Arriving at the legendary Whispering Lakes Resort in Texas for some much needed rest and relaxation, L.A. nurse China Braxton finds the natural beauty enhanced by the ranch's owner and corporate cowboy, Zaire Kingdom. 'Chu's smart, iconoclastic portrait dismantles seven misconceptions' [NEW STATESMEN] about modern China and offers a corrective to Western assumptions. THE CHINESE ARE THE MOST HARDWORKING PEOPLE ON EARTH... so why are the younger generation derided as spoiled and lazy? CHINESE PEOPLE DON'T CARE ABOUT POLITICAL FREEDOM... so why is the country's internet exploding with anti-regime dissent? CHINA WILL ONE DAY RULE THE WORLD... so why do the country's political leaders feel so insecure? Perhaps it is time to stop engaging in a centuries-old game of Chinese whispers in which the facts have become more and more distorted in the telling. Ben Chu examines the myths that have come to dominate our view of the world's most populous nation, forcing us to question everything we thought we knew about it. The result is a penetrating, surprising and provocative insight into China today. Do you know that God longs to communicate with you? In spending time in prayer, communing with Him, you will discover that He wants to reveal His heart of love to you. He will guide you and give you direction for your life. As you read these inspired words from God, be filled with His love and peace, and know God in a more intimate way. Sarah — an introvert and a law student in England, struggling to stay true as a Muslim. Things started to go wrong when Sarah crossed paths with Linda. Everything about Sarah irked Linda, especially her outdated and devout lifestyle. Whilst Sarah endured the backlash from her peers, Jonah — the 'Romeo', came into her life and attempted to woo her like the other women he had charmed. While Sarah endured the nightmare of vicious rumours and being ostracized, Linda was surprised to find herself to be in a

somewhat similar situation. Pained and confused, Sarah poured all her grief and sorrow into her letters she wrote to God. Will Sarah find solace through her writings? In this novel, the author brings readers on a journey of rediscovering genuine love and friendship; as well as finding true meaning of serenity in life. Hush . . . don't make a sound . . . not the slightest peep . . . hold your breath . . . the dark can be a dangerous place. If you listen closely, you can hear the whispers. They say, "Once you pick up this book you'll never want to put it down. Billy Van has given birth to a modern masterpiece of terror . . . a compendium . . . a trove. He challenges every fear known to man, and writing it was not easy. Ghosts, ghouls, vampires, werewolves, sycophants, serial killers, demonic entities . . . the list goes on and on." Prepare yourself . . . just don't read these macabre and grotesque tales in the dark. Don't say I didn't warn you.

Breezblock Park is set on a northern council estate and takes a look at the suffocating effect of possessions and possessiveness: "Trenchantly observed...hilarious, upsetting and somewhat seditious." (Variety); Our Day Out is about a school coach trip, an exuberant celebration of the joys and agonies of growing up - "a Dickensian fairytale...I have rarely seen a show that combined such warmth and such bleakness."(The Times); Stags and Hens "takes place in the gents and Ladies loos of a tacky Liverpool club, where Dave and Linda have decided, unbeknownst to each other to hold their stag and hen parties...a bleakly funny and perceptive study of working-class misogyny, puritanism and waste" (Guardian); Educating Rita: "one way of describing Educating Rita would be to say that it was about the meaning of education...another would be to say that it was about the meaning of life. A third, that it is a cross between Pygmalion and Lucky Jim. A fourth, that it is simply a marvellous play, painfully funny and passionately serious: a hilarious social documentary; a fairy-tale with a quizzical, half-happy ending." (Sunday Times) When Screams Become Whispers is a memoir that offers hope to those struggling with bipolar disorder and for friends and families who continue to fight alongside their struggling loved ones. When Screams Become Whispers is a raw look at bipolar disorder and the mania it drives will allow loved ones to recognize and understand key identifiers, thus enabling them to better help. Ultimately, Bob Krulish's story sheds light on the systemic problems deeply rooted in the American mental healthcare system, highlighting the danger present when treatment is not readily available. Through great storytelling, readers are gifted with a greater appreciation for the need for de-stigmatization, demystification, greater resources, and a supportive community for those suffering from this poorly understood disorder. I'm told the dead are all around us. I wouldn't know about that, I see only the violently slain. They can be victims of hit-and-run, innocents caught in a cross-fire, the murdered. They whisper to me and they never, ever, forget the face of their killer. I've learned to live with my uncanny ability, in fact I've made a career out of it. The departed aren't the only supernaturals I see. No, they're not vampires or werewolves or fae - those things don't exist. We live side by side with what some call the Otherworldly. That's too much of a mouthful for me, I call them demons. If you saw them as I do, you'd know why. Right now I'm trying to track down a missing six year-old boy whose

