Don't miss bonus content in the back of the book—extra puzzles, an author Q&A, and more! And look for the puzzle-packed sequels—Mr.*

*Lemoncello's Library Olympics and Mr. Lemoncello's Great Library Race! "Full of puzzles to think about, puns to groan at ...this solid, tightly plotted read is a winner for readers and game-players alike."*

*—Kirkus Reviews, Starred Review Provides teaching strategies, background, and suggested resources; reproducible student pages to use before, during, and after reading--Cover. For the past two hundred years, Western readers, young and old alike, have been transported to the fabulous Orient by means of these remarkable stories, in which the everyday mingles on an equal footing with the uncanny and the miraculous. Accompanying the text are illustrations by W. Heath Robinson, which are themselves miracles of visual and imaginative sympathy. Ominous b/w illus. When night comes, the gargoyles on a museum building come alive. In Wise Men and Their Tales, a master teacher gives us his fascinating insights into the lives of a wide range of biblical figures, Talmudic scholars, and Hasidic rabbis. The matriarch Sarah, fiercely guarding her son, Isaac, against the negative influence of his half-brother Ishmael; Samson, the solitary hero and protector of his people, whose singular weakness brought about his tragic end; Isaiah, caught in the middle of the struggle between God and man, his messages of anger and sorrow counterbalanced by his timeless, eloquent vision of a world at peace; the saintly Rabbi Yehoshua ben Levi, who by virtue of a lifetime of good deeds was permitted to enter heaven while still alive and who tried to ensure a similar fate for all humanity by stealing the sword of the Angel of Death. Elie Wiesel tells the stories of these and other men and women who have been sent by God to help us find the godliness within our own lives. And what interests him most about these people is their humanity, in all its glorious complexity. They get angry--at God for demanding so much, and at people, for doing so little. They make mistakes. They get frustrated. But through it all one constant remains--their love for the people they have been charged to teach and their devotion to the Supreme Being who has sent them. In these tales of battles won and lost, of exile and redemption, of despair and renewal, we learn not only by listening to what they*

have come to tell us, but by watching as they live lives that are both grounded in earthly reality and that soar upward to the heavens. Tomie dePaola's glorious paintings are as luminous as the farolitos that light up on the Plaza in Santa Fe for the procession of Las Posadas, the tradition in which Mary and Joseph go from door to door seeking shelter at the inn on Christmas Eve. This year Sister Angie, who is always in charge of the celebration, has to stay home with the flu, and Lupe and Roberto, who are to play Mary and Joseph, get caught in a snowstorm. But a man and a woman no one knows arrive in time to take their place in the procession and then mysteriously disappear at the end before they can be thanked. That night we witness a Christian miracle, for when Sister Angie goes to the cathedral and kneels before the statue of Mary and Joseph, wet footprints from the snow lead up to the statue.

**A TRAITOROUS HEART**  
Cara Lee Henson knows no soldier can be trusted to stay in one place--and that includes handsome Sergeant Chase Jefferson of the Tenth Cavalry. Dallying with the dashing man in blue could cost the pretty, independent Kansas schoolteacher her job and her reputation. So Cara is determined to repel Chase's advances--even though her aloof facade barely masks her smoldering desire.

**A BLAZING PASSION**  
Never before has Chase longed for a woman the way he aches for lovely Cara Lee. The strong-willed ebony beauty, however, will not surrender easily. But with tender words and soulful caresses, Chase intends to conquer the reluctant schoolmarm's misgivings--and teach her how to love fully, sensuously...and forever. This meditative prose conveys the essence of the human place in the world -- past and present.

**GOOD MORNING AMERICA BUZZ PICK** • From the New York Times bestselling author of Mexican Gothic comes a simmering historical noir about a daydreaming secretary, a lonesome enforcer, and the mystery of the missing woman they're both desperate to find.

**ONE OF THE BEST BOOKS OF THE YEAR:** The New York Times Book Review, NPR, The Washington Post, The Boston Globe, New York Public Library, Milwaukee Journal Sentinel, BookPage, She Reads, Library Journal • "An adrenalized, darkly

