Wildly original, funny and moving, *The First Fifteen Lives of Harry August* is an extraordinary story of a life lived again and again from World Fantasy Award-winning author Claire North. Harry August is on his deathbed. Again. No matter what he does or the decisions he makes, when death comes, Harry always returns to where he began, a child with all the knowledge of a life he has already lived a dozen times before. Nothing ever changes. Until now. As Harry nears the end of his eleventh life, a little girl appears at his bedside. "I nearly missed you, Doctor August," she says. "I need to send a message." This is the story of what Harry does next, and what he did before, and how he tries to save a past he cannot change and a future he cannot allow. **INSTANT INTERNATIONAL BESTSELLER * NEW YORK TIMES BESTSELLER * #1 SUNDAY TIMES BESTSELLER** The first, epic and true story of the Duke and Duchess of Sussex's life together, finally revealing why they chose to pursue a more independent path and the reasons behind their unprecedented decision to step away from their royal lives, from two top royal reporters who have been behind the scenes since the couple first met. *Finding Freedom* is complete with full color photographs from Harry and Meghan's courtship, wedding, Archie's milestones, and many more

unforgettable moments. When news of the budding romance between a beloved English prince and an American actress broke, it captured the world's attention and sparked an international media frenzy. But while the Duke and Duchess of Sussex have continued to make headlines—from their engagement, wedding, and birth of their son Archie to their unprecedented decision to step back from their royal lives—few know the true story of Harry and Meghan. For the very first time, *Finding Freedom* goes beyond the headlines to reveal unknown details of Harry and Meghan's life together, dispelling the many rumors and misconceptions that plague the couple on both sides of the pond. As members of the select group of reporters that cover the British Royal Family and their engagements, Omid Scobie and Carolyn Durand have witnessed the young couple's lives as few outsiders can. With unique access and written with the participation of those closest to the couple, *Finding Freedom* is an honest, up-close, and disarming portrait of a confident, influential, and forward-thinking couple who are unafraid to break with tradition, determined to create a new path away from the spotlight, and dedicated to building a humanitarian legacy that will make a profound difference in the world. 'Fascinating and authoritative' The Daily Express Sunday Times bestselling author Sean Smith tells the extraordinary story of a modern cultural icon: Harry Styles.

'There is a plot, Harry Potter. A plot to make most terrible things happen at Hogwarts School of Witchcraft and Wizardry this year.' Harry Potter's summer has included the worst birthday ever, doomy warnings from a house-elf called Dobby, and rescue from the Dursleys by his friend Ron Weasley in a magical flying car! Back at Hogwarts School of Witchcraft and Wizardry for his second year, Harry hears strange whispers echo through empty corridors - and then the attacks start. Students are found as though turned to stone... Dobby's sinister predictions seem to be coming true. Having become classics of our time, the Harry Potter eBooks never fail to bring comfort and escapism. With their message of hope, belonging and the enduring power of truth and love, the story of the Boy Who Lived continues to delight generations of new readers.

Raymond is remembered by historians today for surviving a bomb placed in his automobile by a secret squad of the Los Angeles Police Department. After the bombing, newspapers across the country ran photographs showing him stalwartly smoking a cigarette while doctors removed shrapnel from his legs. This brazen attempt on his life would transform Los Angeles, leading to the recall of the mayor, the termination of many Los Angeles Police Department leaders, and the imprisonment of members of a secret LAPD police squad. The assassination attempt would also fuel the growth of Las Vegas, to where many LA underworld figures migrated afterward. For some, Harry Raymond would go down in Los Angeles history as a modern knight in the story of the city's corrupt days, a real-life Philip Marlowe. Others, looking back at his

