Arlo sees his town change for the worse after the Mayor bans and destroys all books, but by sharing stories Arlo helps set things right again. From the acclaimed author of 'The Gilded Chamber' comes a novel about the Exodus, narrated by Miryam, the sister of Moses, and by his lover, Tzipporah. These two women weave an intricate and unforgettable tale of love, envy, selflessness and devotion, all of it revolving around one, exceptional man. "Story by Dayton Ward, James Swallo, and David Mack. Based on Star Trek and Star Trek: the next generation created by Gene Roddenberry. Star Trek: Deep space nine created by Rick Berman & Michael Piller. Star Trek: Voyager created by Rick Berman & Michael Piller & Jeri Taylor." This sweeping epic set in 19th-century India begins in the foothills of the towering Himalayas and follows a young Indian-

born orphan as he's raised in England and later returns to India where he falls in love with an Indian princess and struggles with cultural divides. The Far Pavilions is itself a Himalayan achievement, a book we hate to see come to an end. It is a passionate, triumphant story that excites us, fills us with joy, move us to tears, satisfies us deeply, and helps us remember just what it is we want most from a novel. M.M. Kaye's masterwork is a vast, rich and vibrant tapestry of love and war that ranks with the greatest panoramic sagas of modern fiction, moving the famed literary critic Edmond Fuller to write: "Were Miss Kaye to produce no other book, The Far Pavilions might stand as a lasting accomplishment in a single work comparable to Margaret Mitchell's achievement in Gone With the Wind." They're back! Epic is a novella about your favorite hockey duo! Jamie and Wes are having a blast living and working in Toronto. Until a scout for another team swoops in to make one of them an offer that might complicate the life they've built together. Q and A about Epic: Q: Is this a full-length book? A: Not even close! It's a 7 chapter novella. Q: Besides Wes and Jamie, who else will I see? A: Blake and Jess. Wes's team. And some unlucky grasshoppers... Q: Will there be more books about Wesmie? A: No more books are planned. But you can try on our other co-written works: Good Boy, Stay & Top Secret. Thanks for reading! For fans of: Cambria Herbert, Krista & Becca Ricci, Casey McQuestion, Riley Hart, Lucy Lennox, Lucy Score, Tijan, Meghan March, Lauren Blakely, Marie Sexton, Annabeth Albert, AM Arthur, Amy Jo Cousins, Rhys Ford, MK York, Sidney Bell, KJ Charles, Nick White, Alexis Hall, Roan Parrish, Avon Gale. "In 1865, Goldie O'Neill was nine years of age when she trekked across the unclaimed American West with her family to form their own Irish catholic Colony. Their new community had dreams of self-governance and prosperity far removed from the anti-Irish sentiment and prejudice of the ruling classes. They soon learned about the extremes of the American West and the ongoing Indian war. A year after their arrival, Goldie blames herself for her sister's disappearance. She forms an unlikely friendship with a Lakota Indian boy who promises to help with her life-long quest to find her sister. In the intervening years, as their community flourishes and a

