We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant. Contributors argue that hate speech restrictions on college campuses are dangerous and counterproductive. Essays discuss race theory and the First Amendment, racist speech and democracy, regulating racist speech on campus, and the hate speech debate from a lesbian/gay perspective. Includes an introduction by Ira Glasser, the executive director of the American Civil Liberties Union. Annotation copyright by Book News, Inc., Portland, OR Identifies and explains the constitutional problems triggered by the government's speech, and proposes a new framework for thinking about them. Excerpt from Speech of Hon. Jefferson Davis, of Mississippi: On the Exercise of Civil

Power and Authority by Military Officers; Delivered in the U. S. Senate, on Monday, August 5, 1850 The volunteers for the war, so far, give an earnest of better conduct, with the exception of the Companies of Texan horse. Of the infantry I have had little or no complaint. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Following *Say It Plain*, a collection of speeches that provides “a sweeping perspective on evolving issues of black identity in the struggle for equality” (Booklist). In “full-throated public oratory, the kind that can stir the soul”, *Say It Plain* collected and transcribed speeches by some of the twentieth century’s leading African American cultural, literary, and political figures. Many of the speeches were never before available in printed form (Minneapolis Star-Tribune). Following the success of that groundbreaking volume, the *Say It Loud!* book adds new depth to the history of the modern struggle for racial equality and civil rights—focusing directly on the pivotal questions black America grappled with during the past four decades of resistance. With recordings unearthed from libraries and sound archives, and made widely available here for the first time, *Say It Loud!* includes powerful speeches by Malcolm X, Angela Davis, Martin Luther King Jr., James H. Cone, Toni Morrison, Colin Powell, and many others. Bringing the rich immediacy of the spoken word to a vital historical and intellectual tradition, *Say It Loud!* illuminates the diversity of ideas and arguments pulsing through the black freedom movement. “A historical demonstration of the indispensability of the First Amendment [and] ... an earnest and timely argument for [its] enduring value.” —Kirkus Reviews “Great storytelling about the history and importance of the First Amendment, from someone who has spent his life defending — and using — it.” —Mary Beth Tinker Free speech is not an obstacle to change: it is the way change happens *Uncovering* vivid and engaging stories about First Amendment pioneers, *How Free Speech Saved Democracy* shows how their struggle made possible the surging protests that aim to expand democracy today. *How Free Speech Saved Democracy* is a revealing reminder that First Amendment rights have often been curtailed in efforts to block progress, and that current measures to reduce hurtful language and to end hate speech could backfire on those who promote them. To those who see free speech as a threat to democracy, Finan offers engaging evidence from a long and sometimes challenging history of free speech in America to show how free speech has been essential to expanding democracy. From the beginning of American history, free speech has been used to advocate for change. In the 19th century, abolitionists, advocates for women’s rights, and leaders of the labor movement had to fight for free speech. In the 20th century, the civil rights and anti-war movements expanded free speech, creating a shield for every protest movement we see today. Written by a historian who became a full-time defender of civil liberties and has spent four decades advocating for the rights of victims of censorship, this book grew out of Finan’s desire to address the declining support for free speech

that is occurring as our country becomes increasingly polarized. Through his evocative storytelling Finan demonstrates how the most effective antidote for the growth of hate speech and violence is support for and cultivation of the robust alternative of free speech. Excerpt from Speech of Hon. Thomas A. Jenckes, of Rhode Island, on the Bill to Regulate the Civil Service of the United States and Promote the Efficiency Thereof: Delivered in the House of Representatives, May 14, 1868 Sec. 7. And be it further enacted, That any one of said commissioners may conduct or superintend any examinations, and the board may call to their assistance in such examinations such men of learning and high character as they may think fit, or, in their discretion, such officers in the civil, military, or naval service of the United States, as may be designated from time to time, on application of the board, as assistants to said board, by the President or heads of Departments; and in special cases, to be fixed by rules or by resolutions of the board, they may delegate examinations to such persons. To be attended and presided over by one member of said board, or by some person specially designated to preside. Description: Series 2: Race Relations Institute, 1943-1969; Race Relations Institute, 1948. Many leaders have made a tremendous difference in the civil rights movement and beyond, but no one stands out like Martin Luther King Jr. This captivating narrative captures the charisma, passion, and influence of this leader with a thorough description of key events that depict the tumultuous times in which he struggled to make great changes. Quotes from his most inspiring speeches emphasize his mastery of language. Readers will also learn about some of the major life events that shaped his views and inspired his iconic "I Have a Dream" speech, which transformed a nation and resounds even now. Freedom of speech is a bedrock principle of the Bill of Rights, but it is often misunderstood-and it is not always honored as originally intended. This book helps teen readers understand what the issues are, how they have come about, what actions are being taken to address the concerns, and why some of those actions are controversial. A stirring collection of civil rights speeches includes a never-before-published speech by Martin Luther King, Jr., in a volume that captures the civil rights movements of African Americans, gays, Asian Americans, women, and Hispanic Americans. 30,000 first printing.