previous career, regarded him as the kind of cop Marlowe hated: brutal and unscrupulous. Although Raymond often worked for the LAPD as a special investigator, he also associated with leading underworld figures of the twenties and thirties. Although it was never clear which side he was on, there was no doubt that he knew a lot about what was wrong with Los Angeles and almost paid the ultimate price for his knowledge. While my book focuses mainly on Raymond's career, its backdrop is LA's growth in the first decades of the twentieth century. It not only tells Raymond's story for the first time but also recounts the history of LA's criminal underworld in the pre-War era. It should appeal both to the general public and scholars interested in the history of Los Angeles in the first part of the twentieth century. Although millions know his songs, and almost the entire world knows the story of his beginnings with One Direction, there's so much more to Harry Styles. Learn all about the story of his life, and all the "little things" that make Harry Styles such an icon. From The X-Factor to One Direction to his incredible self-titled solo album, Harry Styles is an icon for our times. This unofficial biography details his early days discovering his love of music, right through to his first acting role in the action-packed Dunkirk. This is every fan's guide to Harry's transition from schoolboy to superstar. • Packed with Harry quotes, stories, and facts! • Quizzes to test your Harry knowledge! • Record your favorite Harry moments! And much more! As an overworked employee of the Ministry of Magic, a husband, and a father, Harry Potter struggles with a past that refuses to stay where it belongs while his youngest son, Albus, finds the weight of the family legacy difficult to bear. In the summer of 1959, A. J. Liebling, veteran writer for the New Yorker, came to Louisiana to cover a series of bizarre events that began with Governor Earl K. Long's commitment to a mental institution. Captivated by his subject, Liebling remained to write the fascinating yet tragic story of Uncle Earl's final year in politics. First published in 1961, The Earl of Louisiana recreates a stormy era in Louisiana politics and captures the style and personality of one of the most colorful and paradoxical figures in the state's history. This updated edition of the book includes a foreword by T. Harry Williams, Pulitzer Prize-winning author of Huey Long: A Biography, and a new introduction by Pulitzer Prize-winning critic Jonathan Yardley that discusses Liebling's career and his most famous book from a twenty-first-century perspective. After Chicago's ghost population starts going seriously postal, resident wizard Harry Dresden much figure out who is stirring them up and why they all seem to be somehow connected to him. There's never been another dog as delightful—or dirty—as Harry. This lovable white dog with black spots (or black dog with white spots) has charmed children for fifty years, and we are celebrating with an anniversary edition. This childhood favourite is perfect for reading aloud before going to bed or avoiding a bath. I was saying things in songs that female singers

didn't really say back then. I wasn't submissive or begging him to come back, I was kicking his ass, kicking him out, kicking my own ass too. My Blondie character was an inflatable doll but with a dark, provocative, aggressive side. I was playing it up, yet I was very serious.' BRAVE, BEAUTIFUL AND BORN TO BE PUNK DEBBIE HARRY is a musician, actor, activist and the iconic face of New York City cool. As the front-woman of Blondie, she and the band forged a new sound that brought together the worlds of rock, punk, disco, reggae and hip-hop to create some of the most beloved pop songs of all time. As a muse, she collaborated with some of the boldest artists of the past four decades. The scope of Debbie Harry's impact on our culture has been matched only by her reticence to reveal her rich inner life - until now. In an arresting mix of visceral, soulful storytelling and stunning visuals that includes never-before-seen photographs, bespoke illustrations and fan art installations, Face It upends the standard music memoir while delivering a truly prismatic portrait. With all the grit, grime, and glory recounted in intimate detail, Face It recreates the downtown scene of 1970s New York City, where Blondie played alongside the Ramones, Television, Talking Heads, Iggy Pop and David Bowie. Following her path from glorious commercial success to heroin addiction, the near-death of partner Chris Stein, a heart-wrenching bankruptcy, and Blondie's break-up as a band to her multifaceted acting career in more than thirty films, a stunning solo career and the triumphant return of her band, and her tireless advocacy for the environment and LGBTQ rights, Face It is a cinematic story of a woman who made her own path, and set the standard for a generation of artists who followed in her footsteps - a memoir as dynamic as its subject. g mix of visceral, soulful storytelling and stunning visuals that includes never-before-seen photographs, bespoke illustrations and fan art installations, Face It upends the standard music memoir while delivering a truly prismatic portrait. The kids in Room 207 take advantage of their teacher's good nature until she disappears and they are faced with a vile substitute. "Rarely has the golden rule been so effectively interpreted for children."--"Booklist." Full-color illustrations. Will you be prepared to take advantage when the

