Illus. in full color. Camping is not for girls, right? At least, that's what P.J. and his pals tell Donna and Honey Bunny when they want to tag along on a camping trip. But when two mysterious ghosts frighten the boys all the way home, only the girls know the real story. Tells a story about the strange relationship of two migrant workers who are able to realize their dreams of an easy life until one of them succumbs to his weakness for soft, helpless creatures and strangles a farmer's wife. Alicia and Olivia are on their way to Manhattan so the Teen People editors can do a story on them about winning the Octavian Country Day uniform design contest. When Massie finally processes that the girls who hijacked her victory are also modeling for

Teen People, she is livid. It should have been her. "I love this sweet and quirky book—Fancy Nancy would have loved to be Mimi's identical twin!" —Robin Preiss Glasser, illustrator of Fancy Nancy

Mimi and her cat Marvin must adjust to life with an unexpected new neighbor in this hilarious, quirky, and heartwarming start to a brand-new illustrated chapter book series. Meet Mimi! She's a cat-loving, convertible-driving, bucket-cake-baking girl who loves living in the Periwinkle Tower with her best pals, Yoshi and Tonya. When the friends learn that someone new is moving into the building just before Thanksgiving, Mimi hopes it will be a girl just like her to share all of her hobbies and adventures. But the new neighbor is not what Mimi envisioned at all. And by Christmas, things have gone from iffy...to bad...to worse! Will life in the Periwinkle Tower ever be as fabulous as it was before? Belly spends the summer she turns sixteen at the beach just like every other

summer of her life, but this time things are very different. This Star Wars Workbook brings editorial quality, fun presentation, and rigorous Common Core educational standards to 3rd grade reading and writing - featuring Finn from "The Force Awakens."

Just as the Pretty Committee is getting bored with being expelled and Massie begins worrying about losing her spot as the most popular girl, Claire is cast in a Hollywood film, and as Massie and Alicia report live from the set, Kristen and Dylan keep them posted on events in Westchester County. It's such a joy, to play with a dear friend. Welcome to a spiritual fable that will win your heart. Dive into the world of mischief and wisdom. Look at the world sideways, and look at it upside down. Look at it through the wonder and imagination of a young boy. A boy who lives without a name and spends his day questioning his best friend, the Universe. His best friend can be a total goofball at times, and at times be surprisingly wise. Together they try to

make sense of a certain blue ball going round in circles. Fall in love with these two unique characters as they laugh, cry and play together. Discover a friendship that will leave you wanting for a similar friendship in your own life. And don't be too surprised if you find yourself in the young boy's shoes once too often. That's when you'll find your new best friend grinning by your side. ——— The playfulness of Calvin and Hobbes meets the wisdom of Kahlil Gibran's Prophet. Here's a book that will inspire, empower and entertain you. A work of surprising innocence and staggering depth, it's a timely antidote for the uncertain times we live in. If you enjoy books like The Alchemist, The Little Prince, and Calvin and Hobbes, then this book will have you turning pages and while doing a happy dance. Part of Sameer Kochure's 'The Good Universe Series', these books can be read and enjoyed in any order. ——— PRAISE FOR THE SERIES: "And all of a sudden, the memory of my loved ones

flashed back. The story went straight to my heart." - Amazon review. "It's a soothing read... instantly puts a smile on your face! :)" - Pooja Ambulkar, Pune. "Very cute and same time educating book. I recommend it to everyone... if you had a bad day or a good one." - Amazon review "...I read it in the morning and now, I am all energised for my day." - Reader review, Mumbai. "...takes you back the by-lanes of your childhood when you wished for a friend like the Universe.. simplicity is the beauty of this book :) - Amazon review "...this book will make you happy." - Amazon review ——— Don't miss out on this beautiful friendship. Get this book now and find out why people around the world are falling in love with these two unique characters. ——— Honey Bunny Funnybunny feels that something is missing when her bothersome big brother finally stops teasing her. An American comic icon tells the story of his second-act rise from obscurity to multimedia stardom. "When I was a kid,"

