***I feel that my book is very different from other books because it is the true story of my life experience. This story is about myself and my mother and my ex-husbands and I feel that it need to be told because other people could be going through the same things. I know people say that they have heard of a book like this before, but no other book is like this one. My life story is so different from that of others; when you read it you will definitely know. Everyone has a different life experience and outlook on life. As I said earlier, this is a true and God-fearing story that I experienced. With the help of God and his Son Jesus Christ I am able to relate to others through this book. I feel that this book will help many people understand certain things about God and about their own lives that they could not discover through reading other books. "Although the Devil still 'lives' in modern popular culture,***

***for the past 250 years he has become marginal to the dominant concerns of Western intellectual thought. That life could not be thought or imagined without him, that he was a part of the everyday, continually present in nature and history, and active at the depths of our selves, has been all but forgotten. It is the aim of this work to bring modern readers to a deeper appreciation of how, from the early centuries of the Christian period through to the recent beginnings of the modern world, the human story could not be told and human life could not be lived apart from the 'life' of the Devil. With that comes the deeper recognition that, for the better part of the last two thousand years, the battle between good and evil in the hearts and minds of men and women was but the reflection of a cosmic battle between God and Satan, the divine and the diabolic, that was at the heart of history itself."—from *The Devil Lucifer, Mephistopheles, Beelzebub; Ha-Satan or the Adversary; Iblis or Shaitan: no matter what name he travels under, the Devil has throughout the ages and across civilizations been a compelling and charismatic presence. In Christianity, Judaism, and Islam, the supposed reign of God has long been challenged by the fiery malice of his opponent, as contending forces of good and evil have between them weighed human souls in the balance. In *The Devil*, Philip C. Almond explores the figure of evil incarnate from the first centuries of the Christian era. Along the way, he describes the rise of demonology as an intellectual and theological pursuit, the persecution as witches of women believed to consort with the Devil and his minions, and the decline in the belief in Hell and in angels and demons as corporeal beings as a result of the Enlightenment. Almond shows that the Prince of Darkness remains an irresistible subject in history, religion, art, literature, and culture. Almond brilliantly locates the "life" of the Devil within the broader Christian story of which it is inextricably a part; the "demonic paradox" of the Devil as both God's enforcer and his enemy is at the heart of Christianity. Woven throughout the account of the Christian history of the Devil is another complex and complicated history: that of the idea of the Devil in Western thought. Sorcery, witchcraft, possession, even melancholy, have all been laid at the Devil's doorstep. Until the Enlightenment enforced a "disenchantment" with the old archetypes, even rational figures such as Thomas Aquinas****

*were obsessed with the nature of the Devil and the specific characteristics of the orders of demons and angels. It was a significant moment both in the history of demonology and in theology when Benedict de Spinoza (1632–1677) denied the Devil's existence; almost four hundred years later, popular fascination with the idea of the Devil has not yet dimmed. From the religious historian whose *The Gnostic Gospels* won both the National Book Award and the National Book Critics Circle Award comes a dramatic interpretation of Satan and his role on the Christian tradition. With magisterial learning and the elan of a born storyteller, Pagels turns Satan's story into an audacious exploration of Christianity's shadow side, in which the gospel of love gives way to irrational hatreds that continue to haunt Christians and non-Christians alike. Introduction. The world has been willing to comply with the wishes and projects of Satan to the extent of ceasing to believe that he really exists; this unbelief being most advantageous to his present undertakings. Yet the opinions of men have never changed the facts of revelation, and, according to Scripture, Satan exists; still possessed with great power and influence over the affairs of men—a power and influence to be increasingly dreaded as this present age advances. The teachings of Scripture on this important subject are but little understood by Christians and seem to be entirely outside the thought of the world. It is, therefore, to be expected that any attempt to present this truth will seem, to many, mere folly and fiction. The name Satan has by no means been lost. It has, however, been associated with a most unscriptural fancy. Without reference to revelation, the world has imagined a grotesque being, fitted with strange trappings, who has been made the central character in theatrical performances; and by this relation to the unreality of the theatre, the real character of Satan has come to be only one of the myths of a bygone age. Scripture reveals a detailed description of the person and career of Satan; beginning with his creation; his original condition; his fall, and on to his kingdom with all its developments, and his final defeat and banishment. It presents a personage so mighty and so prominent in the world to-day that the Christian heart would fail, were it not for faith in the One who has triumphed over all principalities and powers. Torrey and Andrews have taken deep theological subjects and made them easy to*