revolution comes or will you go down with the rest? Revolutions are cyclical. They run on a very specific timetable. You could be so much happier, healthier, and wealthier if you grasped the powerful cycles that influence everything from currency valuations to election returns. As the end of the decade draws near, we are approaching an extremely rare convergence of low points for multiple political, economic, and demographic cycles. The result will be a major financial crash and global upheaval that will dwarf the Great Recession of the 2000s—and maybe even that of the 1930s. Bestselling author Harry S. Dent, Jr., predicted the populist wave that drove Brexit, the election of Donald Trump, and other recent shocks around the world. Now, in *Zero Hour*, he and Andrew Pancholi offer the definitive guide to protect your investments and prosper in the age of anti-globalist backlash. You'll learn why the most-hyped technologies of recent years (self-driving cars, artificial intelligence and virtual reality) won't pay off until the 2030s, why you'd be a fool to invest in China, and why you should invest in healthcare rather than real estate. *Zero Hour* will help you turn the upheaval ahead to your advantage, so your family can be prepared and protected. Author does full justice to a flamboyant, unscrupulous, quick-witted, and vestigially idealistic figure. Massive coverage of the 1920's and 1930's and excellent portraits of the personalities which gave them flavor are handled with scholarship and grace. **NEW YORK TIMES BESTSELLER** • Read with Jenna Book Club Pick as Featured on Today • From the author of *Daisy Jones & The Six* and *The Seven Husbands of Evelyn Hugo* . . . **ONE OF THE BEST BOOKS OF THE YEAR:** The Washington Post, Time, Marie Claire, PopSugar, Parade, Teen Vogue, Self, She Reads • “Irresistible . . . High drama at the beach, starring four sexy, surfing siblings and their deadbeat, famous-crooner dad.”—People Four famous siblings throw an epic party to celebrate the end of the summer. But over the course of twenty-four hours, the family drama that ensues will change their lives forever. Malibu: August 1983. It's the day of Nina Riva's annual end-of-summer party, and anticipation is at a fever pitch. Everyone wants to be around the famous Rivas: Nina, the talented surfer and supermodel; brothers Jay and Hud, one a championship surfer, the other a renowned photographer; and their adored baby sister, Kit. Together the siblings are a source of fascination in Malibu and the world over—especially as the offspring of the legendary singer Mick Riva. The only person not looking forward to the party of the year is Nina herself, who never wanted to be the center of attention, and who has also just been very publicly abandoned by her pro tennis player husband. Oh, and maybe Hud—because it is long past time for him to confess something to the brother from whom he's been inseparable since birth. Jay, on the other hand, is counting the minutes until nightfall, when the girl he can't stop thinking about promised she'll be there. And Kit has a couple secrets of her own—including a guest she invited without

