You will create the passionate connection you've always wanted. USA Today National Bestseller Publisher's Weekly National Bestseller Advice on how to have healthy, dynamic relationships from Raashaun (DJ Envy) and Gia Casey, revealing their secrets to navigating marriage, family, and faith Gia and Raashaun Casey met when they were two teenagers attending the same high school in Queens. They have been together for an astounding 27 years and married for 20. They have remained together through Raashaun's growing celebrity, a devastating (and very public) cheating scandal, and the births of six children. Now, more than a quarter of a century into their relationship, they are stronger and more committed to each other than they've

ever been, and their fans are clamoring to know how they did it. In *Real Life, Real Love*, Gia and Raashaun explore the entire chronology of their love story with remarkable vulnerability, searing honesty, and a lot of humor. It's a riveting narrative about how to grow together, an aspirational guidebook for people who seek the same unconditional love in their relationships, and an in-depth look at how to remain equals after being thrust into the public eye. The New York Times bestselling author and a central figure in the field of meditation, Sharon Salzberg, uses ancient Buddhist wisdom to redefine love and experience it in a more profound way. You are a person worthy of love. You don't have to do anything to deserve all the love in the world. *Real Love* is a creative tool kit of mindfulness exercises and meditation techniques that help you to truly engage with your present experience and create deeper love relationships with yourself, your partner, friends and family, and with life itself. Sharon Salzberg, a leading expert in Lovingkindness meditation, encourages us to strip away layers of negative habits and obstacles, helping us to experience authentic love based on direct experience, rather than preconceptions. Across three sections, Sharon explains how to dispel cultural and emotional habits, and direct focused care and attention to recapture the essence of what it is to love and be loved. With positive reflections and practices, Sharon teaches us how to shift the responsibilities of the love that we give and receive to rekindle the powerful healing force of true connection. By challenging myths perpetuated by popular culture, we can undo the limited definitions that reduce love to simply romance or passion, and give the heart a much needed tune-up to connect ourselves to the truest experience of love in our daily lives. Lovingly dubbed "Father Oprah," he is renowned for his sensitive, practical advice. Now, Father Albert Cuti? offers guidance on how couples can overcome problems and strengthen their love and commitment. *Real Life, Real Love* reveals the joy of-and seven paths to-developing real relationships. For couples seeking to heal their rifts or strengthen their bonds, this insightful guide will point them toward long, meaningful relationships. From a celebrity matchmaker, this encouraging, inspiring guide will help you overcome obstacles keeping you meeting your soul mate. From dedicated matchmaker, costar of the groundbreaking series *Lovetown*, USA, and relationship expert on OWN: The Oprah Winfrey Network, this proactive guidebook will help you get past the things preventing you from finding real, authentic love. Through a physical, mental, and emotional self-appraisal, which asks you to examine the things might be afraid to admit are holding you back, Kailen, lays out a fail-proof, step-by-step thirty-day plan that will make you love-ready and lead you to love. With 300 marriages to her credit, she is living proof that love and faith can overcome any kind of challenge. Her methods are straightforward, with unique exercises such as