new prejudice surfaces, her sister's disappearance ebbs away for everyone except Goldie. 1937, Lucy O'Neill was adopted by her aunt, Goldie O'Neill. When she learns that her father, Lorcan O'Neill, has returned to the small town in the Midwest after a thirty-year absence, she returns to meet him. Aware of the silence that surrounds his name and the reluctance of her family to reveal the real story, Lucy delves into the past to find a story far removed from the account her aunt had told her." -- amazon.com "Unabridged version previously published in 2016 in three volumes as The Kingstone Bible by Kingstone Comics." In this book, we have hand-picked the most sophisticated, unanticipated, absorbing (if not at times crackpot!), original and musing book reviews of "Gates of Fire: An Epic Novel of the Battle of Thermopylae." Don't say we didn't warn you: these reviews are known to shock with their unconventionality or intimacy. Some may be startled by their biting sincerity; others may be spellbound by their unbridled flights of fantasy. Don't buy this book if: 1. You don't have nerves of steel. 2. You expect to get pregnant in the next five minutes. 3. You've heard it all. An explorer in seventeenth-century Japan, ambitious Englishman Blackthorne encounters the powerful and power-hungry Lord Toranaga and Catholic convert Lady Mariko. Reissue. In the Mediterranean, 16th-century, a mighty struggle looms between the Christian kingdoms, roiled by religious strife and political intrigue, and the surging Ottoman Empire. All that stands in the sultan's way is a tiny island and its small band of defenders--the Knights of Malta. We don't usually identify with the author of a great story. Instead we bond with the hero and heroine--the ones that the story is about. We share in their heartaches and triumphs. We cheer their accomplishments and mourn their losses. When we think about our own story, we may see God as the author--an omniscient and omnipotent cosmic mastermind--but fail to recognize Him as the central character. In Epic, a retelling of the gospel in four acts, John Eldredge invites us to revisit the drama of life, viewing God not only as the author but also as the lead actor, exploring His motives and His heart. Eldredge examines the power of story, the universal longing for a "plot" that makes sense deep inside us, our desire for a meaningful role to play, our

love of books and movies, and how all of this points us to the gospel itself. It's a story better than any fairy tale! Our human hearts are made for great drama, and the gospel, with its tragedy and grandeur, truly is epic. Also available as an unabridged audio on CD, as well as hardcover Spanish edition. A Good Morning America Book Club Pick and New York Times Bestseller! From debut author Asha Lemmie, "a lovely, heartrending story about love and loss, prejudice and pain, and the sometimes dangerous, always durable ties that link a family together." —Kristin Hannah, #1 New York Times–bestselling author of The Nightingale Kyoto, Japan, 1948. "Do not question. Do not fight. Do not resist." Such is eight-year-old Noriko "Nori" Kamiza's first lesson. She will not question why her mother abandoned her with only these final words. She will not fight her confinement to the attic of her grandparents' imperial estate. And she will not resist the scalding chemical baths she receives daily to lighten her skin. The child of a married Japanese aristocrat and her African American GI lover, Nori is an outsider from birth. Her grandparents take her in, only to conceal her, fearful of a stain on the royal pedigree that they are desperate to uphold in a changing Japan. Obedient to a fault, Nori accepts her solitary life, despite her natural intellect and curiosity. But when chance brings her older half-brother, Akira, to the estate that is his inheritance and destiny, Nori finds in him an unlikely ally with whom she forms a powerful bond—a bond their formidable grandparents cannot allow and that will irrevocably change the lives they were always meant to lead. Because now that Nori has glimpsed a world in which perhaps there is a place for her after all, she is ready to fight to be a part of it—a battle that just might cost her everything. Spanning decades and continents, Fifty Words for Rain is a dazzling epic about the ties that bind, the ties that give you strength, and what it means to be free. A spoof on the three little pigs story, this time told from the wolf's point of view. Lane Smith also illustrated Hallowe'en ABC which was one of The New York Times Best Illustrated Books of the Year. In an epic novel the Washington Post called "riveting," Brian Stableford brilliantly imagines a world ruled by a powerful aristocracy of vampires: long-lived, extraordinarily handsome

