This participant's guide accompanies a six-session small group DVD curriculum, in which award-winning author Jim Cymbala shows what the Holy Spirit can do when believers get serious about prayer and the Gospel. Cymbala tells how God moves in life-changing ways when we set aside our own agendas, take him at his Word, and listen for his voice. The DVD curriculum and leader's guide is available separately. It's about heart change, not behavior change. That's the conviction of Tim Chester as he seeks to help everyday Christians "connect the truth about God with our Monday-morning struggles." This interactive book, laid out in workbook fashion, is for newer Christians struggling with sin and for more mature Christians who have plateaued in their faith as they seek to find victory over sin in their lives. With a conviction that sanctification is God's work and the journey to holiness is joyful, Chester guides readers through a "change project"-beginning with the selection of one area of life they would like to modify. Each chapter includes a question (e.g., Why would you like to change? What truths do you need to turn to?) to guide readers as they deal with a specific sin or struggle, truths from God's word, and a reflection guide to help readers through their change project. A Bible Study through Romans Oh the depth of this letter to the Roman believers by the apostle Paul, where we, each one of us can see ourselves, maybe even our old selves revealed, and the Way, the Truth, and Gods transforming power that has and continues to save and change us. Yes all have sinned and fall short of the glory of God. Why? Because we have, each and every one, inherited a (the) sin nature, disobedience, from the fall, from the one man. And because of this we all, again, were enemies of God, afar off and at enmity. Yet in His great love for us we learn that even while we were His enemies, God gave His only Son to die on a cross that we might have our sins forgiven; if we believe. Now we have a new nature, a new man, alongside the old, that can grow in grace and strength and cause the old nature to be buried. At least as much as is possible in these mortal and fleshly bodies: and as much as we are willing to yield to the Spirits leading, and obey. Who are those who are without excuse? Who are those who are inexcusable? Is there any hope for those who God has given over? I think maybe. Who are the branches, and who does the wild olive tree refer to? What was the hoped outcome in provoking the Jews to jealousy? We read of works versus grace; of the war between the mind and the Spirit, and that even when we are unfaithful, God is faithful; He cannot deny Himself. Wow! Just pause for a moment and absorb that. What an amazing God we serve! What a beautiful, strong, encouraging, convicting, challenging and promise filled letter Paul has written. Yes, I understand that I have scarcely touched the surface. Still my prayer is for even a fraction of Gods message, His power, love and teaching will come through this study. I confess that I know so little, but He is so big! Please Father might all who work through these pages see You, and embrace all that You in Christ Jesus have done for us. May You be lifted up and praised and adored for You. In the power of Jesus name I pray and thank You for this privilege. Amen. Winner of the 2016 Henri Christian Literary Award for Best Non-Fiction Book! Glory Clouds. A Salt Cave. Healings in the Night. Angel Encounters. The warmth and radiance of God's touch and soothing voice.

When God decides to activate and transform your life, amazing adventures await. Join Adam Gellert and his family on a journey of incredible revelations and discoveries, and see how God desires to reveal His true nature to all of us, His children. Are you ready for your ACTIVATION? To find ourselves, we must think for ourselves. To know ourselves, we must look within. If we have problems from the past, we must confront them. But power for living comes only when we know who we are in Christ. The joy of the Lord is our strength, and it is Him working through us that finally gets us off the ground. Booklet describes the essentials of a prayer watch with biblical and historical foundations. Today as times intensify, God is calling His watchmen into alertness to prepare the way for an awakened and ready bride. Sola Scriptura, the formal principle of the Protestant Reformation, is essential to genuine Christianity. This treasure trove of essays from several noted pastors and theologians explains the doctrine of sola Scriptura, helping us understand what it means that Scripture is infallible and supremely authoritative for Christian faith and practice. Don't settle for less than what God can do. We often face situations in life that are hard. Whether it be a job loss, a difficult marriage, or problems with the kids—harsh storms come, and we can quickly feel overwhelmed, even desperate. In the beginning of creation, God entered the darkness and void and displayed his turnaround nature. He spoke words that turned darkness into light and filled the emptiness with fruitfulness. His turnaround power brought order into the chaos. In the same way, God enters our lives with the power of his turnaround ability and offers not just a slight improvement but a complete turn around. Turnarounds by their nature are radical. They bypass nice and sensible, they freak out the orderly, and they do not line up with agendas. But turnarounds reveal our miraculous Savior to a messed-up world. Using examples from her own life and those of biblical characters, international speaker and teacher Charlotte Gambill offers that God is more than just a little bit of help, he's all the help; we need. It's time for us to fully understand that there is nothing that God can't turn around! Grace the enabling, transforming power of God. We name our schools, our cathedrals, our hospitals and our children after it. We sometimes say it when we eat and say we are under it while we sin. We equate it with some kind of spiritual life-support for dying churches, dying people and empty offering plates. We use this term to link all that seems spiritual in religion with all that is pathetic. It s time to take off the stained-glass goggles and see grace for what it really is. It is the enabling, transforming power of God within believers that flows out from the core of their being to enable and transform their environment. This book is written to cause believers to be rejuvenated in faith and empowered for daily living, thus demonstrating the power of the Spirit in the earth. The included review questions make this an excellent resource for study groups! J. Chace Gordon is an associate pastor at Cornerstone World Outreach in Sioux City, Iowa. He boldly delivers God's Word to people of all ages as he oversees the youth ministry and the young adults ministry, and regularly preaches in main services. Chace has been married to his beautiful wife, Katy, since 2004. Their first child, Mia Victoria, joined their world in 2006. His greatest desire is for all people to see and know the truth of God's Word. Readers are guided through 100 days of intentional prayer and biblical truth that transform their spiritual lives and reveal God's provision for their needs. Anything worth having in this life is worth waiting for and worth striving for. Unlike the world, though, Christians are called to a much different kind of pursuit when they survey their dreams, desires, and needs. Instead of an indulgent wish list, Christians are called to live a transformed life where they become more like Christ through the journey of striving after God's will. In a time when both the world and even some Christians preach instant gratification, Your 100 Day Prayer offers another path—one of transformation while asking, seeking, and knocking for deep desires and desperate needs. There is nothing guaranteed about 100 days, but as author John Snyder says, "This sustained, stubborn, never-give-up spirit of prayer is not so much to persuade God to give us what we want, but rather to transform us in the process." Your 100 Day Prayer helps readers combine their need with God's will in a measured, structured, and instructional experience that results in greater spiritual maturity, clarity about God's provision, and