self-appraisals and love shopping-rooted in a spiritual understanding of love, which she sees as our highest calling. *Real Love, Right Now* helps you put bad dating habits aside so you can figure out what really matters and find the partner who is right for you. "It is no secret that Kailen Rosenberg knows the secrets of love. Now she shares them with everyone" (Keith Ablow, MD, psychiatrist, Fox News Medical A Team). This is a story of redemption. ... romance may be just around the corner now. Be guided with the Smartlove Method to attract real love now. The highest love relationship exists and is waiting for you ... ♥♥♥ What happens when a fake relationship turns into a real kind of love? As an audiobook narrator, Clementine Cox has no trouble mastering the voices of space aliens, elven warriors, or even demon-possessed cats. But the moment she tries her hand at an erotic romance, she's stumped. With her deadline looming, she books a week at a secluded cabin to restore her inner muse, telling her loving-but-overbearing family it's a romantic getaway with her not-so-existent new boyfriend to keep them from worrying. She never expects them to invite themselves along to meet the new guy. Now, she has less than twenty-four hours to find a pretend boyfriend in order to save her job and, potentially, her sanity. Workaholic Jake Donovan isn't interested in a real relationship. After a broken engagement, all he wants to do is focus on keeping his brewpub, the Holy Grale, afloat. But when he finds out his favorite customer is in need of a fake boyfriend, and his business partners insist he take a long overdue vacation, he has no choice but to help Clem out. All he has to do is enjoy the sunshine, play nice with her family, and keep his hands to himself for the week. But Jake's not prepared to like waking up next to Clem every morning as much as he does. Or to feel so welcome by her quirky family. And as the line between real and fake starts to blur, he realizes one week might never be enough. 'Malone', writes Malone, 'is what I am called now.' On his deathbed, and willing away the time with stories, the octogenarian Malone's account of his condition is intermittent and contradictory, shifting with the vagaries of the passing days: without mellowness, without elegiacs; wittier, jauntier, and capable of wilder rages than Molloy. The sound I liked best had nothing noble about it. It was the barking of the dogs, at night, in the clusters of hovels up in the hills, where the stone-cutters lived, like generations of stone-cutters before them. it came down to me where I lay, in the house in the plain, wild and soft, at the limit of earshot, soon weary. The dogs of the valley replied with their gross bay all fangs and jaws and foam... After rising from poverty to earn two Ivy League degrees, an Appalachian lawyer pays tribute to the strong "hill women" who raised and inspired her, and whose values have the potential to rejuvenate a struggling region. "Destined to be compared to Hillbilly Elegy and Educated."—BookPage (starred review) "Poverty is enmeshed with pride in these stories of survival."—Associated Press Nestled in the Appalachian mountains, Owsley County is one of the poorest counties in both Kentucky and the country. Buildings are crumbling and fields sit vacant, as tobacco farming and coal mining decline. But strong women are finding creative ways to subsist in their hollers in the hills. Cassie Chambers grew up in these hollers and, through the women who raised her, she traces her own path out of and back into the Kentucky mountains. Chambers's Granny was a child bride who rose before dawn every morning to raise seven children. Despite her poverty, she wouldn't hesitate to give the last bite of pie or vegetables from her garden to a struggling neighbor. Her two daughters took very different paths: strong-

willed Ruth—the hardest-working tobacco farmer in the county—stayed on the family farm, while spirited Wilma—the sixth child—became the first in the family to graduate from high school, then moved an hour away for college. Married at nineteen and pregnant with Cassie a few months later, Wilma beat the odds to finish school. She raised her daughter to think she could move mountains, like the ones that kept her safe but also isolated her from the larger world. Cassie would spend much of her childhood with Granny and Ruth in the hills of Owsley County, both while Wilma was in college and after. With her "hill women" values guiding her, Cassie went on to graduate from Harvard Law. But while the Ivy League gave her knowledge and opportunities, its privileged world felt far from her reality, and she moved back home to help her fellow rural Kentucky women by providing free legal services. Appalachian women face issues that are all too common: domestic violence, the opioid crisis, a world that seems more divided by the day. But they are also community leaders, keeping their towns together in the face of a system that continually fails them. With nuance and heart, Chambers uses these women's stories paired with her own journey to break down the myth of the hillbilly and illuminate a region whose poor communities, especially women, can lead it into the future. It's time for you to "Get Real about Love " and Create your New Love Story! A detailed description of the mystical journey to Absolute Truth from Llewellyn Vaughan-Lee. At the root of every mystical calling is the search for what is □ this book follows this call, detailing the inner journey to Absolute Truth. Readers are guided through traditional experiences of the path--emptiness and the void, oneness, and communion with nature. Particular direction is given for how contemporary seekers can--and must--engage with challenges unique to our times, such as extreme materialism and ecological devastation. A pioneer in the subject of Spiritual Ecology Llewellyn Vaughan-Lee offers spiritual guidance on the vital need to restore a sacred connection to life and the environment. For Love of the Real is a much needed in-depth exploration of the contribution spiritual life can make to our present environmental crisis. Addressing every aspect of the illusions taught as life, from marriage to religion, 'LOVE: The Real Word of God, ' speaks the truths of the manipulation placed upon the human race, that would lead humanity to choosing its own destruction. Love and God have been defined inaccurately, to keep humanity far from love, which is god, therefore, giving control to the energy opposite of our natural existence. This series will not only break down the manipulations, but also provide answers on how to change the path created for the human races destruction though control. The first book, began being written in April 2019, and was finished in August 2020, with the understanding that it was only the beginning of continuous knowledge that would be given to Shanna, for her to deliver it to those in search of the truth. There is no final destination in this life, only a constant climb to higher frequencies of existence. Therefore, one may not know everything in one lifetime, but only what is necessary for evolution of humanity in that lifetime. As long as Shanna allows forward movement within herself, for the purpose of being used as a vessel of truth, which is love, and salvation for humanity, new levels of knowledge will be released in this series, one book at a time A "beautiful and

