*“Filled with tongue-in-cheek humor...a gently fantastical world brimming with teen shenanigans.”*  
—Publishers Weekly Perfect for fans of Geekerella and Jenn Bennett, this charming, sparkly rom-com follows a wish-granting teen forced to question if she’s really doing good—and if she has the power to make her own dreams come true. Charity is a fairy godmother. She doesn’t wear a poofy dress or go around waving a wand, but she does make sure the deepest desires of the student population at Jack London High School come true. And she knows what they want even better than they do because she can glimpse their perfect futures. But when Charity fulfills a glimpse that gets Vindhya crowned homecoming queen, it ends in disaster. Suddenly, every wish Charity has ever granted is called into question. Has she really been helping people? Where do these glimpses come from, anyway? What if she’s not getting the whole picture? Making this existential crisis way worse is Noah—the adorkable and (in Charity’s opinion) diabolical ex of one of her past clients—who blames her for sabotaging his prom plans and claims her interventions are doing more harm than good. He demands that she stop granting wishes and help him get his girl back. At first, Charity has no choice but to play along. But soon, Noah becomes an unexpected ally in getting to the bottom of the glimpses. Before long, Charity dares to call him her friend...and even starts to wish he were something more. But can the fairy godmother ever get the happily ever after? What is it that makes most of us resist change? In this book, Martha Westwater takes her readers through the tumultuous times after Vatican II, when centuries-old assumptions about what constituted holiness were challenged. The churchs call for renewal invited women religious to discover again the roots of their call and the urgency of the needs of that time. Martha shares how she and the sisters with whom she lives seek to move into the future with integrity and passion. Perhaps in every life there is a single moment of insight that defines the souls journey more than any other. For Martha, it occurred on October 9, 1997. The twist of fate that allowed Martha to survive a horrific car crash while her two companions died gnawed at her as she wrestled with every survivors question: Why me? Why did I live? You will discover that the answer is something only the one who asks the question can articulate. More than Enough: Seeing Change as Blessing challenges each of us to reflect on our own life and recognize that we have always had enough of what we need for happiness. The author uses both wisdom and wit to explore how God accompanies us through every change and uses them to bless our lifes journey. "Yes, *Well-Read Black Girl* is as good as it sounds. . . . encountered a character who seemed to be written just for you? That feeling of belonging remains with readers the rest of their lives—but not everyone regularly sees themselves in the pages of a book. In this timely anthology, *Glory Edim* brings together original essays by some of our best black women writers to shine a light on how important it is that we all—regardless of gender, race, religion, or ability—have the opportunity to find ourselves in literature. A **NEW YORK TIMES BESTSELLER** Abandon dead, dry, rule-keeping and embrace the promise of being truly known and deeply loved. Jefferson Bethke burst into the cultural conversation in 2012 with a passionate, provocative poem titled "Why I Hate Religion, But Love Jesus." The 4-minute video literally became an overnight sensation, with 7 million YouTube views in its first 48 hours (and 23+ million in a year). The message blew up on social-media, triggering an avalanche of responses running the gamut from encouraged to enraged. In *Jesus > Religion*, Bethke unpacks similar contrasts that he drew in the poem—highlighting the difference between teeth gritting and grace, law and love, performance and peace, despair and hope. With refreshing candor he delves into the motivation behind his message, beginning with the unvarnished tale of his own plunge from the pinnacle of a works-based, fake-smile existence that sapped his strength and led him down a path of destructive behavior. Bethke is quick to acknowledge that he's not a pastor or theologian, but simply a regular, twenty-something who cried out for a life greater than the one for which he had settled. Along his journey, Bethke discovered the real Jesus, who beckoned him beyond the

