After a courtroom gunman threatens everything he holds dear, a Texas Ranger with a checkered past must choose between vengeance and family in this #1 New York Times bestselling thriller. Crawford Hunt wants his daughter back. Following the death of his wife four years ago, he fell into a downward spiral that knocked him down to deskwork and landed his five-year-old daughter Georgia in the custody of her grandparents. But now that Crawford has cleaned up his act and met the court's requirements, the fate of his family lies with Judge Holly Spencer. Holly, ambitious and confident, must prove herself worthy of a permanent judgeship on the cusp of an upcoming election. Every decision is high-stakes, and despite Crawford's commitment to being a better father, Holly is wary of his past. But when a masked gunman barges into the courtroom during the custody hearing, Crawford reacts instinctively to save Holly's life. But his heroism soon takes on the taint of recklessness. With the gunman still at large, Crawford uncovers a horrifying truth, and the cloud over him grows even darker as he considers vengeance. He quickly realizes that pursuing the killer will jeopardize his chances of gaining custody of his daughter and compromise Holly, who needs protection not only from an assassin, but from Crawford himself and the forbidden attraction between them. Friction will keep you on the edge of your seat with breathtaking plot twists and the unforgettable characters that make Sandra Brown one of the world's best-loved authors. It is an extraordinary novel about the powerful ties that bind us to the ones we love and the secrets we keep to protect them. When Chrysalis Moffat and her brother, Eddie, inherit a mansion on the coast of California, Eddie hatches a plan to fleece credulous Californians of their cash by starting the fraudulent Tibetan School of Miracles. But something else is happening. Through Chrysalis's reunion with her brother, she begins to discover her adoptive father's secret past, causing her own identity to unravel. As Chrysalis lays down the facts of her life, she gambles her identity against the contradictions, half-truths, and fables of her past, leading her ultimately to question what it is we can truly know and whether it is fate or chance that dictates our lives. Presents the saga of three generations of Salvadoran women whose lives are changed in unexpected ways by a letter that has lain unopened for twenty-six years. An underloved widower. Her younger, sexy, CEO neighbor. The move that changes more than her address... Moving to a new neighborhood is never easy. But after Aaron's accident there wasn't a choice. He's a stubborn man, a hard-working man, and now he's a disabled man. Marriage is never easy, either, especially when we got married so young. We both traveled down different paths, and what we both wanted then isn't necessarily what we both want now. A new friend helps me see that, but he also helps me see that I deserve those things that I still want. It may be too late. Lots of things I think I've grown too old for suddenly come to light when Dalton shows me what I think I've missed out on. He also shows me that I haven't missed out, that my time is coming. He also comes to my rescue one night when both Aaron and I are helpless. Sometimes the kindness of strangers can be severely underrated. *** Kathy, my girlfriend, there's something up with her. Amelia, my new neighbor, sees right through her, and helps me pick up the pieces. Her husband I'm not sure of. Never met him, but he watches me when I walk her home one night. There's something up with him, too. When I learn that our paths crossed once before, it makes Amelia see me in a whole new light. She's almost ten years older than me, but she acts as though it's more like a hundred. What she doesn't realize is that she's incredible, beautiful, intelligent as hell, and she is no more outdated than I am in so many ways. It takes a tragedy for her to see that, and it takes a miracle for her to believe it. And it takes a hard lesson from me for her to learn that everything happens for a reason, and it's more than just Aaron that brought her to me...it's fate. HEA (Happily Ever After) Second chance romance Best friends to lovers romance Medical romance Military romance Medium heat Course language Mild cliffhanger ending Fourth book in a complete 5 book standalone series "Intense. Dalton & Amelia's story will grab you from the beginning. Their story is so intense and they go through so much individually and together."-5 Stars from Belinda, Amazon reviewer "I have never read a Sandra Alex story but when I saw the blurb for SLIPPERY WHEN WET, I knew I had to. It's a powerful and intricate story about life, love and the people that we let in our lives and how they imprint on us. The reason I love to read romance is because of stories like SLIPPERY WHEN WET."-5 Stars from J. Ockenhouse, Goodreads reviewer "This series is great but I personally love Dalton. His love for Amelia is breathtaking. He is there for her through the worst times of her life and through it all the best love either of them ever knew."-5 Stars from Jennifer Robinson, Goodreads reviewer "This story is well written that the characters come alive. Dalton comes to Amelia's aid and offers comfort one stormy night. Some months later they meet as

neighbors through Dalton's dog. They become supportive and loving friends. Dalton offers her comfort and a safe place to stay after her husband dies. Dalton shows Amelia what a real loving relationship truly is. Their happily ever after is the best so far in this series."-5 Stars from @rdcorder1, Bookbub "Dalton & Amelia's story will grab you from the beginning. Their story is intense and they go through so much individually and together. This is a standalone, but I have read the previous three and this one may be my favorite. You will fall in love with the Ford Brothers and Sandra gives you stories you won't forget."-5 Stars from bmhercule, Bookbub How do you give your granny a hug when she lives far away? Send it through the mail, of course! This sweet story makes a perfect gift for Mother's Day for the granny in your life, whether she lives close or far! Owen's hug travels across the country in a series of hilarious, sometimes awkward, always heartfelt embraces between animals of different shapes and sizes. Valeri Gorbachev's adorable artwork pairs beautifully with Sandra Horning's charming text, and makes for a fun, funny, and educational read-aloud. An unexpected twist at the end will delight readers and have kids asking for this book again and again. A successful guitarist. Broken by one, made by another... and wrecked by the one person he's trusted since birth. Jimmy Trent wasn't born with a guitar in his hand, but his big brother Ken showed him the ropes at a tender age. Jimmy was hooked, and when the band Brainchild was born, he began to fulfill his childhood dream. With Ken by his side, Jimmy soars with his band, reaching milestones most rock stars simply get to witness from their parent's garages. But when Mandy, Jimmy's first love, comes into the picture, all bets are off. When the supermodel doesn't bring him all the promises a proper wife should, the rock star finds himself in a hole that he can't dig himself out of. Cindy Kilgore never thought her beloved husband would stoop to the level that fifty percent of men have, but when she receives the news that he's warmed another woman's bed, she packs her bags to move back to the hometown she's missed. With her mother suffering from a recent stroke, it's all the more reason for Cindy's return. And with her two-bit a-hole boss driving a stake through her budding career, it gives her three reasons to move on. She never expects to find the job of a lifetime at a recording studio. But the job comes with strings attached that she's bluntly acquainted with the second she sees rock star Jimmy Trent answer the door. With Cindy's surprisingly apt skills, Jimmy quickly notices that Cindy is cut out for more than just an assistant's position, and this realization could not have come at a better time, since they're missing one head in the team. She quickly takes on more and more responsibility with ease and enthusiasm, until an unexpected visit to the emergency room threatens to bring Cindy's new career to a grinding halt. Jimmy has a tough decision to make, and with the growing pressure of a new record and a recording contract's ink that isn't even dried yet, the rock star and his band need to make some quick, impossible changes. Jimmy finds himself unable to turn his cheek on Cindy. What's worse, she doesn't even know it...yet. Filled with heartache, heartbreak and a handsome helping of triumph, 'Opening Night' is the perfect complement to 'Dress Rehearsal'. Get your tissues out, this one is a tearjerker! Fair warning: this story covers sensitive adult subject matter and has course language, violence, drug use and explicit sex. Readers will see rock stars in a whole new light and find themselves with aching hearts. Winner, Discover Great New Writers Award. Winner, Minnesota Book Award for Fiction. "Profound.... a quietly stunning work that leaves soft tracks in the heart."--The Washington Post BookWorld "Merits placement beside some of the mesmerizing new literature with its roots in Latin America."--The New York Times Book Review Every summer thirteen-year-old Meg returns to the berry fields of her grandparents' farm on Sauvie's Island, Oregon. But this year, everything is different. With her mother remarried and a new baby on the way, Meg isn't quite sure where she fits in the family anymore. And now the comfortable familiarity of the farm has changed, too. There is a new girl, Tia...and she obviously holds a special place in Meg's grandparents' hearts. During this season of growth, Meg faces the challenge of figuring out what life, family, and friendship are all about. In order to thrive she must learn the importance of her unique characteristics and God's plan for her life. Book 1 of Friends for a Season. BONUS: This edition contains an excerpt from Sandra Kring's A Life of Bright Ideas. Wisconsin, 1961. Evelyn "Button" Peters is nine the summer Winnalee and her fiery-spirited older sister, Freeda, blow into her small town--and from the moment she sees them, Button knows this will be a summer unlike any other. Much to her mother's dismay, Button is fascinated by the Malone sisters, especially Winnalee, a feisty scrap of a thing who carries around a shiny silver urn containing her mother's ashes and a tome she calls "The Book of Bright Ideas." It is here, Winnalee tells Button, that she records everything she learns: her answers to the mysteries of life. But sometimes those mysteries conceal a truth better left buried. And when a devastating secret is suddenly revealed, dividing loyalties and uprooting lives, no one--from Winnalee and her sister to Button and her family--will ever be the same. "An affecting love story of two strangers finding each other at exactly the right moment." - Kirkus Reviews The tormented guitarist. The fearless security guard. The kiss that's seen globally. The razor blade that threatens to end everything. Billy Nestor has everything he's always wanted: a band, the best guitar skills, a creative edge like no other, a thick skin, and the chops to climb the charts. The one thing he's missing is a supportive father. While his mom is his biggest fan, his father has chided him since the day he picked up an instrument, slating that the boy would never amount to anything unless he applied himself to something other than heavy metal. Michelle Parsons has seen the world through the eyes of the battlefield. She's determined, tough as nails, and has enough brains and drive to get her anywhere she wants to go in the world. Until she gets fatally shot in combat and has to take a backseat job as a security guard for a nothing band, and what's worse, she gets the job after her dad calls on a friend for a favor. Despite the disappointment, she quickly learns that protecting a band is almost as exhilarating as dodging landmines behind enemy lines. In the band's third month of touring as an opening act, the city that they play in is riddled with an unexpected, potentially life-threatening situation. Michelle has to put her life on the line once again, only this time, without her hard hat and camouflage. After getting the band on the stage safely, a certain band member seeks her out once the applause quiets, and a fast friendship evolves. Billy finds himself seeking Michelle out, escaping the sheltered life inside the hotel room, until Michelle and Billy come to an impasse on a serious topic, one close to Billy's heart.

But little does Billy know that Michelle has also become close to his heart, and he doesn't realize it until she climbs onto the shuttle bus to go back to the airport...out of his life forever. A heartbreaking, true-to-life story about the trials and tribulations of being a rock star, and falling in love unexpectedly, with someone you would never have expected to fall for. A story that covers sensitive subject matter, readers will see rock stars in a whole different light, and the people that love them, too. Dress Rehearsal has sensitive scenes, violence, coarse language, drug use and graphic sex, so please be forewarned. Billy and Michelle's story is a standalone that will leave you laughing, crying, and rooting for the main characters as they take you through their journey of love, heartbreak, success and triumph. A life full of adventure first requires big dreams. And big dreams need big encouragement. From world-renowned author and artist Sandra Magsamen comes YOU!, offering inspiration and hope to readers from 1 to 100. Includes colorful, lively illustrations along with whimsical rhyming text that can be cherished in almost any setting. When a tabloid exposes her personal life, a bestselling author reconnects with a man from her past to unearth the secrets behind her sister's murder. Bellamy Lyston was only twelve years old when her older sister Susan was killed on a stormy Memorial Day. Bellamy's fear of storms is a legacy of the tornado that destroyed the crime scene along with her memory of what really happened during the day's most devastating moments. Now, eighteen years later, Bellamy has written a sensational bestselling novel based on Susan's murder, published under a pseudonym to protect her family from unwanted publicity. But when an opportunistic tabloid reporter discovers that the book is based on fact, Bellamy's identity is exposed along with the family scandal . . . and she becomes the target of a vengeful assailant. In order to identify her stalker, Bellamy must confront the ghosts of her past, including Susan's wayward and reckless boyfriend, Dent Carter. Dent is intent on clearing his name, and he needs Bellamy's help to do it. But her dangerous memories -- once unlocked -- could put both of their lives in peril. Determined to learn the truth, Bellamy won't stop until she finds Susan's killer. That is, unless the killer strikes first . . . A hungry reporter. An angry executive. A man about to lose everything. And a family just fit to take the fall...until it all goes up in flames. She's beautiful, she's smart, she's hard-working, but Liz is also a bartender, a single mama, and an adult student. She's none of the right things for me, and yet she's everything I never knew that I was looking for. I'm so wrapped up in business affairs that I haven't got a second to stop and let this happen, but all the same, I find myself with her. Problem is, she's as stubborn as I am, and the last thing she wants is me. Liz thinks I'm not what she needs, and she's right, until I'm everything, and I'm the only one that can save the one thing that she's ever cared for since the moment it came into her life. Bryn's a decent guy, sure. But he's, like, a bajillionaire, and I so don't want to be one of them types. After my deadbeat ex left me and Nate alone, I don't want another man hanging around here, pretending like he wants to be here. After everything that this family has been through, I'm done with men, and I don't need them, anyway. I've got everything I have from working hard, and it's going to stay that way. But when Nate takes a liking to him, it makes it all that much harder to say no. And when Bryn starts to show his true colors, even when he thinks I'm not watching, well, that sure sweetens the pot. And then he does something so brave, so true, so meaningful, that I don't have a choice but to give in...until a little stick tells me otherwise. HEA (Happily Ever After) Second chance romance Later in life romance Military romance Medium heat Course language Mild violence Cliffhanger ending From the author of The Heavens, a dazzling, mindbending novel in which all people with a Y chromosome mysteriously disappear from the face of the earth Deep in the California woods on an evening in late August, Jane Pearson is camping with her husband Leo and their five-year-old son Benjamin. As dusk sets in, she drifts softly to sleep in a hammock strung outside the tent where Leo and Benjamin are preparing for bed. At that moment, every single person with a Y chromosome vanishes around the world, disappearing from operating theaters mid-surgery, from behind the wheels of cars, from arguments and acts of love. Children, adults, even fetuses are gone in an instant. Leo and Benjamin are gone. No one knows why, how, or where. After the Disappearance, Jane forces herself to enter a world she barely recognizes, one where women must create new ways of living while coping with devastating grief. As people come together to rebuild depopulated industries and distribute scarce resources, Jane focuses on reuniting with an old college girlfriend, Evangelyne Moreau, leader of the Commensalist Party of America, a rising political force in this new world. Meanwhile, strange video footage called "The Men" is being broadcast online showing images of the vanished men marching through barren, otherworldly landscapes. Is this just a hoax, or could it hold the key to the Disappearance? From the author of The Heavens, The Men is a gripping, beautiful, and disquieting novel of feminist utopias and impossible sacrifices that interrogates the dream of a perfect society and the conflict between individual desire and the good of the community. If nobody's playing by the rules, play dirty in this explosive New York Times bestseller by Sandra Brown, author of Smoke Screen. She dots her 'I's wearing Prada. He squeals to fans shirtless. When a deadly meeting changes everything, will she heed the threat, or take the plunge? Everyone calls him Slick, but I was raised in a home where everything was proper. Sean and I meet in an odd place, under dire circumstances, so nobody would ever expect what happened...to happen...but it did. A rock star and a psychologist seem like an impossible match. And it is. That's why I have to leave, before everything is ruined. I can't be with him for so many reasons, as much as every cell in my body says that it's right. Evidently, he agrees that we should be together, since he leaves breadcrumbs for me...but will they lead me back to him? She can't even say my name. With a name like Slick, one expects some surfer-type, with nothing between his ears and a stake where his heart should be. Listen to my music and you'll see. I'm somewhere between not much and kinda something, you know? But Doc, she's...something else. The way she handled things on the roof that night...If it weren't for one thing, she'd be mine. That one night. I should have done it differently. Then she'd still be here. But I can't take it back...or...can I? ...and just when we think we're past danger, just when I think that the band has it all, and that I've got Doc, too, an unexpected person walks in, and I know that we're back to square one again. Rock star romance Medical romance Suicide Medium heat Smoking Swearing Cliffhanger ending A secret tore best friends Evelyn "Button" Peters and

Winnalee Malone apart. Now, nearly a decade later, a secret brings them back together. Nine years ago Button and Winnalee began recording observations in their *Book of Bright Ideas*, a tome they believed would solve the mystery of how to live a mistake-free life. Now it's 1970, a time of peace, love, war, and personal heartbreak. Button's mother is dead and her grieving father has all but abandoned his children. Quiet, thoughtful Button has traded college for a sewing job in her mother's bridal shop to help her Aunt Verdella raise her whirlwind six-year-old brother. In Button's free time, she writes letters to the boy she loved from afar through high school, hoping he will come to love her as more than a friend. Then, like that magical Wisconsin summer of '61, Button is greeted with the wild, gusty arrival of Winnalee. Now a beautiful flower child, Winnalee is everything Button is not. She's been to Woodstock and enjoys "free love," but their steadfast bond of friendship is tested as Button begins to notice the cracks in Winnalee's carefree façade. And then Winnalee's mother arrives with a surprise that Button never sees coming, and the fiery determination to put things right in both families once and for all. #1 New York Times and USA Today bestselling author Sandra Brown jolts the reader from the first page of this heart-pounding story of corruption, treachery, and ceaseless deception . . . where nothing is what it seems and every truth brought to light exposes a darker lie. When Jordie Bennet and Shaw Kinnard lock eyes across a disreputable backwater bar, something definitely sparks. Shaw gives off a dangerous vibe that makes men wary and inspires women to sit up and take notice. None feel that undercurrent more strongly than savvy businesswoman Jordie, who doesn't belong in a seedy dive on the banks of a bayou. But here she is . . . and Shaw Kinnard is here to kill her. As Shaw and his partner take aim, Jordie is certain her time has come. But Shaw has other plans and abducts Jordie, hoping to get his hands on the \$30 million her brother has stolen and, presumably, hidden. However, Shaw is not the only one looking for the fortune. Her brother's ruthless boss and the FBI are after it as well. Now on the run from the feds and a notorious criminal, Jordie and Shaw must rely on their wits-and each other-to stay alive. Miles away from civilization and surrounded by swampland, the two play each other against their common enemies. Jordie's only chance of survival is to outwit Shaw, but it soon becomes clear to Shaw that Jordie isn't entirely trustworthy, either. Was she in on her brother's scam, or is she an innocent pawn in a deadly vendetta? And just how valuable is her life to Shaw, her remorseless and manipulative captor? Burning for answers-and for each other-this unlikely pair ultimately make a desperate move that could be their last. With nonstop plot twists and the tantalizing sexual tension that has made Sandra Brown one of the world's best-loved authors, *STING* will keep readers on the edge of their seats until the final pages. "This electrifying novel of love, creativity and madness moves between Elizabethan England and 21st-century New York." —The Guardian A New York Times Notable Book of the Year New York, late summer, 2000. A party in a spacious Manhattan apartment, hosted by a wealthy young activist. Dozens of idealistic twenty-somethings have impassioned conversations over takeout dumplings and champagne. The evening shines with the heady optimism of a progressive new millennium. A young man, Ben, meets a young woman, Kate—and they begin to fall in love. Kate lives with her head in the clouds, so at first Ben isn't that concerned when she tells him about the recurring dream she's had since childhood. In the dream, she's transported to the past, where she lives a second life as Emilia, the mistress of a nobleman in Elizabethan England. But for Kate, the dream becomes increasingly real, to the point where it threatens to overwhelm her life. And soon she's waking from it to find the world changed—pictures on her wall she doesn't recognize, new buildings in the neighborhood that have sprung up overnight. As Kate tries to make sense of what's happening, Ben worries the woman he's fallen in love with is losing her grip on reality. Both intoxicating and thought-provoking, *The Heavens* is a powerful reminder of the consequences of our actions, a poignant testament to how the people we love are destined to change, and a masterful exploration of the power of dreams. "Heady and elegant." —The New York Times Book Review "A complex, unmissable work from a writer who deserves wide acclaim." —Kirkus Reviews (starred review) Tired of trying to measure up? Trade your anxiety and frustration for rest and relaxation. Many of us believe that in order to please God, we have to be perfect. It's an easy lie to buy into. In a culture that emphasizes accomplishment and ever-higher goals, we feel driven to do more, achieve more, be more. And we get caught up in the unforgiving treadmill of self-imposed rules, believing that we should, we need to, we must. The result? Anger, frustration, and anxiety that keep us far away from the life of peace that Jesus promised. For years, Sandra McCollom lived in this trap. Finally worn out from striving for perfection but constantly feeling like a failure, one day she prayed in desperation, begging God for help. God answered Sandra by setting her on a life-changing journey to discover the riches of His grace. In *I Tried Until I Almost Died*, Sandra shares how she left behind her burden of anxiety and fear and shows you how to experience for yourself the freedom of trusting solely in the perfecting power of God's grace. A young boy makes his way through the danger, cruelty, and hardships of the war-ravaged country of El Salvador in search of his mother, who was dragged off with other victims following gunfire that erupted in a crowded plaza during a funeral for a martyred archbishop. By the author of *Bitter Grounds*. 15,000 first printing. «This life is not mine. It is evolving rhythmically through a regular breath that is not mine, cheered by a peaceful day that is not mine. There is nothing in this world that is yours. Sandra, realize it! It is all a gift in which the 'Giver' can intervene when and how he wishes. Take care of the gift given to you, make it more beautiful and full for when the time comes.» Sandra's Diary stops here, on 27th of April 1984. Words that seem to presage the tragic accident in which she will be involved two days later. Only after her death is her secret discovered: imprinted on pieces of paper, cards, diaries, school diaries you can find the heart of a girl who wants to lead every thought, every action, her whole being to Christ. An extraordinary spiritual journey that father Oreste Benzi had the intuition to collect and publish, giving life to Sandra's Diary. This edition contains - in addition to Sandra's writings - her story, Stefano Vitali's testimony on the miracle of healing, the prayer to ask for the intercession of the new Blessed. His fingers bled. Her body healed. It was more than a scalped concert ticket. It was a life change. Diana Shaw is every parent's dream. She's a straight A student, loved by great friends, keeps her nose clean with

boys, and sings in the church choir with her mother, while her father watches proudly from the pew. Diana is sunshine and happiness to most, until her life is torn apart over an eighteen month stretch of nightmarish treatment, which she tells nobody about. Until someone makes a gruesome discovery after a concert one night. Can she go against everything she believes in and lie, or does she tell a total stranger the truth and risk everything? Danny Spellman is the lead guitarist for the popular and long-running band 'Risk It'. Female fans adore him, male fans want to be him, and his bonds with his band members are strong and fruitful. In the business ten years and running strong, on the last night of the band's world tour, Danny meets a little wallflower that notices something about him that nobody else has. Intrigued, Danny pushes her, testing her limits, until he learns something about her that both terrifies and infuriates him all at the same time. With a sudden shift of the testosterone level in his house, Danny finds himself comforting Diana, befriending her, and learning things about the female species that he would never have guessed. And just when Danny thinks that Diana's innate strength is something gleaned through heartache, she invites him to church, to hear her sing. Feeling like he's discovered the next big thing, Danny is feverishly on the phone with his producer and recording company. Little does he know that he's stirring the pot with someone he least expects to be watching. And the gunshot is the telling tale. Loaded with tons of emotion and inspiration, this rock star romance will leave readers looking at the music industry and the artists in a whole different light. Like in real life, things are not always as they seem in a rock star's life. We sometimes forget that these people are human. This book reminds us of that. An unforgettable standalone romance, this story contains sensitive adult subject matter, violence, substance abuse, sexual situations, coarse language and all the trappings of a rock star romance, so please be forewarned. HEA (Happily Ever After) Rock star romance Physical abuse (non-descriptive) Medium heat Violence Course language Fourth book in a standalone series Sneak peek into 'First Cut' A tarnished Russian genius. A blinded CFO. A shocking interview that opens more than Jack's eyes... No, really, I'm not afraid of anything. Born and raised in Russia, I've seen things. I've experienced things that I'll take to the grave. After our parents died, my sister and I began another life...in America. Seems men aren't much different in the land of opportunity. And when a once in a lifetime career choice pops up on my radar, I go for it, despite the fact that the CFO of the company looks like he wants more than just my list of references. When Jack Ford turns his back, I ready myself, but instead of taking a piece of what's being offered, for the first time in my life...a man surprises me. *** Kristina's resume is unfounded. She looks great on paper, and she's even better in person. Her articulation is at a level of professionalism and passion that is unsurpassed, and she can demonstrate that ability easily when given a sample task. This first interview goes off without a hitch. And then I find her later in a place where I would never expect her to be. My brothers instantly veto me bringing her in for a second interview, but something draws me to her, despite that. But when the second interview ends in a shocking and unforgettable twist, I walk out of there shaking her hand, not realizing that I'm in the presence of a woman who will help me a hundred times more than I will ever help her. HEA (Happily Ever After) Second chance romance Medical romance Military romance Office romance Medium heat Course language Mild cliffhanger ending Fifth book in a complete 5 book standalone series Sneak peek into 'Crossing Boundaries' "The last of the Ford Brothers finds his match. Jack is not looking for love but he is drawn to a new employee knowing that it is against company policy to become involved. This is a slow burn with twists, heart, action, and disturbing pasts. Sandra tells it all with compassion and insight." -5 Stars from Belinda, Amazon reviewer "Sandra Alex has written a 5-star book that will grab you from the first page to the last. This was a wonderful book to read and I would recommend it to anyone." -5 Stars from Angela Barnes, Vine Voice Amazon reviewer "May Explode if Heated is the fifth and final book in the Ford Brothers series and is a great conclusion to the series. Jack Ford is the last of the brothers to fall in love and swears that it is not going to happen, until Kristina. The characters are well developed and likable. The storyline is well written and kept my interest from beginning to end. There is danger, drama, family, and love in this story." -5 Stars from Heather W, Booksprout reviewer "This was a charming romantic tale to read. The story was good and well written. All characterizations were well defined and easily disseminated in this large ensemble cast. Besides the love between the two main male and female characters, there was an abundance of familial love and support shown. Heart-warming." -5 Stars from Joyce Black, Goodreads reviewer "Book five in the Ford Brothers series a well written story with a very good storyline the story flowed smoothly across the pages. CFO of a family airline Jack Ford meets sisters Kristina and Yolanda and the three of them will never be the same again. I enjoyed watching the love between Jack and Kristina happen." -5 Stars from @Barj70, Bookbub reviewer Their first hit single. His first betrayal. And two women that make Randy question everything he's ever wanted. Randy Jackson loves his life. He's got a beautiful, hard-working celebrity wife, and a rising musical career as the lead guitarist in a band that just signed their first record deal. He has a great dog, and the best relationships with his band members, namely his stepbrother, who is the lead vocalist. Little clues pass by him that things aren't quite as hunky-dorey as they may seem, but Randy's rose-colored glasses currently blind him. Darrell Tanner loves her job as a video editor for the music industry. She's met all types of musicians that adorn the face of MTV, but none ever appreciate her hard work until the boys from Brave Face appear. Darrell is suddenly treated like royalty, and she basks in the accoutrements in a dream-like state, forgetting about her second-class boss who spends more time on vacation than he does in the office. But one day she realizes that she's taken things too far, and it's too late to do anything about it. Can she walk away and leave the best thing that's ever happened to her? Randy's wake-up call comes like a bat out of hell, and when he least expects it. The only thing that has kept his focus in such a tumultuous industry is the one thing that he's about to lose for good, and the worst part is, he has to be the one to walk away from it. Until someone he least expects breaks his fall, and everyone else sees it coming, including Randy...but is he too jaded to do anything about it? A beautiful love story about survival in a tough industry that labels and points fingers in all directions at undeserving people, and the lies that they tell to get ahead under the spotlight.

This is a rock star romance that underscores the betrayal that exists in Hollywood, and how stars either sink or swim through it, just like the rest of the world does. This book, like all others in this series, is a standalone, and can be enjoyed in any sequence. HEA (Happily Ever After) Rock star romance Celebrity romance Second chance romance Office romance Medium heat Mild violence Course language Fifth book in a standalone series At twelve, Lucy Marie McGowan already knows she'll be a psychologist when she grows up. And her quirky and conflicted family provides plenty of opportunity for her to practice her calling. Now Lucy, her "profoundly gifted" twin brother, Milo, her commitment-phobic mother, and her New Age grandmother are leaving Chicago for Timber Falls, Wisconsin, to care for her dying grandfather—a complex and difficult man whose failure as a husband and father still painfully echoes down through the years. Lucy believes her time in the rural town where the McGowan story began will provide a key piece to the puzzle of her family's broken past, and perhaps even reveal the truth about her own missing father. But what she discovers is so much more—a lesson about the paradoxes of love and the grace of forgiveness that the adults around her will need help in remembering if their family is ever to find peace and embrace the future. By turns heart-wrenching and heart-mending, *Thank You for All Things* is a powerful and poignant novel by a brilliant storyteller who illustrates that when it comes to matters of family and love, often it is the innocent who force others to confront their darkest secrets. *Unexpected Blessings* helps special-needs families move past the pain and confusion of their circumstances and slowly, firmly face the future with hope. Speaking honestly about struggles that accompany a variety of disabilities, Sandra Peoples shows readers how to · let go of false beliefs that hold them back · work through the cycles of grief · focus on self-care and healthy routines · understand disability based on what the Bible says · rebuild a strong faith foundation · create support systems for themselves and others Filled with real-life stories and hard-earned wisdom, this book shines a light on the possibilities and blessings that come when parents see their new purpose in life—which was God's purpose for them all along. Write personal and professional communications with clarity, confidence, and style. *How to Write It* is the essential resource for eloquent personal and professional self-expression. Award-winning journalist Sandra E. Lamb transforms even reluctant scribblers into articulate wordsmiths by providing compelling examples of nearly every type and form of written communication. Completely updated and expanded, the new third edition offers hundreds of handy word, phrase, and sentence lists, precisely crafted sample paragraphs, and professionally designed document layouts. *How to Write It* is a must-own for students, teachers, authors, journalists, bloggers, managers, and anyone who doesn't have time to wade through a massive style guide but needs a friendly desk reference. A rock star. An author. A relationship like oil and water. A miracle is their only hope. And then one happens. Tommy Stopliewicz is the insanely talented yet troubled lead guitarist in one of the world's top rock bands, aptly named 'Stop'. The band's works have never seen platinum status, and then a band member threatens to remove their gold status for good in one fell swoop. Never one to back down, Tommy is suddenly headfirst in the pursuit of his life and livelihood. Until he's invited to a charity fundraiser that changes his life forever. Debbie Branscombe has just become a New York Times bestselling author, but the status doesn't live up to its expectations, especially since she's raising two teenage girls on her own. Holding a full-time job and squeezing in time to write while she and her girls continue to mourn for their beloved father and husband is no easy task. When she's invited to donate books to a charity fundraiser and recite a reading, she jumps at the huge PR potential. Little does she know that one of her favorite bands has also donated to the event. When Tommy sits in the sidelines as Debbie does the reading of her book, he's instantly enthralled and a spark strikes him unlike any other. But is Debbie ready to not only enter into a relationship so soon after her husband's death, but, to a rock star? Debbie soon learns that there are elements to the lifestyle that are dangerous to say the least, and Tommy is soon begging her to stay. But it isn't just Debbie's life at stake here, it's her kid's lives, too. Tommy must give up the one thing that he's done his entire adult life, or he'll lose the one and only woman that he's ever loved, forever. But the saving grace for him is that that one thing isn't his guitar... A heartbreaking, tear-jerking story about second chance love that will tug at your heartstrings. An eye-opener, a lesson and a heartwarming story are all baked right into this epic romance that will leave you wanting more. Fall in love with this unforgettable rock star romance today! HEA (Happily Ever After) Rock star romance Second chance romance Medium heat Drug abuse Alcohol abuse Mild violence Course language Third book in a standalone series Sneak peek into 'World Tour' Inspired by the death of Eddie Van Halen on October 6, 2020, this series touches on the trials and triumphs of being a gifted artist in the world of rock and roll. The series covers sensitive subject matter and contains course language, violence, graphic sex and drugs, so please be forewarned. All the books in this series are standalones and can be read in any order. You can tell everybody I told you so. It's the greatest little nose I know. Starring a little fox child and a big fox parent, here's a loving ode to terrific noses of all kinds. *Your Nose!* is a year-round valentine in the tradition of beloved Boynton board books like *Snuggle Puppy*. It's a celebration of the love between a parent and child—and of the beautiful, boop-able noses we love. **NEW YORK TIMES BESTSELLER** • The intimate, inspiring, and authoritative biography of Sandra Day O'Connor, America's first female Supreme Court justice, drawing on exclusive interviews and first-time access to Justice O'Connor's archives—as seen on PBS's *American Experience* "She's a hero for our time, and this is the biography for our time."—Walter Isaacson Finalist for the Los Angeles Times Book Prize • Named One of the Best Books of the Year by NPR and *The Washington Post* She was born in 1930 in El Paso and grew up on a cattle ranch in Arizona. At a time when women were expected to be homemakers, she set her sights on Stanford University. When she graduated near the top of her law school class in 1952, no firm would even interview her. But Sandra Day O'Connor's story is that of a woman who repeatedly shattered glass ceilings—doing so with a blend of grace, wisdom, humor, understatement, and cowgirl toughness. She became the first ever female majority leader of a state senate. As a judge on the Arizona Court of Appeals, she stood up to corrupt lawyers and humanized the law. When she arrived at the United States Supreme Court, appointed by President

Ronald Reagan in 1981, she began a quarter-century tenure on the Court, hearing cases that ultimately shaped American law. Diagnosed with cancer at fifty-eight, and caring for a husband with Alzheimer's, O'Connor endured every difficulty with grit and poise. Women and men who want to be leaders and be first in their own lives—who want to learn when to walk away and when to stand their ground—will be inspired by O'Connor's example. This is a remarkably vivid and personal portrait of a woman who loved her family, who believed in serving her country, and who, when she became the most powerful woman in America, built a bridge forward for all women. Praise for First "Cinematic . . . poignant . . . illuminating and eminently readable . . . First gives us a real sense of Sandra Day O'Connor the human being. . . . Thomas gives O'Connor the credit she deserves."—The Washington Post "[A] fascinating and revelatory biography . . . a richly detailed picture of [O'Connor's] personal and professional life . . . Evan Thomas's book is not just a biography of a remarkable woman, but an elegy for a worldview that, in law as well as politics, has disappeared from the nation's main stages."—The New York Times Book Review

When tragedy forces her family to leave their Chicago apartment and return to her mother's childhood home in Timber Falls, Wisconsin, eleven-year-old Lucy McGowan quickly adjusts to small-town life and embarks on a quest to uncover the truth about the father she has never known, with unexpected results. By the author of Carry Me Home.