humans who are immune to pain but must drink the blood of their common subjects. The story begins in seventeenth-century London and spans three hundred years—moving from England to the heart of Africa, to Malta, and finally to the New World. Edmund Cordery, Mechanician to the court of Richard Coeur-de-Lion, believes that vampire beings must have a natural explanation. But when his discoveries make him dangerous in the eyes of his masters, Edmund entrusts his learned secrets to his son, Noell, who in turn becomes a fugitive. When he returns to Europe he faces the awesome might of Coeur-de-Lion and the infamous Vlad the Impaler. This classic has been translated into five languages and “turn[ed] the typical vampire story on its ear” when it was published, according to the San Francisco Chronicle. Pulitzer Prize-winning author James A. Michener brings Hawaii’s epic history vividly to life in a classic saga that has captivated readers since its initial publication in 1959. As the volcanic Hawaiian Islands sprout from the ocean floor, the land remains untouched for centuries—until, little more than a thousand years ago, Polynesian seafarers make the perilous journey across the Pacific, flourishing in this tropical paradise according to their ancient traditions. Then, in the early nineteenth century, American missionaries arrive, bringing with them a new creed and a new way of life. Based on exhaustive research and told in Michener’s immersive prose, Hawaii is the story of disparate peoples struggling to keep their identity, live in harmony, and, ultimately, join together. **BONUS:** This edition includes an excerpt from James A. Michener’s Centennial. Praise for Hawaii “Wonderful . . . [a] mammoth epic of the islands.”—The Baltimore Sun “One novel you must not miss! A tremendous work from every point of view—thrilling, exciting, lusty, vivid, stupendous.”—Chicago Tribune “From Michener’s devotion to the islands, he has written a monumental chronicle of Hawaii, an extraordinary and fascinating novel.”—Saturday Review “Memorable . . . a superb biography of a people.”—Houston Chronicle The definitive history of World War II from the African American perspective, written by civil rights expert and Dartmouth history professor Matthew Delmont “Matthew F. Delmont’s book is filled with compelling narratives that

outline with nuance, rigor, and complexity how Black Americans fought for this country abroad while simultaneously fighting for their rights here in the United States. Half American belongs firmly within the canon of indispensable World War II books.” —Clint Smith, #1 New York Times bestselling author of *How the Word Is Passed: A Reckoning with the History of Slavery Across America* Over one million Black men and women served in World War II. Black troops were at Normandy, Iwo Jima, and the Battle of the Bulge, serving in segregated units and performing unheralded but vital support jobs, only to be denied housing and educational opportunities on their return home. Without their crucial contributions to the war effort, the United States could not have won the war. And yet the stories of these Black veterans have long been ignored, cast aside in favor of the myth of the “Good War” fought by the “Greatest Generation.” Half American is American history as you’ve likely never read it before. In these pages are stories of Black heroes such as Thurgood Marshall, the chief lawyer for the NAACP, who investigated and publicized violence against Black troops and veterans; Benjamin O. Davis, Jr., leader of the Tuskegee Airmen, who was at the forefront of the years-long fight to open the Air Force to Black pilots; Ella Baker, the civil rights leader who advocated on the home front for Black soldiers, veterans, and their families; James Thompson, the 26-year-old whose letter to a newspaper laying bare the hypocrisy of fighting against fascism abroad when racism still reigned at home set in motion the Double Victory campaign; and poet Langston Hughes, who worked as a war correspondent for the Black press. Their bravery and patriotism in the face of unfathomable racism is both inspiring and galvanizing. In a time when the questions World War II raised regarding race and democracy in America remain troublingly relevant and still unanswered, this meticulously researched retelling makes for urgently necessary reading. No library’s complete without the classics! The first volume of Proust’s seven-part novel “In Search of Lost Time,” also known as “A Remembrance of Things Past,” “Swann’s Way” is the auspicious beginning of Proust’s most prominent work. A mature, unnamed man recalls the details of his commonplace, idyllic existence as a sensitive

and intuitive boy in Combray. For a time, the story is narrated through his younger mind in beautiful, almost dream-like prose. In a subsequent section of the volume, the narrator tells of the excruciating romance of his country neighbor, Monsieur Swann. The narrator reverts to his childhood, where he begins a similarly hopeless infatuation with Swann's little daughter, Gilberte. More than this apparently fragmented narrative, however, is the importance of the themes of memory, time, and art that connect and interweave the man's memories. Considered to be one of the twentieth century's major novels, Proust ultimately portrays the volatility of human life in this sweeping contemplation of reality and time. Illustrated with book-end doodles about reading