mother was murdered. Or maybe she wasn't. To further complicate the case, Clarion PD gave me a partner I'd rather shoot than work with. I can't tell them he's a demon. They'd think I'm crazy. I'm Tiff Banks. Welcome to my world. In 2015, a race of alien Others conquered Earth. They enslaved humanity not by force, but through an aggressive mind control that turned people into contented, unquestioning robots. Except sixteen-year-old Althea isn't content at all, and she doesn't need the mysterious note inside her locket to tell her she's Something Else. It also warns her to trust no one, so she hides the pieces that make her different, even though it means being alone. The autumn she meets Lucas, everything changes. Althea and Lucas are immune to the alien mind control, and together they search for the reason why. What they uncover is a stunning truth the Others never anticipated, one with the potential to free the brainwashed human race. It's not who they are that makes them special, but what. And what they are is a threat. One the Others are determined to eliminate for good. *Horses Whispering* emphasizes the unique bond between horses and people, suggesting that every hair on the horse is a biofeedback signal that the horse is responding to connectedness with the rider. For adults interested in beginning horseback riding or returning to riding after a period of time, often due to a traumatic experience with a horse, the author provides detailed examples of the wide range of experiences which are useful to all equestrian activities. Understanding the power of the horse/rider partnership is a metaphor for the gestalt of teaching and learning.

Abigail B. Wiebenson, Director Emerita, Lowell School, Washington, DC

Indeed, learning to receive the unspoken messages from people and horses is crucial for all successful relationships. Just as human body language is often more important than speech, intuitive awareness of this more subtle information is essential for all aspects of life. This is a call for your success-centered life, whatever your interests. Once you learn the whispered messages between individuals, you will overcome fears about your interactions with other people and animals. Includes index.

Passion, Intimacy, and Sex are all God-given pleasures to be enjoyed in a Christ-Centered Marriage. They are the fruits of living through Jesus Christ's words and his teachings. Within these pages you will find all of the above and much more; these poems will make you blush at times, smile, yearn, and want to keep turning the pages for the next story. The glory has been given to our Lord for all of the love, passion, and intimacy shared in every one of these poems. At times you will experience the giddy joy of love. Then you will find yourself in the beauty of love, or the passion of love. Sometimes the power of God's design for love will overflow. Each page will bring a new experience you will want to share with your spouse, and even friends.

Months after leaving her infant son in Olivia Mott's care, Lacie Charlotte contemplates returning to Pullman to find out what happened to her baby, while Olivia wonders if her undercover work for the railroad company is improving working conditions, as she had hoped it would.

Linda Joy Orber, as a girl growing up, was raised in a household that practiced Conservative Judaism. In fact her great grandfather was an Orthodox Rabbi. Her grandmother therefore observed all the Jewish holidays and rituals. Grandma however, never permitted the name "Jesus" be

