In many countries, small businesses comprise over 95% of the proportion of

private businesses and approximately half of the private workforce, with information technology being used in over 90% of these businesses. As a result, governments worldwide are placing increasing importance upon the success of small business entrepreneurs and are providing increased resources to support this emphasis.

Managing Information Technology in Small Business: Challenges and Solutions presents research in areas such as IT performance, electronic commerce, Internet adoption, and IT planning methodologies and focuses on how these areas impact small businesses. Excerpt from *A Study of Youth Needs and Services in Dallas, Texas, Vol. 2* It was this pattern of life and its effect upon Negro youth that we attempted to study through the same devices of personal, confidential interview, investigation of resources, and observation of group life used in the other phases of the Study. It was felt wise to employ Negro workers for both the personal interviews and the collection of other essential information. Fortunately, we were able to employ as staff members two women, of long residence in Dallas, and with training and experience both as public school teachers and social case workers. Thus we were able to obtain much more intimate information than would otherwise have been the case. About the

If you're in a diverse team, you know employee differences can cause miscommunication, lower trust, and hurt productivity. . . It doesn't have to be this way! The people you work with may be from a different generation, different culture, different race, different gender, or just a different philosophy toward work and life in general, but you need to work together toward a common goal. *How to Work With and Lead People Not Like You* explains how to dial down the differences, smooth out the friction, and play upon each other's strengths to become more effective, more productive, and less stressed. The keys are to find the common ground and identify hidden conflicts that are hurting productivity. Many people shudder at the prospect of working with diverse groups of people, but they can't voice their fear or anxiety. At work, it's not OK or politically correct to say, 'I'm uncomfortable with this person.' In fact, if you do say something along those lines, your job may be at risk. Your company may terminate you for not being on the

'diversity bandwagon.' So you keep quiet and you keep your thoughts to yourself. But deep down, you are uncomfortable. If you feel like this, it doesn't mean you're racist, sexist, ageist, homophobic, or any other negative label. It means you're struggling. You're struggling to understand people, cultures, or values that are unfamiliar to you. You're struggling to do your job with teammates and coworkers who may have very different viewpoints or different approaches to communication than you have. You're struggling to overcome differences and pull together to achieve high performance at work. Whether you're leading a diverse team, working in a challenging cross-cultural environment, or simply working with people who are 'not like you,' you need to be able to get along with everyone as a team, to get the work done. This book explains the skills you need to communicate, motivate, and inspire people to collaborate—even if they have very different values, lifestyles, or priorities. Learn key steps that bring cohesion to diversity

How to have a constructive conversation about working alongside people who are different

The four magic words that make this easier and smooth over friction

What not to say—and why

Learn to set aside differences and get things done

Learn how to handle a racist, sexist, homophobic or offensive remark in a professional way

Retain your sanity when colleagues drive you crazy

The changing demographics of today's workforce bring conflicting viewpoints, perspectives, approaches, skills,

habits, and personalities together in one place; whether that leads to synergy or catastrophe is up to you. *How to Work With and Lead People Not Like You* helps you turn a hurdle into an advantage so you or your team can do more, achieve more, and enjoy the ride.
