Lady Mary Wortley Montagu Mar 22 2020 This book is the first to look at Lady Mary Wortley Montagu's achievement as a vital figure in the women's literary tradition. Robert Halsband's book on her life, the sixth this century and published in 1956, was the first to apply scholarly techniques to establishing the facts. The inaccurate accounts given before Halsband testify to Lady Mary's compelling interest as a woman who wrote, travelled, campaigned publicly for medical advance, gossiped, and was involved in high-profile literary quarrels. Knowledge of her life has made considerable gains since Halsband, as understanding of the issues involved in trying to move between the roles of proper lady and woman writer has increased enormously. This life fruitfully exploits the tension between literary history and feminist reading. Isobel Grundy highlights Montagu's adolescent longing for literary fame, her growing understanding of the implications of this for gender and class imperatives, the frustrations and concessions involved in her collaborations with male writers, the punitive responses of society, the gaps at every stage of her life between her ascertainable circumstances and her construction of herself in letters and other writings. The book situates those writings in relation to her own theorizing and her very wide reading in women's texts as well as men's. Finally, it looks at a range of contemporary and near-contemporary responses.

Dr. Mary's Monkey Oct 21 2022 This new updated edition is not only hard cover for long life, but it contains an additional 25 pages of revelations from the author including documents from the FBI, CIA, CDC, and NOPD, plus the actual crime scene photos of the Mary Sherman murder. You'll see why we say this is the "Hottest cold case in America." The 1964 murder of a nationally known cancer researcher sets the stage for this gripping exposé of medical professionals enmeshed in covert government operations over the course of three decades. Following a trail of police records, FBI files, cancer statistics, and medical journals, this revealing book presents evidence of a web of medical secret-keeping that began with the handling of evidence in the JFK assassination and continued apace, sweeping doctors into cover-ups of cancer outbreaks, contaminated polio vaccine, the arrival of the AIDS virus, and biological weapon research using infected monkeys.

[The Betrayal of Mary, Queen of Scots](#) Feb 25 2023 Elizabeth and Mary were cousins and queens, but eventually it became impossible for them to live together in the same world. This is the story of two women struggling for supremacy in a man's world, when no one thought a woman could govern. They both had to negotiate with men—those who wanted their power and those who wanted their bodies—who were determined to best them. In their worlds, female friendship and alliances were unheard of, but for many years theirs was the only friendship that endured. They were as fascinated by each other as lovers; until they became enemies. Enemies so angry and broken that one of them had to die, and so Elizabeth ordered the execution of Mary. But first they were each other's lone female friends in a violent man's world. Their relationship was one of love, affection, jealousy, antipathy – and finally death. This book tells the story of Mary and Elizabeth as never before, focusing on their emotions and probing deeply into their intimate lives as women and queens. They loved each other, they hated each other—and in the end they could never escape each other.

[Mary Queen of Scots](#) Feb 01 2021 As an historical figure Mary Queen of Scots has been perpetually represented on canvas, page and stage, and has captured the British imagination since the time of her death in 1587. The 'real' Mary Stuart however has remained an enigma. *Mary Queen of Scots: Romance and Nation* sheds light on Mary's life by exploring four main themes: * the history of Mary's representation in Britain from the late Tudor period focusing on key periods in the formation of the British identity and closely analysing several texts against a background of the visual, musical and literary works of each period * the reasons why those representing Mary have been so conscious that her image was largely a debatable fiction * the identification of symbolic styles, using Mary to reveal the habits of representation in each historical period * The link between the image of Mary Stuart and Britain's long struggle to define itself as a single nation, focusing on the roles of gender and religion in this development.

The Little Book of Mary Queen of Scots Nov 22 2022 Mary Queen of Scots is perhaps one of the most controversial and divisive monarchs in regal history. Her story reads like a particularly spicy novel, with murder, kidnap, adultery, assassination and execution. To some she is one of the most wronged women in history, a pawn used and abused by her family in the great monarchical marriage game; to others, a murderous adulteress who committed regicide to marry her lover and then spent years in captivity for the crime, endlessly plotting the demise of her cousin, Queen Elizabeth I of England. This book covers the breathtaking scope of her amazing life and examines the immense cultural legacy she left behind, from the Schiller play of the 1800s to The CW teen drama Reign. Temptress, terrorist, or tragic queen, this book will give you the lowdown on one of history's most misunderstood monarchs.