spoken in her presence. Grandma felt it to be to be a betrayal of her Jewish traditions. Many years later with a family of her own, and practicing as a psychoanalyst, Linda was astonished to have recurring dreams of Jesus. This began a truly unique relationship for her. One that her grandmother taught her to be forbidden. It took a physical crisis which she almost died, for that relationship to transform into something far deeper than she could have ever imagined. As she listened in stillness to His loving words, her body began to stabilize and her heart began to heal. The inspiring messages she has been given, are shared to transform and heal others. They are words of love, compassion, healing and hope. They are meant for the reader to absolutely know, that they too are profoundly and deeply cherished. Four young women living on a run down Birmingham housing estate expect nothing more than what life has dealt them. However, a stroke of good fortune changes their lives dramatically as they emerge together on a journey of selflessness, passion and a certain amount of intrigue. A perfect mixture of humour, romance and enduring friendship! A tragic childhood left Ellie Coulter with a supernatural gift that tells her a person's true intentions. But even that didn't protect her from a cheating husband with his own self-destructive secrets. After finding the strength to leave, she retreats from the world to heal. She's drawn out of her protective shell when a friend insists on playing matchmaker. After some persistent coaxing, Ellie warms to the idea that she may have found a reason to let her walls down, and his name is David Mitchell. With things looking up in the romance department, Ellie finds herself the caretaker of the Bradford mansion, an impressive home that is also rumored to be haunted. Curious about what happened to the mansion's former owners, Ellie finds herself entangled in the events that happened over a hundred years ago. It's all part of the trap set by the one hiding in the shadows, and Ellie fell right into it. The past returns to haunt them . . . Recurring

sensual dreams haunt Faith McCoy. The daughter of a minister, she's uncomfortable with the sexy images. While on a trip to the colorful gambling town of Cripple Creek, Colorado, she is shocked and frightened to find not only the room in her dreams, but the man whose touch haunts and excites her. She might consider a modern-day relationship if it weren't for the fact that the room--and her dream--are set in a former brothel. Casino owner Cord Burke has his own dreams of the beautiful woman who seduces him. He never expected her to be real, but when he meets Faith, he's drawn to her and the past that seems to threaten her. He refuses; however, to be drawn to the forever and promises she represents. He's been burned too many times in life to consider settling down. Suspecting that they may have lived and loved in a prior life, they face the ghost of an old enemy. But how can they beat a ghost who has no fear--not even of death . . .

Angel Smits's background as a geriatric social worker has given her a glimpse into many varied lives and generations. She finds her characters and stories in the people she's met. Angel has received the Romance Writers of America Golden Heart award and is a multi-published romance author. Angel lives in Colorado with her husband, daughter, and an overly-energetic border collie. This is a literary journey of an Australian writer's encounter with the culture and people of China, particularly its young writers and artists, and of the evolving influence of China on the writer's own work and life.

Josie Bates was done with the law; the law wasn't done with her. Josie Bates abandoned her fast-track career when her spectacular Los Angeles courtroom win became a devastating personal tragedy. Now, working at a small practice in Hermosa Beach, California, Josie rebuilds her life, opening herself to Archer, an emotionally vulnerable ex-cop, and Hannah, a troubled teen. But the tranquility of beach life is no protection, and Josie is thrust back into high stakes law where it is less to lose. With twists and turns, cliff hangers and red herrings, this suspense-filled series explores the dark side of the law, the strength of real love, the intrusion of politics, the unbreakable bonds of family, and the immense power of the righteous few who stand strong in the face of pure evil. As far back as she can remember Lilith Montgomery has been able to sense and hear things that others cannot. Lilith, who has been blessed with the gift of clairaudience, can hear and talk with the ghosts and angels who surround her. As she matures and becomes more aware of her abilities, Lilith pursues a career as a nurse so she can help her patients both in body and spirit. As thoughts, messages, and answers whirl around Lilith, she soon becomes accustomed to the whispers that help guide her in her work caring for the sick and dying, reassure her during challenging times, provide her joy, and even forewarn her of potential tragedy. But when her mother dies suddenly, Lilith is left to question everything, including her special abilities. As she attempts to turn away from her gift and the angels, she is drawn back. Then she meets a ruggedly handsome wrangler while on a dude ranch vacation. Now only time will tell if she can trust him enough to reveal her secret. Lilith Whispers Back shares the compelling tale of a nurse with a special gift as she embarks on an unforgettable journey to embrace her abilities and her true self. Restore your relationship with your soul, break through patterns of dysfunction, and learn to hear t

intuitive wisdom of your soul's whisperings • Explores shamanic tools, modern psychotherapy techniques, and ancient indigenous practices, such as the Native American medicine wheel • Explains how to differentiate between your Inner Critic and the whisperings of your soul • Details the Five Cycles of Change that we spiral through on our life's journey of transformation, detailing what to do if you become stuck in one of the cycles • Includes access to 5 audio journeys