real answers to their very real needs. Because our "Father in heaven gives good gifts to those who ask him." (Matthew 7:11). In this lesson we discuss this remarkable change, made possible by the transforming power of God's Spirit. Inside this Bible study lesson: -- Introduction -- What is the Holy Spirit? -- God's Spirit Before the Church Era -- God's Promise of a New Era -- The Holy Spirit in the Church -- The Letter and Spirit of the Law -- A New Creation in Christ -- The Fruit of the Spirit -- How to Stir Up the Spirit -- Our Final Transformation -- What Next? -- Points to Ponder -- <http://www.ucg.org/bible-study-course/> We live in a culture and a time when we're less willing than ever to accept that losses can lead to blessings and that God uses adversity to change us in ways that are essential for his work. As a consequence, we see very little of God's power in our lives or in the church. But each of us has the potential to let the Spirit work in and through the difficulties we face to change us and reflect his power in ways we can scarcely dream of, and produce an outworking of joy and peace that will carry us through the greatest of difficulties without fear. This book is intended to unravel God's plan and your potential to have that kind of life. Three Times I Pleaded includes study questions for each chapter that can be used for personal study or group discussion. How does an infinite God relate to finite human beings? How does the death of Jesus Christ bring about human salvation? How are Christians able to actively address the world's ills while maintaining their citizenship in the kingdom of God? These are questions the church grapples with today, as it always has. Yet, according to Thomas C. Oden, contemporary theology has neglected the church's traditional answer to these questions: the doctrine of grace. All too often modern theologians either ignore the doctrine of grace or relate it to the achievement of a particular political agenda. Oden asserts that only by reclaiming the centrality of grace--defined as God's self-giving through Jesus Christ in personal encounter with the individual human will--can Christian theology be true to the gospel. In order to reclaim the doctrine of grace, the author reaches back, beyond the fragmentation of theology that took place during and after the Enlightenment. He draws upon the ecumenical consensus held by early Orthodox, Roman Catholic, and Protestant theologians, councils, and creeds regarding this cardinal Christian doctrine. By adducing this ancient unity, Oden challenges modern assumptions concerning the sources and methods of the theological enterprise and calls contemporary Christians to discern what their forebears in the faith knew to be essential to the gospel: that to be a Christian is to be formed, nurtured, and upheld solely by divine grace. Praying Christians are hungry to learn how to connect with God in a way that takes them beyond the typical grocery-list approach. Transforming Prayer explores the profound difference between seeking God's hand (what he does for people) and seeking God's face (who he really is). With captivating stories of the transformative power of personal worship and its connection with prayer, this book equips readers with practical tools for a more effective personal and corporate prayer life. You might be surprised to find that God is not a trinity. The Trinity is one of mainstream Christianity's most widely accepted and revered doctrines held by millions of Catholics, Protestants and Orthodox believers. The belief that God is three persons--the Father, Son and Holy Spirit--coexisting in one being is how the trinity doctrine is often defined. But the word trinity appears nowhere within the pages of the Bible. You can not cling to long-held religious traditions if they contradict the Scriptures. Your beliefs must rest solidly on the teachings of the Holy Bible. This Bible Study aid, "Is God a Trinity?", goes into great detail explaining the non-biblical origins of the trinity and how this false gospel replaced the true teachings of Jesus Christ. Discover how the Bible communicates a true picture of God and learn about the awesome plan He has promised for you and all mankind. But this is definitely not the case." "Many historians and religious scholars, some quoted in this publication, attest to the influence of Greek or Platonic philosophy in the development and acceptance of the Trinity doctrine in the fourth century." God the Father is the One who calls us to baptism and a new way of life (John 6:44, 65), and it is His goodness that leads us to repentance and baptism (Romans 2:4). "As even the New Catholic Encyclopedia, quoted from earlier, acknowledges: "The majority of New Testament texts reveal God's spirit as something, not someone; this is especially seen in the parallelism between the spirit and the power of God..." Based on a thorough exploration of Scripture and decades of real-world experience, Robert Linthicum's model of relational power provides sound, practical strategies for changing individuals, communities, structures and systems. Dear reader: The purpose of this work "Reflections On The Transforming Power of God" is to glorify God the Father, God The Son And God The Holy Spirit, to encourage believers in their walk, and interest others to pursue Him. With faith everything truly changes." So Pope Benedict XVI introduced his catecheses for the Year of Faith, a series of sixteen talks given at his weekly audience from October 2012 to the end of his papacy in February 2013. These talks explore how and why faith is relevant in the contemporary world. How can we come to certainty about things that cannot be calculated or scientifically confirmed? What does God's revelation mean for our daily lives? How can the hunger of the human heart be fulfilled? Offering the guidance of biblical exegesis, pastoral exhortation, and brotherly encouragement, Pope Benedict seeks to answer these questions and many others. Just Grace: The Transforming Power of God's Amazing Grace in the Life of an Ordinary Woman is Grace Hamrick's story. A foolish decision made as a teenager had a devastating effect on her and an all-consuming guilt was destroying her, eventually putting her on a self-destructive path. This memoir is a story of God's incredible, redeeming grace that rescued her. She describes how she came to realize her deep need for God's grace through some of the heart-wrenching circumstances of her life. One week after Wendy Blight's college graduation, she walked into her apartment to find a masked man holding a knife and waiting for her at the top of the stairs. The man spent an hour physically and sexually assaulting Wendy, leaving her changed forever. After this terrifying experience, she lived for years cocooned in a prison of fear, despair, and hopelessness. Finally, after years of searching and believing she had nowhere else to turn, she fell on her knees before God and poured out her tears, anger, and questions to Him.

