Sunshine Sketches of a Little Town is Stephen Leacock's humorous and affectionate account of small-town life in the fictional town of Mariposa. Written in 1912, it is drawn from his experiences living in Orillia, Ontario. The book is a series of funny and satirical anecdotes that illustrate the inner workings of life in Mariposa—from business to politics to steamboat disasters. The town is populated by many archetypal characters including the shrewd businessman Mr. Smith, the lovelorn bank teller Mr. Pupkin, and the mathematically challenged Rev. Mr. Drone. During his lifetime, Stephen Leacock was very popular in much of the English-speaking world as a writer and humorist. Sunshine Sketches is considered one of his most notable and enduring works. In Canada, the Stephen Leacock Medal for Humour is named in his honour. The medal is an annual award for the best Canadian book of literary humour published in the previous year. This book is part of the Standard Ebooks project, which produces free public domain ebooks. The Sunshine State gets its own alphabet book! Florida, where "B is for Beaches, P is for Pirates, and V is for Vacationers," comes to life with playful, vivid illustrations by Michael Monroe and a conch shell full of fun facts and poems by Florida author and educator Carol Crane. Do you know which city is the state capitol? Which fragrant blossom is the state flower? Learn all this and more with S is for Sunshine: A Florida Alphabet. Set in the future when "firemen" burn books forbidden by the totalitarian "brave new world" regime. This handbook offers a comprehensive transdisciplinary examination of the research and practices that constitute the emerging research agenda in energy democracy. With protests over fossil fuels and controversies over nuclear and renewable energy technologies, democratic ideals have contributed to an emerging social movement. Energy democracy captures this movement and addresses the issues of energy access, ownership, and participation at a time when there are expanding social, political, environmental, and economic demands on energy systems. This volume defines energy democracy as both a social movement and an academic area of study and examines it through a social science and humanities lens, explaining key concepts and reflecting state-of-the-art research. The collection is comprised of six parts: 1 Scalar Dimensions of Power and Governance in Energy Democracy 2 Discourses of Energy Democracy 3 Grassroots and Critical Modes of Action 4 Democratic and Participatory Principles 5 Energy Resource Tensions 6 Energy Democracies in Practice The vision of this handbook is explicitly transdisciplinary and global, including contributions from interdisciplinary international scholars and practitioners. The Routledge Handbook of Energy Democracy will be the premier source for all students and researchers interested in the field of energy, including policy, politics, transitions, access, justice, and public participation. "When Stella does not want to go to bed, she tries all sorts of ways to keep the sun up"-- Eli Bell is the only son of a police chief inspector and a forensic scientist. He's grown up wonky in a world that only deals with the straight and narrow -- and his new boyfriend isn't helping. Rob Hawkes is six feet of muscle, tattoos, and arrest warrants. A career criminal and a former guest of Her Majesty's Prison Service, he'd rather hit Eli's parents than sit down to dinner with them. One wrong move, and Rob could destroy Eli -- and his family -- without a second thought. But this isn't what it looks like. Rob's not in control here -- and Eli's the one to blame. Spend an entire year of discovering God's blessings, and develop a lifetime of gratitude. God loves everyone, and one way He shows His love is through showering us with blessings! Whether it's with parents who love us, warm sunshine, or the ultimate blessing of His Son, Jesus, God's love is everywhere. When kids see that God is the source of all blessings, it reminds them that all gifts truly do come from God. Children will learn to not only see God's blessings in happy days, but to see His loving hand in hard days as well. Developing a habit of giving thanks in all circumstances will lead children to a lifelong spirit of gratitude. Each devotion features Scripture and a bite-sized message that will keep the attention of young minds. Devotions also have a takeaway to help children engage with the message and apply its meaning to their lives. Meets national education standards. Returning home after serving in World War II to run his family business in New York, paratrooper Harry Copeland falls in love with young singer and heiress Catherine Thomas Hale, who risks everything to break off her engagement to another man. By the author of Winter's Tale. (This book was previously listed in Forecast.) 