Addressing humanity's paradigm shift from linear consciousness to shamanic consciousness, Linda Star Wolf and Nita Gage explore how the art of soul whispering can help each of us understand why we experience our lives the way we do and shift from healing our wounds to embracing the process of transformation. This powerful new synthesis of shamanic healing and psychotherapy can help you restore your relationship with your soul, transform dysfunctional ways of being, learn to hear the intuitive wisdom and love of your soul's whisperings, and develop the capacity to live in the present moment fully connected and alive. Detailing the shamanic tools and psychospiritual practices of soul whispering, the authors share inspiring stories of transformation from their own journeys and the work as shamanic soul whisperers. They explain how soul whispering harnesses the power of the imaginal world to awaken shamanic consciousness, restore resiliency of mind, body, and spirit, and enact transformation at the cellular level. They show how soul whispering allows you to become conscious of your wounds, release the energy of victimization, and develop love and forgiveness for yourself and others. The authors explore mythological archetypes from Sumer and ancient Egypt to empower you in your life's journey of transformation and explain the Five Cycles of Change that we continually spiral through, detailing what to do if you become stuck in one of the cycles. Sharing the ageless wisdom of their collective shamanic experiences and personal journeywork, the authors show how soul whispering allows you to break free from your patterns of dysfunction, rekindle a profound soul connection, and shift your story from one of wounding and suffering to one of initiation and vibrancy.

Whispers: Passionate Poetry and Words of Love From First Glance to Lasting Romance author helps crafters find the right "sweet nothings" to whisper. Smith's poems were specifically designed to be used on handmade cards, scrapbook pages and the projects of any crafter. It's hard today to remember how recently cancer was a silent killer, a dreaded disease about which people rarely spoke in public. In hospitals and doctors' offices, conversations about malignancy were hushed and hope was limited. In this deeply researched book, Elaine Schattner reveals a sea change—from before 1900 to the present day—in how ordinary people talk about cancer. From Whispers to Shouts examines public perception of cancer through stories in newspapers and magazines, social media, and popular culture. It probes the evolving relationship between journalists and medical specialists and illuminates the role of women and charities that distributed medical information. Schattner traces the origins of patient advocacy and activism from the 1920s onward, highlighting how, while doctors have lost control of messages about cancer, survivors have gained visibility and voice. The book's final section lays out provocative questions facing the cancer community today—including distrust of

oncologists, concerns over financial burdens, and disparities in cancer treatments and care. Schattner considers how patients and their loved ones struggle to make decisions amid conflicting information and opinions. She explores the ramifications of so much openness, good and bad, and asks: Has awareness backfired? Instead, Schattner contends, we need greater understanding of cancer's treatability. A Northwestern University professor of Sociology cruises the nation's color line in search of the myths, rumors, urban legends, and half truths that cloud relations between the races. For 100 days in 1994, genocide engulfed Rwanda. Since then, many in the international community have praised the country's postgenocide government for its efforts to foster national unity and reconciliation by downplaying ethnic differences and promoting "one Rwanda for all Rwandans." Examining how ordinary rural Rwandans experience and view these policies, *Whispering Truth to Power* challenges the conventional wisdom on postgenocide Rwanda. Susan Thomson finds that many of Rwanda's poorest citizens distrust the local officials charged with implementing the state program and believe that it ignores the deepest problems of the countryside: lack of land, jobs, and a voice in policies that affect lives and livelihoods. Based on interviews with dozens of Rwandan peasants and government officials, this book reveals how the nation's disenfranchised poor have been engaging in everyday resistance, cautiously and carefully—"whispering" their truth to the powers that be. This quiet opposition, Thomson argues, suggests that some of the nation's most celebrated postgenocide policies have failed to garner the grassroots support needed to sustain peace. "Reveals the lengths [to which] the current government has gone to restructure all spaces of Rwandan society, and how Rwandans continue to resist this state interference in their everyday lives."—*Ethnic and Racial Studies* "Thomson's elegant research is praiseworthy and her arguments are forthright. . . . This important publication will be of great value to scholars of Rwanda and genocide as well as students of reconciliation politics and transitional justice."—*Human Rights Quarterly* "Sobering and disturbing. . . . The peasant peoples' resistance to official policies of national unity and reconciliation emerged because these national schemes do not reflect the peasants' own lived realities and experiences of state power, genocide, and day-to-day living within their communities. Instead, these official policies disrupt everyday life and endanger existing networks of mutual support and dependence."—*Canadian Journal of Development Studies* Outstanding Academic Title, *Choice Magazine* The relationship between East and West remains a topic of burning timeliness, particularly in its political dimension. Yet, we can gain a complete understanding of the current tensions only if we consider them within a broader historical framework, spanning from art to diplomacy, from religion to ethnography. This present volume tackles precisely this complex task, offering its reader a rich mosaic of case studies and scholarly research, relating to the mutual approaches between the Euro-American 'West', and the Sino-Japanese 'East'. In the first part of the book, art historian Marco Musillo uses the depictions of Tartars in fourteenth-century Italian frescoes as the starting point of a trajectory leading to eighteenth-century European literature on China. In the second part, the reader is introduced to two cases of

