarantino wouldn't write what he does without Leonard. . . . Old master that he is, Stark does all of them one better.”—*Los Angeles Times* “Donald Westlake's Parker novels are among the small number of books I read over and over. Forget all that crap you've been telling yourself about *War and Peace* and *Proust*—these are the books you'll want on that desert island.”—*Lawrence Block**

The Book of the Hunter Jun 18 2022 This charming, expansive novel set in the sixteenth-century medieval Bengal draws on the life of the great medieval poet Kabikankan Mukundaram Chakrabarti, whose epic poem Abhayamangal, better known as Chandimangal, records the socio-political history of the time. In the section of this epic called Byadhkhanda the Book of the Hunter he describes the lives of hunter tribes, the Shabars, who lived in the forest and its environs. Mahasweta Devi explores the cultural values of the Shabars and how they cope with the slow erosion of their way of life as more and more forest land gets cleared to make way for settlements. She uses the lives of two couples, the brahman Mukundaram and his wife, and the young Shabars, Phuli and Kalya, to capture the contrasting socio-cultural norms of rural society of the time. Mahasweta Devi acknowledges her debt to Mukundaram, who wrote about men and women, gods and goddesses. The hunter tribes refusal to cultivate and settle down, as described by him, is true of surviving forest tribes today. The villages and rivers mentioned by him still exist. Mahasweta Devi is one of India's foremost writers. Her powerful fiction has won her recognition in the form of the Sahitya Akademi (1979), Jnanpith (1996) and Ramon Magsaysay (1996) awards, the title of Officier del Ordre Des Arts Et Des Lettres (2003) and the Nonino Prize (2005) amongst several other literary honours. She was also awarded the Padmasree in 1986, for her activist work among dispossessed tribal communities. Sagaree Sengupta is translator based in the USA. She translates from Bengali, Hindi and Urdu. She has collaborated on this translation with her mother, Mandira Sengupta, an artist who maintains an active interest in her native Bengali. The two of them earlier translated The Queen of Jhansi in this series.

Cry of the Hunter Dec 20 2019 From the New York Times—bestselling author of The Eagle Has Landed: A hero of the IRA must turn on his own people to save his country. Martin Fallon is a legend. After joining the IRA he shot up the ranks in the fight against the Brits in Northern Ireland with his tactical brilliance and devotion. Then, after a daring escape from prison, he simply disappeared. And that's the way he wants it to stay. After years of hiding from the world in his books and the bottle, he thinks he's out. He's wrong. The IRA wants him to break Patrick Rogan, a high-ranking Ulster rebel, out of prison. Fallon

reluctantly agrees, and soon finds himself swept back into the Troubles. But in his absence, the IRA has changed. The Hunter of the Dead Jul 07 2021 An intensely erotic, epic love story that goes into and beyond the original Greek myths - *THE HUNTER OF THE DEAD ...* and *The Kiss of Persephone* - returns to the classical tale of Hades and Persephone for a fresh look from a thoughtfully considered perspective. What begins as an act of petty malice by Zeus changes the whole world when he instigates the fateful encounter between the fearsome hunter Eros and the Lord of the Underworld Hades that leads to the abduction of Kore. Unable to change her fate, Kore becomes Persephone, Queen of the Underworld, arbitrator between the realms of the Living and the Dead, and the Consort of Hades. Their union is tested by the fateful consequences when a foul entity - *UPIR LIKHYI* - escapes the Underworld and becomes *Vampyr*, one who is determined to remain free even if it means usurping the Underworld and seizing Persephone for himself. The Fox Was Ever the Hunter May 25 2020 An early masterpiece from the winner of the Nobel Prize hailed as the laureate of life under totalitarianism Romania-the last months of the Ceausescu regime. Adina is a young schoolteacher. Paul is a musician. Clara works in a wire factory. Pavel is Clara's lover. But one of them works for the secret police and is reporting on all of the group. One day Adina returns home to discover that her fox fur rug has had its tail cut off. On another occasion it's the hindleg. Then a foreleg. The mutilated fur is a sign that she is being tracked by the secret police-the fox was ever the hunter. Images of photographic precision combine into a kaleidoscope of terror as Adina and her friends struggle to keep mind and body intact in a world pervaded by complicity and permeated with fear, where it's hard to tell victim from perpetrator. In *The Fox Was Always a Hunter*, Herta Müller once again uses language that displays the "concentration of poetry and the frankness of prose"-as the Swedish Academy noted upon awarding her the Nobel Prize-to create a hauntingly cinematic portrayal of the corruption of the soul under totalitarianism.