writes Rodney Dangerfield, "I worked tough places in show business--places like Fonzo's Knuckle Room. Or Aldo's, formerly Vito's, formerly Nunzio's. That was a tough joint. I looked at the menu. They had broken leg of lamb." For once, one of America's most beloved comic icons isn't kidding. Dangerfield has seen every aspect of the entertainment industry: the rough-and-tumble nightclubs, the backstage gag-writing sessions, the drugs, the hookers, the lousy day jobs - and the red-carpet star treatment. As he traces his route from a poor childhood on Long Island to his enshrinement as a comedy legend, he takes readers on a roller-coaster ride through a life that has been alternately touching, sordid, funny, raunchy, and uplifting - equal parts "Little Orphan Annie" and "Caligula." And unlike most celebrity autobiographers, he seems to have no qualms about delivering the unfiltered whole story, warts and all. Dangerfield's personal story is

also a rollicking show business tale, full of marquee name-droppings (Adam Sandler, Sam Kinison, Jim Carrey, Johnny Carson, Jerry Seinfeld) and good stories about same. Defying the old saws about the fleeting nature of fame and the dearth of second acts in American life, Dangerfield transformed himself from a debt-ridden aluminium-siding salesman named Jack Roy to a multimedia superstar - and stayed an icon for decades. His catchphrase - "I get no respect" - has entered the lexicon, and he remains a visible cultural presence and perennial talk-show guest. Dangerfield's hilarious and inspiring musings should thrill comedy fans and pop-culture watchers, and his second-act comeback will strike a chord with readers of all stripes. Maybe he'll even get some respect. Massie gets BE-yoo-tiful: After Massie Block gets kicked off her high horse and out of her ultra exclusive Westchester riding camp, her parents force her to do the

unthinkable-find a summer job. Not one for dog-walking or brat-sitting, Massie comes up with the ah-bvious solution: She'll be a sales rep for the cosmetics brand Be Pretty. Massie fully hearts her new role as fairy gawdmother of makeup-until she discovers transforming LBRs into glam-girls takes more than a swish of her royal purple mascara wand. "Finally: an engaging, evidence-based book about how to battle biases, champion diversity and inclusion, and advocate for those who lack power and privilege. Dolly Chugh makes a convincing case that being an ally isn't about being a good person—it's about constantly striving to be a better person." —Adam Grant, New York Times bestselling author of Give and Take, Originals, and Option B with Sheryl Sandberg Foreword by Laszlo Bock, the bestselling author of Work Rules! and former Senior Vice President of People Operations at Google An inspiring guide from Dolly Chugh, an award-winning social psychologist at

the New York University Stern School of Business, on how to confront difficult issues including sexism, racism, inequality, and injustice so that you can make the world (and yourself) better. Many of us believe in equality, diversity, and inclusion. But how do we stand up for those values in our turbulent world? The Person You Mean to Be is the smart, "semi-bold" person's guide to fighting for what you believe in. Dolly reveals the surprising causes of inequality, grounded in the "psychology of good people". Using her research findings in unconscious bias as well as work across psychology, sociology, economics, political science, and other disciplines, she offers practical tools to respectfully and effectively talk politics with family, to be a better colleague to people who don't look like you, and to avoid being a well-intentioned barrier to equality. Being the person we mean to be starts with a look at ourselves. She argues that the only way to be on the right side of history is to

be a good-ish— rather than good—person. Good-ish people are always growing. Second, she helps you find your "ordinary privilege"—the part of your everyday identity you take for granted, such as race for a white person, sexual orientation for a straight person, gender for a man, or education for a college graduate. This part of your identity may bring blind spots, but it is your best tool for influencing change. Third, Dolly introduces the psychological reasons that make it hard for us to see the bias in and around us. She leads you from willful ignorance to willful awareness. Finally, she guides you on how, when, and whom, to engage (and not engage) in your workplaces, homes, and communities. Her science-based approach is a method any of us can put to use in all parts of our life. Whether you are a long-time activist or new to the fight, you can start from where you are. Through the compelling stories Dolly shares and the surprising science she

reports, Dolly guides each of us closer to being the person we mean to be. One of the most time-consuming tasks in clinical medicine is seeking the opinions of specialist colleagues. There is a pressure not only to make referrals appropriate but also to summarize the case in the language of the specialist. This book explains basic physiologic and pathophysiologic mechanisms of cardiovascular disease in a straightforward manner, gives guidelines as to when referral is appropriate, and, uniquely, explains what the specialist is likely to do. It is ideal for any hospital doctor, generalist, or even senior medical student who may need a cardiology opinion, or for that matter, a new paperback series where girls help each other tackle issues of friendship, crushes, and new experiences. Perfect for fans of *The Baby-Sitters Club*, *Real Friends*, and *Invisible Emmie*—it's all about being true to yourself! Fonda, Drew, and Ruthie have been besties forever, but seventh grade is going to be their year!

