The Means of Escape Dec 07 2021 In her final book--published posthumously--Fitzgerald presents several very strange pasts, her narratives ranging from the 17th century to the late 20th century. The title tale, set in New Zealand in 1852, resembles a cautionary fable about a spinster and an escaped con. But in Fitzgerald's hands, it is infinitely more.

The Golden Child Feb 09 2022 Penelope Fitzgerald's novel,

The Golden Child, combines a deft comedy of manners with a classic mystery set in London's most refined institution--the museum. When the glittering treasure of ancient Garamantia, the golden child, is delivered to the museum, a web of intrigue tightens around its personnel, especially the hapless museum officer Waring Smith. While prowling the halls one night, Waring is nearly strangled. Two suspicious deaths ensue, and only the cryptic hieroglyphics of the Garamantes can bring an end to the mayhem. Fitzgerald has an unerring eye for human nature, and this satirical look at the art world delivers a terrifically witty read.

***Until You* Nov 13 2019 From New York Times and USA Today bestselling author Penelope Douglas comes a companion novel to *Bully*, for fans of Colleen Hoover. This is Jared's story. Have you ever been so angry that hitting things felt good? Or numb to all emotions? The past few years have been like that for me. Traveling between fury and indifference with no stops in between. I hate that I can't let her go. We used to be friends, but I found out that I couldn't trust her—or anyone else. So I hurt her. I pushed her away. But I still need her. She centers me. Engaging her, challenging her, pushing her—it's the one last part of me that feels anything anymore. But then she went and screwed everything up. She left for a year and came back a different girl. Now, when I push, she pushes back...and I'm not sure either one of us will ever be the same. Includes a teaser for *RIVAL*, the next**

unforgettable novel from Penelope Douglas....

The Means of Escape Apr 18 2020 The last book and only collection of short stories by Penelope Fitzgerald fittingly showcases her at her wisest, her funniest, her best. Like her novels, these stories are "mordantly funny, morally astute . . . [as] they plumb the endless absurdities of the human heart" (Washington Post Book World). Roaming the globe and the ages, the stories travel from England to France to New Zealand and from today to the seventeenth century and back again. Now featuring an introductory essay by A. S. Byatt and two newly published stories, this Mariner edition of **THE MEANS OF ESCAPE** "serves as an elegiac gift to dedicated fans of her award-winning novels and a tantalizing introduction for new readers" (Entertainment Weekly). It memorializes a writer guided by a generous but unwavering moral gaze and proves once more "why [Fitzgerald] will endure" (Los Angeles Times Book Review).

Saltwater Mar 18 2020 A Best Book of 2020: Open Letters Review "Andrews's writing is transportingly voluptuous,

conjuring tastes and smells and sounds like her literary godmother, Edna O'Brien . . . What makes her novel sing is its universal themes: how a young woman tries to make sense of her world, and how she grows up." –Penelope Green, *The New York Times Book Review* This "luminous" (*The Observer*) feminist coming-of-age novel captures in sensuous, blistering prose the richness and imperfection of the bond between a daughter and her mother. It begins with our bodies . . . Safe together in the violet dark and yet already there are spaces beginning to open between us. From that first immaculate, fluid connection, through the ups and downs of a working-class childhood in northern England, the one constant in Lucy's life has been her mother: comforting and mysterious, ferociously loving, tirelessly devoted, as much a part of Lucy as her own skin. Her mother's lessons in womanhood shape Lucy's appreciation for desire, her sense of duty as a caretaker, her hunger for a better, perhaps reckless life. At university in glamorous London, Lucy's background sets her apart. And then she is finished, graduated, adrift. She escapes to a tiny house in Donegal left empty by her grandfather, a place where her mother once found happiness. There she will take a lover, live inside art and the past, and track back through her memories and her mother's stories to make sense of her place in the world. In "a stunning new voice in British literary fiction" (*The Independent*) that lays bare our raw, dark selves, Jessica Andrews's debut honors the richness and imperfection of the bond between a daughter and her mother. Intricately woven in lyrical vignettes, *Saltwater* is a novel of becoming-- a

woman, an artist-- and of finding a way forward by looking back.