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • NEW YORK TIMES BESTSELLER • In this beautifully written masterwork, the Pulitzer Prize-winner and bestselling author of *Caste* chronicles one of the great untold stories of American history: the decades-long migration of black citizens who fled the South for northern and western cities, in search of a better life. From 1915 to 1970, this exodus of almost six million people changed the face of America. Wilkerson compares this epic migration to the migrations of other peoples in history. She interviewed more than a thousand people, and gained access to new data and official records, to write this definitive and vividly dramatic account of how these American journeys unfolded, altering our cities, our country, and ourselves. With stunning historical detail, Wilkerson tells this story through the lives of three unique individuals: Ida Mae Gladney, who in 1937 left sharecropping and prejudice in Mississippi for Chicago, where she achieved quiet blue-collar success and, in old age, voted for Barack Obama when he ran for an Illinois Senate seat; sharp and quick-tempered George Starling, who in 1945 fled Florida for Harlem, where he endangered his job fighting for civil rights, saw his family fall, and finally found peace in God; and Robert Foster, who left Louisiana in 1953 to pursue a medical career, the personal physician to Ray Charles as part of a glitteringly successful medical career, which allowed him to purchase a grand home where he often threw exuberant parties. Wilkerson brilliantly captures their first treacherous and exhausting

cross-country trips by car and train and their new lives in colonies that grew into ghettos, as well as how they changed these cities with southern food, faith, and culture and improved them with discipline, drive, and hard work. Both a riveting microcosm and a major assessment, *The Warmth of Other Suns* is a bold, remarkable, and riveting work, a superb account of an “unrecognized immigration” within our own land. Through the breadth of its narrative, the beauty of the writing, the depth of its research, and the fullness of the people and lives portrayed herein, this book is destined to become a classic. The classic samurai novel about the real exploits of the most famous swordsman. Miyamoto Musashi was the child of an era when Japan was emerging from decades of civil strife. Lured to the great Battle of Sekigahara in 1600 by the hope of becoming a samurai--without really knowing what it meant--he regains consciousness after the battle to find himself lying defeated, dazed and wounded among thousands of the dead and dying. On his way home, he commits a rash act, becomes a fugitive and brings life in his own village to a standstill--until he is captured by a weaponless Zen monk. The lovely Otsu, seeing in Musashi her ideal of manliness, frees him from his tortuous punishment, but he is recaptured and imprisoned. During three years of solitary confinement, he delves into the classics of Japan and China. When he is set free again, he rejects the position of samurai and for the next several years pursues his goal relentlessly, looking neither to left nor to right. Ever so slowly it dawns on him that following the Way of the Sword is not simply a matter of finding a target for his brute strength. Continually striving to perfect his technique, which leads him to a unique style of fighting with two swords simultaneously, he travels far and wide, challenging fighters of many disciplines, taking nature to be his ultimate and severest teacher and undergoing the rigorous training of those who follow the Way. He is supremely successful in his encounters, but in the Art of War he perceives the way of peaceful and prosperous governance and disciplines himself to be a real human being. He becomes a reluctant hero to a host of people whose lives he has touched and been touched by. And, inevitably, he has to pit his skill against the naked blade of his greatest

rival. Musashi is a novel in the best tradition of Japanese story telling. It is a living story, subtle and imaginative, teeming with memorable characters, many of them historical. Interweaving themes of unrequited love, misguided revenge, filial piety and absolute dedication to the Way of the Samurai, it depicts vividly a world Westerners know only vaguely. Full of gusto and humor, it has an epic quality and universal appeal. The novel was made into a three-part movie by Director Hiroshi Inagai. For more information, visit the Shopping area

