I'm not the type of woman who actually inspires passion in any guy, much less one who makes it a habit to watch me because he's obsessed. I'm a curvy, plain Jane. I like my chips, chocolate, and junk food, and it definitely shows. I'm an educated geek who would rather have my nose in a computer instead of a fashion magazine. But none of those things seem to matter to Stalker. He sees something in me that I don't see in myself, and I don't know why. I'm terrified, yet I'm inexplicably intrigued. I'm cautious by nature, but something makes me want to know who he is, and why he gives a sh*t about somebody like me. I know falling for a man I've never seen in the light of day is dangerous. Does he stalk me because he wants to own me, control me, and make me into the woman he thinks that I am? Does he want to hurt me, or is he just a lost soul like me? And why did it feel so good to touch him under the cover of darkness? Is he my nightmare or my dearest stalker? Getting to know him might be foolish, but for some reason, I just can't walk away...

She doesn't know why, but Natalie feels Vance might be the only one who can help her put the pieces of her life back together. Despite the tension their arrangement causes with his girlfriend, their bi-weekly sessions seem to be helping...as long as he keeps his promise not to push her to reveal more than she's ready to share. Suddenly the tables have turned... When Vance suffers his own unspeakable tragedy, asking for help is the last thing he wants to do. Drowning in grief and guilt, crushed by betrayal and lies, Vance needs a lifeline. Natalie has no idea why anyone thinks she can help him, given her own deep-rooted fears-but she knows she has to try. A twisted notion of justice makes the danger all too real, and Vance and Natalie realize it might take one broken soul to mend another... I've loved Will Henderson from the first day I laid eyes on him. But I made a solemn promise that same day. I would never, ever date Will Henderson. For almost a decade, Charlotte Dubois has loved Will Henderson from afar, squelching her heart's silent yearnings. But no way could she date her best friend Kelsey's brother. Their whole friendship is based on one rule: No friend of Kelsey can ever date Will. Instead, Charlotte has watched him date and break more hearts than should be legal. Will Henderson never got over that stolen kiss he shared with Charlotte years ago-though he's tried valiantly to rid his system of his sister's best friend. When circumstances bring the two into each other's arms again, Will wants to convince Charlotte to break the rules and take a chance on him. But to do so, they will have to hide their relationship from the ones they love most. Can true love triumph, or will they both end up losing? Where there is goodness, evil is sure to follow. Where there is light, darkness is never far behind. Belleeza isn't the angel your parents told you about as a child. She's a weapon. A warrior. But even warriors have their weaknesses-and even warriors can have their hearts broken. Betrayed by the only man she's ever loved, Belleeza throws herself into an unusual mission to find a missing teenage boy. But the treacherous path she finds herself on could lead her closer towards the darkness than she had ever imagined-perhaps even into the depths of Hell itself. And what about Colton, the beautiful angel turned demon who trampled all over her heart? Betrayals, secrets, torture, and passion. Be careful what you wish for-Heaven on Earth might just be more than you bargained for. Meet Raj Kumar Reddy and his brother in life, Iqbal Ali Mohammad Khan. They are Gandhians. Peace-lovers. Truth-seekers. At least in intention if not yet in action. Means what? As Iqbal puts it, "How can we say we are pursuing truth if we do nothing but drink tea and go to office and eat dinner and love our families? If we say pursuit, then we must pursue." And so, when the price of onion increases by hundreds of percents, they set about pursuing the truth. After all, an onion problem is never a small problem in India. Governments have fallen because of onion problem. Murders have been committed because of onion problem. And these are just the facts. The rumors are much, much worse. They say that the 1947 partition between India

and Pakistan was thirty-five percent due to onion problem. Current border disputes with China are minimum eighty percent related to onion problem. After all, China is the number one producer of onion and India is number two. Onion requires land for cultivation, and therefore any land dispute is almost definitely related to the desire to move ahead in the onion rankings! Shamelessly trivializing everything from Indo-Pak relations and terrorism to food-shortage and foreign-policy, *The Gandhian Adventures of Raj & Iqbal* is a quirky, desi satire about friendship and patriotism in the Indian subcontinent. ZUBIN J. SHROFF writes unique, entertaining, eclectic novels, many of which contain elements of satire, drama, and surrealism.