Penelope Fitzgerald Aug 03 2021 ONE OF THE NEW YORK TIMES BOOK REVIEW' S 10 BEST BOOKS OF THE YEAR A Best Book of the Year: San Francisco Chronicle, Seattle Times Winner of the Plutarch Award for Best Biography The acclaimed biographer of Edith Wharton and Virginia Woolf gives us an intimate portrait of one of the most quietly brilliant novelists of the twentieth century. Penelope Fitzgerald was a great English writer whose career didn't begin until she was nearly sixty. She would go on to win some of the most coveted awards in literature—the Booker Prize and the National Book Critics Circle Award. Now, in an impeccable match of talent between biographer and subject, Hermione Lee, a master biographer and one of Fitzgerald's greatest champions, gives us this remarkable writer's story. Lee's critical expertise is on dazzling display on every page, as it illuminates this extraordinary English life. Fitzgerald, born into an accomplished intellectual family, the granddaughter of two bishops, led a life marked by dramatic twists of fate, moving from a bishop's palace to a sinking houseboat to a last, late blaze of renown. We see Fitzgerald's very English childhood in the village of Hampstead; her Oxford years, when she was known as the “blonde bombshell”; her impoverished adulthood as a struggling wife, mother and schoolteacher, raising a family in difficult circumstances; and the long-delayed start to her literary career. Fitzgerald's early novels draw on her own

experiences—working at the BBC in wartime, at a bookshop in Suffolk, at an eccentric stage school in the 1960s—while her later books open out into historical worlds that she, magically, seems to entirely possess: Russia before the Revolution, postwar Italy, Germany in the time of the Romantic writer Novalis. Fitzgerald’s novels are short, spare masterpieces, and Hermione Lee unfurls them here as works of genius. Expertly researched, written out of love and admiration for this wonderful author’s work, Penelope Fitzgerald is literary biography at its finest—an unforgettable story of lateness, persistence and survival.

The Bookshop Jun 13 2022 Shortlisted for the Booker Prize. In a small East Anglian town, Florence Green decides, against polite but ruthless local opposition, to open a bookshop.

The Bookshop, The Gate of Angels, The Blue Flower Jan 20 2023 Penelope Fitzgerald, who died in 2000, emerged late in life as one of the most remarkable English writers of the last century. She began her writing career in 1975 at the age of fifty-nine, and over the next two decades she published three biographies, nine novels, and a collection of short stories. Now three of her acclaimed novels are gathered here in one volume. **The Bookshop** is a postwar tragicomedy of manners, set in an isolated seaside town where an enterprising woman opens a bookstore only to find it beset by poltergeists, weather, and hostile townsfolk. **The Gate of Angels** is an Edwardian romance within a novel of ideas: a young doctor devoted to science and to his all-male Cambridge college finds his life and views disrupted by a nurse named Daisy. **The Blue Flower**, which won the National Book Critics Circle Award,

revitalizes historical drama through the story of Novalis, an eighteenth-century German romantic poet and visionary genius, and his unlikely love affair with a simple child-woman. These three novels all display Fitzgerald's characteristic wit, intellectual breadth, and narrative brilliance, applied to an array of traditional forms into which she breathed new life.

The Gate of Angels Feb 21 2023 In 1912, rational Fred Fairly, one of Cambridge's best and brightest, crashes his bike and wakes up in bed with a stranger--fellow casualty Daisy Saunders, a charming, pretty, working-class nurse. So begins a series of complications--not only of the heart but also of the head--as Fred and Daisy take up each other's education and turn each other's philosophies upside-down.

***The Afterlife* Sep 23 2020 From one of the best-loved contemporary novelists, previously uncollected essays on books, writers, places, and the author's own life and works . In this generous, posthumous collection of her literary essays, Penelope Fitzgerald explores what John Milton called the life beyond life of writers -their afterlife in the hearts and minds of readers and in the imaginations of their critics and biographers. Here are Fitzgerald's brilliant introductions to Jane Austen's *Emma* and George Eliot's *Middlemarch* . Here are a marvelously quick-witted literary journalist's reviews of her fellow fiction writers (Brookner, Ishiguro, Amy Tan) and fellow biographers (Holroyd, Karl, Holmes). Here, especially, are extended explorations of minor writers -the authors of**

modest, overlooked, but fully achieved imaginative works—the celebration of which reveals so much about Penelope Fitzgerald's own literary sensibility: the lyric poet Charlotte Mew, the ghost-story writer M. R. James, and the cartoonists and humorists of *Punch*. Rounded out by travel pieces, autobiography, and essays on the craft of fiction, *The Afterlife* is one of the most engaging books about books since Virginia Woolf's *The Common Reader*

The Beginning of Spring Sep 16 2022 Frank Reid is a struggling printer in Moscow. On the eve of the Revolution, his wife returns to her native England, leaving him to raise their three young children alone. How does a reasonable man like Frank cope? The Knox Brothers Jul 02 2021 Here is a biography whose eccentric genius perfectly matches that of its subjects. Innocence Apr 11 2022 Beautiful Chiara is the last of the

Ridolfi, a Florentine family of long lineage and eccentric habits. She is smitten with Salvatore, a brilliant but penniless doctor, a rational man who wants nothing to do with romance. This is the story of how these two--with the best intentions, the kindest of instincts, and the most meddling of friends--make each other wonderfully miserable inside.

