When a modern fashion editor stumbles back into Camelot and falls in love with Lancelot, how will the history of King Arthur's court change? "What is breathtakingly shown here, through accurate, cross-hatched watercolor paintings; excerpts from Sullivan's correspondence to her former teacher; and concise and poetic language, is the woman's patience and belief in the intelligence of her student to grasp the concepts of language," praised School Library Journal in a starred review. Focusing on the relationship between Helen and her teacher, Annie Sullivan, the book is interspersed with excerpts of Annie's letters home, written as she struggled with her angry, wild pupil. The lyrical text and exquisite art will make this fascinating story a favorite with young readers. Children will also enjoy learning the Braille alphabet, which is embossed on the back cover of the jacket. A Grown Up Kind of Pretty is a powerful saga of three generations of women, plagued by hardships and torn by a devastating secret, yet inextricably joined by the bonds of family. Fifteen-year-old Mosey Slocumb -- spirited, sassy, and on the cusp of womanhood -- is shaken when a small grave is unearthed in the backyard, and determined to figure out why it's there. But it is Jenny, Mosey's strong and big-hearted grandmother, whose maternal love braids together the strands of the women's shared past -- and who will stop at nothing to defend their future. In this dazzling new vision of the ever-fascinating queen, a dynamic young historian reveals how Marie Antoinette's bold attempts to reshape royal fashion changed the future of France Marie Antoinette has always stood as an icon of supreme style, but surprisingly none of her biographers have paid sustained attention to her clothes. In Queen of Fashion, Caroline Weber shows how Marie Antoinette developed her reputation for fashionable excess, and explains through lively, illuminating new research the political controversies that her clothing provoked. Weber surveys Marie Antoinette's "Revolution in Dress," covering each phase of the queen's tumultuous life, beginning with the young girl, struggling to survive Versailles's rigid traditions of royal glamour (twelve-foot-wide hoopskirts, whalebone corsets that crushed her organs). As queen, Marie Antoinette used stunning, often extreme costumes to project an image of power and wage war against her enemies. Gradually, however, she began to lose her hold on the French when she started to adopt "unqueenly" outfits (the provocative chemise) that, surprisingly, would be adopted by the revolutionaries who executed her. Weber's queen is sublime, human, and surprising: a sometimes courageous monarch unwilling to allow others to determine her destiny. The paradox of her tragic story, according to Weber, is that fashion--the vehicle she used to secure her triumphs--was also the means of her undoing. Weber's book is not only a stylish and original addition to Marie Antoinette scholarship, but also a moving, revelatory reinterpretation of one of history's most controversial figures. Five girls. A paper dress. Tons of shoes. One unforgettable raincoat. White Jeans. Secrets. Drama. Friends? For Justine, Bianca, Becka, Polly, and Anne, living in Westfield, New Jersey is "life on planet toilet paper." At least that's how Justine feels when she shows up as the new girl in school wearing a Scott Paper Caper dress. To her, it's a super-original fashion statement. But other "loser freaks" don't agree. The other girls have their own fashion issues, ranging from fabulous boots to raggedy pajamas to what to wear to therapy. Told in alternating voices, TALES FROM MY CLOSET follows the stories of high school kids who have nothing in common--and everything in common. They're at war with each other, but through their clothes, they reveal and conceal themselves and make peace with what it means to be a teen. Over the course of a school year, their individual struggles and successes come together to tell a story that's funny, honest, and all-girl fabulous. Just like any average seventeen-year-old, Twig loves her family. She has a caring mother and a controlling father. Her brothers and sisters are committed to her family's prosperity... All one hundred eighty-three of them. Twig lives in the Family, a collective society located in the rainforest of Costa Rica. Family members coexist with values of complete openness and honesty, and they share a fear of contagious infection in the outside world. Adam--their Father, prophet, and savior--announces that Twig will be his new bride, and she is overjoyed and honored. But when an injury forces her to leave the Family compound, Twig finds that the world outside is not as toxic as she was made to believe. And then she meets Leo, an American boy with a killer smile, and begins to question everything about her life within the Family and the cult to which she belongs. But when it comes to Family, you don't get a choice. Praise for The Family: "Fascinating and chilling, THE FAMILY takes you past the armed guards of a secluded compound where individualism is punished, technology is forbidden, and a charismatic leader plays God through terror and control. The novel's relentless plot and vividly drawn characters will suck you in, but be warned: once you're in the Family, it's almost impossible to escape." --Anna Schumacher, author of End Times "Eerie and suspenseful, Kennerson gives us a fascinating look into the psychology of cults and the meaning of Family." --Bianca Turetsky, author of The Time-Traveling Fashionista Television has introduced the world to a new fashion authority: Tim Gunn. As Bravo's style mentor and Chair of the Fashion Design Department at Parsons The New School for Design, Tim delivers advice in a frank, witty, and authoritative manner that delights audiences. Now readers can benefit from Tim's considerable fashion wisdom in Tim Gunn: A Guide to Quality, Taste & Style. He discusses every aspect of creating and maintaining your personal style:

how to dress for various occasions, how to shop (from designer to chain to vintage stores), how to pick a fashion mentor, how to improve your posture, find the perfect fit, and more. He'll challenge every reader-whether a seasoned fashionista or a style neophyte-to "make it work!" A fashionista is a girl who always looks current and cutting edge, even when her clothes are vintage 1975. A fashionista can tell her Pucci from her Gucci and her Blahniks from her Choos, but she's as comfortable in Kmart as she is in Chanel. She wears what she likes and always looks fantastic. She's a clothing chameleon: a sharp tweed suit and ladylike driving gloves one moment, a punk rock T-shirt and studded belt the next. She's a gypsy, a princess, and a diva. She's fashion-forward, shopping-addicted, and full of fun. And you can be her, no matter your size, style, or budget. Authors Melissa de la Cruz and Karen Robinovitz are fashionistas who share a love for impractical shoes, small dogs that fit in designer handbags, and wearing white after Labor Day. They eat, sleep, and breathe fashion. And they'll teach you how to

- Make a whole new wardrobe out of the awful duds that lurk in the back of your closet
- Use the words "postmodern" and "ironic" to fake your way through pseudo-intellectual cocktail conversation (really-it's easy, and so postmodern and ironic!)
- Score big with chic and cheap finds at thrift stores, consignment shops, and discount designer outlets
- Live like a socialite on a shoestring budget

"A fresh, funny take on the search for a soulmate." —People A savvy, page-turning novel about a woman torn between her husband and the man she thought she'd marry by the author of the New York Times Bestseller and Reese's Book Club Pick, *The Last Thing He Told Me* Annie Adams is days away from her thirty-second birthday and thinks she has finally found some happiness. She visits the world's most interesting places for her syndicated travel column and she's happily cohabiting with her movie director boyfriend Nick in Los Angeles. But when Nick comes home from a meeting with his therapist (aka "futures counselor") and announces that he's taking a break from their relationship so he can pursue a woman from his past, the place Annie had come to call home is shattered. Reeling, Annie stumbles into her neighborhood bar and finds Griffin-a grounded, charming chef who seems to be everything Annie didn't know she was looking for. Within three months, Griffin is Annie's husband and Annie finds herself trying to restart her life in rural Massachusetts. A wry observer of modern love, Laura Dave "steers clear of easy answers to explore the romantic choices we make" (USA Today). Her third novel is packed with humor, empathy, and psychological insight about the power of love and home. I am passionate about fashion and about looking good. However, looking good is more than just about clothes, it is about being put together well. I believe that it is possible for everyone to have a fabulous wardrobe regardless of their body size or financial budget. I have many favorite things- traveling, interior design, reading, arts and crafts; but my absolute favorite thing? The thrift store. Yes, I love being able to find wonderful pieces in thrift stores and retail shops. Who doesn't love saving money and looking fabulous at the same time?
