Libertas Nov 24 2020 *Libertas* is a love story rising from the despair of slavery. Fredericka is the daughter of a White plantation owner and his Black house slave. Horace is a literate slave-companion to the son of a New York hotel baron. This first book in the *Pocket Full of Seeds* Trilogy follows their flight for freedom through nineteenth-century America. It was a time when runaway slaves were hunted, steamships sailed around the Horn to San Francisco, horse-tugged boats navigated the Erie Canal, a midnight tsunami struck Buffalo, Mormons sought a new Zion, and wagon trains lumbered across a continent littered with unmarked graves. Most of all, this is a story driven by an unquenchable thirst for *libertas*. "Brimming with excitement...a literary masterpiece!" -Debra Whiting Alexander, award-winning author and 2018 WILLA Literary Award Winner in Contemporary Fiction for *Zetty*

Birdwatching in Vermont May 31 2021 The definitive how-to guide to watching and enjoying birds in Vermont including a special section for beginners

Dude, You're Gonna Be a Dad! Jun 19 2020 There are approximately 3,712 ways for a guy to look stupid during pregnancy - this book's here to help you avoid all(most) of them. And here's your first hint: Focus on what you can be doing for her rather than what's happening to her. She's pregnant. She knows that. You know that. And her 152 baby books tell her exactly what she can expect. Your job is to learn what you can do between the stick turning blue and the drive to the delivery room to make the next nine months go as smoothly as possible. That's where John Pfeiffer steps in. Like any good coach, he's been through it. He's dealt with the morning sickness and doctor visits, painting the baby's nursery and packing the overnight bag, choosing a name, hospital, and the color of the car-seat cover. All the while he remained positive and responsive - there with a "You're beautiful" when necessary - but assertive during the decision-making process (he didn't want to wind up with a kid named Percy). And now it's your turn. She might be having the baby, but you have plenty of responsibilities.

Osteobiographies Sep 22 2020 *Osteobiographies: The Discovery, Interpretation and Repatriation of Human Remains* contextualizes repatriation, or the transfer of authority for human skeletal remains from the perspective of bioarchaeologists and evolutionary biologists. It approaches repatriation from a global perspective, touching upon the most well-known Native American Graves Protection and Repatriation Act (NAGPRA) legislation of the United States, while also covering Canada and African countries. The book focuses on the stories behind human skeletons, analyzing their biological factors to determine evolution patterns. Sections present an overview of anatomy, genomics, and stable isotopes from dietary and environmental factors, and how to identify these in skeletal remains. The book then goes on to discuss European-origin, North American, and African paleopathology, ancient DNA links, and cultural issues and implications around repatriation. It concludes with case studies to show how information from archaeologically derived skeletons is vital to understanding human evolution and provide respectful

histories behind the remains. Offers novel research and perspectives on the importance of skeletal remains on a global scale Identifies and distinguishes how genomics, biological factors and burial methods can be used to track human evolution through bones Addresses cultural differences over the human remains movement and repatriation, specifically between Europe and Africa

Michelle Pfeiffer Aug 14 2022 In this biography, Bruce Crowther examines the career of Michelle Pfeiffer, discussing all her film roles. He also takes a look at the difficulties faced by someone who is young and beautiful and involved in an industry which has all too often abused youth and beauty.

Yes We (Still) Can Oct 04 2021 #1 NEW YORK TIMES BESTSELLER! From Obama's former communications director and current co-host of Pod Save America comes a colorful account of how politics, the media, and the Internet changed during the Obama presidency and how Democrats can fight back in the Trump era. On November 9th, 2016, Dan Pfeiffer woke up like most of the world wondering WTF just happened. How had Donald Trump won the White House? How was it that a decent and thoughtful president had been succeeded by a buffoonish reality star, and what do we do now? Instead of throwing away his phone and moving to another country (which were his first and second thoughts), Pfeiffer decided to tell this surreal story, recounting how Barack Obama navigated the insane political forces that created Trump, explaining why everyone got 2016 wrong, and offering a path for where Democrats go from here. Pfeiffer was one of Obama's first hires when he decided to run for president, and was at his side through two presidential campaigns and six years in the White House. Using never-before-heard stories and behind-the-scenes anecdotes, YES WE (STILL) CAN examines how Obama succeeded despite Twitter trolls, Fox News (and their fake news), and a Republican Party that lost its collective mind. An irreverent, no-BS take on the crazy politics of our time, YES WE (STILL) CAN is a must-read for everyone who is disturbed by Trump, misses Obama, and is marching, calling, and hoping for a better future for the country.