The girls can't wait to do everything together and have an amazing time doing it. But then... • Ruthie realizes that being in Talented and Gifted means being in a different part of the school. There go their stuck-together-like-glue dreams. • Drew's crush--who seemed so into her like a week ago--suddenly acts like he doesn't know her. And now he's all she can think about. • Fonda's finally being noticed by the popular girls, but can she really hang out with them if Ruthie and Drew aren't invited? There's nothing like seventh grade to test the bonds of friendship. Fonda, Drew, and Ruthie are about to find out how much it stinks to be lied to, to be left out, and to feel like you're the only one who cares. But they'll also find out how meaningful female friendships are, and how great it feels to be yourself. Get ready for the most meaningful, most fun stuff of all: girl stuff! The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best

Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and

even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope. Minecraft - Diary Of A Misunderstood Herobrine - It Ain't Easy Being Mean Get Ready To Cheer For The Bad Guy ... Everyone knows Herobrine is the villain in Minecraft, but was it always this way? What's more, how did Herobrine get this way to begin with? In this illustrated short story Herobrine tells all from his perspective. At first he really only wanted to build things and help people. However, everyone he meets just won't accept him at his word. Maybe being a bad guy isn't that bad at all? ACT NOW! Click the orange BUY button at the top of this page! Soon, you will be reading Diary Of A Misunderstood Herobrine - It Ain't Easy Being Mean from the comfort of your own home! A new hilarious, honest, and hopeful novel from the author

of Drums, Girls, and Dangerous Pie It's not easy being Claire. (Really.) Claire's life is a joke . . . but she's not laughing. While her friends seem to be leaping forward, she's dancing in the same place. The mean girls at school are living up to their mean name, and there's a boy, Ryder, who's just as bad, if not worse. And at home, nobody's really listening to her—if anything, they seem to be more in on the joke than she is. Then into all of this (not-very-funny-to-Claire) comedy comes something intense and tragic—while her dad is talking to her at the kitchen table, he falls over with a medical emergency. Suddenly the joke has become very serious—and the only way Claire, her family, and her friends are going to get through it is if they can find a way to make it funny again. Massie Block: The Briarwood boys have invaded OCD and are taking over everything. Worse, the soccer boys have become so popular that the Pretty Committee's alpha status is in serious jeopardy. So Massie lays out a New Year-

New Pretty Committee rule: Anyone caught crushing on a boy will be thrown out of the NPC-forever. But will she be able to follow her own decree when she sees that Derrington has ditched his shorts-obsession in favor of adorable jeans? Alicia Rivera: Is the opposite of onboard with the boyfast. Her crush, the Ralph Lauren-luh-ving Josh Hotz, is more irresistible than crème brûlée fro-yo. But is he worth losing her spot in the NPC? And taking on the wrath of Massie? Dylan Marvil: Is so ready for the boyfast. She's straightened her unruly red hair and permanently pressed boys out of her life. If only she could do the same with curly fries and caramel popcorn. Kristen Gregory: Has traded her sporty-chic Pumas for Billabong board shorts and a shark tooth necklace. She claims she's sworn off boy-crushes, so what's with her Blue Crush makeover? Claire Lyons: Spent all summer thinking about Cam's one blue eye and one green eye. But now he's moved on to a new

girl faster than you can say cuh-yutest couple. At least Claire finally has a secure spot in the NPC-unless jealousy-flirting breaks the boyfast. . . . The Clique: The only thing harder than getting in is staying in. Massie Block: Getting back into Octavian Country Day was a piece of sugar-free cake, compared to Massie's next goal-finding the key that unlocks an ah-mazing legendary secret room at OCD! Alpha eighth grader Skye Hamilton and her clique have stashed the key in the bedroom of one mystery Briarwood boy, but who? Whoever finds the key gets access to the secret room for an entire year and the prestige that comes along with it. But what happens when LBR Layne seems to be getting closer? This is way more than a matter of life or death, it's a matter of in or out! Kristen Gregory: Always been a star on the soccer field, but her style gets majorly cramped when her friends are forced to join the team. They better start kicking those soccer balls or Kristen's going to start kicking some . . .