Innocence May 12 2022 “A delectable comedy of manners” set in 1950s Florence, by the Man Booker Prize–winning author of *The Bookshop* (The Boston Globe). It’s 1955, and Italy is still struggling a decade after the end of World War II. So are the Ridolfis, a Florentine family of long and fading noble lineage. Like their decrepit villa, they’ve seen better days. Only eighteen-year-old Chiara shows anything like vitality—however impulsive and perilously naïve. Chiara has set her heart and her future on Salvatore Rossi, a brilliant, penniless young doctor and bull-headed son of a Communist, who has erased both politics and romance from his list of priorities. With her plans stymied, Chiara calls on her resourceful and meddling British girlfriend, Barney, to help make an impossible match. Now, out of good intentions and the most innocent of instincts, two guileless friends are going to make a series of astonishingly wrong moves in the name of love. From a winner of multiple major literary awards who was called “the best English novelist of her time” by Julian Barnes, *Innocence* is a novel “not just about Italians in love but of living and loving for all humans” (The Times). “As intoxicating as a shot of aged brandy.” —The Washington Post

***Edward Burne-Jones* May 20 2020 The only complete**

biography in print of this famous contemporary of William Morris, best known as the designer of stained glass and tapestries for Morris and Co.

Penelope Fitzgerald and the Consolation of Fiction Mar 10 2022 Christopher J. Knight's Penelope Fitzgerald and the Consolation of Fiction is a study of the British author Penelope Fitzgerald (1916 – 2000), attending to her nine novels, especially as viewed through the lens both of "late style" (she published her first novel, *The Golden Child*, at age sixty) and, in her words, of "consolation, that is, for doubts and fears as well as for naked human loss." As in Shakespeare's late, religiously inflected, romances, the two concerns coincide; and Fitzgerald's ostensible comedies are marked by a clear experience of the tragic and the palpable sense of a world that verges on the edge of indifference to human loss. Yet Fitzgerald, her late age pessimism notwithstanding, seeks (with the aid of her own religious understandings), in each of her novels, to wrestle meaning, consolation and even comedy from circumstances not noticeably propitious. Or as she herself memorably spoke of her own "deepest convictions": "I can only say that however close I've come, by this time, to nothingness, I have remained true to my deepest convictions—I mean to the courage of those who are born to be defeated, the weaknesses of the strong, and the tragedy of misunderstandings and missed opportunities, which I have done my best to treat as a comedy, for otherwise how can we manage to bear it?" The recipient of Britain's Booker Prize and America's National Book Critics Circle Award, Penelope Fitzgerald's reputation as a

novelist, and author more generally, has grown, since her death, significantly, to the point that she is now widely judged one of Britain's finest writers, comparable in worth to the likes of Jane Austen, George Eliot and Virginia Woolf.

Offshore Oct 17 2022 Penelope Fitzgerald's Booker Prize-winning novel of loneliness and connecting is set among the houseboat community of the Thames and has a new introduction from Alan Hollinghurst. On the Battersea Reach, a mixed bag of the slightly disreputable, the temporarily lost, and the patently eccentric live on houseboats, rising and falling with the tides of the Thames. There is good-natured Maurice, by occupation a male prostitute, by chance a receiver of stolen goods. And Richard, an ex-navy man whose boat, much like its owner, dominates the Reach. Then there is Nenna, an abandoned wife and mother of two young girls running wild on the muddy foreshore, whose domestic predicament, as it deepens, will draw this disparate community together. A novel the Booker judges deemed "flawless," *Offshore* is one of Fitzgerald's greatest triumphs. "A marvelous achievement: strong, supple, humane, ripe, generous, and graceful."—Sunday Times

The Beginning of Spring Aug 15 2022 Man Booker Prize Finalist: This "marvelous novel" about an abandoned husband, set in Moscow a century ago, is "bristling with wry comedy" (Newsday). March 1913. Moscow is stirring herself to meet the beginning of spring. English painter Frank Reid returns from work one night to find that his wife has gone away; no one knows where or why, or whether she'll ever come back. All Frank knows for sure is that he is now alone

and must find someone to care for his three young children. Into Frank's life comes Lisa Ivanovna, a quiet, calming beauty from the country, untroubled to the point of seeming simple. But is she? And why has Frank's bookkeeper, Selwyn Crane, gone to such lengths to bring these two together? From a winner of the National Book Critics Circle Award, this novel, with a new introduction by Andrew Miller, author of *Pure*, is filled with "writing so precise and lilting it can make you shiver" (Los Angeles Times). "Fitzgerald was the author of several slim, perfect novels. *The Blue Flower* and *The Beginning of Spring* both had me abuzz for days the first time I read them. She was curiously perfect." —Teju Cole, author of *Open City*