100,000 first printing. Players don't learn the rules of football the first time they play in a match. Before they put on the team kit, they learn the rules and procedures. And they practice for hours, making sure they know what's expected of them. In the same way, kids need to start preparing for the bumpy teenage years before they get there. In A BACKPACK FULL OF STUNNING STORIES, Anne McFarlane supports parents in this task. She uses 366 short stories to focus children on wide-ranging topics that will help them prepare for tough decisions in life. Each devotion is based on a Scripture verse and includes a short activity to help kids remember the message of each devotion. We can no longer ignore the fact that fascism is on the rise in the United States. What was once a fringe movement has been gaining cultural acceptance and political power for years. Rebranding itself as "alt-right" and riding the waves of both Donald Trump's hate-fueled populism and the anxiety of an abandoned working class, they have created a social force that has the ability to win elections and inspire racist street violence in equal measure. Fascism Today looks at the changing world of the far right in Donald Trump's America. Examining the modern fascist movement's various strains, Shane Burley has written an accessible primer about what its adherents believe, how they organize, and what future they have in the United States. The ascension of Trump has introduced a whole new vocabulary into our political lexicon—white nationalism, race realism, Identitarianism, and a slew of others. Burley breaks it all down. From the tech-savvy trolls of the alt-right to esoteric Aryan mystics, from full-fledged Nazis to well-groomed neofascists like Richard Spencer, he shows how these racists and authoritarians have reinvented themselves in order to recruit new members and grow. Just as importantly, Fascism Today shows how they can be fought and beaten. It highlights groups that have successfully opposed these twisted forces and outlines the elements needed to build powerful mass movements to confront the institutionalization of fascist ideas, protect marginalized communities, and ultimately stop the fascist threat. Shane Burley is a writer, filmmaker, and antifascist based in Portland, Oregon. This is the extended and annotated edition including * an extensive biographical annotation about the author and his life Calvin produced commentaries on most of the books of the Bible. His commentaries cover the larger part of the Old Testament, and all of the new excepting Second and Third John and the Apocalypse. His commentaries and lectures stand in the front rank of Biblical interpretation. Our Author has exerted a powerful influence on all succeeding expositors. They have found their interest in listening to his instructions, and have been more deeply indebted to him than is generally known. Many valuable interpretations of passages of Scripture appeared for the first time in his writings, and have ever since been warmly approved. In other cases, the views which had been previously held are placed by him in so strong a light as to remove every doubt, and satisfy the most cautious inquiry. And yet the stores, from which so much has been drawn, are far from being exhausted, nor is their value greatly lowered by improvements which have been subsequently made. The department of History presents an analogous case. Documents which had been overlooked are carefully examined. Conflicting evidence is more accurately weighed. Important transactions assume a new aspect, or, at least, are altered in their subordinate details. Still, there are historians, in whose narrative the great lines of truth are so powerfully drawn, that the feeble, though more exact, delineations of other men cannot supply their place. In the chief moral requisite for such a work Calvin is excelled by none. He is an honest interpreter. No consideration would have induced him to wrest the words of Scripture from their plain meaning. Those who may question his conclusions cannot trace them to an unworthy motive. Timid theologians will be occasionally startled by his expositions. Though they may not absolutely impeach the soundness of his doctrine, they will tremble for the fate of some favorite theory or ingenious argument. With such minds he has no sympathy. He examines the Scriptures with the humility of one who inquires at the oracle of God, (2 Samuel 16:23.) and proclaims the reply with the faith of one who knows