Wendy's story is one of transformation from trauma to rebirth through the power of the Word of God. Through *Hidden Joy in a Dark Corner*, the reader will experience hope and the encouragement necessary to press forward to healing and restoration. *Practical Keys to Transforming the World around You* In a world where evil dominates the headlines, we are often left wondering, Will good really triumph over evil? Or are we hurtling toward oblivion? It's here, during this very hour--when political chaos seems to reign and the media persecutes anyone who disagrees with them--that God is searching for men and women who long for an infusion of boldness that possesses their souls, who will take a stand and be a voice for the Kingdom. His vision for the future is not bleak, and he is readying a heavy rain of transformation and revival. Here is the guidance and inspiration you need to become a vessel that catches the downpour of the Spirit's rain--and helps release God's Kingdom like a flood. Are you tired of trying so hard? Trying to live the transformed life you're called to? Trying to access God's power in order for change to happen? Instead of trying, let go. Let go of the limitations of "religion," a place of trying harder, where you never measure up. Step into God's grace. You'll be empowered supernaturally beyond your experience. What's holding you back? Ministry leader Dr. Sandie Freed helps you to identify and let go of:

- pressure to achieve results
- pride
- reliance on yourself
- efforts to please God on your own
- defeated attitudes
- squelched passions
- a hardened heart
- disappointments
- fear of intimacy with God

In each chapter, Sandie walks with you through a Scripture story illustrating a limitation. She shares her own experiences, directs you in a reflective activity and affirms you with biblical truth. This is your field guide to letting go and finding the place of God's promised rest, where His supernatural power will be released in your life. "God is in the restoration business. His desire is to restore us, heal up the brokenhearted and demonstrate Kingdom power as never before."--Dr. Sandie Freed

We need a biblical understanding of the Holy Spirit. *Transforming Presence* walks you through ten vital practices that will help you have a new experience of the Holy Spirit. It can be hard to discern what's right and wrong in a world of gray scales, differing preferences, and emotional highs, but when we start with the Bible, all the secondary things fall into place. Discover the transformational, personal, and joyful relationship that comes from meeting the Holy Spirit on His own terms. In this six-session small group Bible study, *When God's People Pray*, pastor Jim Cymbala helps participants to understand, personalize and apply the transforming power of prayer. *You Can Change* is a practical, interactive, and solidly biblical book designed to help Christians in all stages of life to find victory over sin by focusing on what God has already done in us.