Bass Guitar For Dummies Mar 17 2020 Develop solid rhythm and timing Build scales and modes into great bass lines Play a ton of grooves in a variety of styles Master the bass—it's the heart of the band The bass guitar provides the essential link between the instruments laying down the beat and the instruments carrying the melody of a song. Ink Apr 17 2020 "In INK, Kathleen Pfeiffer delves into loss and grief, hope and survival with controlled reflection and wisdom. Her prose is engaging for its sharp and pristine imagery, nostalgic description, and revelatory dialogue. This memoir will resonate with anyone seeking explanations for the unexplainable and closure for heartache that never

stopped hurting." -Melissa Grunow, author of *I Don't Belong Here: Essays, and Realizing River City: A Memoir*

Brother Mine Dec 14 2019 "Unusually valuable for the history of modernism. This fascinating correspondence will create further interest in Toomer, Frank, and the mixed-race environment of the 1920s."---Linda Wagner-Martin, author of *Telling Women's Lives: The New Biography* --

Technical Communication Fundamentals Nov 17 2022 For courses in Technical Writing, Technical Communication, Writing in the Professions, and Business and Technical Communication. Technical Communication Fundamentals presents proven writing strategies in a format that is concise and easy to use. Designed for flexibility, the book is supported by MyTechCommLab, which provides 90 model documents, 50 interactive documents, tutorials, activities, and case studies all on The Web! Using numbered guidelines, an ABC format and annotated samples, the book immerses students in the process of technical writing, while teaching practical formats for getting the job done.

Technical Writing Feb 25 2021 This book offers an easy-to-use approach towards learning the fundamentals of technical writing. The author's writing style is user-friendly, and engages the reader by providing a comprehensive overview of current topics in technical writing. Chapter topics cover process in technical writing; ethics and globalism in the workplace; organizing information; page design; patterns of organization; process descriptions and instructions; letters, memos, and electronic communication; informal reports; formal reports; proposals and feasibility studies; graphics; oral communication; technical research; and style in technical writing. For professionals in the technical writing field.

Writing Training Materials That Work Dec 26 2020 "Writing Training Materials that Work is a solid and practical resource to move our field to a more professional level of practice in which instructional decisions are based on research and valid models of how people learn" --Ruth Clark, president, Clark Training and Consulting, past president, ISPI "I can see how this book will be immediately useful to my students. In fact, I can see how it will be immediately useful to me. Thanks for putting it all together between two covers." --Allison Rossett, professor, San Diego State University The explosion of e-learning has attracted huge numbers of practitioners to the field of instructional design (ID), many with little or no actual ID training. And most current texts fail to cover the substantial recent developments in the field. Writing Training Materials that Work is different. In it, the authors identify, synthesize, and summarize the most current best practices in ID. They offer new ways of teaching declarative knowledge (facts, concepts, and principles) and well- to ill- structured procedural knowledge (problem solving). Their recommendations are based on those principles in the cognitive learning and instruction literature that are internally consistent, prescriptive, and have been empirically demonstrated to make a cost-effective difference. The authors' approach is easy to implement and consistently gets results because it focuses on teaching deep understanding and problem-solving, allowing learners to generalize and transfer learning to new situations without re-training. Whether you re an experienced instructional design

practitioner who wants to expand your skills or a graduate student in an advanced instructional design course, **Writing Training Materials That Work** will prove to be a readable, usable, and indispensable guide!

Technical Writing Dec 18 2022 For undergraduate-level courses in Technical Writing, Technical Communication and Professional Communication. **Technical Writing: A Practical Approach** is a straight-forward textbook that emphasizes one simple principle: you learn to write best by doing as much writing as possible. The author's writing style is reader-friendly, and engages students by having them write early (Chapter 1). This text keeps students current on today's technical communication topics and research, which are integrated throughout the text.

Bug Making Oct 12 2019 All types of fresh- and saltwater surface lures that anglers can easily make at home at great savings.

Transforming Girls Mar 09 2022 **Transforming Girls: The Work of Nineteenth-Century Adolescence** explores the paradox of the nineteenth-century girls' book. On the one hand, early novels for adolescent girls rely on gender binaries and suggest that girls must accommodate and support a patriarchal framework to be happy. On the other, they provide access to imagined worlds in which teens are at the center. The early girls' book frames female adolescence as an opportunity for productive investment in the self. This is a space where mentors who trust themselves, the education they provide, and the girl's essentially good nature neutralize the girl's own anxieties about maturity. These mid-nineteenth-century novels focus on female adolescence as a social category in unexpected ways. They draw not on a twentieth-century model of the alienated adolescent, but on a model of collaborative growth. The purpose of these novels is to approach adolescence—a category that continues to engage and perplex us—from another perspective, one in which fluid identity and the deliberate construction of a self are celebrated. They provide alternatives to cultural beliefs about what it was like to be a white, middle-class girl in the nineteenth century and challenge the assumption that the evolution of the girls' book is always a movement towards less sexist, less restrictive images of girls. Drawing on forgotten bestsellers in the United States and Germany (where this genre is referred to as *Backfischliteratur*), **Transforming Girls** offers insightful readings that call scholars to reexamine the history of the girls' book. It also outlines an alternate model for imagining adolescence and supporting adolescent girls. The awkward adolescent girl—so popular in mid-nineteenth-century fiction for girls—remains a valuable resource for understanding contemporary girls and stories about them.

