"The prayer book is our Jewish diary of the centuries, a collection of prayers composed by generations of those who came before us, as they endeavored to express the meaning of their lives and their relationship to God. The prayer book is the essence of the Jewish soul." This stunning work, an empowering entryway to the spiritual revival of our times, enables all of us to claim our connection to the heritage of the traditional Jewish prayer book. It helps rejuvenate Jewish worship in today's world, and makes its power accessible to all. Framed with beautifully designed Talmud-style pages, commentaries from many of today's most respected Jewish scholars from all movements of Judaism examine Birkhot Hashachar from the perspectives of ancient Rabbis and modern theologians, as well as feminist, halakhic, Talmudic, linguistic, biblical, Chasidic, mystical, and historical perspectives. This fifth volume in the series examines the complexities of personal and public prayer in Birkhot Hashachar, the blessings and readings surrounding each act of awakening. The Morning Blessings begin the daily service by establishing our right to stand before God in all our imperfect humanity. Vol. 5 helps us to understand how this collection of short prayers and a call to study recognizes each new day: we awaken as individuals but quickly affirm our role in the covenant with God. Vol. 5 Birkhot Hashachar (Morning Blessings) features the traditional Hebrew text with a new translation that lets people know exactly what the prayers say. Introductions explain what to look for in the prayer service, and how to truly use the commentaries to find meaning in the prayer book. Commentaries from eminent scholars and teachers from all movements of Judaism examine Birkhot Hashachar from the viewpoints of ancient Rabbis and modern theologians, as well as a myriad of other perspectives. Even those not yet familiar with the prayer book can appreciate the spiritual richness of Birkhot Hashachar. My People's Prayer Book enables all worshipers, of any denomination, to create their own connection to 3,000 years of Jewish experience with the world and with God." Taking seriously Paul's exhortation in 1 Thessalonians to pray without ceasing, Deborah van Deusen Hunsinger challenges pastors and congregations to put prayer at the center of their Christian practice and theological reflection. In this thought-provoking book Hunsinger reclaims spiritual practices from token use and unites them in a dynamic network of interdependent caring traditions. The book begins with the three foundational disciplines of spiritual reading, careful listening, and self-reflection. Hunsinger then explores prayers of petition, intercession, confession, lament, and thanksgiving. Finally she offers practical, workable suggestions for developing pastoral care groups and teaching care-giving skills at the congregational level. Clergy and laity alike will reap the benefits of this revitalizing look at the spiritual disciplines as dynamic forces in the life of the church. Audio Version is Now Available with Audible! An honest, soul-searching pursuit of biblical answers to one of Christianity's most challenging questions: What do you do when God meets your prayers with silence? Many of us have struggled with prayers that seem to go unanswered, and Pete Greig has been down that difficult road of doubt. This book is both intensely personal and deeply theological—a book born out of his wife Sammy's fight for her life after a horrifying diagnosis. The acclaimed author of *Red Moon Rising* wrestles with the hard side of prayer, how to respond when there seem to be no answers, and how to cope with those who seek to interpret our experience for us. For those struggling with prayer, God on Mute brings a message of hope and comfort, but also a better understanding of how we communicate with our Creator. Using the timeline of Holy Week (from Maundy Thursday through Easter Sunday) as a template, Greig explores four main questions about prayer from all angles: How am I going to get through this? Why aren't my prayers being answered? Where is God when he seems silent? When every prayer is answered...what does that mean? Silence in response to our most heart-felt prayers is the hardest thing for a person of faith to wrestle with. The world collapses. Then all goes quiet. Words can't explain what we're going through. People avoid you and don't know what to say. So you turn to Him and you pray. You need Him more than ever before. But somehow even God Himself seems on mute. And this sinks into us with a sense of futility... But even in this crushing silence, there is a way forward. Here is a story of faith, hope, and love beyond all understanding. Includes guide for group discussion. "This book provides a transnational history of Billy Graham's revival work in the 1950s, zooming in on his revival meetings in London (1954), Berlin (1954/1960), and New York (1957). It shows how Graham's international ministry took shape in the context of trans-Atlantic debates about the place and future of religion in public life after the experiences of war and at the onset of the