A detailed account of the GT/CS variant, the "High Country Special," sold in the Denver sales district is also included. Detailed production statistics, rare factory photos, authentication, options, accessories, specific part descriptions and comprehensive Concours restoration information are covered, along with the complete stories of the Shelby prototype coupes "Little Red," and the EXP-500 "Green Hornet." A separate chapter is devoted to the development, prototypes and production of the 2007-09 and 2011 GT/CS, and a complete GT/CS Owner Registry of 1,300 cars with photos rounds out the volume. Lifemobile tells the story of Benjy Bennett, an honor student with Asperger's Syndrome, who upon graduation from high school hopelessly despairs that "there's no place in this world" for someone as different as him. But then his widowed father brings home a "Deathmobile" - an old Corvair, famously characterized by Ralph Nader as "unsafe at any speed." When Benjy learns that the U.S. government ultimately found Nader's sensational charges untrue, he decides that the Corvair is "not disabled, just different," as he is, and has been unfairly stigmatized by a world that does not understand it, just as he has. The different boy becomes the different car's champion, determined to prove to the world how wrong it is about both of them. Taking Benjy and his father on a wild and emotional ride full of colorful characters and comic adventures, the Deathmobile becomes their "Lifemobile," ultimately helping them both discover Benjy's own uniquely satisfying place in this world.