How people produced or acquired their food in the past is one of the main questions in archaeology. Everyone needs food to survive, so the ways in which people managed to acquire it forms the very basis of human existence. Farming was key to the rise of human sedentarism. Once farming moved beyond subsistence, and regularly produced a surplus, it supported the development of specialisation, speeded up the development of socio-economic as well as social complexity, the rise of towns and the development of city states. In short, studying food production is of critical importance in understanding how societies developed. Environmental archaeology often studies the direct remains of food or food processing, and is therefore well-suited to address this topic. What is more, a wealth of new data has become available in this field of research in recent years. This allows synthesising research with a regional and diachronic approach. Indeed, most of the papers in this volume offer studies on subsistence and surplus production with a wide geographical perspective. The research areas vary considerably, ranging from the American Mid-South to Turkey. The range in time periods is just as wide, from c. 7000 BC to the 16th century AD. Topics covered include foraging strategies, the combination of domestic and wild food resources in the Neolithic, water supply, crop specialisation, the effect of the Roman occupation on animal husbandry, town-country relationships and the monastic economy. With this collection of papers and the theoretical framework presented in the introductory chapter, we wish to demonstrate that the topic of subsistence and surplus production remains of interest, and promises to generate more exciting research in the future.

*Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's bestselling new novel, *To Paradise*, available now. Do you ever think to yourself, "God has forgotten me." Or, "God must not know what I'm going through." These are questions that we as Christians ask a lot more than we want to admit. In *More Than Enough*, you will be amazed to see how God's hands are always in our lives, even though we may not see or feel them. The stories within these pages are everyday stories about the constant struggles and heartaches that we go through. So, sit back and let yourself get swept away. You will find yourself laughing and crying, but in the end, you will see that God's mercy and grace are *More Than Enough* for this thing that we call life. I have always loved to write. I was in *Future Authors of America* in my senior year in school, not having any idea that one day I would be published. I enjoy writing, and I realized that it is a gift, a talent if you will, that God allowed me to be blessed with. I am a home school mom of two and a youth pastor's wife. I don't have any degree or titles behind my name. I'm just a woman desiring to do everything I can to bring God glory, and I am using the talent he gave me to do just that. There are a lot of things I don't know, but there is one thing I have learned, and that is God will always be *More Than Enough*. This all-time classic examines Psalm 91 and boldly proclaims what El Shaddai, the God who is more than enough, will do for those who set their love upon Him! Ever look around your life and feel overwhelmed with gratitude for everything you have? Sure, nothing is perfect, but if you have a safe place to live, food on the table, and clothes to wear, the reality is that life is pretty good. That's not true for many people in the world, and you may wonder, "How do we live in a way that honors God and shows gratitude for the good life we are living in the midst of a world full of pain and brokenness?" All our daily choices have an impact on the earth and the people around us: choices about where we shop, what we eat, what we give away.... But can we really do anything to help? Can we find joy in our own lives when there is so much pain in the world? Sorting out the answers gets overwhelming and complicated very quickly. With a blend of practical reflection and insight on topics from guilt to delight, *More than Enough* goes beyond a call to gratitude and generosity and invites the reader to a new way of life, one that is grounded in the hope and grace of God. **THE DATE:** January 26, 1955. It was my twentieth birthday. **THE PLACE:** A train on its way from Salt Lake City, Utah to Sacramento, California. I sat looking out a train window at the scenery speeding by. **MY THOUGHTS:** A jumble of emotions. I was on my way overseas to Korea to serve a tour of duty with the United States Air Force. But first I would stop at McClellan Air Force Base (AFB) near Sacramento for overseas processing. I was bitter about my overseas assignment, but I was glad that the Korean armistice had finally been signed. At least nobody would be shooting at me, and I wouldn't have to kill someone else in the name of war. Just a couple of weeks earlier, my girl friend had rejected my proposal of marriage. I had asked and asked God to give that girl to me for my wife. God had said no, and I was mad at Him. **MORE TRAVEL:** By train to Travis AFB, California and an overnight stay; by plane to Hickam AFB, Hawaii for a short two hour stopover; and by plane to Tokyo, Japan for three days. **THE STORY BEGINS.** The stopover in Tokyo, Japan for three days was for special orientation (no pun intended). In that short time, I Sampled Tokyo's night life, had sex with a Japanese girl in a back alley, and spent the night in a hotel room with a young Japanese prostitute. It wasn't my usual style, but then I was mad at God. I decided to hurt Him the only way I knew how: *SIN, SIN, SIN*. Soon I was in Korea starting my twelve month tour of duty. Being in Korea was not my idea of fun, but there were certain diversions to take my mind off my misery. I drank a bit, partied a*