Mary's Little Lamb Feb 19 2020 The Mick Hart Investigation Agency began by their finding deadbeat child supporters. Mick and his staff have gotten so good at their jobs that on occasions they will take on a missing-person case. If they can find a person who is hiding, then how hard is it to find someone who is lost? It's Election Day Tuesday. In the news, Odelot, Ohio elects its first African American mayor. A fatal car jacking has left a woman dead. Two teenage girls are missing: Sapphire (Mary's Little Lamb) and Brook, the daughter of John Lincoln, Odelot's, first African American mayor. PI, Mick Hart is called upon to find only one of the missing girls, while Odelot's finest find the other. The search for one girl may lead Mick to the other. Who and what Mick finds through his investigation brings one family joy and the other family pain. Sapphire and Brook are best friends, and everywhere that Sapphire went, Brook was sure to go. Mary's Little Lamb Sapphire is mentoring Brook in the ways of boys and men. "I told her, just cause you have a dog that licks your toes, don't mean you have to keep him. Because a dog will lick anything and everything" says Sapphire. Sapphire has the reputation of being hot in the pants, but she knows how to take care of her self. A trait she inherited from her mother. Fourteen years old Sapphire is blessed and cursed with the wiles and ways of her mother Mary, along with her voluptuous genes. Mick Hart's search for Mary's Little Lamb leads him to a pack of wolves. These wolves prowl the schoolyards and shopping malls of Odelot and the information highway of the Internet, preying on little lambs. They hang out on playgrounds as child pimps and lurk online as predator wolves in sheep's clothing. It's up to Mick Hart to find out which ones have nabbed the missing teens. Mick has a personal grudge with the newly elected mayor John Lincoln. Whether Mick lets his hostility interfere with his duty in finding Lincoln's daughter Brook is unknown. If Mick does agree to find the missing teen, it will cost Lincoln. The price comes with Lincoln divulging a painful secret from his past . . . a secret that answers the why to this whodunit mystery.

Peter Paul and Mary Nov 29 2020 This carefully crafted and collectible volume tells the intimate story of Peter, Paul, and Mary and their music, in their words and with iconic images that follow their passionate, fifty-year journey to the center of America's heart. Photographs, many rare and never before published, taken over five decades by some of the world's top photographers, follow them from their earliest performances in the 1960s, when Mary was the most desired, beautiful, and charismatic performer and a new role model for women. Follow the trio as they lead America to discover the passionate soul of folk music. Join the struggle for racial equality, social justice, and freedom in this memorable journey, from the historic 1963 March on Washington with Martin Luther King, Jr., to the trio's appearance before a half million people in 1969 to end the Vietnam War, to their singing at the Hollywood Bowl for Survival Sunday in 1978, helping to launch the anti-nuke movement, the world's first international environmental movement. Through these images, readers will feel and almost hear the trio's songs calling for a more caring, better world as they performed with a courage and conviction that became for so many the embodiment and soundtrack of their generation's awakening to conscience, to activism, and to a new dream for all of humankind. Peter, Paul, and Mary's songs of defiant hope and a certain unmasked innocence are still a powerful part of our American consciousness, and this book reenacts the history of how the trio marked many lives with their indelible stamp of honesty of the sort we all yearn to recapture and recreate today—for ourselves, our children, and the generations to come.

Mary and Early Christian Women Dec 23 2022 This book is open access under a CC BY-NC-ND license. This book reveals exciting early Christian evidence that Mary was remembered as a powerful role model for women leaders—women apostles, baptizers, and presiders at the ritual meal. Early Christian art portrays Mary and other women clergy serving as deacon, presbyter/priest, and bishop. In addition, the two oldest surviving artifacts to depict people at an altar table inside a real church depict women and men in a gender-parallel liturgy inside two of the most important churches in Christendom—Old Saint Peter's Basilica in Rome and the second Hagia Sophia in Constantinople. Dr. Kateusz's research brings to light centuries of censorship, both ancient and modern, and debunks the modern imagination that from the beginning only men were apostles and clergy.