Three thousand years of tradition torn asunder. When the truth comes out, will a hero emerge to pick up the pieces? Dashira Eisenheart takes ultimate comfort in her community. So she's thrilled when her brother ascends to the coveted order chosen to protect the world from safely sealed-away, millennia-old, dangerous magic. But her faith in her beloved parents' loyalty cracks after she spies her mother sneaking about town to meet with the enemy. Striving to stay focused on her own academic studies, Dashira becomes caught in family tensions that soon reach a boiling point. And as her father's Brotherhood and her mother's rebel group head toward a cataclysmic clash, the young seeker finds herself trapped by conflicting choices. Will she face her fears and accept her role in a grand destiny? Dream of the Sphere is the intricate first entry in the expansive The Sphere Saga epic fantasy series. If you like gargantuan conflicts, jaw-dropping twists, and deep explorations of humanity's beliefs, you'll love Jay S. Willis's hard-hitting tale. #WELCOME TO EPIC: PRESS START TO PLAY#. On New Earth, Epic is not just a computer game, it's a matter of life and death. If you lose, you lose everything; if you win, the world is yours for the taking. Seeking revenge for the unjust treatment of his parents, Erik subverts the rules of the game, and he and his friends are drawn into a world of power-hungry, dangerous players. Now they must fight the ultimate masters of the game -- The Committee. But what Erik doesn't know is that The Committee has a sinister, deadly secret, and challenging it could destroy the whole world of Epic. #1 New York Times Bestseller Oprah's Book Club Selection The "extraordinary . . . monumental masterpiece" (Booklist) that changed the course of Ken Follett's already phenomenal career—and begins where its prequel, The

Evening and the Morning, ended. "Follett risks all and comes out a clear winner," extolled Publishers Weekly on the release of The Pillars of the Earth. A departure for the bestselling thriller writer, the historical epic stunned readers and critics alike with its ambitious scope and gripping humanity. Today, it stands as a testament to Follett's unassailable command of the written word and to his universal appeal. The Pillars of the Earth tells the story of Philip, prior of Kingsbridge, a devout and resourceful monk driven to build the greatest Gothic cathedral the world has known . . . of Tom, the mason who becomes his architect—a man divided in his soul . . . of the beautiful, elusive Lady Aliena, haunted by a secret shame . . . and of a struggle between good and evil that will turn church against state and brother against brother. A spellbinding epic tale of ambition, anarchy, and absolute power set against the sprawling medieval canvas of twelfth-century England, this is Ken Follett's historical masterpiece. A NEW YORKER "ESSENTIAL READ" "Just as awe-inspiring as the Nobel judges claimed." - The Washington Post "Olga Tokarczuk is one of our greatest living fiction writers. . . This could well be a decade-defining book akin to Bolaño's 2666." -AV Club "Sophisticated and ribald and brimming with folk wit. . . The comedy in this novel blends, as it does in life, with genuine tragedy." -Dwight Garner, The New York Times LONGLISTED FOR THE 2022 NATIONAL BOOK AWARD NAMED A BEST BOOK OF THE YEAR BY THE NEW YORK TIMES, THE WALL STREET JOURNAL, TIME, THE NEW YORKER, AND NPR The Nobel Prize-winner's richest, most sweeping and ambitious novel yet follows the comet-like rise and fall of a mysterious, messianic religious leader as he blazes his way across eighteenth-century Europe. In the mid-eighteenth century, as new ideas—and a new unrest—begin to sweep the Continent, a young Jew of mysterious origins arrives in a village in Poland. Before long, he has changed not only his name but his persona; visited by what seem to be ecstatic experiences, Jacob Frank casts a charismatic spell that attracts an increasingly fervent following. In the decade to come, Frank will traverse the Hapsburg and Ottoman empires with throngs of disciples in his thrall as he reinvents himself again and again, converts to Islam and then

