Last year, Dean Chapman fell in love ... with another man. He's fallen for childhood friend Jay Reid, and as Jay is a kind, loving soul, Dean knows he holds an angel's heart in the palm of his hand. Since they've moved in together, most of their friends and family have been supportive. But the one person who knows just how to wind him up, drop him down, and step all over him is the one woman who should be on their side -- Jay's sister, April. Instead, she's waiting for Dean to fail big time. He's determined to prove her wrong, but only time can do that, and he isn't the most patient of men. Worse, sometimes Dean fears that, despite his resolve, he'll lose the only person who has ever made his heart race. If Dean wants to keep Jay, he has to give himself up to a gay relationship completely, which includes his heart and some rather intimate parts of his body. Jay has total faith in his lover and patience ... plenty of patience. Dean needs time and Jay knows April isn't helping, and she's about to piss him off

one last time. It's their parents' ruby wedding anniversary and they're about to spend the night in a lovely country hotel. Both men are in for a few surprises, not least of which is the four-poster bed Jay's parents have arranged for them. First there's the church blessing to get through, people to meet, the peace to keep, dinner to eat, and an unexpected declaration of love, and that's without throwing the strawberry lube Jay adores into the mix. There's a reason Dean calls his lover Angel, but Jay's thoughts are far from angelic. Can he stop his sister from interfering with his love life? And remember to ask if Dean packed the strawberry lube for the weekend?

Ruff Trouble Apr 29 2021 Shapeshifting police officer Bobby Pooch wants to build a stable life with the woman he loves, but working in the same department with Chantelle and his underlying feelings for Sam makes for a complicated situation, further marred by the inherent threats of their occupation. The job has already left its mark on the human officer, Sam Sanders, his injuries affecting not only his ability to walk but putting him behind a desk and damaging his self-esteem. Little does he know his love for Bobby isn't as requited as he believes and may turn Sam more than husky. Chantelle Shepherd, also a shifter, wants both men to be happy, but that means convincing them of their love for each other and her willingness for the three to form the happy, secure family unit, for which they all yearn. From "Hounding the Beat," they move on to celebrating Christmas with plastic "Mistletoe and Whine," their lives dogged by outside influences which threaten not only the relationships they've fought so hard to form but their very lives, providing them with plenty of "Paws for Thought." Together these three stories leave no doubt Bobby, Chantelle, and Sam are in for Ruff Trouble.

Dying for It Mar 17 2020 Sex and death have always been interrelated. The French describe orgasm as a *petite mort* (the little death). In Shakespearean England, "to die" also meant to have an orgasm. The Victorians believed a man's climax depleted his physical strength and moral resolve and brought him closer to death. Likewise, women's engagement with the sex act equated a loss of vitality. We are as keen on examining how we procreate as we are on examining our demise: put the two themes together, and you have an explosive, daring literary venture into the taboo. *Dying For It: Stories of Sex and Death* satisfies by with an exciting and entertaining variety of textual (and, it is hoped, fictional!) expressional on the two most intimate human acts. Contributors include novelists from across the

literary spectrum: Lauren Henderson, Vicki Hendricks, Adreana Robbins, Tobsha Learner, Niall Griffiths, Lisette Ashton, and the editor, Mitzi Szereto.