romantic journey.”—*The Washington Post* Mexico in the 1970s is a dangerous country, even for Maite, a secretary who spends her life seeking the romance found in cheap comic books and ignoring the activists protesting around the city. When her next-door neighbor, the beautiful art student Leonora, disappears under suspicious circumstances, Maite finds herself searching for the missing woman—and journeying deeper into Leonora’s secret life of student radicals and dissidents. Mexico in the 1970s is a politically fraught land, even for Elvis, a goon with a passion for rock ‘n’ roll who knows more about kidney-smashing than intrigue. When Elvis is assigned to find Leonora, he begins a blood-soaked search for the woman—and his soul. Swirling in parallel trajectories, Maite and Elvis attempt to discover the truth behind Leonora’s disappearance, encountering hitmen, government agents, and Russian spies. Because Mexico in the 1970s is a noir, where life is cheap and the price of truth is high. “Alluring, shadowy Edinburgh with its hints of sophisticated academic magic will draw you in, but it’s Ropa - a hard knocks ghostalker on her paranormal grind to pay the rent - who grabs hold. The moment you meet her, you’ll follow wherever she goes.” - Olivie Blake, New York Times bestselling author of *The Atlas Six* T.L. Huchu returns with the gripping *Our Lady of Mysterious Ailments*, the next in the Alex-Award-winning *Edinburgh Nights* series. Some secrets are meant to stay buried When Ropa Moyo discovered an occult underground library, she expected great things. She’s really into Edinburgh’s secret societies - but turns out they are less into her. So instead of getting paid to work magic, she’s had to accept a crummy unpaid internship. And her with bills to pay and a pet fox to feed. Then her friend Priya offers her a job on the side. Priya works at *Our Lady of Mysterious Maladies*, a very specialized hospital, where a new illness is resisting magical and medical remedies alike. The first patient was a teenage boy, Max Wu, and his healers are baffled. If Ropa can solve the case, she might earn as she learns - and impress her mentor, Sir Callander. Her sleuthing will lead her to a lost fortune, an avenging spirit and a secret buried deep in Scotland’s past. But how

are they connected? Lives are at stake and Ropa is running out of time. Edinburgh Nights series: Library of the Dead Our Lady of Mysterious Ailments At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. Deals with the conflicts and thoughts of a young Jewish concentration-camp veteran as he prepares to assassinate a British hostage in occupied Palestine. In this classic of children's literature, beloved by generations of readers and listeners, the quiet poetry of the words and the gentle, lulling illustrations combine to make a perfect book for the end of the day. In a great green room, tucked away in bed, is a little bunny. "Goodnight room, goodnight moon." And to all the familiar things in the softly lit room—to the picture of the three little bears sitting on chairs, to the clocks and his socks, to the mittens and the kittens, to everything one by one—the little bunny says goodnight. One of the most beloved books of all time, Goodnight Moon is a must for every bookshelf and a time-honored gift for baby showers and other special events. Discusses the characters, plot and writing of Night by Elie Wiesel. Includes critical essays on the novel and a brief biography of the author. Inspired by the process of creating a library for his 15th-century home near the Loire, in France, Manguel, the acclaimed writer on books and reading, has taken up the subject of libraries in this captivating meditation on their meaning and significance. Fasten your seatbelt to experience the spectacle and solitude of flying high in the Andes in this novel from the author of The Little Prince. No writer has equaled Saint-Exupéry in describing the perilous and poetic experience of flying, in submission to what he calls "those damn elemental divinities—night, day, mountain, sea and storm." In this gripping, beautifully written novel inspired by his experience as a pilot in South America, he tells of the brave men who pilot night mail planes from Patagonia, Chile, and Paraguay to Argentina in the early days of commercial aviation. They are impelled to perform their routine acts of heroism by a steely chief named Rivière, whose extraordinary character is revealed through the dramatic events of a single night. Preface by

*André Gide. Translated by Stuart Gilbert. "The book stands out by reason of the quality of its style, the beauty of the passages in which flight is described better than it ever has been before, but more especially because of the emotions of the men of heroic mold."—André Maurois, Saturday Review Assigned to investigate a series of deaths of magic practitioners, all of whom lacked the ability to become full-fledged wizards, professional Chicago wizard Harry Dresden is shocked when the evidence points to his half-brother Thomas as the killer, until he uncovers a conspiracy within the White Council of Wizards that threatens both him and his family. 100,000 first printing. The #1 New York Times bestselling WORLDWIDE phenomenon Winner of the Goodreads Choice Award for Fiction | A Good Morning America Book Club Pick | Independent (London) Ten Best Books of the Year "A feel-good book guaranteed to lift your spirits."—The Washington Post The dazzling reader-favorite about the choices that go into a life well lived, from the acclaimed author of How To Stop Time and The Comfort Book. Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place. A New Translation From The French By Marion Wiesel Born in Sighet, Transylvania, Elie Wiesel was a teenager when he and his family were taken from their home in 1944 and deported to the Auschwitz concentration camp, and then to Buchenwald. Night is the terrifying*

record of Elie Wiesel's memories of the death of his family, the death of his own innocence, and his despair as a deeply observant Jew confronting the absolute evil of man. This new translation by his wife and most frequent translator, Marion Wiesel, corrects important details and presents the most accurate rendering in English of Elie Wiesel's seminal work. Discusses how Elie Wiesel's "Night" incorporates the topic of genocide, and gives a short background on both the author and instances of genocide occurring today. A National Book Award Finalist "A gentle, glowing wonder, full of love and understanding." -The New York Times Book Review