The Secret Side of Anger Apr 29 2021 Most people don't realize how angry they are. And yet anger destroys millions of lives every day because people aren't properly equipped to handle it. Author Janet Pfeiffer reveals that "The Secret Side of Anger" is that anger itself isn't the real issue. It is triggered by underlying emotions and problems that need to be addressed first. Cleverly employing a sarcastic, lighthearted approach, she provides simple yet effective techniques that anyone can use to confront and release angry feelings that might be on the verge of destroying lives. Janet learned the hard way. She wrote "The Secret Side of Anger" so you won't have to.

Chiseled Jul 01 2021 In this gripping memoir, Danuta (Soderman) Pfeiffer, known to millions as the former co-host of The 700 Club with Pat Robertson, explains her sudden disappearance from the evangelical world and explores her chaotic past living under her father's imposing shadow. This is a story of navigating identities through a remarkable life. Danuta Pfeiffer was an unwed teenage mother escaping to the tundra of Alaska; a journalist who inadvertently became a television evangelist with a ringside seat to a presidential campaign; a wife caught in a web of deceit and substance abuse. Through it all, she clings to her father's legacy, sustained by his tales of fortitude and endurance when faced with the horrors of war. Finally, living happily as a winemaker in Oregon, she finds she must once more reinvent herself, when during a sojourn to the Carpathian Mountains of Poland she uncovers long-buried family secrets. Chiseled is the story of one woman brave enough to chip away at a life of lies and finally arrive at a shining core of truth."

Technical Communication Jul 21 2020 The sixth edition of *Technical Communication: A Practical Approach* stresses one simple principle: You learn to write best by doing as much writing as possible as early as possible. This text offers a wealth of features to help you craft effective correspondence, documents, and presentations, including the following: A focus on both the writing process and the written product, A simple "ABC" pattern for organizing all types of documents, A fictional company, McDuff, Inc., that provides a working world context for writing models and assignments, Easy-to-use, numbered guidelines for writing documents, Annotated writing models conveniently grouped at the ends of chapters, Alphabetized writing "Handbook" in the Appendix for quick reference, Ethics and international coverage and assignments in each chapter Book jacket.

Essentials of Gifted Assessment Aug 22 2020 An Up-to-Date Overview of the Theory and Practice Underlying Gifted Assessment *Essentials of Gifted Assessment* introduces readers to the theory and practice underlying gifted assessment. Steven Pfeiffer, a leading expert in the field of gifted assessment, discusses what it means to be gifted, why we should identify gifted students, and the purposes of gifted assessment. Well-organized and engaging, the book examines key principles of gifted assessment and provides an up-to-date overview of gifted assessment measures. Topics include the use of local norms, measuring creativity and motivation, nonverbal measures, the importance of recurring gifted assessment, multi-potentiality, gifted testing and minority group students, and evaluating the twice-exceptional student. Early identification and intervention greatly benefits gifted students, who may otherwise never realize their full potential. Throughout the book, Pfeiffer equips school psychologists with the tools they need to: Identify and assess uniquely bright and talented students Integrate multiple assessment measures including intelligence, cognitive ability, and achievement tests Assess gifted students with coexisting disabilities and disorders Promote the abilities of gifted students using evidence-based strategies The book also includes extensive illustrative material, such as callout boxes and case examples, that facilitate use as a quick reference, plus end-of-chapter "Test Yourself" questions that help reinforce key concepts. *Essentials of Gifted Assessment* helps new and seasoned school psychologists and other professionals acquire the skills and knowledge needed for ethical, evidence-based, and informed clinical practice with high-ability students.

Praise for *Delivering Training Workshops* "Here's a terrific guide....to make sure you successfully teach others what you know." —Barbara Nelson, principal of Nelson Communications "Janis Chan guides you step-by-step through the process of planning and delivering training that engages participants and helps them learn, sharing her vast store of practical tips and techniques." —Sue Funkhouser, facilitator and organization development consultant, Pinwheel Performance "A learning tool....to increase your confidence and deliver training that achieves results." —Natasha Terk, President, Write It Well

Weeds and What They Tell Us Feb 14 2020 This wonderful little book covers everything you need to know about the types of plants known as weeds. Ehrenfried Pfeiffer discusses the different varieties of weeds, how they grow and what they can tell us about soil health.

The process of combatting weeds is discussed in principle as well as in practice, so that it can be applied to any situation. First written in the 1950s, this is still one of the best overviews of the subject available.