that the word of the Lord is tried, (Psalm 18:30.) Hawthorne's early stories were collected in 1837 and published under the title "Twice-Told Tales." They include two of the stories founded on early New England annals, -- "The Gray Champion," based on a tradition of one of the judges of Charles I., and "The Maypole of Merry-Mount," in which Endicott appears as the embodiment of the Puritan spirit. Besides these are the allegories "Fancy's Show Box," "The Great Carbuncle," and "The Prophetic Pictures;" "The Hollow of the Three Hills," one of the typical stories of witchcraft, foreshadowing some of his later and more powerful work; the curious study, "Wake?eld", the popular "Rill from the Town Pump;" the pretty' fantasy, "David Swan," in which the lighthearted boy goes on his pilgrimage unconscious of the shadows of possibilities that have fallen across his sleeping face; the pathetic story of Quaker suffering, "The Gentle Boy;" "Dr. Heidegger's Experiment," - touching a subject which recurs again in "Septimius Felton" and "The Dolliver Romance;" and the light humor of "Mr. Higginbotham's Catastrophe," — thus including almost every class of subject on which he afterward touched, though in all he rose to higher levels in his later work. ' THE ROUGH GUIDE TO JORDAN is the essential handbook to the Middle East's most alluring destination. Features include: Full-colour section introducing Jordan's highlights. Detailed accounts of all the sights and attractions, including the ancient city of Petra, the Red Sea resort of Aqaba and the desert cliffs of Wadi Rum. Up-to-the-minute reviews of the best places to eat, drink and stay - in all price ranges. Practical guidance on experiencing the unspoilt natural environment, from diving in the Red Sea to trekking and wildlife spotting, plus informed background on history, religion, art, politics and nature. Maps and plans for every region. This book celebrates the life and work of scholar-activist Chip Berlet. His contributions over four decades have had

broad-ranging impacts on activists, independent intellectuals, and academics, from think tanks and social movements to generations of scholars. Berlet's work over the decades has covered a wide range of topics, from the Christian Right, armed militias, social movement theory, and white supremacy to conspiracism, civil liberties, and government surveillance. This book features contributions reflecting on many of these topics by leading scholars and activists who have been inspired by his work and example. This book will be of great interest to scholars, students, and activists within anti-racist, anti-fascist, and progressive social movements. The 366 daily devotions in *A MUSTARD SEED* will inspire readers to grow their faith so that they can walk in the fullness of what God has prepared for His children. *You Can Catch Sunshine* is the astonishing true story of Jets wide receiver Don Maynard, a laid-back speedster from a dusty corner of Texas whose unlikely friendship with a brash, young quarterback named Joe Namath resulted in the most unlikely upset in football history: Super Bowl III. A cotton ginner's son whose gentle and understated demeanor made him one of the most unlikely rebels of the 1960s. Maynard was a ninth-round draft choice from a tiny mining school in El Paso, Texas, whose rookie status made him a most unlikely candidate to be the first player to touch the ball in the 1958 Championship game between the Colts and Giants. *Sunshine* struggles with being a vampire and the isolation being a vampire creates. Her powers make contact with human forced and played. They are compliant and absent. The relationship is one way, for there blood only. There is no fear in her life, no love, no contact only blood. Enter Lucas, she saves him. Stops him from being mugged and drives him to the hospital but her curiosity won't let her just leave him there. She wants a relationship with him so she allows there contact to linger longer than she should but being around her drags him into her world of blood. There he is attacked again and Sunshine does what any vampire would do kills and feeds but Lucas doesn't see. It becomes a race between the police and Sunshine to hunt down her attackers and stop them from exposing her to the outside world. The police hunt her, Lucas protects her and finds out her secret but he still wants to be near her, to touch her. And he can, making Sunshine question whether or not she should turn him into a vampire. What lengths will Sunshine go to protect herself, will they push Lucas away making there relationship impossible to have. Will she turn him into the vampire, make him more savage, less human and soft. In