***understand. CHRISTIAN THEOLOGY: What the Bible Teaches about Angels & Satan the Devil has twenty-one chapters. Torrey in Chapter 1 begins with the Angel's nature, position, number, and abode, the Work of Angels, the Devil's Existence, Nature, Position and Character, Ezekiel 28 Explained, the Abod of Satan, Our Duty Toward Satan and His Destiny, Andrews Explaining Angels, Explaining Satan the Devil, Explaining the Demons, Who Were the "Sons of God" In Genesis 6:2, Who Were the Nephilim In Genesis 6:2, Answering No One Has Seen God, Who Is Michael the Archangel, Angelic Rebellion in the Spirit Realm, Can Satan Control Humans, Can Satan Know the Thoughts of the Human Mind, Struggle Against Dark Spiritual Forces, Why Has God Permitted Evil, Do Christians Have Guardian Angels, How Much Is God Involved In Humanity, and Why Is Life So Unfair. The advantage of CHRISTIAN THEOLOGY is enormous: each thought-provoking chapter is based soundly in God's Word, helping the reader to cultivate a sound biblical foundation. Whether you are a student, pastor, teacher, youth worker, or layperson, this publication is a fantastic tool for understanding the Basic Bible Doctrines of the Christian Faith, in the light of solid Scriptural truth. All chapters in the book come from extensive research as to What the Bible Teaches about Angels & Satan the Devil . CHRISTIAN THEOLOGY: What the Bible Teaches about Angels & Satan the Devil is the fifth of five volumes. 2011 Retailers Choice Award winner! Rebecca never felt safe as a child. In 1969, her father, Robert Nichols, moved to Sellerstown, North Carolina, to serve as a pastor. There he found a small community eager to welcome him—with one exception. Glaring at him from pew number seven was a man obsessed with controlling the church. Determined to get rid of anyone who stood in his way, he unleashed a plan of terror that was more devastating and violent than the Nichols family could have ever imagined. Refusing to be driven away by acts of intimidation, Rebecca's father stood his ground until one night when an armed man walked into the family's kitchen . . . And Rebecca's life was shattered. If anyone had a reason to harbor hatred and seek personal revenge, it would be Rebecca. Yet The Devil in Pew Number Seven tells a different story. It is the amazing true saga of relentless persecution, one family's faith and courage in the face of it, and a daughter whose parents taught her the power of forgiveness.***

***An intriguing journey through the obstacles in one young man's troubled life. Born in a small southern town in Missouri and raised in the rugged streets of Chicago, death awaits him at every corner. From abuse in the home by his father to guns, gangs, armed robbery, and jail; will the perils of this world destroy this man? Can the stronghold of drugs, alcohol, and addictions keep him from making the right choices in life? Will he continue to abuse his fiancEe? Will he be able to find Jesus Christ in time to save his life and make it to the Promised Land? Or, will it be too late, leaving him lost forever in his wilderness? This testimony is for any one, young or old, who is struggling with abuse, hurt, rejection addictions and having trouble moving forward. It is written to reach those who do not know God or his son, Jesus Christ, in the forgiveness of their sins. This book will open their minds and help them see that there is a better way of life when they choose to operate in and accept the guidance of our one and only true and living God. Wayne is a troubled young man who realizes at a very young age that God's hand is upon his life, regardless of all of the negative situations that came along with his childhood. He is an alcoholic, a drug addict; thief, gang member, and he mistreated women. He vows to protect his mother from the hands of his abusive father. This story is about his father, a man who physically abuses him and seemingly provides little encouragement; his mother, who is abused by her husband and constantly prays to God for her children, regardless of her circumstances; Randy, the best friend who journeys with Wayne in their teenaged years and makes a wonderful discovery at the end; and Sandra, his fiancEe, who encourages him to change and dedicate his life to the Lord. Wayne Hardy was born in Missouri; raised in Chicago; moved to Michigan; business owner of a painting company; married for 15 years; father of 7 grown children; grandfather of twenty grand children; former alcoholic, drug abuser, gang member, thief; formerly mistreated women. But now, I am a minister and a prayer warrior. I'm free from the devil's strongholds! A noted Presbyterian minister takes up arms for Harry against his conservative critics. The Harry Potter books have aroused heated discussion among the branches of Christianity, with fundamentalists deploring them to the extent that a minister torched them in a 'holy bonfire' calling them an abomination. Times are changing, and we must stay in***