consulting anyone. By midnight the party will be completely out of control. By morning, the Riva mansion will have gone up in flames. But before that first spark in the early hours before dawn, the alcohol will flow, the music will play, and the loves and secrets that shaped this family's generations will all come rising to the surface. *Malibu Rising* is a story about one unforgettable night in the life of a family: the night they each have to choose what they will keep from the people who made them . . . and what they will leave behind. At fifteen, Tony Laporte is what many people would call a thoroughly spoiled kid. He gets away with a lot because his parents want him to have all the things they never had. But when they surprise him by refusing to let him keep a stray dog he has found, Tony decides to teach them a lesson by running off in his mother's old Plymouth. Driving without a license in the middle of a severe snowstorm, he picks up a hitchhiker named Cindy Reichert, an aloof girl who has always had difficulty forming friendships. To impress Cindy, Tony tries to show off his driving skills and ends up wrecking the car in a very desolated area far from the main highway. After spending precious days bickering with each other and waiting for rescue that never comes, they finally realize that their lives are at stake and they must cooperate to survive. The question is--can they survive? Harry really does NOT like the rose covered sweater that Grandma has knitted for him and eventually manages to get rid of it in a most ingenious way. Series title and numbering taken from CIP information. Winner of the Pulitzer Prize and the National Book Award, this work describes the life of one of the most extraordinary figures in American political history. Huey Long was a great natural politician who looked, and often seemed to behave, like a caricature of the red-neck Southern politico, and yet had become at the time of his assassination a serious rival to Franklin D. Roosevelt for the Presidency. In this "masterpiece of American biography" [New York Times Book Review], Huey Long stands wholly revealed, analyzed, and understood. Huey Long (1893-1935) was one of the most extraordinary American politicians, simultaneously cursed as a dictator and applauded as a benefactor of the masses. A product of the poor north Louisiana hills, he was elected governor of Louisiana in 1928, and proceeded to subjugate the powerful state political hierarchy after narrowly defeating an impeachment attempt. The only Southern popular leader who truly delivered on his promises, he increased the miles of paved roads and number of bridges in Louisiana tenfold and established free night schools and state hospitals, meeting the huge costs by taxing corporations and issuing bonds. Soon Long had become the absolute ruler of the state, in the process lifting Louisiana from near feudalism into the modern world almost overnight, and inspiring poor whites of the South to a vision of a better life. As Louisiana Senator and one of Roosevelt's most vociferous critics, "The Kingfish," as he called himself, gained a nationwide following, forcing Roosevelt

to turn his New Deal significantly to the left. But before he could progress farther, he was assassinated in Baton Rouge in 1935. Long's ultimate ambition, of course, was the presidency, and it was doubtless with this goal in mind that he wrote this spirited and fascinating account of his life, an autobiography every bit as daring and controversial as was The Kingfish himself. Harry has always admired the famous escape artist Houdini. And when Houdini asks for help in coming back to life, it seems like an amazing chance...or could it be Houdini's greatest trick of all? Eleven-year-old Harry Mancini is NOT Harry Houdini--the famous escape artist who died in 1926. But Harry DOES live in Houdini's old New York City home, and he definitely knows everything there is to know about Houdini's life. What is he supposed to do, then, when someone starts texting him claiming that they're Houdini, communicating from beyond the grave? Respond, of course. It's hard for Harry to believe that Houdini is really contacting him, but this Houdini texts the secrets to all of the escape tricks the dead Houdini used to do. What's more, Houdini's offering Harry a chance to go back in time and experience it for himself. Should Harry ignore what must be a hoax? Or should he give it a try and take Houdini up on this death-defying offer? Dan Gutman is the award-winning author of series including My Weird School, The Genius Files, and the baseball card series, including Honus & Me. He uses his writing powers for good once again in this exciting new middle grade novel. Named a New York State Great Read by the Empire State Center for the Book! Sixty-five million years ago, a disastrous cataclysm eliminated three quarters of all life on Earth. Overnight, the age of dinosaurs ended. The age of mammals had begun. But what if history had happened differently? What if the reptiles had survived to evolve intelligent life? In West of Eden, bestselling author Harry Harrison has created a rich, dramatic saga of a world where the descendents of the dinosaurs struggled with a clan of humans in a battle for survival. Here is the story of Kerrick, a young hunter who grows to manhood among the dinosaurs, escaping at last to rejoin his own kind. His knowledge of their strange customs makes him the humans' leader...and the dinosaurs' greatest enemy. Rivalling Frank Herbert's Dune in the majesty of its scope and conception, West of Eden is a monumental epic of love and savagery, bravery and hope. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. An Examination Of The Life And Tactics Of The Controversial Confederate General. Southern Biography Series. A celebration of Harry Styles - we Adore You! Harry Styles is a global superstar and fashion icon who has broken records, won awards and was the first solo man to grace the cover of Vogue, but he is also grounded, humble and down to earth. He doesn't care what other people think, isn't afraid to be vulnerable and truly loves his fans. We could all do with being a bit more like Harry. With chapters on finding your style, building confidence and