Catholicism, is pilloried as a heretic and revered as the Messiah, and wreaks havoc on the conventional order, Jewish and Christian alike, with scandalous rumors of his sect's secret rituals and the spread of his increasingly iconoclastic beliefs. The story of Frank—a real historical figure around whom mystery and controversy swirl to this day—is the perfect canvas for the genius and unparalleled reach of Olga Tokarczuk. Narrated through the perspectives of his contemporaries—those who revere him, those who revile him, the friend who betrays him, the lone woman who sees him for what he is—The Books of Jacob captures a world on the cusp of precipitous change, searching for certainty and longing for transcendence. In a nod to books written in Hebrew, The Books of Jacob is paginated in reverse, beginning on p. 955 and ending on p. 1 - but read traditionally, front cover to back. From the award-winning author of A Heart in a Body in The World comes a gorgeous and fiercely feminist young adult novel. When a teen travels to Hawaii to track down her sperm donor father, she discovers the truth about him, about the sunken shipwreck that's become his obsession, and most of all about herself. Harper Proulx has lived her whole life with unanswered questions about her anonymous sperm donor father. She's convinced that without knowing him, she can't know herself. When a chance Instagram post connects Harper to a half sibling, that connection yields many more and ultimately leads Harper to uncover her father's identity. So, fresh from a painful breakup and still reeling with anxiety that reached a lifetime high during the pandemic, Harper joins her newfound half siblings on a voyage to Hawaii to face their father. The events of that summer, and the man they discover—a charismatic deep-sea diver obsessed with solving the mystery of a fragile sunken shipwreck—will force Harper to face some even bigger questions: Who is she? Is she her DNA, her experiences, her successes, her failures? Is she the things she loves—or the things she hates? Who she is in dark times? Who she might become after them? 'That night Stasia took an oath, swearing to learn the recipe by heart and destroy the paper. And when she was lying in her bed again, recalling the taste with all her senses, she was sure that this secret recipe could heal wounds, avert catastrophes, and bring people

happiness. But she was wrong.' At the start of the twentieth century, on the edge of the Russian Empire, a family prospers. It owes its success to a delicious chocolate recipe, passed down the generations with great solemnity and caution. A caution which is justified- this is a recipe for ecstasy that carries a very bitter aftertaste ... Stasia learns it from her Georgian father and takes it north, following her new husband, Simon, to his posting at the centre of the Russian Revolution in St Petersburg. Stasia's is only the first in a symphony of grand but all too often doomed romances that swirl from sweet to sour in this epic tale of the red century. Tumbling down the years, and across vast expanses of longing and loss, generation after generation of this compelling family hears echoes and sees reflections. Great characters and greater relationships come and go and come again; the world shakes, and shakes some more, and the reader rejoices to have found at last one of those glorious old books in which you can live and learn, be lost and found, and make indelible new friends. 'It is a great read. If you love historical sagas and romances, this is the book for you.' -ABC Radio National The Bookshelf 'A harrowing, heartening and utterly engrossing epic novel ... astonishing ... A subtle and compelling translation by Charlotte Collins and Ruth Martin (on the heels of a Georgian version earlier this year) should make this as great a literary phenomenon in English as it has been in German.' -Maya Jaggi, The Guardian 'If it's a family saga you're seeking, look no further than this grand tale...The author gracefully interweaves the historical backdrop of her novel with the lives of her characters, thus adding depth to her story. Heartily recommended.' STARRED REVIEW -Library Journal Winner of the PEN/Open Book Award Winner of The Story Prize Spotlight Award A kaleidoscopic portrait of five generations scattered across Asia and the United States, Inheritors is a heartbreakingly beautiful and brutal exploration of a Japanese family fragmented by the Pacific side of World War II. A retired doctor is forced to confront the moral consequences of his wartime actions. His brother's wife, compelled to speak of a fifty-year-old murder, reveals the shattering realities of life in Occupied Japan. Half a century later, her estranged American granddaughter winds her way back East, pursuing her absent father's