sensitive" tale of true love that transcends time, from the multi-million bestselling author of *Many Lives, Many Masters* (Gary Zukav, author of *Seat of the Soul*). Recommended by Kendall Jenner. In *Many Lives, Many Masters*, a skeptical Dr. Brian Weiss found his life changed profoundly after curing a patient using past-life therapy. Now he takes his research into transcendental messages one breathtaking step further. He portrays two strangers, Elizabeth and Pedro, who are unaware that they have been lovers throughout the long centuries -- until fate brings them together again. He shows how each and every one of us has a soulmate whom we have loved in past incarnations and who waits to reunite with us now. And he opens up entirely new worlds for all of us everywhere, based on a single, powerful truth... Written with all the scathing dark humor that is a hallmark of *BoJack Horseman*, Raphael Bob-Waksberg delivers a fabulously off-beat collection of short stories about love—the best and worst thing in the universe. Featuring:

- A young engaged couple forced to deal with interfering relatives dictating the appropriate number of ritual goat sacrifices for their wedding.
- A pair of lonely commuters who ride the subway in silence, forever, eternally failing to make that longed-for contact.
- A struggling employee at a theme park of U.S. presidents who discovers that love can't be genetically modified.

And fifteen more tales of humor, romance, whimsy, cultural commentary, and crushing emotional vulnerability. As long as worldly love continues to be considered our means of salvation, we will forever experience war, greed, hunger, disease, homelessness, and every other form of pain and suffering that the dream can create. This book is not about vastly improving worldly love into something newer, better, and bigger. That strategy has gone on for centuries, yet world peace has never been achieved. This book is one soul's humble yet dedicated attempt to truly connect with those who will listen, and inspire them to stop and hear the magnificence of their heart; and to put aside the ego's insane influence and ask one simple question: "What has my strong allegiance to the illusions of this world truly created in my life?" "He rocked my foundation! Greg Baer touched me deeply. He's got the answer to finding happiness in life."—Tony Trupiano, *Talk America* Why do most of us search our entire lives for loving and happy relationships but rarely find them? What is the "secret something" that all relationships need in order to thrive? Dr. Greg Baer found the answers to these questions while working with thousands of individuals and couples. In *Real Love*, he shares his enlightening and practical blueprint for creating successful relationships and reveals the secret to finding and keeping what he calls "Real Love." In *Real Love*, you'll discover:

- The difference between Imitation Love and Real Love
- How to eliminate conflicts with spouses, children, parents, friends and colleagues
- How to put an end to destructive "Getting" and "Protecting" behaviors
- How Real Love can eliminate anger, resentment, and fear
- The four steps to finding Real Love

With *Real Love* as your guide you can begin to heal the wounds of your past and create rewarding and fulfilling relationships in every area of your life. Christian love is central to the life of every believer. When Paul speaks of the work of the Holy Spirit in Jesus followers,

love is the first item he mentions (Galatians 5:22); when our Saviour prepared his disciples for the events of that final night in Jerusalem, and everything that would come after, he spoke to them about love (John 13). Perhaps it is not an overstatement to say that love is at the root of the Christian faith it is God's abiding and everlasting love that gives impetus to the incarnation of Christ and the redemption of his people. [4] of cover. In the bestselling tradition of *The Five People You Meet in Heaven* and *Humans of New York* comes a collection of authentic, emotional, and inspiring stories about life's most important moments, as curated by the editors at *Love What Matters*. "90% of the reads bring me to tears. I just can't believe the love this world truly has when all we see is hate. This is so uplifting." —Shelsea Where do you go when you want to feel inspired? When you want to forget about the divisiveness and the anger? For over five million people, that place is *Love What Matters*, a digital platform dedicated to finding and sharing the daily moments of kindness, compassion, and love that so often go overlooked. This curated collection of powerful stories features first person accounts and photographs that perfectly capture each moment: A husband learning he's about to be a dad. A new mom embracing her body. A cashier inadvertently teaching a young girl a lesson about patience. A bagel from a stranger that saved a homeless man's life. From long overdue adoptions to military heroes returning home; from a fireman's touching 9/11 tribute to what an old dinner plate found at a bake sale can teach us all about life—these are the moments that matter. They are genuine. Authentic. Raw. And they are perfect in their imperfection—just like all of us. You will no doubt experience goosebumps and tears, but this mosaic of life's moments will leave you with something even more profound: a reminder that, in the end, love always wins. "This really is the best page