Unbelievable Happiness and Final Sorrow Jul 13 2022 It was the glittering intellectual world of 1920s Paris expatriates in which Pauline Pfeiffer, a writer for Vogue, met Ernest Hemingway and his wife Hadley among a circle of friends that included Gertrude Stein, F. Scott Fitzgerald, John Dos Passos, and Dorothy Parker. Pauline grew close to Hadley but eventually forged a stronger bond with Hemingway himself; with her stylish looks and dedication to Hemingway's writing, Pauline became the source of "unbelievable happiness" for Hemingway and, by 1927, his second wife. Pauline was her husband's best editor and critic, and her wealthy family provided moral and financial support, including the conversion of an old barn to a dedicated writing studio at the family home in Piggott, Arkansas. The marriage lasted thirteen years, some of Hemingway's most productive, and the couple had two children. But the "unbelievable happiness" met with "final sorrow," as Hemingway wrote, and Pauline would be the second of Hemingway's four wives. **Unbelievable Happiness and Final Sorrow** paints a full picture of Pauline and the role she played in Ernest Hemingway's becoming one of our greatest literary figures.

The Emergence of Man Nov 05 2021 Book based on study of human evolution and anthropology

Pocket Guide to Technical Writing Feb 20 2023 This book is designed to give quick access to the essentials of workplace writing. It is a guide to speed, organization, visual appeal, and correctness in 16 different kinds of documents as well as guidelines for special topics like graphics, speeches, and e-mails. ***Pfeiffer's Little Books Volume 1 Color Edition* Jan 15 2020 Charles G. "Chuck" Pfeiffer, [1919-2012], was a charter member of Zane Grey's West Society, and was arguably the most widely traveled Grey researcher anyone in the Society has ever known. He was famous for traveling more than 400,000 miles throughout the contiguous United States in his maroon and cream Volkswagen van, which he had personally converted into a mobile research base. Outfitted with stove, ice-box, bunk-bed, writing desk, porta-potty, and other necessities, he crisscrossed the mountains, deserts, and plains of these United States, both east and west, searching for Zane Grey's story sites. Luckily for us, he found them, and was as thrilled with them as was Grey. Those travels over smooth interstates and bumpy**

backroads, broken black-tops, dirt trails, sand pits, slippery sand hills, and rocky creek fords- in dust storms, blizzards and downpours, in heat and cold- produced 622 pages of trip notes, countless articles in Zane Grey's West Society publications, a dozen or more slide programs at Society conventions, scores of illustrated "talks" to scores of organizations in and around Columbia, South Carolina, where he lived for most of his post-Navy life, his tome, *Zane Grey: A Study in Values Above and Beyond the West*, and these seven Little Books. Chuck had a sharp and discerning eye, a knack for detail, was inquisitive, gentle, soft-spoken, personable and gentlemanly. He shared his knowledge of Zane Grey with anyone and everyone who took the time to ask, and took pleasure in doing so. Listening to him talk about the author, his conversations always sprinkled with tales of his own wild adventures on the trail, was riveting and habit-forming. Anyone who heard any of his presentations, either formally or in a pick-up conversation group in some hotel lobby, dim corridor or brightly lit room, wanted more. He had a prodigious memory and could instantly recall facts and information he had collected years before. And I cannot recall a time when he was unable to answer a question asked of him. This volume, containing *So You Want to Read Zane Grey and Don't Know Where to Start* and *Conestogas to Kanab* is Volume 1 of 4. Each volume includes *So You Want to Read Zane Grey and Don't Know Where to Start*, Chuck's most often requested little book, and one or two more of his seven little books. Along with *So You Want to Read Zane Grey and Don't Know Where to Start*, Volume 2 includes *The Surprise Valleys of Zane Grey* and *Searching for Locales of Grey's Southwestern Romances*, Volume 3 contains *Footnotes to Grey's Maverick Queen* and *The Unpardonable Stephen Latch*, and Volume 4 completes the series with *Zane Grey's Texas Novels*. Surprised by the popularity of these little books, Chuck republished them in 2d, 3d, and in some cases, even more printings, even while continuing his field research. And he updated and corrected the texts of the books as he gained new information. The result is that his later editions may contain slightly different information than his early ones. For this project, we have used what we believe to be his last personally published editions. Although the seven books are here re-published using the latest technology, each mirrors as closely as possible the content of the books as Chuck published them. In a few instances, we have included in Editor's Notes additional material that Chuck either did not have access to at the time, or had not yet connected to what he was writing about, but will add materially to a reader's understanding and enjoyment of the book.

The Films of Sean Connery Oct 24 2020 For 40 years, Sean Connery has been among the world's most admired and popular actors. This edition is both an in-depth biography of this international superstar and a complete filmography with 400 photos, rare production stills, movie posters and lobby cards.