supporting charities, *The Book of Harry* explores Harry's incredible journey to stardom and the lessons we can take from his music, career and wider approach to life. Learning from his example, it will arm readers with tips, tricks and wisdom to empower them to be fearless, be themselves and above all, Treat People With Kindness. The moving, true story of the still-unresolved murder of Harry T. Moore, killed in a Christmas Day bombing of his home in 1951, is an important rediscovery of a lost chapter in civil rights history. of photos. This book examines Lincoln's associations with the Radical Republicans during the Civil War and how their policies shaped the country and war effort. Can a boy be “trapped” in a girl’s body? Can modern medicine “reassign” sex? Is our sex “assigned” to us in the first place? What is the most loving response to a person experiencing a conflicted sense of gender? What should our law say on matters of “gender identity”? When *Harry Became Sally* provides thoughtful answers to questions arising from our transgender moment. Drawing on the best insights from biology, psychology, and philosophy, Ryan Anderson offers a nuanced view of human embodiment, a balanced approach to public policy on gender identity, and a sober assessment of the human costs of getting human nature wrong. This book exposes the contrast between the media’s sunny depiction of gender fluidity and the often sad reality of living with gender dysphoria. It gives a voice to people who tried to “transition” by changing their bodies, and found themselves no better off. Especially troubling are the stories told by adults who were encouraged to transition as children but later regretted subjecting themselves to those drastic procedures. As Anderson shows, the most beneficial therapies focus on helping people accept themselves and live in harmony with their bodies. This understanding is vital for parents with children in schools where counselors may steer a child toward transitioning behind their backs. Everyone has something at stake in the controversies over transgender ideology, when misguided “antidiscrimination” policies allow biological men into women’s restrooms and penalize Americans who hold to the truth about human nature. Anderson offers a strategy for pushing back with principle and prudence, compassion and grace. In this #1 New York Times bestseller, California's newest private investigator, Detective Harry Bosch, must track down a missing heir while helping a police department connect the dots on a dangerous cold case. Harry Bosch is California's newest private investigator. He doesn't advertise, he doesn't have an office, and he's picky about who he works for, but it doesn't matter. His chops from thirty years with the LAPD speak for themselves. Soon one of Southern California's biggest moguls comes calling. The reclusive billionaire is nearing the end of his life and is haunted by one regret. When he was young, he had a relationship with a Mexican girl, his great love. But soon after becoming pregnant, she disappeared. Did she have the baby? And if so, what happened to it? Desperate to know whether he

has an heir, the dying magnate hires Bosch, the only person he can trust. With such a vast fortune at stake, Harry realizes that his mission could be risky not only for himself but for the one he's seeking. But as he begins to uncover the haunting story-- and finds uncanny links to his own past--he knows he cannot rest until he finds the truth. At the same time, unable to leave cop work behind completely, he volunteers as an investigator for a tiny cash-strapped police department and finds himself tracking a serial rapist who is one of the most baffling and dangerous foes he has ever faced. Swift, unpredictable, and thrilling, *The Wrong Side of Goodbye* shows that Michael Connelly "continues to amaze with his consistent skill and sizzle" (Cleveland Plain Dealer). "I WANTED TO SERVE, TO BE PART OF THIS THING MY FATHER HAD GIVEN HIS LIFE FOR. I DIDN'T WANT THE WAR TO END, AND ALL I'D BE ABLE TO SAY WAS, NO I DIDN'T SERVE, I WAS RIGHT HERE THE WHOLE WAR, SAFE IN BAKERSFIELD." Adam Pelko witnessed the Japanese attack on Pearl Harbor that killed his father, a lieutenant on the USS Arizona. Even though Adam is underage, he defies his mother's wishes and enlists in the Marines. Sent first to boot camp, then to Okinawa, he experiences the stark reality of war firsthand -- the camaraderie and the glory as well as the grueling regimen, the paralyzing fear, and death. And at every turn, Adam must confront memories of his father. In the concluding volume of his World War II trilogy, Harry Mazer masterfully illustrates Adam's journey as he navigates brutal circumstances that no boy should know. Here are the characters and personalities of the three great Union generals, explored with intelligence and wit by one of our most distinguished historians of the Civil War. Mr. Williams is interested not only in military skills but in the temperament for command and, most of all, in moral courage. Each of these men, he writes, "represents a particular and significant aspect of leadership, and together they show a progression toward the final type of leadership that had to be developed before the war could be won. Most important, each one illustrates dramatically the relation between character and generalship." From McClellan's eighteenth-century view of war as something like a game conducted by experts on a strategic chessboard; to Sherman's understanding of the violent implications of making war against civilians; to the completeness of character displayed by Grant, Mr. Williams's absorbing investigation offers a fresh perspective on a subject of enduring interest. An up close look at an investment strategy that can handle today's uncertain financial environment Market uncertainty cannot be eliminated. So rather than attempt to do away with it, why not embrace it? That is what this book is designed to do. *The Permanent Portfolio* takes you through Harry Browne's Permanent Portfolio approach—which can weather a wide range of economic conditions from inflation and deflation to recession—and reveals how it can help investors protect and grow their money. Written by Craig Rowland and