**God's timing to prosper in a world where the god of this age is attempting to mold you into the blueprint of the day and cause you to look like the world around you. God has called His people to have transformed minds and to be linked to the Head--not to bring up the rear in producing the changes around us. When we are at the right place at the right time, we can break out of confusing, mind-altering powers that war against God and all the blessings He is ready to pour upon us. The author is writing this book to help us understand how to enter a new level of freedom and victory. This book is like a war manual that will help you stay free from the enemy's vexing power as you journey through life. This installment of the Time trilogy will teach you how to war in time. Your battles are now! God reconciles our past so that our now opens up to our future. Your defeats in a former season will now become the victories and triumphs for your future. What began innocently as a family history now possessed all the elements of a Texas-size mystery. All the evidence was there of a deception by the most unlikely of partners. Coelho's parable of good versus evil relates the story of a stranger who enters a remote village and proposes a wager to the town: if someone turns up murdered within a week, he'll give the town enough gold to make everyone wealthy. This book is the best revelation of our century: A demon can be killed! If it is so, why does nobody discuss it? Because all religions are under the devil's subliminal control and have an implicit pact with him, like: I don't reveal your weaknesses or talk about you, and you don't wreck me. This treaty was so actual that Jesus of Nazareth himself had to come to this planet to reveal it. The meeting had been tense. The head of that legion was furious. He had come back from the meeting with his head turned into a frog's face and much shorter. They all knew that he had been demoted. And when that happened, someone would be sacrificed mercilessly. He inquired the responsibilities of each sector and each legion, raged, shouted, foamed. As the new face changed his muzzle anatomy, his voice had also changed. It was thinner. It sounds so funny, fuzzy, weird... mortal. None of those demons under his command didn't like him at all. In fact, no one liked anyone there. In that same section, there were other platoons. Some of them were too big; others were tiny. There was the insecticide platoon, which was microscopic. They specialized in**

***developing diseases and pests, and each platoon had its instructor. It was common to have three or four refresher courses per year. At the end of each internship, they went to earth to practice everything they learned in the classroom. This platoon was the riot and death squad, they weren't the most specialized there, but they fulfilled their role well. In general, their body measured sixty or seventy centimeters. They had thick fur, and looked like a porcupine. The legs were tiny, and the arms were twice as long as the whole body. They were brown, as they only caused riots; they wore no horns. None of them looked human, they hated that shape. Usually, a long, pointed snout or tooth was distinctive to demons specializing in terror and death. They wore a face that resembled a theater mask. They spent months training a new technique, a new psychological weapon, a new tactic. When they were efficient, the main leaders were promoted, but when they failed they were punished by their superiors. With millions of copies sold, RUN BABY RUN is one of the most powerful true stories of our day: the tale of one man, a legend among gang leaders in New York, and how he turned his back on that world of tribal warfare, sex, drugs and murder for the sake of Christ. In this new book Nicky Cruz explores how the devil uses every possible means to prevent people turning to God, drawing on a wealth of examples ranging from his own spiritualist childhood to his experiences of meeting prisoners in the highest security jails in the world. But the best news is that while the devil may be everywhere, God is there too - and it's God whose power will triumph. This is a tough book to read, but it's worth it, because you'll come away convinced not just of the devil's wiles, but much more convinced of God's superior firepower. The devil's worse than you think - but God is greater. One day Satan, the devil, came to the Garden of Eden. He told Eve she should eat the fruit of the tree of good and evil. Eve said God had told her and Adam not to eat it. Satan said the fruit was very good. He told Eve it would make her wise. She would know good and evil. Eve chose to eat the fruit. Eve told Adam she had eaten the fruit. She would have to leave the garden. She gave Adam some of the fruit. Adam ate it. God came to see Adam and Eve. They had not obeyed God. They were afraid. They ran and hid. According to one tradition, refuse was stored on the lowest of the ark's three decks, humans and clean beasts on the second, and the***

