Though they have allies among the monks and splinter cells inside the city, Shyla knows the Invisible Sword doesn't have the strength to win. With the group fracturing due to the strain of losses from their latest ordeal, thinly veiled suspicions and endless disagreements, it's up to Shyla to forge a new united order. When both the draconian Water Prince and brutal Heliacal Priestess learn of Shyla's new powers, life becomes even more complicated as they will stop at nothing to capture Shyla and take the magic of The Eyes for themselves. **Opposites attract more than trouble in the latest captivating Regency romance from Susanna Craig. Amanda Bartlett, widowed Countess of Kingston, is a woman beyond reproach. Married at nineteen, she dutifully provided the Earl with an heir and a spare before his death three years ago. Since then, Amanda has lived a simple, quiet life. A life that, if she were honest, has become more than a trifle dull. So when an adventure literally drops into her lap, in the shape of a mysterious book, she intends to make the most of it—especially if it brings her closer to a charismatic stranger. . . . Major Langley Stanhope, an intelligence officer and master mimic known as the Magpie, needs to retrieve the code book that has fallen into Amanda's hands. The mistaken delivery has put them both in grave danger and in a desperate race to unearth a traitor. It's also stirred an intense, reckless attraction. Langley believes the life he leads is not suitable for a delicate widow, but it seems he may have underestimated the lady's daring . . . and the depths of their mutual desire. . . . PRAISE FOR WHO'S THAT EARL "Craig delights with a fast-paced, intrigue-filled plot and expertly developed characters. Regency fans will eagerly anticipate future installments." —Publishers Weekly, *STARRED* review *I'm a liar. I've been lying for so long that it's all I can do anymore. My name isn't what she thinks either. I got a new identity and a new life because my old one was going to get me killed. That's why I don't do interviews. That's why I don't show my face on social media. But when Emma's article comes out everything changes. They're coming for me. It's all a matter of time. If I want to save myself, I have to disappear again. But what can I do if they go after her? Praise for Charlotte Byrd "BEST AUTHOR YET! Charlotte has done it again!
