Cyra Noavek and Akos Kereseth have grown up in enemy countries locked in a long-standing fight for dominance over their shared planet. When Akos and his brother are kidnapped by the ruling Noavek family, Akos is forced to serve Cyra, the sister of a dictator who governs with violence and fear. Cyra is known for her deadly power of transferring extraordinary pain unto others with simple touch, and her tyrant brother uses her as a weapon against those who challenge him. But as Akos fights for his own survival, he recognizes that Cyra is also fighting for hers, and that her true gift—resilience—might be what saves them both. When Akos and Cyra are caught in the middle of a raging rebellion, everything they've been led to believe about their world and themselves must be called into question. But fighting for what's right might mean betraying their countries, their families, and each other. When the time comes, will they choose loyalty or love? And don't miss *The Fates Divide*, Veronica Roth's powerful follow-up novel!

Summary and Analysis *Divergent* (Divergent Series, Book 1)  
Mar 03 2021 Notice: This is not the actual book *Divergent* by

Veronica Roth. Do not buy this Summary & Analysis if you are looking for a full copy. This is a Summary & Analysis of Divergent by Veronica Roth. Bestselling author Veronica Roth emerges in glory in Divergent, the first novel in a near-future dystopia that promises its readers more enthralling action to come. In the book, Roth relates the story of Tris in a gripping story of passage into adulthood in a society evocative of the future voiced by Aldous Huxley, George Orwell, environmental activists, and those who regard with trepidation the increasing miniaturization and prevalence of technology. It is a compelling read not only for the young adults of its intended audience, but also for their parents, those who teach them and those who have themselves faced the frightening passage from the safety and security of a childhood home into the nuanced, shaded and too often shady broader societies of adulthood. The adherence of a number of the characters to the standard tropes of the book is perhaps too rigid which this analysis helps to decipher increasing your understanding of the book more than ever. Even so, there are a number of themes in the book that will also be of interest to those who teach the expected young-adult readers of the novel and the core messages of the text are of the sort that bear repeating. As such, Veronica Roth's debut novel, Divergent, comes off as a worthwhile piece of writing that many people will do well to read. Like many young-adult works, Divergent is in many respects a typical coming-of-age novel. The typical tropes of the genre are in place. The protagonist leaves home to join another group of people who will train her how to live as one of them. In the process of learning how to fit in among them, she finds that she is special in a way much of the broader society regards as dangerous but that ultimately allows her to resist

constraints of society and escape from its restrictions. This analysis of *Divergent* fills the gap, making you understand more while enhancing your reading experience.

Allegiant Nov 18 2019 The explosive conclusion to Veronica Roth's #1 New York Times bestselling *Divergent* series of books reveals the secrets of the dystopian world that captivated millions of readers and film fans in *Divergent* and *Insurgent*. *Allegiant* Aug 20 2012 \*\* *Allegiant* by Sara Mack is the second novel in The Guardian Trilogy. It is not affiliated with the Divergent series by Veronica Roth. \*\*Last summer, Emma discovered that true love never dies. It can return. It can give you hope. It can pull you from darkness. Until it's ripped from you. Again. As her 22nd birthday approaches, Emma Donohue finds herself back at school and utterly alone. Hours away from family and friends, her solitary days are spent contemplating what never should have been. James should never have died, but he did. He should never have been assigned as her Guardian, but he was. And she should never have allowed Dane to get too close to her heart. But she failed. Desperate to fill her time, Emma is intrigued by her mysterious new neighbor, Garrett. She's never met anyone quite like him before, and, curious, she attempts to discover his past. Little does she know his presence will pull her into a world she could never imagine. A world that follows an

ancient doctrine. A world built on loyalty, yet plagued by secrets and lies. A world that will threaten everything - and everyone - she loves. *Allegiant* is a new adult/college paranormal romance containing moderate language/mild innuendo. *Allegiant* is the second story in *The Guardian Trilogy*. The Fates Divide Feb 02 2021 #1 New York Times Bestseller! In the second book of the Carve the Mark duology, globally bestselling Divergent author Veronica Roth reveals how Cyra and Akos fulfill their fates. The Fates Divide is a richly imagined tale of hope and resilience told in four stunning perspectives. The lives of Cyra Noavek and Akos Kereseth are ruled by their fates spoken by the oracles at their births. The fates, once determined, are inescapable. Akos is in love with Cyra, in spite of his fate: he will die in service to Cyra's family. And when Cyra's father, Lazmet Noavek—a soulless tyrant, thought to be dead—reclaims the Shotet throne, Akos believes his end is closer than ever. As Lazmet ignites a barbaric war, Cyra and Akos are desperate to stop him at any cost. For Cyra, that could mean taking the life of the man who may—or may not—be her father. For Akos, it could mean giving his own. In a stunning twist, the two will discover how fate defines their lives in ways most unexpected. Praise for Carve the Mark: #1 New York Times bestseller \* Wall Street Journal bestseller \* USA Today bestseller \* #1 IndieBound

bestseller “Roth skillfully weaves the careful world-building and intricate web of characters that distinguished *Divergent*.”

*The Traitor: A Divergent Story* May 25 2020 More Four! Fans of the *Divergent* series by No. 1 New York Times bestselling author Veronica Roth will be thrilled by ‘*The Traitor*’, the fourth of four new short stories told from Four’s perspective. *DIVERGENT* – a major motion picture series.

*Material Girls* Jan 01 2021 In this dystopian thriller, fashion is making everyone a victim: “A captivating and fast-paced ride” (Joelle Charbonneau, New York Times–bestselling author of *The Testing* trilogy). In Marla Klein and Ivy Wilde’s world, teens are the gatekeepers of culture. A top fashion label employs sixteen-year-old Marla to dictate hot new clothing trends, while Ivy, a teen pop star, popularizes the garments that Marla approves. Both girls are pawns in a calculated but seductive system of corporate control, and both begin to question their world’s aggressive levels of consumption. Now they’re joining forces to subversively resist and overturn the industry that controls every part of their lives . . . Smart, provocative, and entertaining, this thrilling page-turner questions the cult-like mentality of fame and fashion. Are you in or are you out? “Through its likable characters, sly humor, and smart, fast-moving plot, this entertaining debut raises serious questions about the costs of disposable fashion and pursuit of celebrity.” —Kirkus Reviews
