1632, Second Edition Jan 28 2021 Now with a new Afterword by Eric Flint The Ultimate Y2K Glitch.... 1632 In the year 1632 in northern Germany a reasonable person might conclude that things couldn't get much worse. There was no food. Disease was rampant. For over a decade religious war had ravaged the land and the people. Catholic and Protestant armies marched and countermarched across the northern plains, laying waste the cities and slaughtering everywhere. In many rural areas population plummeted toward zero. Only the aristocrats remained relatively unscathed; for the peasants, death was a mercy. 2000 Things are going OK in Grantville, West Virginia. The mines are working, the buck are plentiful (it's deer season) and everybody attending the wedding of Mike Stearn's sister (including the entire membership of the local chapter of the United Mine Workers of America, which Mike leads) is having a good time. THEN, EVERYTHING CHANGED.... When the dust settles, Mike leads a small group of armed miners to find out what's going on. Out past the edge of town Grantville's asphalt road is cut, as with a sword. On the other side, a scene out of Hell; a man nailed to a farmhouse door, his wife and daughter lying screaming in muck at the center of a ring of attentive men in steel vests. Faced with this, Mike and his friends don't

have to ask who to shoot. At that moment *Freedom and Justice, American style*, are introduced to the middle of *The Thirty Years War*. At the publisher's request, this title is sold without DRM (Digital Rights Management).

1635: *A Parcel of Rogues* Oct 13 2019 Book #20 in the multiple *New York Times*_best-selling *Ring of Fire* series. When the diplomatic embassy from the United States of Europe was freed from the Tower of London during the Baltic War, most of its members returned to the continent. But some remained behind in Britain: Oliver Cromwell and a few companions, including the sharpshooter Julie Sims, her Scot husband Alex Mackay, and Cromwell's Irish-American self-appointed watchdog Darryl McCarthy. Soon, the hunt is on for the most notorious rebel in English history, with King Charles himself demanding Cromwell's head. The new chief minister Richard Boyle, Earl of Cork, brings over from Ireland a notorious crew of cutthroats led by the man called Finnegan to track down and capture the escapees from the Tower. The hunt passes through England and into Scotland, where the conflict between Cromwell and his companions

and their would-be captors becomes embroiled in Scotland's politics, which are every bit as savage and ruthless as Finnegan and his men. To make things still more conflicted and confused, the time Darryl McCarthy spends fighting alongside Cromwell forces him against his will to admire and respect—and even like—the man, despite Cromwell's demonic reputation among all self-respecting Irish nationalist families like Darryl's own. It's a Gordian knot anywhere you look—until Julie Sims brings out her rifle. Now it's the turn of Scot partisans and English lords and Irish toughs to learn the lesson already learned on the continent: A safe distance isn't what you think it is. Not after the American angel of death spreads her wings. At the publisher's request, this title is sold without DRM (Digital Rights Management).

London Dynasty Aug 23 2020 Kerrigan Belmond has everything I don't have. A name that opens doors, more money than god, an Oxford education, and rumors that she's caught the eye of Spencer Byrd, the heir to one of England's most powerful aristocratic families. I'm an orphan, running from a tragedy I can't face. Being mistaken for her is flattering until her father arrives at my door with an indecent proposal. His daughter has fled her perfect life, and he wants me to step into her shoes until she can be coaxed back to her pedestal. The arrangement is simple. For one year, I will be Kerrigan Belmond. The perfect daughter. The charming socialite. The ideal future wife. For one year, I will do anything she would do. And for one year, I will keep

the attention of Spencer at all costs. I can't say no, but as soon as I meet Spencer and his brother I realize the mistake I've made. To the outside world, the Byrds are London society and Spencer is the golden boy groomed to become prime minister. Behind closed doors, his family is as twisted and tangled as the web I'm walking into. Spencer demands loyalty. He expects discretion. And he's ready to claim the woman he's been promised in every way. Keeping him happy means I might lose more than a year of my life, but I can't turn down the proposition. Not with what the Belmonds have promised me in return. They say everyone has a price. I know mine. Ten million pounds.