bit, and enjoyed the services of several Korean prostitutes a lot. Finally, I got tired of partying and settled for shacking up with a Korean girl named Peggy. We rented a room in a village not far from the Air Force compound where I was stationed. This village hideaway gave me some respite from being on call 24 hours a day. In spite of all this, I continued my lifelong habit of praying every night before going to sleep. Then there came a time that my nightly prayers stopped: I couldn't continue to ask God to forgive me for fornication when I had no real intention of stopping, let alone marrying Peggy. Immersed in guilt, I started seriously considering suicide. My dislike for service life and the poor living conditions in Korea helped to deepen my depression. It seemed as though others also had similar wishes for me when one of my fellow airmen said to me in an angry tone, "Meredith, if I were you I'd kill myself!" And then a few days later, Peggy, in reference to some situation, said, "If I was in a fix like that, I'd kill myself!" One morning, after spending the night in the village with Peggy, the two of us were walking in the rain along the bank of a small river which was swollen and quite swift due to the heavy seasonal rains. Normally, it would have been a simple matter to cross the river further upstream near the village where Peggy lived, but the water there was now about chest deep. We were therefore walking downstream to a bridge that crossed the river. At that point, the highway to Seoul also crossed the river. Peggy was going to catch a bus to Seoul, and I was headed back to the Air Force compound. As we rounded a bend in the river, a commotion in the river caught our attention. It was an elderly Korean farmer being swept downstream by the raging current. He was on his back and unable to right himself because of a heavy wooden plow strapped to his back! I quickly emptied my pockets, kicked off my rubber Korean shoes, and jumped into the water. (My Boy Scout training was about to pay off!) I quickly reached the old man, pulled him loose from the plow, and got him safely to shore. Then I rescued his plow. The old man was cut and bleeding from the pounding he'd taken from being swept against the large boulders in the river, but his wounds did not appear serious enough for emergency first aid.

**INSTANT NEW YORK TIMES BESTSELLER** The #1 New York Times bestselling author of *It Starts with Us* and *It Ends with Us*—whose writing is “emotionally wrenching and utterly original” (Sara Shepard, *New York Times* bestselling author of the *Pretty Little Liars* series)—delivers a tour de force novel about a troubled marriage and the one old forgotten promise that might be able to save it. Quinn and Graham’s perfect love is threatened by their imperfect marriage. The memories, mistakes, and secrets that they have built up over the years are now tearing them apart. The one thing that could save them might also be the very thing that pushes their marriage beyond the point of repair. *All Your Perfects* is a profound novel about a damaged couple whose potential future hinges on promises made in the past. This is a heartbreaking page-turner that asks: Can a resounding love with a perfect beginning survive a lifetime between two imperfect people?

A family's Passover celebration is equal parts warmth and charm in this cozy picture book, with the traditional seder song “Dayenu” as the grateful refrain. In this story told in spare, lyrical prose, a Jewish family prepares for their Passover seder, visiting the farmer's market for walnuts, lilacs, and honey (and adopting a kitten along the way!), then chopping apples for the charoset, and getting dressed up before walking to Nana's house. The refrain throughout is “Dayenu”—a mind-set of thankfulness, a reminder to be aware of the blessings in each moment. At Nana's, there's matzo ball soup, chicken, coconut macaroons, and of course, the hidden afikomen. After opening the door for Elijah and singing the verses of “Chad Gadya,” Nana tucks the children in for a special Passover sleepover. This warm, affectionate story embraces Passover in the spirit of dayenu, and offers a comprehensive glossary—it's a perfect read for the entire family in anticipation and celebration of the holiday.