It's the summer before middle school and eleven-year-old Bug's best friend Moira has decided the two of them need to use the next few months to prepare. For Moira, this means figuring out the right clothes to wear, learning how to put on makeup, and deciding which boys are cuter in their yearbook photos than in real life. But none of this is all that appealing to Bug, who doesn't particularly want to spend more time trying to understand how to be a girl. Besides, there's something more important to worry about: A ghost is haunting Bug's eerie old house in rural Vermont...and maybe haunting Bug in particular. As Bug begins to untangle the mystery of who this ghost is and what they're trying to say, an altogether different truth comes to light--Bug is transgender. This award-winning novel of love, survival, and agonizing regret in post-WWII Brooklyn "belongs on that small shelf reserved for American masterpieces" (The Washington Post Book World). Winner of the National Book Award and a modern classic, *Sophie's Choice* centers on three characters: Stingo, a sexually frustrated aspiring novelist; Nathan, his charismatic but violent Jewish neighbor; and Sophie, an Auschwitz survivor who is Nathan's lover. Their entanglement in one another's lives will build to a stirring revelation of agonizing secrets that will change them forever. Poetic in its execution, and epic in its emotional sweep, *Sophie's Choice* explores the good and evil of humanity through Stingo's burgeoning worldliness, Nathan's volatile personality, and Sophie's tragic past. Mixing elements from Styron's own experience

*with themes of the Holocaust and the history of slavery in the American South, the novel is a profound and haunting human drama, representing Styron at the pinnacle of his literary brilliance. This ebook features an illustrated biography of William Styron, including original letters, rare photos, and never-before-seen documents from the Styron family and the Duke University Archives. Part of a new collection of literary voices from Gibbs Smith, written by, and for, extraordinary women—to encourage, challenge, and inspire. One of America's most distinctive poets, Emily Dickinson scorned the conventions of her day in her approach to writing, religion, and society. Hope Is the Thing with Feathers is a collection from her vast archive of poetry to inspire the writers, creatives, and leaders of today. Continue your journey in the Women's Voices series with Jane Eyre, by Charlotte Bronte and The Feminist Papers by Mary Wollstonecraft. "A delicious, dark, adrenaline rush of a book. I'm already dying to see Charlie Hall's next con." - New York Times bestselling author, Alix E. Harrow #1 New York Times bestselling author Holly Black makes her stunning adult debut with Book of Night, a modern dark fantasy of betrayals, secret societies, and a dissolute thief of shadows, in the vein of Neil Gaiman and Erin Morgenstern. Charlie Hall has never found a lock she couldn't pick, a book she couldn't steal, or a bad decision she wouldn't make. She's spent half her life working for gloamists, magicians who manipulate shadows to peer into locked rooms, strangle people in their beds, or worse. Gloamists guard their secrets greedily, creating an underground economy of grimoires. And to rob their fellow magicians, they need Charlie Hall. Now, she's trying to distance herself from past mistakes, but getting out isn't easy. Bartending at a dive, she's still entirely too close to the corrupt underbelly of the Berkshires. Not to mention that her sister Posey is desperate for magic, and that Charlie's shadowless, and possibly soulless, boyfriend has been hiding things from her. When a terrible figure from her past returns, Charlie descends into a maelstrom of murder and lies. Determined to survive, she's up against a cast of*

doppelgangers, mercurial billionaires, gloamists, and the people she loves best in the world—all trying to steal a secret that will give them vast and terrible power. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

