Helping every associate understand how they contribute to the organization's success is key, and we were able to accomplish that in Productions Services at Capital One. Partners on the Payroll wonderfully illustrates the value of all employees acting as committed and engaged owners. —Dan Mortensen, President and CEO, Virginia Council on Economic Education,

Former executive, Capital One Most entrepreneurs and executives would like their employees to feel engaged in the business, to go the extra mile, to think and act like owners. But they aren't sure how to create such an environment. That's where Partners on the Payroll comes in. In this short but powerful book, veteran business coach Bill Fotsch shows how any business can transform its employees into full-scale partners—people who understand the business and work together to improve its performance. Fotsch, who has worked with more than four hundred companies over the years, begins with a simple argument: our free-enterprise society needs partnership to overcome the divisions that threaten it. He then takes the reader step-by-step through the process of creating a partnership company, illustrating his points with fascinating stories of businesses, both large and small, that have transformed themselves. Readable and hard-hitting, this is the book for any owner or manager who wants to build not just a better business but a better world. Briggs & Stratton's Outdoor Cleaning with Pressure Washers is the first and only book available on the new tool that is quietly revolutionizing the way homeowners care for their homes and property. Called "today's hottest financial idea and getting hotter" by fortune magazine, Economic Value Added (EVA) is the topic of conversation in financial circles around the world, from Germany and Japan to Singapore and South Africa. A revolutionary strategy for creating corporate and shareholder wealth that measures a company's real profitability, it has been adopted by such prominent corporations as Coca-Cola, Eli Lilly, and Siemens AG-with spectacular financial results. Yet, despite its increasing visibility, most executives still only have a vague notion of what EVA is and what it can do for their company. This groundbreaking book explains and clarifies all. Written by Al Ehrbar, a leading business journalist and senior vice president at EVA inventor Stern Stewart & Co., *EVA: The Real Key to Creating Wealth* provides a complete, accessible overview that examines how exactly EVA works, how it is measured, what it can do to structure incentives for employees, and why it is as potent as it is. At its most basic, Economic Value Added is a measure of corporate performance that differs from most others by charging profit for the cost of all the capital a company employs, including equity. To help translate principle into real-world practice, Ehrbar presents revealing case histories of EVA success stories, including those of Briggs & Stratton, the U.S. Postal Service, and Coca-Cola, which was catapulted from mediocrity to the number one wealth creator in the world with the addition of EVA. An in-depth look at a breakthrough idea whose impact is being felt from corporate boardrooms to Wall Street, this indispensable book is must reading for business leaders looking to fully grasp-and profit from-"the real key to creating wealth."