on Facebook. It renews your love of humanity. There are still good people. We need more reports of acts of kindness." —Johnny It had always been the three of us, and then it was the two of us—Ed and August. There was not, nor had there ever been a chance of a Noah and August. And that was fine. Because the truth was I had known Noah forever but I still had no idea who he really was. Especially not now. In this sizzling novella, one girl must choose between loyalty and love. August had the two best guy friends a girl could ask for in Noah and Ed. Then Ed confessed he felt more for her - and their new relationship changed everything. She had hoped it would be Noah that she'd end up with someday, but it's clearer than ever that Noah's just not interested in being a one-girl guy. When the small seaplane the three of them are on crashes, August finds herself injured and marooned on an island with ... Noah. Unsure of what's become of Ed, August and Noah do their best to not lose hope as they fight to survive on an island that is not as deserted as they first believed. But fighting the elements - and their attraction to each other - becomes a losing battle. Soon, a secret from Noah's past that could bind them to the island forever is revealed, and August must choose between giving into her feelings for him, or struggling to make it back home. The challenges and lessons presented in *Love is Real* aren't what somebody thought would sound good. These are all things I have done, and I can personally attest to the power of every challenge in impacting your life. A lot of the content, especially in Parts 1 and 2, is very heavy. It's stuff that none of us want to talk about, but guess what? They're problems that many of us face. We all wear masks that say we're okay all the time, and it makes us feel as though we are the only people hiding real problems beneath. I'm ripping off the mask and showing the world all of me. It's my hope that if you've hit a point where there doesn't seem to be a way out, this will help you realize you are not alone. I was in a very dark place for over a decade. This book is based on the lessons I've learned from people who actually live the kind of life that I had wanted for so long. It doesn't matter how many times you've messed up; you can make a change. I have a life now I never dreamed possible. That life is waiting for you, and you don't have to struggle as I did to get it. In a world filled with books claiming they have the answers, the last thing you want to do is waste your time. So, how is this self-help book different from all the others? This book isn't meant to be just a pleasant read. When I say we're starting a life-changing journey together, that's not hyperbole. The lessons in this series literally rebuilt my life. They can do the same for you. In this book, you will learn coping mechanisms and lifestyle choices to help you through tough times. More than anything, I hope to help you avoid the stumbling blocks that hindered me for over a decade. Don't throw away years of your life like I did. Leave a legacy that will impact not only your life but the lives of generations to come. In a poignantly real novel of lesbian life, two women have been living together for twenty years, but the affairs of one partner begin to have a serious effect on their relationship. Original. The *New York Times* bestselling author and a central figure in the field of meditation, Sharon Salzberg, uses

