Enterprise 3, Enterprise plus Pre-Intermediate and Enterprise 4 each consist of four modules and are designed for learners of English at secondary level. The coursebooks are designed to provide systematic preparation in all the skills required for successful communication, both in written and spoken form. The material is clearly structured and easy to use. The Student's Book and the Workbook for each level are designed to be covered in approximately 100 to 120 hours of classroom work. Grammarway is a series of four grammar books in full colour. Designed for learners of English at beginner to intermediate level, they systematically practise and revise English grammar structures. The series can be used to supplement any main coursebook at secondary level and is suitable both for self-study and classroom use. Enterprise 1 and Enterprise 2 each consist of four modules and are designed for learners of English at early-secondary level. The course focuses on the gradual development of all four language skills - listening, reading, speaking and writing. The Student's Book and the Workbook for each level are designed to be covered in approximately 80 to 90 hours of classroom work. Grammarway is a series of four grammar books in full colour. Designed for learners of English at beginner to intermediate level, they systematically practise and revise English grammar structures. The series can be used to supplement any main coursebook at secondary level and is suitable both for self-study and classroom use. Neurolanguage Coaching is a model that brings together crucial findings in the fields of neuroscience and integrates these into a coaching process to revolutionise language learning as we know it. Grammarway with answers is a series of four books for self-access study and/or classroom use. Grammarway with answers contains a full key to all the exercises and is an ideal supplement to any main coursebook of English language learning at secondary level. The two versions of Grammarway are not interchangeable.
