Rebel Spell Sep 09 2021 A witch without magic. A vampire without a cause. And a mysterious death that brings them under the same roof. When I learn I've inherited a house in Salem, I'm sure it's a mistake. Besides, I have zero desire to return to a town where I'm an outcast. The surprises continue when I meet my tenants, including a broody vampire and a foodie wolf shifter. But I'm only staying around long enough to sell my long lost aunt's house.

Even when they convince me to go to a Halloween ball. Even when I agree to pretend to be the vampire's girlfriend. Even when I discover his softer and oh-so-sexier side. Because a witch without magic in Salem makes as much sense as a pig with wings. And I've never seen one fly. "Nova and Diego's story was fresh, fun, and flat out fantastic." "This is definitely a wonderful start to a series and I can already tell it's going to be one of my favorites!" "I can't wait for more! I give this 5 stars." They're known for being moody and volatile. So, when a distempered, dangerous werewolf strolls into the bar and almost strangles one of her late-night customers, she's ready to bounce him through the door. But the desperation in his eyes when

he begs her to help him softens her heart and convinces her to bend the rules. What Evie doesn't know is that Mateo's wolf has a mind of his own. And now that she's in his sights, he wants only one thing. Her.

A Spell for Chameleon (The Parallel Edition... Simplified) Dec 24 2022 Piers Anthony's bestselling Xanth series is one of the cornerstones of fantasy, a lively and whimsical interpretation of a genre often criticized for taking itself too seriously. Anthony's first Xanth novel, *A Spell for Chameleon*, was initially edited to target a more traditional audience. Now, in an eBook exclusive, *A Spell for Chameleon* has been reworked line by line—its language matching the simpler, playful way with words that made Piers Anthony an enduring fan favorite. Xanth is an enchanted land where magic rules, a land of centaurs and dragons and basilisks where every citizen has a unique spell to call their own. For Bink of North Village, however, Xanth is no fairy tale. He alone has no magic. And unless he gets some—and fast!—he will be exiled. Forever. But the Good Magician Humfrey is convinced that Bink does indeed have magic. In fact, both Beauregard the genie and the magic wall chart insist that Bink has magic as powerful as any

possessed by the King, the Good Magician Humfrey, or even the Evil Magician Trent. Be that as it may, no one can fathom the nature of Bink's very special magic. This is even worse than having no magic at all . . . and he still faces exile!