these busy days people of all ages and occupations are cramped for time. Discretionary time for reading and devotions is severely limited. *GODMOMENTS FOR MEN* is designed to fit into readers' busy schedules by offering "bite-sized" devotions that can be read in a few minutes only. Often a short thought can stick with you and kick around in your mind in the spare moments of your day. That's what these books are intended to accomplish. *GODMOMENTS FOR MEN* offers devotions with a quick daily burst of inspiration. A thoughtful, down-to-earth, contemporary guide to help partners identify and address relationship-killing behavior patterns in their own lives. Good people can be bad at relationships. One night during his divorce, after one too many vodkas and a call with a phone-in-therapist who told him to "journal his feelings," Matthew Fray started a blog. He needed to figure out how his ex-wife went from the eighteen-year-old college freshman who adored him to the angry woman who thought he was an asshole and left him. As he pieced together the story of his marriage and its end, Matthew began to realize a hard truth: even though he was a decent guy, he was a bad husband. As he shared raw, uncomfortable, and darkly humorous first-person stories about the lessons he'd learned from his failed marriage, a peculiar thing happened. Matthew started to gain a following. In January 2016 a post he wrote—"She Divorced Me Because I left the Dishes by the Sink"—went viral and was read over four million times. Filtered through the lens of his own surprising, life-changing experience and his years counseling couples, *This Is How Your Marriage Ends* exposes the root problem of so many relationships that go wrong. We simply haven't been taught any of the necessary skills, Matthew explains. In fact, it is sometimes the assumption that we are acting on good intentions that causes us to alienate our partners and foment mistrust. With the humorous, entertaining, and counterintuitive approach of *The Subtle Art of Not Giving a F*ck*, and the practical insights of *The 5 Love Languages*, *This is How Your Marriage Ends* helps readers identify relationship-killing behavior patterns in their own lives, and offers solutions to break free from the cycles of dysfunction and destruction. It is must-read for every partner no matter what stage—beginning, middle, or even end—of your relationship. Discover this exquisite region of England with the most incisive and entertaining guidebook on the market. Whether you plan to hike the Cotswolds' trails, marvel at beautiful stately homes and gardens or explore the local gastronomic scene, *The Rough Guide to the Cotswolds, Stratford-upon-Avon and Oxford* will show you the ideal places to sleep, eat, drink, shop and visit along the way. - Independent, trusted reviews written with Rough Guides' trademark blend of humour, honesty and insight, to help you get the most out of your visit, with options to suit every budget. - Full-colour chapter maps throughout- to explore Oxford's honey-coloured college buildings or discover the Shakespearean sights of Stratford-upon-Avon without needing to get online. - Stunning images - a rich collection of inspiring colour photography. Things not to miss - Rough Guides' rundown of the best sights and experiences in the Cotswolds, Stratford-upon-Avon and Oxford. - Itineraries - carefully planned routes to help you organize your trip. - Detailed coverage - this travel guide has in-depth practical advice for every step of the way. Areas covered include: Cheltenham; Gloucester; Stroud; Cirencester; Chipping Campden; Broadway; the Vale of Evesham; Stratford-upon-Avon; Burford; Banbury; Oxford. Attractions include: Blenheim Palace; Gloucester Cathedral; Kelmscott Manor; Westonbirt Arboretum; Cotswold Farm Park; Rollright Stones; Sudeley Castle; Compton Verney. - Basics - essential pre-departure practical information including getting there, local transport, accommodation, food and drink, festivals and events, sports and outdoor activities, shopping and more. - Background information - a Contexts chapter devoted to history and recommended books. Make the Most of Your Time on Earth with *The Rough Guide to the Cotswolds, Stratford-upon-Avon and Oxford* Heartwarming Christmas Novels There is nothing better than cozying up to the fireplace with a good book in hand, a warm drink in your mug, and the twinkling lights of the Christmas tree in the background. The full copy of each of these books is just a click away. This sampler features chapters from... *Annie's Christmas Wish* *The Christmas Quilt* *The Christmas Star* *Wild Goose-Chase* *Christmas A Simple Amish Christmas* *One