*The Remarkable* discoveries about what drives and sustains successful women leaders. Based on five years of proprietary research, *How Remarkable Women Lead* speaks to you as no other book has, with its hopeful outlook and unique ideas about success. It's the new “right stuff” of leadership, raising provocative issues such as whether feminine leadership traits (for women

and men) are better suited for our fast-changing, hyper-competitive, and increasingly complex world. The authors, McKinsey & Company consultants Joanna Barsh and Susie Cranston, establish the links between joy, happiness, and distinctive performance with the groundbreaking model of Centered Leadership. The book's personal stories and related insights show you the magic that happens when you put the five elements of Centered Leadership—meaning, framing, connecting, engaging, and energizing—to work. They include: • How Alondra de la Parra built on her strengths and passions to infuse her life with meaning and make her way in the male-dominated world of orchestra conducting • How Andrea Jung, the CEO of Avon, avoided a downward spiral when the company turned down by "firing herself" on Friday and re-emerging on Monday as the "new" turnaround CEO • How Ruth Porat's sponsors at Morgan Stanley not only helped her grow but were also her ballast for coping with difficult personal and professional times • How Eileen Naughton recovered after losing her dream job, landing on her feet at Google and open to a new leadership opportunity • How Julie Coates of Woolworth's Australia makes energy key to her professional success, with reserves for her "second shift" as wife and mother How Remarkable Women Lead is both profoundly moving and actionable. Woman or man, you'll find yourself in its pages and emerge with a practical plan for breaking through at both work and in life. This compilation of inspirational testimonies presents easily understood lessons designed to uplift and build the faith of those facing seemingly impossible situations. "God Is More than Enough is a roadmap of how to use Bible principles to quiet your soul"--Provided by publisher. Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. Popular pastor and acclaimed author Van Moody reveals the secret to a fulfilling, life-sustaining relationship with God: a deep understanding of just how much he loves us. We were made to be in relationship with God, wired to love and be loved by him. We feel truly whole and complete only when we have a vital and passionate relationship with him. In Desired by God, pastor, author, and speaker Van Moody reveals the secret to a strong, grounded, lasting relationship with God: a deep understanding of who he is and how much he loves us. As the story of the Bible makes clear, God's pure and earnest love for people is continually given and rejected, before it is finally accepted. To understand how he can keep pursuing us like this, we need a fresh and accurate picture of him, full of ardent desire and relentlessly in pursuit of his people. Desired by God gives us a refreshing, eye-opening picture of God, who wants with all his heart for us to know him. And when we see him clearly and fall in love with him, we will find ourselves more grounded, satisfied, and cared for than we ever dreamed possible. In this revelatory, authoritative portrait of Donald J. Trump and the toxic family that made him, Mary L. Trump, a trained clinical psychologist and Donald's only niece, shines a bright light on the dark history of their family in order to explain how her uncle became the man who now threatens the world's health, economic security, and social fabric. Mary Trump spent much of her childhood in her grandparents' large, imposing house in the heart of Queens, New York, where Donald and his four siblings grew up. She describes a nightmare of traumas, destructive relationships, and a tragic combination of neglect and abuse. She explains how specific events and general family patterns created the damaged man who currently occupies the Oval Office, including the

*strange and harmful relationship between Fred Trump and his two oldest sons, Fred Jr. and Donald. A firsthand witness to countless holiday meals and interactions, Mary brings an incisive wit and unexpected humor to sometimes grim, often confounding family events. She recounts in unsparing detail everything from her uncle Donald's place in the family spotlight and Ivana's penchant for regifting to her grandmother's frequent injuries and illnesses and the appalling way Donald, Fred Trump's favorite son, dismissed and derided him when he began to succumb to Alzheimer's. Numerous pundits, armchair psychologists, and journalists have sought to parse Donald J. Trump's lethal flaws. Mary L. Trump has the education, insight, and intimate familiarity needed to reveal what makes Donald, and the rest of her clan, tick. She alone can recount this fascinating, unnerving saga, not just because of her insider's perspective but also because she is the only Trump willing to tell the truth about one of the world's most powerful and dysfunctional families.*
