*Open Water Swimming Manual* Aug 13 2022 Lynne Cox has set open water swimming records across the world,

and now she has focused her decades-long experience and expertise into this definitive guide to swimming. *Open Water Swimming Manual* provides a wealth of knowledge for all swimmers, from seasoned triathletes and expert swimmers to beginners exploring open water swimming for the first time. Cox methodically addresses what is needed to succeed at and enjoy open water swimming, including choosing the right bathing suit and sunscreen; surviving in dangerous weather conditions, currents, and waves; confronting various marine organisms; treating ailments, such as being stung or bitten, and much more. Cox calls upon Navy SEAL training materials and instructors' knowledge of open water swimming and safety procedures to guide her research. In addition, first-hand anecdotes from SEAL specialists and stories of Cox's own experiences serve as both warnings and proper practices to adopt. *Open Water Swimming Manual* is the first manual of its kind to make use of oceanography, marine biology, and to weave in stories about the successes and failures of other athletes, giving us a deeper, broader understanding of this exhilarating and fast growing sport.