diplomatic encounter, one in sixteenth-century Italy between Japanese subjects and local courts, and the other one between Qing China and twentieth-century United States, in the space of the universal exhibition in St. Louis. Finally, the last section proposes three interconnected art historical explorations: the screen design of Chinese origin in colonial Mexico, Medieval Christian tombstones in China, and early-modern Filipino sacred sculpture. An ambitious but abortive plan to revolt that ended in the conviction and hanging of over two dozen men, Gabriel's Conspiracy of 1800 sought nothing less than to capture the capital city of Richmond and end slavery in Virginia. *Whispers of Rebellion* draws on recent scholarship and extensive archival material to provide the clearest view yet of this fascinating chapter in the history of slavery—and question much about the case that has been accepted as fact. In his examination of the slave Gabriel and his group of insurgents, Michael Nicholls focuses on the neighborhood of the Brook, north of Richmond, as the plot's locus, revealing the area's economic and familial ties, the geographic proximity of the key conspirators, and how their contacts allowed their plan to spread across three counties and into the city of Richmond and Petersburg. Nicholls explores underdocumented aspects of the conspiracy, such as the participants' recruitment and motives, showing them to be less ideologically driven than previously supposed. The author also looks at the state's swift and brutal response, and argues persuasively that, rather than the coalition between blacks and whites that has been described in other accounts, the participants were all slaves or free blacks, suffering under an oppressive white population and willing to die for their freedom. A panther stalking her prey, Sunnie Begay knew when to raise her rifle...and fire. But instead of shooting her enemy, she stared into the face of a stranger. A hunter on a mission Cisco Santiago had come to the desert seeking answers about his father's death. Now he'd almost been killed by a woman on a deadly mission of her own. A passion too powerful to resist Navajo-born Sunnie wasn't who she seemed. Neither was the bounty hunter who awoke dangerous desire. Together, could Cisco and Sunnie right the wrongs of the past? *Whispers in the Cedars: Port Gibson, Mississippi's Wintergreen Cemetery* by William L. Sanders "The purpose of this book is not only to list those laid to rest in this beautiful, historic burial ground, but also to provide an easy and accurate way to locate specific graves, by using the maps and locations referenced within." In this, author Sanders has admirably succeeded. Thoroughly researched, *Whispers in the Cedars* provides a systematic guide to this revered resting place in Port Gibson, Mississippi. Wanting "to let the stones speak" for themselves, Mr. Sanders records the information contained on each gravestone. And an extensive Index of Last Names offers ready access to the contents. "It is my sincerest wish that the reader will find this book not only valuable as a genealogical reference tool, but may find it entertaining as well. I hope you enjoy it!" Again, a wish fulfilled in this book of remembrance and dedication. Explores interactions between early modern Europe and the Ottoman Empire through the experiences of the English ambassador to the Ottoman Empire from 1687 to 1692, showing how information flows between Istanbul, London, and Paris were rooted in the personal exchanges between Ottomans

and Europeans in everyday encounters. In a mesmerizing journey into mental illness, the author of Intoxication and Fire in the Brain captures the suspicion, terror, and rage that possess the minds of paranoids. "Horrorific and utterly fascinating . . . a hard book to put down".--Bettyann Kline, Los Angeles Times.
