*New Headway: Elementary*

*Workbook with Key* Jul 19 2022

The world's best-selling English course - a perfectly-balanced syllabus with a strong grammar focus, and full support at all six levels. Headway's trusted methodology combines solid grammar and practice, vocabulary development, and integrated skills with communicative role-plays and personalization. Authentic material from a variety of sources enables students to see new language in context, and a range of comprehension tasks, language and vocabulary exercises, and extension

activities practise the four skills. "Everyday English" and "Spoken grammar" sections practise real-world speaking skills, and a writing section for each unit at the back of the book provides models for students to analyse and imitate. Workbook audio available at a

**insight: Elementary:  
Workbook with Online  
Practice** Mar 23 2020  
Closely matches the Student's Book layout  
Listening tracks available to download from the Student's site  
Literature insight offers ready-made extra lessons which introduce students to classic pieces of English literature  
Extra support and practice of the grammar from the Student's Book in the Grammar reference section  
A unit-by-unit wordlist with

dictionary style definitions which gives students more information about core vocabulary  
Allows you to assign extra homework to be done online, and track your students' progress  
Over 200 activities for students to practise vocabulary, grammar and skills, with new audio for the Listening tasks  
Speak and record practice and writing tasks that students submit to teacher  
give more opportunities to practise these important skills away from the classroom  
Video, audio, wordlists, language bank and grammar references are all integrated with the activities so everything is easily accessible and in one place  
Instant

feedback on answers and unlimited attempts on activities inspires autonomous learning. The access code for Online Practice is on a card with the Workbook.

*Straightforward* Aug 20 2022

This is a new general English course for adults and young adults based on observation of what good teachers do in the classroom. Straightforward is transparent in its structure, pragmatic in its methodology and varied in its content. The workbook contains a complete twelve-unit writing course, extra reading texts and activities for every unit and a free audio CD with dictation activities.

*Hard Math for Elementary*

*School: Answer Key for Workbook* Jun 06 2021  
Hard Math for Elementary School: Answer Key for Workbook provides answers to the problems in the similarly titled workbook. The problems in the Hard Math workbook are hard. Some are very hard. This is especially true of "Making Connections" problems, which require that you remember something from an earlier chapter, and "Challenge" problems, which are designed to challenge even the most advanced students (and keep them occupied). For this reason - and simply because it is a big time saver for busy parents and teachers - this answer key is made available at a very low

price, and it is strongly recommended that teachers get a copy. The answer key mostly just gives answers, but it does also provide brief explanations for some of the more difficult problems.