***unclean animals and birds on the top; a differing interpretation described the refuse as being stored on the utmost deck, from where it was shoveled into the sea through a trapdoor. Precious stones, said to be as bright as the noon sun, provided light, and God ensured that food remained fresh. Some more unorthodox interpretations of the ark narrative also surfaced: the 12th-century Jewish commentator Abraham Ezra interpreted the ark as being a vessel that remained underwater for 40 days, after which it floated to the surface***

***When Obama was age two, Barack Sr. left to study at Harvard University; shortly thereafter, in 1964, Ann and Barack Sr. divorced. (Obama saw his father only one more time, during a brief visit when Obama was 10.) Later Ann remarried, this time to another foreign student, Lolo Soetoro from Indonesia, with whom she had a second child, Maya. Obama lived for several years in Jakarta with his half sister, mother, and stepfather. While there, Obama attended both a government-run school where he received some instruction in Islam and a Catholic private school where he took part in Christian schooling. Trump began his political career by seeking the nomination for the Reform Party for the 2000 presidential race and withdrew; he again publicly announced he would be running for president in the 2012 election. However it wasn't until the 2016 election that Trump became the official Republican nominee for president and, defying polls and media projections, won the majority of electoral college votes in a stunning victory on November 8, 2016. Despite losing the popular vote to Hillary Clinton by almost 2.9 million votes, Trump's electoral win -306 votes to Clinton's 232 votes - clinched his election as the 45th president of the United States. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self. The battle between good and evil began long ago. Before the birth of humanity, God and Satan fought for the domination of heaven. And, as everyone knows, God was triumphant over Satan's evil. The tale has been told for thousands of years. But it's all a lie. A manuscript has been discovered, written over a century ago by a priest who was visited by the Devil himself. A priest who left the church to seek out Three Mad***

***Prophets and learn the truth. An Amazon.com bestseller, The Devil's Apocrypha is a tale that begins in another universe, before creation, and ends with a chilling prophesy. Here is the truth about the origin of God, his journey to our universe, and the battle for heaven. Discover why God manipulated the flesh of our race, the reason for his commandments...and why one being dared to try and stop him. This is the true story of Satan and God...and it's unlike anything you've been told. "A terrifying blend of science, religion and philosophy!"—OccultForums.com, R.I. Davis "Dark and terrifying...the next Omen!"—Daniel Farrands, screenwriter, producer, director DUI is a must-read for all of those who desire to be equipped to have victory in the war of deception that the Devil has waged against the saints. One of the grave mistakes that the modern church has made is that of minimizing the Enemy. He is a formidable opponent that we within ourselves have no chance of defeating. The reason why many saints are being defeated by the Enemy is because the body of Christ is having such a difficult time recognizing the Devil. The Bible says that he would deceive not just the world, but even the very elect, if it were at all possible. DUI exposes how the Enemy uses worship to get believers intoxicated with the world. This book systematically breaks down the difference between worship in the Spirit, which cleanses us, and Babylonian worship, which entertains us. It dissects the biblical foundations of worship and how the Enemy is attempting to change those foundations. You may have wondered how you could be a part of worship experiences that deeply affected you emotionally although many of the other participants left these experiences yet dominated by their flesh, spiritually blind, and carnally minded. This book has the answers! It is a must-read for all of those desiring to worship God in Spirit and truth and be found faithful when he returns! There are all kinds of things that threaten us, hurt us, and confuse us. The devil loves nothing more than using these things to keep us down so he can have the upper hand! But God has given us everything we need to keep the devil in his place, beginning with the Word of God. To live in victory, we must do more than know His Word—we must put it into action! Satan may attack you, but he doesn't have to defeat you. Joyce Meyer reveals eight proven ways for you to keep the devil under your feet. You'll learn how to: Remain peaceful through life's storms Be***