Cold War, and through a constant exchange of people, ideas, and practices. It explores the transnational nature of debates about the religious underpinnings of the "Free World" and sheds new light on the contested relationship between business, consumerism, and religion. In the context of Graham's revival meetings, ordinary Christians, theologians, ministers and Church leaders in the United States, Germany, and the UK discussed, experienced, and came to terms with religious modernization and secular anxieties, Cold War culture and the rise of consumerism. The transnational connectedness of their political, economic, and spiritual hopes and fears brings a narrative to life that complicates our understanding of the different secularization paths the United States, the UK, and Germany embarked on in the 1950s. During Graham's altar call in Europe, the contours of a trans-Atlantic revival become visible, even if in the long run it was unable to develop a dynamism that could have sustained this moment in these different national and religious contexts"-- The 1928 Book of Common Prayer is a treasured resource for traditional Anglicans and others who appreciate the majesty of King James-style language. This classic edition features a Presentation section containing certificates for the rites of Baptism, Confirmation, and Marriage. The elegant burgundy hardcover binding is embossed with a simple gold cross, making it an ideal choice for both personal study and gift-giving. The 1928 Book of Common Prayer combines Oxford's reputation for quality construction and scholarship with a modest price - a beautiful prayer book and an excellent value. If we're honest, most of us feel bored, distracted, or discouraged in prayer. We look for resources to give us the "right" words or teach us the "right" technique and are disappointed when they don't seem to help. What we fail to realize is that prayer isn't a place for us to be good or right, and it isn't a place for us to perform or prove our worth. It's a place for us to be honest, present, and known—a place for us to offer ourselves and receive God. Spiritual formation experts Kyle Strobel and John Coe want to show you what you've been missing when it comes to prayer. In this down-to-earth book, they show you how to fearlessly draw near to a holy God, pray without ceasing (and without posturing), and delight in the experience of being fully known and fully loved. Each chapter ends with prayer projects or practices to help you see a difference in your prayer life, starting now. Prayer Passport is a compendium of rare and powerful prayer points. Also available in Audiobook & Ebook Format In The Necessity of Prayer, Edward Bounds, a 20th century pastor and lawyer, suggests that prayer is an essential part of the Christian believer's life. He writes, "the Christian soldier, if he fight to win, must pray much." Bounds' book, however, is not simply a list of prayers for one to work through, but also a discourse on the very nature of prayer. He connects the nature of prayer to other features of the Christian life, such as faith, reverence, patience, hope, character, conduct, and faithfulness. Bounds' passion for prayer--which compelled him to write nine books on the topic--shines through in this work, and cannot but help motivate those who read it to also see the necessity of prayer. Perfect for individual study, Bounds' book is sure to change the way one prays. -Tim Perrine, CCEL Staff Writer A New York Times bestseller from the author of *Dusk, Night Dawn, Hallelujah Anyway, Bird by Bird, and Almost Everything*. Author Anne Lamott writes about the three simple prayers essential to coming through tough times, difficult days and the hardships of daily life. Readers of all ages have followed and cherished Anne Lamott's funny and perceptive writing about her own faith through decades of trial and error. And in her new book, *Help, Thanks, Wow*, she has coalesced everything she knows about prayer to these fundamentals. It is these three prayers - asking for assistance from a higher power, appreciating what we have that is good, and feeling awe at the world around us - that can get us through the day and can show us the way forward. In *Help, Thanks, Wow*, Lamott recounts how she came to these insights, explains what they mean to her and how they have helped, and explores how others have embraced these same ideas. Insightful and honest as only Anne Lamott can be, *Help, Thanks, Wow* is the everyday faith book that new Lamott readers will love and longtime Lamott fans will treasure. Samuel Chadwick (1860-1932) was a Wesleyan Methodist minister, and a nonsense kind of preacher. Edward M. Bounds takes us on a journey deep into the heart of active, powerful, life-giving prayer. He invites us to pray in such a way that involves and touches our entire being: mind, soul and body. We have all heard stories of great men and women whom God used to change the world as they wrestled with Him on their knees. This book uncovers the secrets to their devotion and gives practical ideas and advice for entering into a more intimate and powerful life with God through prayer.