The Eye of the Hunter Feb 02 2021 From the bestselling author of the *Iron Tower* trilogy and *The Silver Call* duology comes the magnificent epic of Mithgar... A thousand years had passed since the *Eye of the Hunter* last glared in the heavens. A thousand years since the immortal Elfess Riatha brought word of the prophecy to the Warrows Tomlin and Petal with whom she had leagued to hunt down and defeat Baron Stoke, one of the most evil beings to ever stalk the lands of Mithgar. The price of Stoke's doom had been a beloved companion's life, the two plunging, locked in combat, down an icy chasm which had sealed shut the ring of eternity. Now the comet known as the *Eye of the Hunter* again rode Mithgar's skies, and the creatures of darkness once again ravaged the lands, heralding the imminent return of their dread master, Baron Stoke. And now five brave souls must answer the call of prophecy: Riatha and the elf called Aravan; Gwylly and Faeril, last in a long line of Firstborn Warrow descendants of Tomlin and Petal; and one other, one restored to them from Death's chill grasp.

The Year of the Hunter Sep 09 2021 Like *Native Realm*, Czeslaw Milosz's autobiography written thirty years earlier, *A Year of the Hunter* is a "search for self-definition". A diary of one year in the Nobel laureate's life, 1987-88, it concerns itself as much with his experience of remembering - his youth in Wilno and the writers' groups of Warsaw and Paris; his life in Berkeley in the sixties; his time spent with poets and poetry - as with the actual events that shape his days. Throughout, Milosz tries to account for the discontinuity between the man he has become and the youth he remembers himself to have been. Shuttling between observations of the present and reconstructions of the past, he attempts to answer the unstated question: Given his poet's personality and his historical circumstances, has he managed to live his life decently?

The Heart Of The Hunter Mar 23 2020 In this moving sequel to *The Lost World of the Kalahari* van der Post records everything he has learned of the life and lore of Africa's first inhabitants. *The Heart of the Hunter* is a journey into the mind and spirit of the Bushmen, a people outlawed by the advance of blacks and whites alike.

Man the Hunted Nov 30 2020 *Man the Hunted* argues that primates, including the earliest members of the human family, have evolved as the prey of any number of predators, including wild cats and dogs, hyenas, snakes, crocodiles, and even birds. The authors' studies of predators on monkeys and apes are supplemented here with the observations of naturalists in the field and revealing interpretations of the fossil record. Eyewitness accounts of the 'man the hunted' drama being played out even now give vivid evidence of its prehistoric significance. This provocative view of human evolution suggests that countless adaptations that have allowed our species to survive (from larger brains to speech), stem from a considerably more vulnerable position on the food chain than we might like to imagine. The myth of early humans as fearless hunters dominating the earth obscures our origins as just one of many species that had to be cautious, depend on other group members, communicate danger, and come to terms with being merely one cog in the complex cycle of life.

Veneration of the Hunter Apr 16 2022 The Mother sustains...but she can also take. I've been warned that

the longer one remains in the sacred valley, the deeper the soul buries itself there. But to earn my place as hunter, I must complete the rite; I must nourish the forest ground with the spilt blood of my kill lest it be my own that sanctifies the soil. It is decided. But...am I hunter, or am I prey? What will begin as a hunt will change into the Hunter's trial, bringing him face to face with a truth he isn't ready to accept. As the happenings--events believed to be tests--force him to question reality, the Hunter finds there's more to his rite than pleasing the Mother. While the valley consumes him, he'll discover he may never have been meant to go back home.