Mike Lawson, this reliable resource demonstrates everything from a straightforward four-asset Exchange Traded Fund (ETF) version of the strategy all the way up to a sophisticated approach using Swiss bank storage of selected assets for geographic and political diversification. In all cases, the authors provide step-by-step guidance based upon personal experience. This timeless strategy is supported by more than three decades of empirical evidence. The authors skillfully explain how to incorporate the ideas of the Permanent Portfolio into your financial endeavors in order to maintain, protect, and grow your money. Includes select updates of Harry Browne's Permanent Portfolio approach, which reflect our changing times. The Permanent Portfolio is an essential guide for investors who are serious about building a better portfolio. The Pulitzer Prize-winning biography of Harry S. Truman, whose presidency included momentous events from the atomic bombing of Japan to the outbreak of the Cold War and the Korean War, told by America's beloved and distinguished historian. The life of Harry S. Truman is one of the greatest of American stories, filled with vivid characters—Roosevelt, Churchill, Stalin, Eleanor Roosevelt, Bess Wallace Truman, George Marshall, Joe McCarthy, and Dean Acheson—and dramatic events. In this riveting biography, acclaimed historian David McCullough not only captures the man—a more complex, informed, and determined man than ever before imagined—but also the turbulent times in which he rose, boldly, to meet unprecedented challenges. The last president to serve as a living link between the nineteenth and the twentieth centuries, Truman's story spans the raw world of the Missouri frontier, World War I, the powerful Pendergast machine of Kansas City, the legendary Whistle-Stop Campaign of 1948, and the decisions to drop the atomic bomb, confront Stalin at Potsdam, send troops to Korea, and fire General MacArthur. Drawing on newly discovered archival material and extensive interviews with Truman's own family, friends, and Washington colleagues, McCullough tells the deeply moving story of the seemingly ordinary "man from Missouri" who was perhaps the most courageous president in our history. This first collection of the essays of the late T. Harry Williams brings together some of the best shorter works of a man who was, by any standard, one of the finest historians of our time. Spanning the range of Williams' interests, this volume contains essays on the Civil War, Reconstruction, the era of the world wars, military affairs, the craft of the historian, and the careers of Abraham Lincoln, Huey Long, and Lyndon Johnson. Williams' reputation rests on such large-scale works as *Lincoln and His Generals* and the Pulitzer-Prize winning biography *Huey Long*—exhaustively researched studies, monumental in their scope and ambition. Providing Williams with the chance to let his gaze probe beyond the fixed borders of such works, the essay was a flexible medium in which he could freely pursue some of the ideas that grew out of his daily regimen of writing and reading. He used