Human Voices Oct 05 2021 The "human voices" of Penelope Fitzgerald's enchanting novel are those of an eccentric group of broadcasters at the BBC in London during the air raids of World War II. When British listeners tuned in to the Nine O'Clock News in the middle of 1940, they had no idea what human dramas -- and follies -- were unfolding behind the scenes. Targeted by enemy bombers, the BBC had turned its concert hall into a dormitory for both sexes. And, as in any dormitory, romance and intrigue prevailed. At the center of *Human Voices* is the tense relationship between two departmental directors and a surprising love affair with a sixteen-year-old intern named Annie, who has the perfect pitch. Like Fitzgerald's novels *Offshore* and *The Bookshop*, *Human Voices* grew out of her personal experience -- she worked for the BBC during the war, when the station served as a lifeline to the troops and a singular source of truth to the

public. Romantic, ironic, tragic, as only Penelope Fitzgerald can be, *Human Voices* is an unexpected treat for her many American fans.

Lost and Wanted Jan 16 2020 New York Times Best Seller Named a Best Book of 2019 by Vogue and NPR's Maureen Corrigan "Freudenberger's brilliant and compassionate novel takes on the big questions of the universe and proves, again, that she is one of America's greatest writers." --Andrew Sean Greer, Pulitzer Prize-winning author of *Less* An emotionally engaging, suspenseful new novel from the best-selling author, told in the voice of a renowned physicist: an exploration of female friendship, romantic love, and parenthood--bonds that show their power in surprising ways. Helen Clapp's breakthrough work on five-dimensional spacetime landed her a tenured professorship at MIT; her popular books explain physics in plain terms. Helen disdains notions of the supernatural in favor of rational thought and proven ideas. So it's perhaps especially vexing for her when, on an otherwise unremarkable Wednesday in June, she gets a phone call from a friend who has just died. That friend was Charlotte Boyce, Helen's roommate at Harvard. The two women had once confided in each other about everything--in college, the unwanted advances Charlie received from a star literature professor; after graduation, Helen's struggles as a young

woman in science, Charlie's as a black screenwriter in Hollywood, their shared challenges as parents. But as the years passed, Charlie became more elusive, and her calls came less and less often. And now she's permanently, tragically gone. As Helen is drawn back into Charlie's orbit, and also into the web of feelings she once had for Neel Jonnal--a former college classmate now an acclaimed physicist on the verge of a Nobel Prize-winning discovery--she is forced to question the laws of the universe that had always steadied her mind and heart. Suspenseful, perceptive, deeply affecting, *Lost and Wanted* is a story of friends and lovers, lost and found, at the most defining moments of their lives.

Offshore, Human Voices, The Beginning of Spring Jul 14 2022
After publishing her first novel in 1977 at the age of sixty-one, Penelope Fitzgerald (1916-2000) went on to become one of the most remarkable and highly acclaimed English writers of the last century. Each of the three novels gathered here vividly and unforgettably conjures up an entire world. The Booker Prize-winning novel *Offshore* limns the marginal existence of an eccentric assortment of barge dwellers on the Thames in the early 1960s, a group of misfits who are drawn to life on the muddy river in exile from the world of the landlocked. *Human Voices* takes us behind the scenes at the BBC during World War II, as world-weary directors and nubile young assistants attempt to save Britain's heritage and keep Britons calm in the face of a feared German invasion. In *The Beginning of Spring*, a struggling English printer living in Moscow in 1913 is abandoned by his wife and left alone to care for his three young children in the face of the impending revolution. Fitzgerald is a genius of the relevant detail and the deftly sketched context, and these narrative gems are marvels of compassion, wit, and piercing insight.

Three Novels Aug 23 2020 Gathered together for the first time are three of Penelope Fitzgerald's most beloved novels:

The Blue Flower, The Bookshop, and Offshore. The Blue Flower: Chosen by the New York Times Book Review as one of the eleven best books of 1997, this magical novel recounts the curious obsession of the Romantic poet Novalis for his one "true philosophy" -- the plain and simple twelve-year-old Sophie. "A masterpiece. . . How does she do it?" (A. S. Byatt) "Quite astonishing . . . Her greatest triumph" (New York Times Book Review). The Bookshop: In 1959, Florence Green, a kindhearted widow with a small inheritance, risks everything to open a bookshop -- the only bookshop -- in the seaside town of Hardborough. She must contend with a leaky roof, a poltergeist, and, what's more, ruthless opposition from the self-proclaimed first lady of culture, Violet Gamart. "A brilliant little book" (Boston Globe). Offshore: Winner of the Booker Prize, this acclaimed novel features an eccentric cast of characters living in houseboats on the Thames, rising and falling with the great river's tides. "The novelistic equivalent of a Turner watercolor" (Washington Post).

The Blue Flower Dec 19 2022 Romance between the poet Novalis and his fiancée Sophie, newly introduced by Candia McWilliam. The year is 1794 and Fritz, passionate, idealistic and brilliant, is seeking his fathers permission to announce his engagement to his hearts desire: twelve-year-old Sophie.