1 Night Stand Jul 22 2020 Sista Love was a chart-topping girl group that had it all—fame, fortune and failure. Harmony, Melody, and Lyric haven't seen each other since their group broke up three years ago, but when tragedy strikes, the sisters have no choice but to face each other again. Harmony retreated from the limelight and lives a modest life in the suburbs with her new husband, an ex-child star and recovering drug addict. Harmony wants nothing more than to be a wife and mother, but when news of her mother's sudden death forces Harmony and her sisters back together, she will have to confront a painful past that she tried

desperately to leave behind. Melody abandoned her sisters for a solo career and is now a wealthy mega-star who tours the world, buys whatever her heart desires, and lives in the spotlight. The world loves her and her fans worship her. She usually stops at nothing to get what she wants. Just as she gets set to kick off her 1 Night Stand Tour, news of her mother's death derails her plans and forces her to confront the one thing all of her money can't erase—her sisters and her past. Lyric has been reduced to a D-list celebrity trying to make it back to the top. She lives for the rush of the nightlife and would do anything for attention. When she gets word of her mother's death, Lyric's painful past and an unwanted reunion with her sisters send her spiraling out of control. Will the Love sisters let their past hurt, lies, and deceit destroy them, or will they manage to put it all behind them and be a family once and for all?

Waiting (The Making of Riley Paige—Book 2)

Oct 25 2020 "A masterpiece of thriller and mystery! The author did a magnificent job developing characters with a psychological side that is so well described that we feel inside their minds, follow their fears and cheer for their success. The plot is very intelligent and will keep you entertained throughout the book. Full of twists, this book will keep you awake until the turn of the last page." --Books and Movie Reviews, Roberto Mattos (re Once Gone) WAITING (The Making of Riley Paige—Book Two) is book #2 in a new psychological thriller series by #1 bestselling author Blake Pierce, whose free bestseller Once Gone (Book #1) has received over 1,000 five star reviews. Brilliant 22 year old FBI intern Riley Paige struggles to decode the riddles of the sadistic serial killer dubbed by media as the "clown killer"—but finds it all becomes too personal when she herself, targeted, is in a battle for her life. Recent college graduate Riley Paige is accepted into the prestigious FBI summer internship program, and is determined to make a name for herself. Exposed to many departments of the FBI, she thinks it will be a quiet summer—until a serial killer holds Washington by suspense. Dubbed the "clown killer," he dressed and paints his victims as clowns, and mocks the FBI with tantalizing

riddles in the media. He leaves everyone to wonder: is he a clown himself? It seems that only Riley has the mind brilliant enough to decode the answers. And yet the journey into this killer's mind is too dark—and the battle too personal—for Riley to come out unscathed. Can she win this deadly game of cat and mouse? An action-packed thriller with heart-pounding suspense, *WAITING* is book #2 in a riveting new series that will leave you turning pages late into the night. It takes readers back 20 plus years—to how Riley's career began—and is the perfect complement to the *ONCE GONE* series (A Riley Paige Mystery), which includes 13 books and counting. Book #3 in *THE MAKING OF RILEY PAIGE* series is also now available!

A Good Day To Kill A Byrnes Family Ranch
Western Jun 20 2020 In the thrilling saga from the Western Heritage and Spur Award-winning author, Chet Byrnes stands his ground—with his courage, guns, and blood. For Chet Byrnes, building a ranching empire means adding new land, hiring good men, finding water, and trying new breeds of cattle. But outlaws and Tucson's idle rich want to take it all away—and Arizona just may be too lawless to stop it. So while the Byrnes family expands its reach, Chet must do his job hunting down outlaws on either side of the border. Chet's cowboys prove to be tireless fighters, going

up against former Mexican military men, a powerful family with bad in their blood. Then Chet takes on the most dangerous risk of all: a bloody, all-out shooting war—with everything to lose, and one last enemy to kill . . .