the essay to examine large themes that spanned many areas of his interests as well as specific incidents in the course of American history, to reach both a popular audience and his fellow historians, to test ideas for books in the planning stage, and to assess the works of his colleagues. Among the essays brought together in this volume are “That Strange Sad War,” in which Williams examines the Civil War as the first truly, and tragically, modern war; “Abraham Lincoln: Pragmatic Democrat,” which sees Lincoln as the supreme example in our history of the union of principle and pragmatism in politics; and “The Louisiana Unification Movement of 1873,” which traces the short history of an ambitious attempt to bring about racial unity in Reconstruction Louisiana. In “Interlude: 1918-1939”—an essay published here for the first time—Williams analyzes the weakened state of American military preparedness before Franklin Roosevelt came into office and turned his attention to the growing threat of Hitler’s Germany. In “The Macs and the Ikes: America’s Two Military Traditions,” Williams contrasts the opposing types of military leaders in American history—those generals in the mold of Dwight Eisenhower who follow orders and submit to the power of the president and Congress, and the more fractious generals such as Douglas MacArthur, who view the military as an aristocracy of courage and genius and bridle at the reigns of civilian authority. “Huey, Lyndon, and Southern Radicalism” traces the common political roots of two men Williams considered among the most successful “power artists” of the century. And in “Lyndon Johnson and the Art of Biography,” Williams discusses his own plans to write a biography of Johnson and speaks of his unapologetic belief in a great-man theory of history. A #1 NEW YORK TIMES BESTSELLER

One of the most salient features of our culture is that there is so much bullshit. Everyone knows this. Each of us contributes his share. But we tend to take the situation for granted. Most people are rather confident of their ability to recognize bullshit and to avoid being taken in by it. So the phenomenon has not aroused much deliberate concern. We have no clear understanding of what bullshit is, why there is so much of it, or what functions it serves. And we lack a conscientiously developed appreciation of what it means to us. In other words, as Harry Frankfurt writes, "we have no theory." Frankfurt, one of the world's most influential moral philosophers, attempts to build such a theory here. With his characteristic combination of philosophical acuity, psychological insight, and wry humor, Frankfurt proceeds by exploring how bullshit and the related concept of humbug are distinct from lying. He argues that bullshitters misrepresent themselves to their audience not as liars do, that is, by deliberately making false claims about what is true. In fact, bullshit need not be untrue at all. Rather, bullshitters seek to convey a certain impression of themselves without being concerned about whether anything at all is true. They quietly change the rules governing their end of the conversation so that

claims about truth and falsity are irrelevant. Frankfurt concludes that although bullshit can take many innocent forms, excessive indulgence in it can eventually undermine the practitioner's capacity to tell the truth in a way that lying does not. Liars at least acknowledge that it matters what is true. By virtue of this, Frankfurt writes, bullshit is a greater enemy of the truth than lies are. Since it was first published in 1952, *Lincoln and His Generals* has remained one of the definitive accounts of Lincoln's wartime leadership. In it T. Harry Williams dramatizes Lincoln's long and frustrating search for an effective leader of the Union Army and traces his transformation from a politician with little military knowledge into a master strategist of the Civil War. Explored in depth are Lincoln's often fraught relationships with generals such as McClellan, Pope, Burnside, Hooker, Fremont, and of course, Ulysses S. Grant. In this superbly written narrative, Williams demonstrates how Lincoln's persistent "meddling" into military affairs was crucial to the Northern war effort and utterly transformed the president's role as commander-in-chief. ****NOW A MAJOR FILM STARRING HARRY STYLES**** This love is all-consuming It is in 1950s' Brighton that Marion first catches sight of the handsome and enigmatic Tom. He teaches her to swim in the shadow of the pier and Marion is smitten - determined her love will be enough for them both. A few years later in Brighton Museum Patrick meets Tom. Patrick is besotted with Tom and opens his eyes to a glamorous, sophisticated new world. Tom is their policeman, and in this age it is safer for him to marry Marion. The two lovers must share him, until one of them breaks and three lives are destroyed. 'A sensitive, sweeping novel' VOGUE 'Tense, romantic, smart...I loved it. Devoured it!' RUSSELL T. DAVIES 'A powerful story of forbidden love, regret, and living as your true self' VANITY FAIR 'A moving story of longing and frustration' OBSERVER