! Alicia Rivera: Uses her skills as a gossip reporter to scheme her way into the rooms of all the Briarwood hotties! Dylan Marvil: Heard depression makes people lose weight. Is hoping for some sad news soon because she's popping donut holes the way some people pop Tic-Tacs. Claire Lyons: Being famous isn't all it's cracked up to be! Her agent confiscates her gummies, and forces her to do some very bad things to make her more "edgy." Worst of all, her constant meetings with lawyers and movie execs are eating into her time with the P.C. and with Cam! Is being a Hollywood starlet worth the Gucci-high price tag? A New York Times Bestseller "Here are three things about this book: (1) It's . . . funny and romantic; (2) the mystery at the heart of the story will keep you turning the pages; (3) I have a feeling you'll be very happy you read it." —Jennifer E. Smith, author of *The Statistical Probability of Love at First Sight* With the perfect mix of comedy and tragedy, love and loss, and pain and

elation, the characters in Julie Buxbaum's *Tell Me Three Things* come to feel like old friends who make any day better. This YA novel is sure to appeal to fans of Rainbow Rowell, Jennifer Niven, and E. Lockhart. Everything about *Jessie* is wrong. At least, that's what it feels like during her first week of junior year at her new ultra-intimidating prep school in Los Angeles. It's been barely two years since her mother's death, and because her father eloped with a woman he met online, *Jessie* has been forced to move across the country to live with her stepmonster and her pretentious teenage son, and to start at a new school where she knows no one. Just when she's thinking about hightailing it back to Chicago, she gets an email from a person calling themselves Somebody/Nobody (SN for short), offering to help her navigate the wilds of Wood Valley High School. Is it an elaborate hoax? Or can she rely on SN for some much-needed help? In a leap of faith—or an act of complete

desperation—Jessie begins to rely on SN, and SN quickly becomes her lifeline and closest ally. Jessie can't help wanting to meet SN in person. But are some mysteries better left unsolved? More praise for

TELL ME THREE THINGS

"Three Things about this novel: (1) I loved it. (2) No, really, I LOVED it. (3) I wish I could tell every teen to read it. Buxbaum's book sounds, reads, breathes, worries, and soars like real adolescents do." —Jodi Picoult, New York Times bestselling author of *Leaving Time* and *Off the Page* "The desire to find out whether Jessie's real-life and virtual crushes are one and the same will keep [readers] turning the pages as quickly as possible." —PW, Starred "A heartfelt, wryly perceptive account of coming to terms with irrevocable loss when life itself means inevitable change." —Kirkus "Buxbaum's debut is hard to put down because of its smooth and captivating text. The addition of virtual conversations through email and chatting adds to the

exciting plot twist." —SLJ A brilliant, unforgettable novel from bestselling author Ruth Ozeki, author of *The Book of Form and Emptiness* Finalist for the Booker Prize and the National Book Critics Circle Award "A time being is someone who lives in time, and that means you, and me, and every one of us who is, or was, or ever will be." In Tokyo, sixteen-year-old Nao has decided there's only one escape from her aching loneliness and her classmates' bullying. But before she ends it all, Nao first plans to document the life of her great grandmother, a Buddhist nun who's lived more than a century. A diary is Nao's only solace—and will touch lives in ways she can scarcely imagine. Across the Pacific, we meet Ruth, a novelist living on a remote island who discovers a collection of artifacts washed ashore in a Hello Kitty lunchbox—possibly debris from the devastating 2011 tsunami. As the mystery of its contents unfolds, Ruth is pulled into the past, into Nao's drama and her

unknown fate, and forward into her own future. Full of Ozeki's signature humor and deeply engaged with the relationship between writer and reader, past and present, fact and fiction, quantum physics, history, and myth, *A Tale for the Time Being* is a brilliantly inventive, beguiling story of our shared humanity and the search for home. My name is Sophie. This book is about me. It tells the heart-stoppingly riveting story of my first love. And also of my second. And, okay, my third love, too. It's not that I'm boy crazy. It's just that even though I'm almost fifteen I've been having sort of a hard time trying to figure out the difference between love and lust. It's like my mind and my body and my heart just don't seem to be able to agree on anything. Ten-year-old Andy faces his first serious crisis when he finds out his family is moving away from the only home he's ever known. In order to persuade his parents to change their mind and move back, Andy decides to show how miserable he is by being

mean. See what Andy has to go through as he racks his brain trying every unkind trick in the book. But in the end, he realizes it's just not easy being mean! Eileen Pierre has written several children's stories including the chapter book, *Why is Life so Confusing?* When not writing, Eileen divides her time between visiting her children and grandchildren in the Chicago suburbs and living in Southwest Florida with her husband, Dan. #1 New York Times Bestseller Over 10 million copies sold In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we've been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let's be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn't sugarcoat or equivocate. He tells it like it

