Around Town with Carol on Whitebriar Farm Mar 01 2021 Over 300 stories of children and critters here on Whitebriar Farms could not be contained in one book, but is a "book set". There is no rhyme or reason to the "numbering", so don't think I missed anything, but even with mismatched numbers on chapters, realize they are in chronical order, as the experience came along. God has blessed me many times with a wonderful family and the ability to show people thru words, the wonderful life that can be had on a farm with animals and children. - Carole Lokan Moore, aka, The Farmer's Daughter

Introduction to Law Enforcement Apr 02 2021 Modern perspectives of law enforcement are both complex and diverse. They integrate management and statistical analysis functions, public and business administration functions, and applications of psychology, natural science, physical fitness, and marksmanship. They also assimilate theories of education, organizational behavior, economics, law and public policy, and many others. Modern law enforcement is a blend of both theoretical knowledge and applied practice that continuously changes through time. With contributions by nine authors offering a diverse presentation, *Introduction to Law Enforcement* goes beyond the linear perspective found in most law enforcement texts and offers multiple perspectives and discussions regarding both private and public entities. Through this approach, readers gain an understanding of several dimensions of the subject matter. Topics discussed include: Contemporary crime trends Policing ethics Law enforcement history The functions of modern law enforcement agencies Homeland security Public service Human resources The path of a case from arrest through incarceration and post-release Local, state, regional, federal, and tribal law enforcement agencies Private enforcement organizations Adaptable across a wide range of learning environments, the book uses a convenient format organized by agency type. Pedagogical features include learning objectives, case studies, and discussion questions to facilitate reader assimilation of the material. Comprehensive in scope, the text presents a robust consideration of the law enforcement domain.

Counter-Terrorism for Emergency Responders May 03 2021 Using the authors many years of experience in emergency services and his skills as a hazardous materials consultant, prepares the first responder to handle everything from re-establishing control and on-scene triage to investigating the crime. Including information on pre-incident and avoidance tactics, the author also discusses monitoring and detection techniques, protective equipment and decontamination, and an extensive list of resource organizations and training opportunities. This up-to-date 3rd edition is written to provide concise information for emergency responders who might be called upon to confront explosive, chemical, nuclear, biological, or incendiary acts of terrorism.

Final Grave Jul 25 2020 Siesta Key's Detective Meri Ann Fehr's mother disappeared fifteen years before she receives a troubling call from an Idaho detective. He believes he's found the missing woman's jewelry lying beside skeletal remains on a high plateau on the outskirts of Boise. Eager to end years of uncertainty and to jump-start the cold case, Meri Ann flies west. The Basque detective handling the case would rather she stay in sunny Florida--not so the killer Her arrival sets in motion a horrific, calculated plan. Final Grave keeps the reader guessing right up to the final sentence. A chilling who done it. JB Hamilton Queen -author of Imminent Reprisal and Masters of the Breed Bernitt's deft touch with detail put the reader firmly in the great northwest, where her characters jump to life. Myriad plot twists make this a page turner. Madonna Dries Christensen - author of Masquerade: The Swindler Who Conned J.Edgar Hoover

23 Days of Terror Jun 23 2020 In October 2002, a nation still recovering from the 9/11 attacks found itself under siege once more -- by an unseen, unknown, and seemingly unstoppable enemy. For 23 days, the area around Washington, D.C., was the hunting ground for a pair of serial snipers who struck at random, killing from afar, only to vanish time and time again. With each attack, they raised the stakes, taunting the authorities to try to stop them -- until their luck ran out. Here, from veteran reporter Angie Cannon and the staff of U.S. News & World Report, comes the complete story of one of the most heinous crimes in American history -- a chronicle of the harrowing days in October that took ten innocent lives and wounded three others; the means and methods used by law enforcement -- and their mistakes; the suspects' backgrounds and possible motives; and the fear that gripped a region of five million people and the effect these shocking acts of terror continue to have on American society.