secrets. Decades into the future, two siblings face the consequences of their great-grandparents' war as the world shimmers on the brink of an even more pervasive violence. Grappling with the legacies of loss, imperialism, and war, *Inheritors* offers an intricate tapestry of stories illuminating the complex ways in which we live, interpret, and pass on our tangled histories. *Epic: The Story that Changed the World* is a graphic novel style Bible storybook featuring 40 stories and life-application questions that are perfect for engaging older kids and preteen readers. Vietnam's heady tropical landscape captivates fifteen-year-old Joseph Sherman on a hunting expedition to French colonial Saigon with his family in 1925. He is lured back again and again by his enduring fascination for the country and for Lan, a beautiful Vietnamese mandarin's daughter he could never forget. Over five haunting decades Joseph's life becomes deeply enmeshed with Vietnam's turbulent, war-torn fate - until he attempts to salvage something of lasting value during the final desperate helicopter scramble to flee defeated Saigon. This new 2008 edition of Anthony Grey's epic novel of the Vietnam War in a single volume is republished some 20 years after its first publication. During this period, as critics predicted, it has stood the test of time and is now providing a new generation of readers with insights into that historic conflict - and its tragic echoes in Iraq. It has since become a bestseller in 15 countries and in eight other languages. *The Myth: Alice* was an ordinary girl who stepped through the looking glass and entered a fairy-tale world invented by Lewis Carroll in his famous storybook. *The Truth: Wonderland* is real. Alyss Heart is the heir to the throne, until her murderous aunt Redd steals the crown and kills Alyss' parents. To escape Redd, Alyss and her bodyguard, Hatter Madigan, must flee to our world through the Pool of Tears. But in the pool Alyss and Hatter are separated. Lost and alone in Victorian London, Alyss is befriended by an aspiring author to whom she tells the violent, heartbreaking story of her young life. Yet he gets the story all wrong. Hatter Madigan knows the truth only too well, and he is searching every corner of our world to find the lost princess and return her to Wonderland so she may battle Redd for her rightful place as the Queen of Hearts. Sweeping through fifteen

centuries of life in the heart of southern England, this epic novel records the lives of the ordinary folk of Britain from the end of the Roman occupation through to the late 16th century. The author has brought to life a colorful range of characters, from serfs to kings, from slave girls to bishops and from honest working families to murderers, to illustrate what it must have been like to live through some of the most challenging periods of English history, including the attacks of the hated Viking marauders, the French defeat of the English at Hastings, the arrival of the despised Norman invaders and the dissolution of the monasteries. The hardship and terrible cruelty our ancestors had to endure are vividly described. From the creators of *Ice Age* and *Rio*, *Epic* tells the story of a hidden civilization. The battle between good and evil rages until a teenage girl is magically transported into this forest kingdom to help save their world, and ours. The Jinn are tiny forest creatures who love all growing things. Their enemies, the Boggans, want to destroy the forest by spreading decay. When a human girl named M.K. magically shrinks and joins forces with the Leafmen— the brave warrior Jinn—the Jinn may have a chance of survival. Join M.K., the Leafmen, and other curious creatures on a dangerous journey to save this miraculous forest world! *Epic: The Junior Novel* retells the whole exciting story and features eight pages of full-color images from the movie! If you like the magical setting of *Lord of the Rings*, the intrigue of *Game of Thrones*, and the heart of the *Harry Potter* series, then you'll love *Genesis of War*! "The Palidor brothers have all grown accustomed to their ordinary lives. Thasus advises the King; Andemar lives peacefully with his family; Rudimere frequents the tavern with his friends, hoping to one day bring honor to his family. But that day may soon arrive... Threatening to repeat history, a dark Sage with the ability to control the elements has declared war. Even with numerous Sages, all with extraordinary powers, roaming the land, the son of the Demon Sorcerer believes himself to be unchallenged. Now, with the Palidor brothers at the center of the conflict, their allies must rally behind them or risk losing everything. As the genesis of a new war unfolds, the fate of this family is intertwined with that of the realm of Areon." *Amnion* is a contemporary lyric epic, journeying from the