is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let's-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are

only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives. "Cookie Boyle has written a smart, funny, and heartfelt novel that captures the unexpected adventures in the life of a book." — Blue Ink Review Life isn't easy when you're a book. This charming, humorous, debut novel follows the extraordinary adventures of an extraordinary book. Entitled is told from the perspective of a book, seeking to find a home. As it is read, misplaced, loaned and abandoned, our book, like its Readers, discovers love and heartbreak, loneliness and friendship, and ultimately

becomes the author of its own journey. In the end, Entitled reveals the pull between the story we are born with and the one we wish to create for ourselves. Five girls in the Clique each face challenges during eighth grade -- from the soccer field to getting the key to the secret room at OCD from a Briarwood boy. Living in a "perfect" world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade. A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take

on a murderous, savage significance. First published in 1954, Lord of the Flies is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on Lord of the Flies by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use in the classroom and at home. Mean Girls meets Middle School in The Clique... The only thing harder than getting in, is staying in. Enter Claire Lyons, the new girl from Florida in Keds and two-year-old Gap overalls, who is clearly not Clique material. Unfortunately for her, while they look for a

new home, Claire's family is staying in the guesthouse of the one and only Massie Block - Queen Bee of Octavian Country Day School. Claire's future looks worse than a bad Prada knockoff. But with a little luck and a lot of scheming, Claire might just come up smelling like Chanel No. 19. Meet the rest of the Clique: Massie Block - With her glossy brunette bob and laser-whitened smile, Massie is the uncontested ruler of The Clique and the rest of the social scene at Octavian Country Day School, an exclusive private girls' school in Westchester County, New York. Massie knows you'd give anything to be just like her. Dylan Marvil - Massie's second in command who divides her time between sucking up to Massie and sucking down Atkins Diet shakes. Alicia Rivera - As sneaky as she is beautiful, Alicia floats easily under adult radar because she seems so "sweet." Would love to take Massie's throne one day. Just might. Kristen Gregory - She's smart, hardworking, and will

insult you to tears faster than you can say "my haircut isn't ugly!" Three girls, two guys, five secret journals. The five most popular students at Noble High have secrets to hide; secrets they wrote down in their journals. Now one of their own exposes the private entries... I am leaking these because I'm tired and I know you are too. The success bar is too high and pretending has become the only way to reach it. Instagrams are filtered, Facebook profiles are embellished, photos are shopped, reality TV is scripted, body parts get upgraded like software, and even professional athletes are cheating. The things we believe in aren't real. We are pretenders. Lewis is a quiet shy student at Garvey Middle School in the inner city. For Lewis school is a constant nightmare. He is constantly in trouble, despite being a good student with excellent writing skills. Lewis desperately wants to make his mother proud and not follow in the footsteps of his father who is in prison. He is constantly influenced by his

friend Jason who always seems to lead him toward trouble. Lewis meets Mr. Willis a weird but concerned teacher at his school. Mr. Willis enrolls Lewis in the Empowerment Program which exposes Lewis to a different world. Lewis then begins to contemplate change. Will Lewis continue to travel down the wrong path towards tragedy? Or will he make a turn towards success? The Clique knows something you don't know . . . Massie Block stands at the threshold of a huh-yuge secret: a hidden room at Octavian Country Day. But to prove the Pretty Committee is worthy of the key, the girls need to find dates to Skye Hamilton's 'famous couples' costume party. On top of that, Massie has to convince her old crush, Chris Abeley, to be Skye's date . . . or else the PC can kiss the room - and their popularity - goodbye. Luckily for the girls, alpha status just happens to come with ESP. Not the actual superpower, but a secret weapon that shows them exactly what their crushes are thinking. The question is, do

they really want to know? “One of my favorite authors.”—Colleen Hoover An insightful, delightful, instant #1 New York Times bestseller from the author of Beach Read and People We Meet on Vacation. Named a Most Anticipated Book of 2022 by Oprah Daily • Today • Parade • Marie Claire • Bustle • PopSugar • Katie Couric Media • Book Bub • SheReads • Medium • The Washington Post • and more! One summer. Two rivals. A plot twist they didn't see coming... Nora Stephens' life is books—she's read them all—and she is not that type of heroine. Not the plucky one, not the laidback dream girl, and especially not the sweetheart. In fact, the only people Nora is a heroine for are her clients, for whom she lands enormous deals as a cutthroat literary agent, and her beloved little sister Libby. Which is why she agrees to go to Sunshine Falls, North Carolina for the month of August when Libby begs her for a sisters' trip away—with visions of a small town