***strengthened and transformed by spending time with God Learn to conquer negative thoughts. When you put God's Word into action amazing things will begin to happen. Master these eight ways to keep the devil under your feet and you'll experience the countless ways that God wants to bless you! This lively and learned book traces the history of the concept of evil and its personification as the Devil from ancient times to the period of the New Testament and across cultures and civilizations. The Devil has fascinated writers and theologians since the time of the New Testament, and inspired many dramatic and haunting works of art. Today he remains a potent image in popular culture. The Devil: A Very Short Introduction presents an introduction to the Christian Devil through the history of ideas and the lives of real people. Have you ever wonder why you are going through a lot of problems and afflictions in life? Are you tired of the way things are in your life at the moment? This book is purely revelation of God no dilution! When your talent, passion and commitment to the word of God are strong, you can accomplish more than you ever thought possible. Psalm 33:4-9 Sola Ogunseitan is a mentor and a helper of destiny; for over 9 years she has been mentoring people that are going through different challenges in life. She has a gift of encouraging and lifting people that are going through frustration and obstacles in life. She is a wife and a mother of two lovely children. Her knowledge comes from the wisdom of God and experiences she went through in life. And She emphasized that Holy Spirit is her teacher. The riveting, untold story of the "Father of Christian Rock" and the conflicts that launched a billion-dollar industry at the dawn of America's culture wars. In 1969, in Capitol Records' Hollywood studio, a blonde-haired troubadour named Larry Norman laid track for an album that would launch a new genre of music and one of the strangest, most interesting careers in modern rock. Having spent the bulk of the 1960s playing on bills with acts like the Who, Janis Joplin, and the Doors, Norman decided that he wanted to sing about the most countercultural subject of all: Jesus. Billboard called Norman "the most important songwriter since Paul Simon," and his music would go on to inspire members of bands as diverse as U2, The Pixies, Guns 'N Roses, and more. To a young generation of Christians who wanted a way to be different in the American cultural scene, Larry was a***

**godsend—spinning songs about one’s eternal soul as deftly as he did ones critiquing consumerism, middle-class values, and the Vietnam War. To the religious establishment, however, he was a thorn in the side; and to secular music fans, he was an enigma, constantly offering up Jesus to problems they didn’t think were problems. Paul McCartney himself once told Larry, “You could be famous if you’d just drop the God stuff,” a statement that would foreshadow Norman’s ultimate demise. In *Why Should the Devil Have all the Good Music?*, Gregory Alan Thornbury draws on unparalleled access to Norman’s personal papers and archives to narrate the conflicts that defined the singer’s life, as he crisscrossed the developing fault lines between Evangelicals and mainstream American culture—friction that continues to this day. What emerges is a twisting, engrossing story about ambition, art, friendship, betrayal, and the turns one’s life can take when you believe God is on your side. Explores why humans have needed the Devil to explain evil and human suffering and why modern Americans are once again turning to the explanation of a Devil In this book you will be challenged to look at Pentecost through different eyes than perhaps you have before. Traditionally, the Church has always viewed Pentecost as how it has affected her, here it will be examined differently. If the church could get a glimpse of Pentecost from the devil's point of view we would realize what we have in a whole new light. We would have a greater appreciation for what God has provided for us in the Pentecostal experience. You will discover: - *The Prelude To Pentecost - The Pouring Of Pentecost - The Power Of Pentecost - The Problem Of Pentecost* Did you know that many in the Church have believed the subtle lies of the Devil in regard to Pentecost? Read inside what they are and as you know the Truth be set free. **BLOODY. KIDNAPPED. TRAPPED.**I'm laying in the trunk of this car, bloody from the beating I've just taken. While laying here crying in pain, all I can think about is my 19-month-old son. Just an hour ago I was in the mall shopping, living what I thought was the best life an 18-year-old could be living. My pager goes off, it's a guy trying to buy 2 and a half ounces of crack cocaine. Not knowing this page was about to change my life in a major way. As I lay here thinking this going to be my last ride, I said my prayers, asked God for forgiveness, wiped my tears away, laid there ready to face the consequences of the**