*Building an empire comes first. Or it did until I met her. My family's billion-dollar hotel chain has been my life for as long as I can remember. Travel. Women. Wealth. That's all I know, until fate grabs me by the throat and decides to not let up. She's a beach body, a beautiful, curvy California girl who hasn't found the right person to give into yet. I would have felt the same, but something about her has me pacing the floor at night. And my father sent me out to her hotel specifically. The sly dog knowing that she's exactly the woman I need in my future. But it's not that easy. It never is. Not until our love produces a little one. Then everything changes. Especially me. Now I want more than just one night. I want forever. This is book 1 in a 3 book series. You will have to read books 2 and 3 to complete the story. First published in Norway in 1954, this lyrical novel is about an abrupt change from childish dreams and safety to grown-up responsibilities and happiness. On the surface it deals with what happens to two youngsters left for a night alone on their parents' farm, but like "The Ice Palace" and other great novels by Vesaas, the themes are far deeper: How difficult the road is from "I" to "you" or "we," even when love is involved. A luminous translation of Arabic tales of enchantment and wonder Translated into English for the very first time, A Hundred and One Nights is a marvelous example of the rich tradition of popular Arabic storytelling. Like the celebrated Thousand and One Nights, this collection opens with the frame story of Scheherazade, the vizier's gifted daughter who recounts imaginative tales night after night in an effort to distract the murderous king from taking her life. A Hundred and One Nights features an almost entirely different set of stories, however, each one more thrilling, amusing, and disturbing than the last. Here, we encounter tales of epic warriors, buried treasure, disappearing brides, cannibal demon-women, fatal shipwrecks, and clever ruses,*

where human strength and ingenuity play out against a backdrop of inexorable, inscrutable fate. Distinctly rooted in Arabic literary culture and the Islamic tradition, these tales draw on motifs and story elements that circulated across cultures, including Indian and Chinese antecedents, and features a frame story possibly older than its more famous sibling. This vibrant translation of *A Hundred and One Nights* promises to transport readers, new and veteran alike, into its fantastical realms of magic and wonder.

*Piano/Keyboard Methods/Series Drawing on fantasy and nightmare*, *Through the Night* is a philosophical horror story charting the madness of a father whose son has committed suicide. Dentist Karl Meyer's worst nightmare comes true when his son, Ole-Jakob, takes his own life. This tragedy is the springboard for a complex novel posing essential questions about human experience: What does sorrow do to a person? How can one live with the pain of unbearable loss? How far can a man be driven by the grief and despair surrounding the death of a child? A dark and harrowing story, drawing on elements from dreams, fairy tales, and horror stories, the better to explore the mysterious depths of sorrow and love, *Through the Night* is Stig Sæterbakken at his best. A startling first novel by a remarkable young English-American writer is told from the point of view of a 17-year-old recruit in the SS in the last months of 1944. Forced into a war he neither likes nor understands, Sebastian Westland continues his passionate involvement with a woman, but is soon transported to the Belgian frontier for the Battle of the Bulge. A deeply panoramic tour of the night, from its brightest spots to the darkest skies we have left. A starry night is one of nature's most magical wonders. Yet in our artificially lit world, three-quarters of Americans' eyes never switch to night vision and most of us no longer experience true darkness. In *The End of Night*, Paul Bogard restores our awareness of the spectacularly primal, wildly dark night sky and how it has influenced the human experience across everything from science to art. From Las Vegas' Luxor Beam -- the brightest single spot on this planet -- to nights so starlit the sky looks like snow, Bogard blends

personal narrative, natural history, science, and history to shed light on the importance of darkness -- what we've lost, what we still have, and what we might regain -- and the simple ways we can reduce the brightness of our nights tonight. Spanning the fifth century to the sixteenth, and ranging from Afghanistan to Spain, this unique collection provides a profound insight into the sheer vitality and depth of Classical Arabic literature. From the earliest surviving fragments of *The Thousand and One Nights* to the elegant beauty and profound power of the Qur'an - believed by the Islamic faith to contain the actual words of Allah - it includes translated extracts from all the major works of the period, alongside many less well-known but equally fascinating pieces. Exploring such traditional themes as lovesick yearning and fated doom, and considering subjects as diverse as the etiquette of falling in love with slave-girls and the terrors of the sea, this compelling anthology of poetry and prose brilliantly illuminates a body of writing that has been unjustly neglected by the west for centuries. Teaching "Night" interweaves a literary analysis of Elie Wiesel's powerful and poignant memoir with an exploration of the relevant historical context that surrounded his experience during the Holocaust. "The starting point is a question," Alberto Manguel writes in the introduction to *The Library at Night*: since few can doubt that the universe is ultimately meaningless and purposeless, why do we try to give it order? After all, our efforts are surely doomed to failure. It's hard to think of a more profound or serious subject to start with - but *The Library at Night*, Alberto Manguel says, is by no means a systematic answer. Rather, it is the story of the search for one. In the tradition of *A History of Reading*, this book is an account of Manguel's astonishment at the variety, beauty and persistence of our efforts to shape the world and our lives, most notably through something almost as old as reading itself: libraries. The result is both intimately personal and incredibly wide-ranging: it is a fascinating study of the mysteries of libraries, a thorough analysis of their history throughout the world and an esoteric, enchanting celebration of reading. It is, perhaps most of all,