transformation for Nora, who she's convinced needs to become the heroine in her own story. But instead of picnics in meadows, or run-ins with a handsome country doctor or bulging-forearmed bartender, Nora keeps bumping into Charlie Lastra, a bookish brooding editor from back in the city. It would be a meet-cute if not for the fact that they've met many times and it's never been cute. If Nora knows she's not an ideal heroine, Charlie knows he's nobody's hero, but as they are thrown together again and again—in a series of coincidences no editor worth their salt would allow—what they discover might just unravel the carefully crafted stories they've written about themselves. #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE'S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is

holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can't resist—books. With the help of her accordion-playing foster father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today DON'T MISS BRIDGE OF CLAY, MARKUS ZUSAK'S FIRST NOVEL SINCE THE BOOK THIEF. Considered by many to be mentally retarded, a brilliant, impatient fifth-grader with cerebral palsy

discovers a technological device that will allow her to speak for the first time. Massie Block: Getting back into Octavian Country Day was a piece of sugar-free cake, compared to Massie's next goal-finding the key that unlocks an ah-mazing legendary secret room at OCD! Alpha eighth grader Skye Hamilton and her clique have stashed the key in the bedroom of one mystery Briarwood boy, but who? Whoever finds the key gets access to the secret room for an entire year and the prestige that comes along with it. But what happens when LBR Layne seems to be getting closer? This is way more than a matter of life or death, it's a matter of in or out! Kristen Gregory: Always been a star on the soccer field, but her style gets majorly cramped when her friends are forced to join the team. They better start kicking those soccer balls or Kristen's going to start kicking some . . . ! Alicia Rivera: Uses her skills as a gossip reporter to scheme her way into the rooms of all the Briarwood hotties! Dylan

Marvil: Heard depression makes people lose weight. Is hoping for some sad news soon because she's popping donut holes the way some people pop Tic-Tacs. Claire Lyons: Being famous isn't all it's cracked up to be! Her agent confiscates her gummies, and forces her to do some very bad things to make her more "edgy." Worst of all, her constant meetings with lawyers and movie execs are eating into her time with the P.C. and with Cam! Is being a Hollywood starlet worth the Gucci-high price tag? The gripping first installment in New York Times bestselling author Tahereh Mafi's Shatter Me series. One touch is all it takes. One touch, and Juliette Ferrars can leave a fully grown man gasping for air. One touch, and she can kill. No one knows why Juliette has such incredible power. It feels like a curse, a burden that one person alone could never bear. But The Reestablishment sees it as a gift, sees her as an opportunity. An opportunity for a deadly weapon. Juliette has never fought for herself before.

But when she's reunited with the one person who ever cared about her, she finds a strength she never knew she had. And don't miss *Defy Me*, the shocking fifth book in the *Shatter Me* series! "The words say 'It's not easy being green,' but the song is about knowing who you are. And in it you hear Jim's message most clearly. He believed that people are good and that they want to do their best and that no matter how or why we might be different from anybody else, we should learn to love who we are and be proud of it." —Ray Charles In the tradition of *The World According to Mister Rogers*, a timeless collection of wisdom on life, friendship, individuality, creativity, collaboration, and more -- from Jim Henson and Friends There are few things that evoke such a universal feeling of warmth and humor as the work of Jim Henson. In his own words, as well as those of some of his best-known characters like Kermit the Frog and Ernie, we get a glimpse of the philosophy and humor that was so

essential to Jim's creations. We also get a behind-the-scenes glimpse of the collaborative spirit of this gentle artistic genius from the people Jim knew, loved, and inspired. This uplifting collection of quotes, stories, anecdotes, songs, and insights gives new life to Jim's magical world. With chapters titled *Dynamite Determination*; *Listen to Your Heart*; *Together We Can Do It*; *It Starts When We're Kids*; and *A Part of Everything and Everyone*, *It's Not Easy Being Green* is by turns entertaining, inspiring, and laugh-out-loud funny, reminding us that every day counts. Readers young and old will cherish this collection. Culled from The Jim Henson Company archives, program transcripts, personal letters, and interviews, along with some of Jim's never-before-published writings, *It's Not Easy Being Green* is a testament to the legacy of a man who changed the way we see the world. Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime.
