A hidden truth. Mortal enemies. Doomed love. With her rare ability to breathe fire, Jacinda is special even among the draki—the descendants of dragons who can shift between human and dragon forms. But when Jacinda's rebelliousness forces her family to flee into the human world, she struggles to adapt, even as her draki spirit fades. Jacinda can't resist getting closer to him, even though she knows she's risking not only her life but the draki's most closely guarded secret. Mythical powers and breathtaking romance ignite in this story of a girl who defies all expectations and whose love crosses an ancient divide. Destiny and darkness collide in this romantic, sweeping new fantasy series from New York Times bestselling author Sophie Jordan, perfect for fans of Sarah J. Maas and Leigh Bardugo. Seventeen years ago, an eclipse cloaked the kingdom of Relhok in perpetual darkness. In the chaos, an evil chancellor murdered the king and queen and seized their throne. Luna, Relhok's lost princess, has been hiding in a tower ever since. Luna's survival depends on the world believing she is dead. But that doesn't stop Luna from wanting more. When she meets Fowler, a mysterious archer braving the woods outside her tower, Luna is drawn to him despite the risk. When the tower is attacked, Luna and Fowler escape together. But this world of darkness is more treacherous than Luna ever realized. With every threat stacked against them, Luna and Fowler find solace in each other. But with secrets still unspoken between them, falling in love might be their most dangerous journey yet. First friends, then enemies . . . Lady Aurelia hasn't always hated Max, Viscount Camden, her brother's best friend. In fact, as a besotted girl, she thrived under his kind attention— sure that he was the most noble and handsome man in the land. Until her young heart discovered what manner of rogue he really was. Now, though she enjoys nothing more than getting on his last nerve, she can't deny Max drives her to distraction— even if she tries to pretend otherwise. Now something more . . . Max cannot recall a time when Aurelia did not vex him. If she was not his friend's sister, he would stay far away from the infuriating vixen. Unfortunately, they are always thrown together. At parties and family gatherings . . . she is always there. Mocking him, tossing punch in his face, driving him mad . . . until one night, she goes too far and he retaliates in the only way he can: with a kiss that changes everything. When a holiday blizzard brings together a pair of reluctant lovers, the result threatens their reputations . . . and may cost them their hearts. Feisty and independent American heiress Violet Howard swears she'll never wed a crusty British aristocrat. Will, the Earl of Merlton, is determined to salvage his family's fortune without succumbing to a marriage of convenience. But when a snowstorm leaves Violet and Will stranded and alone, their sudden chemistry will challenge good intentions. Seized by a desire that burns through the night, they'll toss reservations aside in favor of the heat found in each other's arms. Will their passion survive the storm? Will they realize they've found a love to last them through all seasons? When you live next door to the big bad wolf . . . After years in prison, North Callaghan is finally free. But the demons haunting him still make him feel like a caged beast. He loses himself in work and hard living, coming up for air only to bed any willing woman to cross his path. So when his new neighbor snares his interest, he decides to add another notch to his bedpost. The only problem? Faith Walters is a white picket fence kind of girl. Prepare to be devoured. Faith's new neighbor is the rudest man alive. He'd rather grunt at her than speak and he takes her "welcome-to-the-neighborhood" scones without a thank you. She knows she should run for the hills from the ex-con. If only he weren't so smoldering sexy...if only the sounds of him with other women didn't drift through their shared wall and fill her with longing...and if only he didn't look at her like they were a collision waiting to happen. Desperate to find her again, he has no idea it's his childhood friend Jane—and that after one night together their lives will never be the same. "When a terrible tragedy left her penniless and alone, Lady Astrid Derring did whatever it took to survive.