1636: The Vatican Sanction Feb 15 2020 Book #24 in the multiple New York Times best-

selling Ring of Fire series. SEVEN DAYS IN MAY, 1636 It's spring in Burgundy. The flowers are out and so are the cardinals—of Pope Urban's renegade papacy, now on the run from the Vatican's would-be usurper Borja. Most of the Church's senior leaders have converged upon the city of Besancon, where the Pope plans to offer an ecumenical olive branch to the other Christian denominations with which Rome has been at war. Fortunately, Urban has up-time help. He can rely upon Cardinal-Protector Larry Mazzare's theological savvy, Sharon Nichols' medical skills, and her husband Ruy Sanchez's keen-eyed experience as a body-guard-in-chief. And even though Urban has a new Papal Guard in the form of Owen Rowe O'Neill's Wild Geese, Mike Stearns has loaned the Pope a small contingent of the Hibernian Battalion—just in case. Which is prudent, since Urban and his peace initiative are not merely at risk from Borja's assassins. There is another, more deadly, team of professional killers in town, directed by the man who almost killed the Pope before: lethal Spanish mastermind Pedro Dolor. Dolor hasn't come to confess murder—he's come to commit it. 1636: The Viennese Waltz Jan 16 2020 Book #18 in the multiple New York Times best-selling Ring of Fire series, and the team behind national bestseller 1635: The Kremlin Games. When Grantville, West Virginia was transported back to the year 1631 -- in the middle of the Thirty Years' War, no less -- many things happened. Many opportunities arose. It's said that a rising tide lifts all boats. Perhaps not quite as high as the Barbie Consortium rose, however. A cabal of ten- to twelve-year-

old girls? They aren't twelve anymore. And they gave up playing with dolls some years ago, when they sold them all and started an investment consortium. A consortium that did quite well. The Barbie Consortium hits Vienna. In several different ways. The princes and princesses, dukes and duchesses, the common men and women on the street have no idea what's about to happen. Neither do the girls, but they're determined it'll happen their way. At the publisher's request, this title is sold without DRM (Digital Rights Management). 1636: Mission to the Mughals Nov 25 2020 The latest entry in the multiple New York Times best-selling Ring of Fire series created by Eric Flint. After carving a free state for itself in war-torn 17th century Europe, citizens of the modern town of Grantville, West Virginia go on a quest for the makings of medicines that have yet to be invented in 17th

century Europe. The United States of Europe, the new nation formed by an alliance between the Swedish king Gustavus Adolphus and the West Virginians hurled back in time by a cosmic accident—the Ring of Fire—is beset by enemies on all sides. The U.S.E. needs a reliable source of opiates for those wounded in action, as well as other goods not available in Europe. The Prime Minister of the U.S.E., Mike Stearns, sends a mission to the Mughal Empire of India with the aim of securing a trade deal with the Mughal emperor, Shah Jahan. The mission consists of a mixed group of up-timers and down-timers, including paramedics, a squad of soldiers with railroad-building experience, a spy and a pair of swindlers. On reaching India the mission finds a grieving emperor obsessed with building the Taj Mahal, harem-bound princesses, warrior princes, and an Afghan adventurer embroiled in the many plots of the Mughal court. The emperor's sons are plotting against each other and war is brewing with the newly risen Sikh faith. But in the midst of these intrigues, the U.S.E. mission finds an ally: the brilliant and beautiful Jahanara Begum, the eldest daughter of Shah Jahan. She is the mistress of her father's harem and a power in her own right, who wishes to learn more of these women who are free in a way she can scarcely

comprehend. When the Emperor learns of what befalls his empire and children in the time that was, he makes every effort to change their fate. But emperors, princesses, and princes are no more immune to the inexorable waves of change created by the Ring of Fire than are the Americans themselves. Solar Cells and Modules May 12 2022 This book gives a comprehensive introduction to the field of photovoltaic (PV) solar cells and modules. In thirteen chapters, it addresses a wide range of topics including the spectrum of light received by PV devices, the basic functioning of a solar cell, and the physical factors limiting the efficiency of solar cells. It places particular emphasis on crystalline silicon solar cells and modules, which constitute today more than 90 % of all modules sold worldwide. Describing in great detail both the manufacturing process and resulting module performance, the book also touches on the newest developments in this sector, such as Tunnel Oxide Passivated Contact (TOPCON) and heterojunction modules, while dedicating a major chapter to general questions of module design and fabrication. Overall, it presents the essential theoretical and practical concepts of PV solar cells and modules in an easy-to-understand manner and discusses current challenges facing the global research and development community.
