**This training circular provides guidance for Army wide
uniformity in the conduct of drill and ceremonies. It
includes methods of instructing drill, teaching
techniques, individual and unit drill, manual of arms
for infantry weapons, and various other aspects of
basic drill instruction. This publication is designed for
use by Soldiers of all military occupational skills, to
include the new Soldier in the initial entry training
environment. Since all situations or eventualities
pertaining to drill and ceremonies cannot be foreseen,
commanders may find it necessary to adjust the
procedures to local conditions. However, with the view
toward maintaining consistency throughout the Army,
the procedures prescribed herein should be followed
as closely as possible. Personnel preparing to give drill
instruction must be thoroughly familiar with Chapters**

3 through 7 before attempting to teach material in Chapters 8 and 9. For ease in distinguishing a preparatory command from a command of execution, the commands of execution appear in BOLD CAP letters and preparatory commands appear in Bold Italic letters. Reference to positions and movements appear in Italics. Army Regulation (AR) 670-1 should be used as a reference for the proper wearing of uniforms and insignia. This publication applies to the Active Army, the U.S. Army National Guard (ARNG)/Army National Guard of the United States (ARNGUS), and the United States Army Reserve (USAR) unless otherwise stated. Perfect Bound. For all services, this is the field manual that every regulation drill team coach needs. It's like taking your service drill and ceremonies manual out with you, but in a much more concise and explanatory tool that fits in your cargo pocket. Complete with space on most pages for instructor notes, just like a lesson plan! Ideal for ROTC, JROTC and all cadet program instructors and coaches! Train your unit using the sound drill and ceremony principles of the American military, specifically enhanced by The DrillMaster for competitive teams. This training is not offered anywhere else. A genuine historical document, written by a former Prussian officer charged with turning George

Washington's demoralized army into an efficient fighting machine, this compendium of military drills and training techniques was the U.S. Army's official "blue book" until 1812. Presented here in a facsimile of its original 1794 printing, it offers a fascinating glimpse into the disciplinary routine of an American soldier in the early years of the Republic. FREDERICK WILLIAM BARON VON STEUBEN (1730-1794) served in the Prussian officer corps for 17 years before circumstances, and the attention of Benjamin Franklin, brought him to America's Revolutionary cause. After successfully reshaping the U.S. military and helping win the war, von Steuben retired to upstate New York.