Philippines to Libya, through France, Spain, and the UK. This debut collection of poems questions keenly and urgently the roots of migration and colonialism, charting what it means to grow up in a family divided by geography, history and language. Managing the consequences of empire, familial discord, personal mythologies and contemporary issues of class and race, these narratives of history, both personal and public, are disseminated through Stephanie's patient and ever-expanding rhetoric. Lyrically charged, this book-length poem weaves memoir, essay and poetics with the eye of an archivist. Throughout, the lyric 'I' is questioned through the very fragments that come to represent it. Amnion feeds into the history of Homeric, epic verse with ambitious scope, grace and erudition, promising to be one of the most significant texts on contemporary personhood. Toyotomi Hideyoshi wants to serve the emperor as a samurai in the 16th century, and through his perseverance and hard work he becomes the Taiko, the absolute ruler of Japan in the emperor's name. The #1 New York Times Bestseller GoodReads Choice Award semi finalist, Amazon Best Mysteries & Thrillers of 2017 selection The final installment in the epic Natchez Burning trilogy by Greg Iles "Natchez Burning is extraordinarily entertaining and fiendishly suspenseful. I defy you to start it and find a way to put it down; as long as it is, I wished it were longer. . . . This is an amazing work of popular fiction." — Stephen King "One of the longest, most successful sustained works of popular fiction in recent memory... Prepare to be surprised. Iles has always been an exceptional storyteller, and he has invested these volumes with an energy and sense of personal urgency that rarely, if ever, falter." — Washington Post The endgame is at hand for Penn Cage, his family, and the enemies bent on destroying them in this revelatory volume in the epic trilogy set in modern-day Natchez, Mississippi—Greg Iles's epic tale of love and honor, hatred and revenge that explores how the sins of the past continue to haunt the present. Shattered by grief and dreaming of vengeance, Penn Cage sees his family and his world collapsing around him. The woman he loves is gone, his principles have been irrevocably compromised, and his father, once a paragon of the community that Penn leads as mayor, is about to be tried for the murder

of a former lover. Most terrifying of all, Dr. Cage seems bent on self-destruction. Despite Penn's experience as a prosecutor in major murder trials, his father has frozen him out of the trial preparations--preferring to risk dying in prison to revealing the truth of the crime to his son. During forty years practicing medicine, Tom Cage made himself the most respected and beloved physician in Natchez, Mississippi. But this revered Southern figure has secrets known only to himself and a handful of others. Among them, Tom has a second son, the product of an 1960s affair with his devoted African American nurse, Viola Turner. It is Viola who has been murdered, and her bitter son--Penn's half-brother--who sets in motion the murder case against his father. The resulting investigation exhumes dangerous ghosts from Mississippi's violent past. In some way that Penn cannot fathom, Viola Turner was a nexus point between his father and the Double Eagles, a savage splinter cell of the KKK. More troubling still, the long-buried secrets shared by Dr. Cage and the former Klansmen may hold the key to the most devastating assassinations of the 1960s. The surviving Double Eagles will stop at nothing to keep their past crimes buried, and with the help of some of the most influential men in the state, they seek to ensure that Dr. Cage either takes the fall for them, or takes his secrets to an early grave. Unable to trust anyone around him--not even his own mother--Penn joins forces with Serenity Butler, a famous young black author who has come to Natchez to write about his father's case. Together, Penn and Serenity battle to crack the Double Eagles and discover the secret history of the Cage family and the South itself, a desperate move that risks the only thing they have left to gamble: their lives. Mississippi Blood is the enthralling conclusion to a breathtaking trilogy seven years in the making--one that has kept readers on the edge of their seats. With piercing insight, narrative prowess, and a masterful ability to blend history and imagination, Greg Iles illuminates the brutal history of the American South in a highly atmospheric and suspenseful novel that delivers the shocking resolution his fans have eagerly awaited. NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky

mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time

for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .
