Puma Mar 15 2022 O Puma foi um carro que conseguiu impressionar desde o primeiro dia. Este livro conta a sua badalada história em uma extensão nunca vista antes. Os fãs tiveram que esperar muito por este livro. A espera valeu a pena, porque pela primeira vez existe uma publicação que rastreia o Puma não só no Brasil mas no mundo inteiro e tenta levar o Puma mais perto do leitor. Este livro oferece uma visão detalhada de todos os modelos Puma de 1964 até 1998. Ele conta história da marca em imagens coloridas, transmitindo assim a fascinação por estes veículos. Nos anos 60 e 70 o Puma foi a personificação do prazer esportivo de dirigir. Hoje ele já faz parte da cultura brasileira. Sua história foi marcada por grandes personalidades como Rino Malzoni, Anísio Campos e Emerson Fittipaldi. Quando Rino Malzoni começou em 1964 a construir seu próprio carro de corrida foi colocada a pedra angular para uma nova era de carros esportivos. Hoje podemos relembrar mais de 20 modelos Puma, que até hoje alegram os seus donos.
