Trapper's Daughter*

*As Atlanta's lay exorcist, Simon Adler keeps innocent
souls safe from Hell. He's good at his job, so good that*

Lucifer wants him gone. When a powerful demon kidnaps three teens, Simon is tricked into bargaining his own soul to save them. Even worse, none of his demon trapping friends can help him. This time Simon's truly on his own. Or is he? Katia Breman's unexpected arrival in Atlanta is either a godsend, or part of the Prince's infernal plan. Trust doesn't come easy for this troubled demon trapper from Kansas, and now she's stuck in a big city she doesn't know, fighting Hellspawn she's never seen before. Right or wrong, Katia will have to take a stand. If she sides with Simon Adler, someone she loves will die. If she betrays him, they're all facing eternity in Hell. The Demon Trapper's Daughter is the first novel in Jana Oliver's Demon Trappers—a spellbinding young adult fantasy series. Riley Blackthorne just needs a chance to prove herself—and that's exactly what the demons are counting on... Seventeen-year-old Riley, the only daughter of legendary Demon Trapper Paul Blackthorne, has always dreamed of following in her father's footsteps. The good news is, with human society seriously disrupted by economic upheaval and Lucifer increasing the number of demons in all major cities, Atlanta's local Trappers' Guild needs all the help they can get—even from a girl. When she's not keeping up with her homework or trying to manage her growing crush on fellow apprentice, Simon, Riley's out saving distressed citizens from foul-mouthed little devils—Grade One Hellspawn only, of course, per the strict rules of the Guild. Life's about as normal as can be for the average demon-trapping teen. But then a Grade Five Geo-Fiend crashes Riley's routine assignment at a library, jeopardizing her life and her chosen livelihood. And, as if that wasn't bad enough, sudden tragedy strikes

the Trappers' Guild, spinning Riley down a more dangerous path than she ever could have imagined. As her whole world crashes down around her, who can Riley trust with her heart—and her life? A talented, passionate artist spends her days at the Cornish white cliffs, yearning to recreate nature's beauty on her humble canvas, until the Earl of Longueville threaten to remove the lady from his estate. Despite the gossip surrounding the Earl's tragic past, she gives him the benefit of the doubt, and when he asks her to paint his portrait, she is aghast. The scandalous proposition demands hours of close intimacy, staring into each other's eyes, and feeling the fire of secret passions within their hearts. Betrayed by the ruling families of Italy, Ezio vows to exact his revenge and restore his family's honor by using the skills he has learned from such great minds as Da Vinci and Macchiavelli to become a righteous assassin. "Londres, 1735. Haytham Kenway ha aprendido a manejar la espada desde que era un niño y fue capaz de sostener el peso del arma. Cuando su hogar sufre un terrorífico ataque en el que su padre es asesinado y su hermana secuestrada, Haytham se ve obligado a defender a los suyos del único modo que sabe: matando. Un misterioso tutor se hace cargo de él y le enseña a convertirse en un asesino. Consumido por la sed de venganza, Haytham inicia la búsqueda de quienes acabaron con su familia, sin confiar en nadie, poniendo en duda todo aquello que aprendió y conoció de niño. La conspiración y la traición lo rodean mientras se sumerge más y más en la larga batalla entre Asesinos y Templarios, una batalla que se remonta al principio de los tiempos.-- Firsthand testimonies from Guantánamo Bay, inspiring future generations to never

repeat the human rights violations of the detention center. Law scholar and Witness to Guantánamo founder Peter Jan Honigsberg uncovers a haunting portrait of life at the military prison and its toll, not only on the detainees and their loved ones but also on its military and civilian personnel and the journalists who reported on it.

*Honigsberg conducted 158 interviews across 20 countries so that the people who lived and worked there could tell their heartbreaking and inspirational stories. In each one, we face the reality that the healing process cannot begin until we start the conversation about what was done in the name of protecting our country. These are a few of them. Many alleged operatives in Guantánamo were purchased by the United States for ransom from Afghan and Pakistani soldiers. Brandon Neely, a prison guard who processed the first group of suspected operatives to arrive in Cuba, flew to London to embrace the detainees he guarded after leaving the military. Navy whistleblower Matt Diaz covertly released the names of 500 detainees by sending them in a greeting card to a lawyer in New York. Journalist Carol Rosenberg committed the past 17 years of her career to documenting life at Guantánamo. And Damien Corsetti, an interrogator who came to be known as the “King of Torture,” received ribbons and awards for the same cruel actions for which he was later prosecuted. In startling, aching prose, *A Place Outside the Law* shines a light on these unheard voices, and through them, encourages the global community to embrace humanity as our greatest tool to make the world a safer place. Warning: This story is a dark urban fantasy rife with violence. Reader discretion is advised. Adara has no idea who she is. What she is. That doesn't stop danger from stalking her. It also does nothing*

to stem the nightmares. Caught in her dreams of darkness, Adara attracts the attention of a werewolf and a vampire and wonders if she's losing her mind. They can't exist, and her mind says...forget. But she wants to remember. However, if she does, will the truth shatter her? *Of all the great Japanese novelists, Kobe Abe was indubitably the most versatile. With *The Ruined Map*, he crafted a mesmerizing literary crime novel that combines the narrative suspense of Chandler with the psychological depth of Dostoevsky. Mr. Nemuro, a respected salesman, disappeared over half a year ago, but only now does his alluring yet alcoholic wife hire a private eye. The nameless detective has but two clues: a photo and a matchbook. With these he embarks upon an ever more puzzling pursuit that leads him into the depths of Tokyo's dangerous underworld, where he begins to lose the boundaries of his own identity. Surreal, fast-paced, and hauntingly dreamlike, Abe’s masterly novel delves into the unknowable mysteries of the human mind. Translated from the Japanese by E. Dale Saunders.