a book that only Alberto Manguel could have written. *The Library at Night* begins with the design and construction of Alberto Manguel's own library at his house in western France - a process that raises puzzling questions about his past and his reading habits, as well as broader ones about the nature of categories, catalogues, architecture and identity. Exploring these themes with a deliberately unsystematic brilliance, Manguel takes us to the great Library at Alexandria, and Michelangelo's Laurentian Library in Florence; we sit with Jorge Luis Borges in his office at the National Library in Argentina, travel with donkeys carrying books into the Colombian hinterland, and discover the *Fihrist*, a chaotic and delightful bibliographic record of medieval Arab knowledge. There seem to be no limits to Manguel's learning, or his ability to illuminate his investigations with magical, telling details from the past. Thematically organized and beautifully illustrated, this book considers libraries as treasure troves and architectural spaces; it looks on them as autobiographies of their owners and as statements of national identity. It examines small personal libraries and libraries that started as philanthropic ventures, and analyzes the unending promise - and defects - of virtual ones. It compares different methods of categorization (and what they imply) and libraries that have built up by chance as opposed to by conscious direction. Although it is encyclopedic (and discusses encyclopedias assembled by Diderot and fifteenth-century Chinese scholars alike) and full of concrete historical analysis (including a brief investigation of the prejudices underlying the Dewey Decimal System) this book is animated throughout by a gentle, even playful sensibility: it is governed by the browser's logic of association and pleasure, rather than the rigid lines of scholarly theory. After all, everything in a library is connected: "As the librarians of Alexandria perhaps discovered, any single literary moment necessarily implies all others." In part this is because this is about the library at night, not during the day: this book takes in what happens after the lights go out, when the world is sleeping, when books become the rightful

owners of the library and the reader is the interloper. Then all daytime order is upended: one book calls to another across the shelves, and new alliances are created across time and space. And so, as well as the best design for a reading room and the makeup of Robinson Crusoe's library, this book dwells on more "nocturnal" subjects: fictional libraries like those carried by Count Dracula and Frankenstein's monster; shadow libraries of lost and censored books; imaginary libraries of books not yet written. *The Library at Night* is a fascinating voyage through the mind of one of our most beloved men of letters. It is an invitation into his memory and vast knowledge of books and civilizations, and throughout - though mostly implicitly - it is also a passionate defence of literacy, of the unique pleasures of reading, of the importance of the book. As much as anything else, *The Library at Night* reminds us of what a library stands for: the possibility of illumination, of a better path for our society and for us as individuals. That hope too, at the close, is replaced by something that fits this personal and eclectic book even better: something more fragile, and evanescent than illumination, though just as important. The starting point is a question. Outside theology and fantastic literature, few can doubt that the main features of our universe are its dearth of meaning and lack of discernible purpose. And yet, with bewildering optimism, we continue to assemble whatever scraps of information we can gather in scrolls and books and computer chips, on shelf after library shelf, whether material, virtual or otherwise, pathetically intent on lending the world a semblance of sense and order, while knowing perfectly well that, however much we'd like to believe the contrary, our pursuits are sadly doomed to failure. Why then do we do it? Though I knew from the start that the question would most likely remain unanswered, the quest seemed worthwhile for its own sake. This book is the story of that quest. -from *The Library at Night*

The narrative of a boy who lived through Auschwitz and Buchenwald provides a short and terrible indictment of modern humanity. Three works deal with a concentration camp survivor, a hostage holder in Palestine, and a recovering accident victim. The

*Holocaust. This enchanting novel in verse captures one young woman's struggle for independence, equality, and identity as the daughter of Greek and French immigrants in tumultuous 1930s Detroit. Call Me Athena: Girl from Detroit is a beautifully written novel in verse loosely based on author Colby Cedar Smith's paternal grandmother. The story follows Mary as the American-born daughter of Greek and French immigrants living in Detroit in the 1930s, creating a historically accurate portrayal of life as an immigrant during the Great Depression, hunger strikes, and violent riots. Mary lives in a tiny apartment with her immigrant parents, her brothers, and her twin sister, and she questions why her parents ever came to America. She yearns for true love, to own her own business, and to be an independent, modern American woman—much to the chagrin of her parents, who want her to be a “good Greek girl.” Mary's story is peppered with flashbacks to her parents' childhoods in Greece and northern France; their stories connect with Mary as they address issues of arranged marriage, learning about independence, and yearning to grow beyond one's own culture. Though Call Me Athena is written from the perspective of three profoundly different narrators, it has a wide-reaching message: It takes courage to fight for tradition and heritage, as well as freedom, love, and equality.*