***sinful life I was living. Now how in the world did I get here?! The devil uses every possible means to prevent people from Hellfire is a topic some people don't want to talk about or even imagine because they still want to continue living their life without the conscious effort or understanding that it exists. But we can't do without the reality that one day God will judge the whole earth and everyone will be accounted for on how they lived their life on earth. God never destined man to reign in hellfire, his desire, and plan right from the beginning is that they remain in his presence forever, created in his image and likeness; they lived in the Garden of Eden (a representation of the presence of God) and failed to obey God's instruction given to them and because of that man was chased out of his presence (the Garden of Eden) and continued to live in sin which outcome are death and eternal damnation for all who continue in it and because of God's love for humanity, he had to send his son Jesus Christ to die for mankind to redeem him from sin and to live a life of righteousness and all who accept him as their personal Lord and Savior will be saved, even forever. The devil does not want God's plan for mankind to remain and that is why he is tirelessly working to see that man reigns in the place God has destined for him and his agents. God has made it possible that all who hear the message of the gospel and repent from their sinful ways to be saved but those who have bent their mind on living a life of sin and refuse to acknowledge the son of God would face the consequences of sin. There is grace for anyone who has lived in sin or has fallen into sin and wants to retrace his/her step because it is never God's will that any remain in hell. A life that is bent to please God and live for him, his will and pleasure will enjoy life on Earth and the life after now; there are so many benefits a believer would gain living for God which the devil has blinded some from seeing but God's word reveals God's promises for his children, his inheritance has their child. With understanding and confidence, one needs to walk in the victory of what God has done and his will and plan for all who love him and it is a great one decides to please God and live for him all their life, depending on God's strength and grace to help, not one depending on his strengt A Presbyterian minister defends the Harry Potter series from conservatives who denounce the books as paganism, demonstrating how they promote the values of faith and***

Kingdom Marriage: Connecting God's Purpose with Your Pleasure helps couples grow together as a kingdom couple to fulfill God's design and purpose for their marriage. Through practical insights and powerful stories, Dr. Tony Evans inspires and instructs so couples will discover the hope, challenge, and guidance God's Word provides for their journey together. "You can reflect the glory of God and the unity of the Trinity through your shared purpose, honor, and love as a true kingdom couple." —Tony Evans Kingdom Marriage shows couples that the key to influencing our society and world with lasting impact is found in solidifying biblical marriage in the way God intended. It starts with both wife and husband reflecting God and His image and modeling that reflection within the roles and responsibilities of their union. This is based on a correct understanding of God's kingdom and their responsibilities in it. Kingdom Marriage and the Kingdom Marriage devotional and video resources are part of an entire line of Kingdom products by Tony Evans, including Kingdom Man, Kingdom Woman, Raising Kingdom Kids, and the Kingdom Quest strategy guides for kids and teens. Offers information on engaging in spiritual warfare with Satan, including how the Devil will use old wounds, lies, and accusations against Christians seeking a deeper relationship with God. In many religions there is an entity that sits as the antithesis of God whose role is often to oppose God and God's people. In Islam that entity is Iblis. In Judaism and Christianity that entity is the devil or Satan. The Bible goes into much detail about the many ways and the lengths that the devil has perpetrated to oppose God and human beings living in this world. Using his forty years as a Christian and more than thirty years as a church pastor, Rev. Dr. Thomas Smith, Sr. provides a detailed framework to help a student of the Bible to understand how the devil works to deceive, to trick, and trap people in his attempt to destroy people in the earth. In these eleven chapters he looks at various passages of scripture that deal with many of the major issues involving the workings of Satan. This book is a detailed guide to understanding the workings of Satan and instructions about how we can overcome his evil plans, plots, and traps to gain the victory as a Christian. When the Devil needs a rogue demon killed,***

He doesn't want you reading it, for he knows what it will do in your life. Some Christians have said..."This is the hardest book I've ever tried to read. And it's not because the reading is difficult, but because the satanic opposition is so fierce. THE STORY: Jabez Stone, young farmer, has just been married, and the guests are dancing at his wedding. But Jabez carries a burden, for he knows that, having sold his soul to the Devil, he must, on the stroke of midnight, deliver it up to him. Shortly before twelve Mr. Scratch, lawyer, enters and the company is thunderstruck. Jabez bids his guests begone; he has made his bargain and will pay the price. His bride, however, stands by him, and so will Daniel Webster, who has come for the festivities. Webster takes the case. But Scratch is a lawyer himself and out-argues the statesman. Webster demands a jury of real Americans, living or dead. Very well, agrees the Devil, he shall have them, and ghosts appear. Webster thunders, but to no avail, and at last realizing Scratch can better him on technical grounds, he changes his tactics and appeals to the ghostly jury, men who have retained some love of country. Rising to the height of his powers, Webster performs the miracle of winning a verdict of Not Guilty.**