Mary Nohl Apr 15 2022 LOOK INSIDE THE LIFE — AND HOME — OF LEGENDARY ‘OUTSIDER’ ARTIST MARY NOHL "Mary Nohl: A Lifetime in Art" by Barbara Manger and Janine Smith, tells the story of Milwaukee-born artist, Mary Nohl. A prolific and fanciful maker who worked in a variety of media, Nohl was both a mysterious figure and an iconic "outsider" artist. This new addition to the Badger Biographies series captures her life and will capture the imagination of readers, and artists, of all ages. Nohl didn't just make art — she lived it. From the time she was young, Mary enjoyed making things, from the model airplane that won her a citywide prize to assignments in shop class, where she learned to work with tools. Her interests in art blossomed during the years she spent training at the Art Institute of Chicago, leading to a lifetime of curiosity and ventures into new artistic media. From pottery to silver jewelry and oil painting to concrete sculpture, Mary explored new ways of making art. Many of her pieces were made from found objects that other people might think of as junk — like chicken bones, bedsprings and sand that she made into concrete. Nohl, who made her home on the shores of Lake Michigan, decorated the interior of her cottage with bright colors and eye-catching figures in driftwood and glass. During her later years, her home became known as the "Witch's House" — a place of local legend known far beyond Fox Point. Though she died in 2001, Mary's legacy continues. Her art is held at the John Michael Kohler Arts Center in Sheboygan, and her home is listed on the National Register of Historic Places. The popular Badger Biographies series for young readers explores the lives of famous and not-so-famous figures in Wisconsin history. The Wisconsin Historical Society Press is proud to celebrate the release of this, the 21st book in the series.

The Virgin Mary and Catholic Identities in Chinese History Jun 05 2021 The Chinese Catholic Church traces its living roots back to the late sixteenth century and its historical roots back even further, to the Yuan dynasty. This book explores paintings and sculptures of the Virgin Mary and the communities that produced them over several centuries. It argues for the emergence of distinctly Chinese Catholic identities as artistic representations of the Virgin Mary, at different times and in different places, absorbed and in turn influenced representations of Chinese figures from Guanyin to the Empress Dowager. At other times indigenous styles have been diluted by Western influences—following the influx of European missionaries in the nineteenth century, for example, or with globalization in recent years. The book engages with history, theology and art, and draws on imagery and archival photographs that have been largely neglected. As a study of the social and cultural histories of communities that have survived over many centuries, this book offers a new view of Catholicism in China—one that sees its history as more than simply a cycle of persecution and resistance. Fr. Jeremy Clarke, SJ, is an Australian Province Jesuit teaching as an assistant professor in the History Department of Boston College. He is also a school visitor in the Australian Center for China in the World at the Australian National University, Canberra.

Mary's Christmas Goodbye Sep 20 2022 Mary Stoltzfus is thirty years old, splashed with freckles, and unmarried. In her Amish world, that qualifies her to be called an old maid. She is living her quiet schoolteacher life in the Lancaster County Amish community when she gets a surprising invitation in the mail one day. Would she come to Montana to teach? Of course not, she decides, fully at home in eastern Pennsylvania, where she can go out to eat in dozens of restaurants, do her laundry in a newfangled washer that’s powered by compressed air, and hire a driver if she wants to go farther than her horse and buggy can comfortably take her. What is there to do in Montana, she sniffs. But soon she becomes annoyed by the cracks in the floor of her one-room schoolhouse, the noise of the nearby road, and the two eighth-grade boys who try to make toilet paper cigarettes and nearly burn down the privy. Before long, Mary is on Amtrak, “just to take care of her curiosity,” she explains to her mother. She arrives at a desolate station and meets Arthur Bontrager, who had signed the invitation and has come to introduce her to Beaver Creek School, dirt roads, and the fancy shed where she would live. When she settles into this world of mountain ranges and pine-tree majesty, her old buried questions—about why no man had ever been her match—have come along to live with her. After she’s injured by wild dogs on her walk home from school, Mary faces new questions. Is she weak if she accepts a Bouvier des Flandres dog from Arthur’s friend? Who is the young woman in the photo at Arthur’s house? And why does she suddenly care? Does she really belong back in Lancaster?