Simultaneous. 60,000 first printing. A ruthless ex. An abandoned medical degree. And a woman who will make Daniel forget all that. When my divorce to Nick is final, the first thing my friends do is take me to get drunk. Sounds cliché, I know, but the tables turned tonight, and I don't mean the one that I was practically dancing on. Daniel hates me based on a false impression, and I don't know whether I care enough to make things right...and then I don't have a choice. Daniel doesn't know that I'm about to break, and not because of my failed marriage, but because of that part of me that helped cause my marriage to fail. The part of me that I'll lose forever soon. The part of me that I love more than anything else in the world, that fades away a little more each day. *** I thought Kayla was just like every other party girl, which is why my brother Christopher saw her first. Turns out, her problems trump mine, and she was just blowing off steam. I'm glad I'm there when the chips fall, because I haven't had the chance to be a friend like that in a long time. Kayla doesn't ask for what comes next. Neither of us sees it. We thought after what we went through, that it would be smooth sailing. But we should have known better. We should have read the signs when our so-called friend started whistling to the tune of a traitor, an instinct I picked up while serving overseas. Will our love be enough to get through it? And more important, can I catch Kayla again, before she breathes her last breath... HEA (Happily Ever After) Second chance romance Best friends to lovers romance Medical romance Military romance Medium heat Course language Mild cliffhanger ending First book in a complete 5 book standalone series "Awesome storyline and impressive character development. I loved their responsibilities with their individual parents! Plus, I rooted for them to stop fighting their love. This is an ARC REVIEW, and I bought a copy." - 5 Stars from Book Lady Teri, Amazon Reviewer "Sandra Alex has written a 5-star book that has the main characters dealing with their feelings for each other. This was a wonderful book and I would recommend it to anyone." 5 Stars from Angela Barnes, Amazon Vine Voice Reviewer "I really enjoyed his book and devoured it in an afternoon. If you're after a love story that has more going on than just the couple then definitely read this book." - 5 Stars from Mrs. R., Goodreads Reviewer "This book absolutely touches the emotions of the reader as we read Daniel and Kayla's story, heartbreaking at times, but you will still feel the strong love and sizzling chemistry. The story line will pull the reader in as we see Kayla and Daniel denying the depth of their feelings. Fortunately, the all-or-nothing kind of vulnerable friendship keeps them holding on until things finally start to go right, when she realizes he is all that she's got, and he sees she is all that he has ever really wanted -- he just never knew it until now. This is an enjoyable read, despite the occasional need for a tissue swipe now and then -- probably just allergies. But seriously, this is one you should read and savor. It has all the "feels" and you won't want to miss it." - 5 Stars from Emily Amazon Top 500 Reviewer "Another hit for Sandra Alex. I love her books. Heartbreaking at times but their love comes through. Daniel and Kayla are perfect together." 5 Stars from Sandy Johnson, Goodreads Reviewer

Seeing God Through Hurt, has been a blessing to many people who have read or even received a copy from someone else. The feedback that my staff and I get have been very positive and encouraging. When something can motivate or encourage someone in their own life is what any author should want when they publish an inspirational book. I have been blessed to do many radio interviews, television interviews and several seminars. With this book we are working on workshops that are to help others overcome situations, and issues that they may be facing and unsure as to how to get through. Seeing God through Hurt is the tool and book just for people who think they cannot make it through, and as I state in my book all things are possible with God!!!! See you at my next book signing. Follow me with events on my website at "scarterinspirations.jimdo.com". Sincerely, Your Author of the faith, Sandra K. Carter Miles for Love Series - Books 1 to 5

Book One: Crossing Boundaries (Daniel and Kayla) A ruthless ex. An abandoned medical degree. And a woman who will make Daniel forget all that. "I'm still swooning over Daniel and Kayla's love story! I so loved their playful banter throughout the entire book and I loved watching their story unfold. I really didn't want this book to end. Steamy sex scenes, but not an over abundance. I was teary eyed over Kayla's loss and shocked with the characters that were involved in the dramatic twist. A definite must read! I enjoyed Sandra Alex's writing so much, I purchased her Ford Brother series within minutes of finishing this book!!" Book Two: Crossing Oceans (Aleks and Mallorie) A shallow Latvian gymnast. An ex-military single mom. A journey that alters more than passports. "Loved the next book in the series. Once again Sandra Alex has written about love, friendship and family. The characters are made real and believable with real world worries and events. Loved the Latvian scenery as it also came to life after reading it on the page. Look forward to Christopher's story next." Book Three: Crossing Roads (Christopher and Ashley) He doesn't know he's tarnished. She unknowingly sees his wounds. But can you fix a broken ghost? "The two of them together are unbelievable, probably because of the deep friendship that develops first.

Every time I read a book in this series, I love it more than the one before." Book Four: Crossing Hearts (Tyler and Ripley) The wrong husband. The right lie. The serendipitous attack. The second chance that's always been there. "...a deeply driven romance read full of unexpected outcomes. I look forward to reading how Grant finds love." Book Five: Crossing Borders (Grant and Frankie) One love that isn't enough. One love that is. And the choice that could ruin a family. "Great ending to a great series!" Fall in love with the Lynch family today! Coming in April 2021 is a whole new rock star romance series! Included in this box set is an exclusive five chapter sample of book one 'Dress Rehearsal'! Come and get it while you can!