ancient Buddhist wisdom to redefine love and experience it in a more profound way. We all yearn for connection, yet often feel trapped by our sense of isolation, anger, envy, and other forms of aversion. Ultimately, our minds get in the way of this yearning, as we spin stories and assumptions around in our heads that keep us feeling alienated from one another. However, in *Real Love*, bestselling author and meditation teacher Sharon Salzberg will teach you to redefine and open up the limited definitions of "love" and experience it in a more essential way. This book provides a pathway towards a more sustainable and authentic model of love by offering a creative toolkit of mindfulness exercises, meditation techniques, and interactive applications that will guide readers through the process of stripping away layers of habit to find a truer meaning of love, to "real love." The book is divided into four sections, each addressing a distinct experience of "real love": love for the self, love for another individual, love for all beings, and love for life itself. Working from the inside out, the first step on the journey is to learn to love yourself; only then will you be able to share your love with the rest of the world. As you work through each layer you will become more present and adapt to things as they actually are. And it is only when we are truly engaged with present experiences that we not only are able to feel more connected to our own core selves, but also to those around us. Sylvester's fifth book, *This is What Real Love Feels Like* is a riveting look at what real love is. The prose guides us through deep levels of love, mirrors of lust, & affirmations on self-love. The vivid stories, poetry, & descriptive moods paints a picture that any romantic can relate to. The wordplay will hook you directly from the creation story. In this effort, Sylvester put forth writings that entertain, poetry that makes you reflect, & letters that capture the hearts of thousands of readers across the globe. In the blink of an eye, Cara Morgan lost her mom and the life she'd been building for herself as a professional ballet dancer. Within months, she had a new name and a new life in a small town on the other side of the country. Still mourning the loss of her mother and trying to accept the other changes in her life, Cara has struggled to put down deep roots in New Hope Falls. But when faced with the prospect of losing her remaining parent, Cara knows she needs to let people in. Kieran Sutherland has been through his own time of mourning in recent years. After the tragic loss of both his brother and father, he brought his mom back to her hometown of New Hope Falls. Taking a position with the Sheriff's Office for the county, he soon finds himself working as a police chief in the small town...a world away from his previous job with the NYPD. A couple of break-ins in New Hope lead him to the door of Cara's studio in search of help, and he finds himself curious about the woman he'd only seen from afar. Given her past, Cara isn't sure dating someone in law enforcement is a great idea. But with her dying father's encouragement to embrace her new life and find love, she accepts Kieran's romantic overtures. As her connection with Kieran deepens, so does her connection with the town

and its inhabitants. But when the past rears its ugly head and secrets are revealed, Cara isn't sure she can stay in New Hope Falls. Will the past rob Kieran and Cara of the love they've found with each other? Or will their faith and love be strong enough to guide them through one of the most difficult times of their lives? Because of Him is book 2 of the Christian romance series, *New Hope Falls*. If you haven't read book 1 yet, be sure to check it out: *A Love So Real* (ASIN: B07T58NPDR). Welcome to the fictional town of New Hope Falls! A sanctuary for those needing refuge. A beacon for those who are lost. A place for the hurting to call home. Most relationship problems are essentially trust issues, explains psychotherapist David Richo. Whether it's fear of commitment, insecurity, jealousy, or a tendency to be controlling, the real obstacle is a fundamental lack of trust—both in ourselves and in our partner. *Daring to Trust* explores the importance of trust throughout our emotional lives: how it develops in childhood and how it becomes an essential ingredient in healthy adult relationships. It offers key insights and practical exercises for exploring and addressing our trust issues in relationships. Topics include:

- How we learn early in life to trust others (or not to trust them)
- Why we fear trusting
- Developing greater trust in ourselves as the basis for trusting others
- How to know if someone is trustworthy
- Naïve trust vs. healthy, adult trust
- What to do when trust is broken

Ultimately, Richo explains, we must develop trust in four directions: toward ourselves, toward others, toward life as it is, and toward a higher power or spiritual path. These four types of trust are not only the basis of healthy relationships, they are also the foundation of emotional well-being and freedom from fear. Andi Ashworth's remarkable book has, for many, become the handbook for living a loving, hospitable, caregiving life. Andi offers life-changing insights and encouragement to the overlooked and marginalized caregivers of the world. For Andi, imaginative care for people and planet is the human mission on earth. "Wet wings- *The Wrath of real love* is about a young man, Quinton, who wakes up devastated and emotionally drained by a montage of heartbreaks, but as his days go on, he stumbles into fate and mysteriously meets the love of his weary life- a beautiful lost angel from a different world- one who change the course of his destiny. And through their deeply magnified love, they realize just how wrathful love can really be if its not wielded with caution. The two lovers must travel through Quinton's subconscious world by diving deeper into his dreams and nightmares in order to retrieve his happiness. They must battle through his

depression by vanquishing the evil hovering over his soul, to set him free from his monsters and to break the chains which bind from his freedom. Quinton's greatest liberation struggle is to find peace within his damaged heart. This mystical novel turns into a colorful, romantic, adventurous thrill to seek redemption, to become a better man in society and to find love within the trenches of a dark reality- to conquer darkness and to find light within ones soul" A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.
