Mary Higgins Clark, the Queen of Suspense, crafts a terrifying story of murder and obsession with "a slambam finish" (Los Angeles Times Book Review). When Laurie Kenyon, a twenty-one-year-old student, is accused of murdering her English professor, she has no memory of the crime. Her fingerprints, however, are everywhere. When she asks her sister, attorney Sarah, to mount her defense, Sarah in turn brings in psychiatrist Justin Donnelly. Kidnapped at the age of four and victimized for two years, Laurie has developed astounding coping skills. Only when the unbearable memories of those lost years are released can the truth of the crime come out—and only then can the final sadistic plan of her abductor, whose obsession is stronger than ever, be revealed. Topping her bestselling success with Alvirah and Willy, in The Lottery Winner, America's Queen of Suspense introduces a new sleuthing couple, Henry and Sunday, an ex-president and his young

congresswoman bride. Henry Parker Britland IV is wealthy and worldly -- a beloved former president who, still youthful, is enjoying early retirement. His new wife, Sunday, is beautiful, smart and seventeen years younger than he, and has just been elected to Congress in a stunning upset victory that has made her the darling of the media. Henry and Sunday make a formidable team of sleuths -- and never more so than when they set out to solve crimes occurring among their friends in political high society. When Henry's former secretary of state is indicted for the murder of his mistress, Henry and Sunday suspect he is taking the fall for a crime of passion he did not commit. But why? With cases ranging from a crime on the presidential yacht to a kidnapping that brings Henry back to the White House as he races against time to unravel the plot, there is never a dull moment for the ex-president and his bride -- or the reader. With her wit and gift for characterization, the creator of the popular Alvirah and Willy stories brings us another marvelously endearing sleuthing duo, destined to return again and again. Filled with suspense and humour, HE SEES YOU WHEN YOU'RE SLEEPING is a delightful and warmhearted tale of perseverance, redemption, and love. Always a lover of history, Mary Higgins Clark wrote this extensively researched biographical novel and titled it *Aspire to the Heavens*, after the motto of George Washington's mother. Published in 1969, the book was more recently discovered by a Washington family descendant and reissued as *Mount Vernon Love Story*. Dispelling the widespread belief that although George Washington married Martha Dandridge Custis, he reserved his true love for Sally Carey Fairfax, his best friend's wife, Mary Higgins Clark describes the Washington marriage as one full of tenderness and passion, as a bond between two people who shared their lives -- even the bitter hardship of a winter in Valley Forge -- in every way. In this author's skilled hands, the history, the love, and the man come fully and dramatically alive. The second novel in the "series following *The Cinderella Murder*, featuring intrepid television producer Laurie Moran as she investigates the case of a missing bride. Five years ago Amanda Pierce was excitedly preparing to marry her college sweetheart in a lavish ceremony at The Grand Victoria Hotel in Palm Beach. Then, with their guests and families on site, Amanda disappeared. In present-day New York City, Laurie Moran realizes a missing bride is the perfect cold case for her investigative television series, *Under Suspicion*."-- Neeve Kearny may be the only person in New York worried about the disappearance of Ethel Lambston. Now as an innocent witness in the Lambston investigation, Neeve is drawn into a new nightmare...a sinister labyrinth of greed and ambition that will lead her into mortal danger...
