You Can Never Have Enough... Roses Jan 18 2020 "About two years ago, the poems began arriving in Joaquin Phoenix's mailbox, small batches of them, day after day, for weeks -- poetry that was unsolicited, previously unpublished and rawer than steak tartare. Written by Marcos Johnson, a former TV casting agent with an extreme personality, their jagged stanzas spoke of bruised romanticism and hardscrabble street life. The actor found them impossible to put out of mind." LA Times

The Io Betrayal Jul 24 2020 The lunar landing of 1969 was a fake. This falsehood was kept secret until after the Global Religious Conflict of the 21st century. The Moon became New Earth, a planet from where scientists could visit the most powerful planet in the galaxy, Jupiter. But its visit was not taken well. Jupiter and its ruler, the Galaxy-Master, uses New Earth's curiosity to create the ultimate betrayal of its own small moon, Io, when its own paranoia and terror culminate in a apocalyptic story of Love, War and Science.

De droom van elke ondernemer om het te maken, de tegengestelde belangen van de aandeelhouders, en de worsteling met morele kwesties komen elke dag keihard terug. Reinforcing Patriarchy Feb 11 2022 The life of a common Indian woman is full of struggles, dilemmas, pressures and conflicts. Family's pressure to plan kids, explanations for opting night shift jobs, scolding about going alone to eating places and movies, reservation of seats in public transport, reaching out to diet and cosmetic industries to attain size zero and ultra-fair faces to get her boyfriend's attention back. Where does 21st century Indian society stand on such issues? Also, what role does mass media, especially advertising plays in influencing public mindset about women ? This work acknowledged the need of examining it

with reference to a wider context of the hard core issues faced by women in their bedrooms, kitchens, offices, streets and living rooms. Therefore, a sincere effort was put in reaching out to the people and mapping their minds through a set of questions (hidden form) about the control over a woman's body, the concept of her beauty, aspects of her occupation and mobility, her role in decision-making and in division of labor in the households. The book goes one step ahead of the typical impact studies or analysis of stereotypes in advertisements. For those interested in women studies, the book contains facts about women's movement in India till 2016 and a complete list of issues affecting a woman from her bedroom to her workplace. Those interested in advertising and cultural studies can find a full-length discussion on basic aspects of advertising as a format and as an institution. For the scholars of media studies or sociology, the work contains self-constructed Likert scales and codes. Further, the research has attempted to directly compare the advertisements and society on common parameters. The study draws its basic concepts and critical perspective from the works of Richard W Polay, John Fiske, John Hartley, Daniel Schandler, Lewis Hedwig, Kamla Bhasin, Nivedita Menon, Naomi Wolf, Radha Kumar, Foucault, Erving Goffman and Laura Mulvey. The issue has been examined thoroughly in the light of contemporary events and factors which make it more relevant to the present stage of globalized

Indian society.

Uno tan diferente como yo Nov 08 2021 Es la historia de Denver Moore, un hombre que nunca asistió a la escuela, nunca fue remunerado por sus años de trabajo agotador y que vio el sobrevivir en las calles como subir un peldaño en la vida. Nunca pensó que sería amigo de un hombre blanco conductor de una camioneta y cliente de Starbucks. Esta también es la historia de Ron Hall, un exclusivo comerciante de arte con buen ojo para obras maestras y una nariz para encontrar ofertas. Al vivir en haciendas de Hollywood, galerías Soho, y castillos europeos, nunca se imaginó que el siguiente capítulo de su vida sería escrito al interior de un refugio de vagabundos ciudadanos. Y, por supuesto, es la historia de Debbie Hall; una mujer con agallas y convicción profunda. Fueron su compasión y persistencia las que los unió, la visión que transformó el interior de una ciudad y trajo esperanza a miles de personas. La historia de la vida real de dos hombres y una mujer excepcional también es un relato sobre la verdadera vida —áspera, con los pies en la tierra, a menudo dolorosa, ultimadamente esperanzadora, siempre sorprendente. Es una historia en la que puedes creer.