ImPerfect Christmas* From the Academy Award-winning actor, an unconventional memoir filled with raucous stories, outlaw wisdom, and lessons learned the hard way about living with greater satisfaction. I've been in this life for fifty years, been trying to work out its riddle for forty-two, and been keeping diaries of clues to that riddle for the last thirty-five. Notes about successes and failures, joys and sorrows, things that made me marvel, and things that made me laugh out loud. How to be fair. How to have less stress. How to have fun. How to hurt people less. How to get hurt less. How to be a good man. How to have meaning in life. How to be more me. Recently, I worked up the courage to sit down with those diaries. I found stories I experienced, lessons I learned and forgot, poems, prayers, prescriptions, beliefs about what matters, some great photographs, and a whole bunch of bumper stickers. I found a reliable theme, an approach to living that gave me more satisfaction, at the time, and still: If you know how, and when, to deal with life's challenges - how to get relative with the inevitable - you can enjoy a state of success I call 'catching greenlights.' So I took a one-way ticket to the desert and wrote this book: an album, a record, a story of my life so far. This is fifty years of my sights and seens, felts and figured-outs, cools and shamefuls. Graces, truths, and beauties of brutality. Getting away withs, getting caughts, and getting wets while trying to dance between the raindrops. Hopefully, it's medicine that tastes good, a couple of aspirin instead of the infirmary, a spaceship to Mars without needing your pilot's license, going to church without having to be born again, and laughing through the tears. It's a love letter. To life. It's also a guide to catching more greenlights-and to realising that the yellows and reds eventually turn green too. Good luck. "Scotland Street witnesses the wedding of the century of Angus Lordie to Domenica Macdonald, but as the newlyweds depart on their honeymoon, Edinburgh is in disarray. However, the residents of Scotland Street rally, and order is restored by the combined effects of understanding, kindness, and, most of all, friendship"-- Known for her outstanding performances on the groundbreaking television series *The Good Wife* and *ER*, Julianna Margulies deftly chronicles her life and her work in this deeply powerful memoir. **NAMED ONE OF THE BEST BOOKS OF THE YEAR BY GOOD HOUSEKEEPING** • "At once a tender coming-of-age story and a deeply personal look at a young woman making sense of the world against a chaotic and peripatetic childhood."—Katie Couric As an apple-cheeked bubbly child, Julianna was bestowed with the family nickname "Sunshine Girl." Shuttled back and forth between her divorced parents, often on different continents, she quickly learned how to be of value to her eccentric mother and her absent father. Raised in fairly unconventional ways in various homes in Paris, England, New York, and New Hampshire, Julianna found that her role among the surrounding turmoil and uncertainty was to comfort those around her, seeking organization among the disorder, making her way in the world as a young adult and eventually an award-winning actress. Throughout, there were complicated relationships, difficult choices, and overwhelming rejections. But there were also the moments where fate, faith, and talent aligned, leading to the unforgettable roles of a lifetime, both professionally and personally—moments when chaos had finally turned to calm. Filled with intimate stories and revelatory moments, *Sunshine Girl* is at once unflinchingly honest and perceptive. It is a riveting self-portrait of a woman whose resilience in the face of turmoil will leave readers intrigued and inspired. The most highly regarded resource in financial accounting has been revised and updated to prepare today's students for future career success. The ninth edition of Craig Deegan's *Financial Accounting* features: ? the most recent changes to the IASB Conceptual Framework for Financial Reporting and the Australian Accounting Standards ? a fully revised contents, a refreshed design and pedagogy ? in-depth analysis, comprehensive coverage and detailed Worked Examples ? new Real-world Case Scenarios, examples, boxes and videos linking theory to real-world applications ? new Opening Questions at the start of each chapter with suggested solutions, and revised end-of-chapter Review Questions and Challenging Questions From the author and illustrator of the best-selling *When God Made You* comes a new illuminating message about God's design affirming young readers. 'Let there be light!' that's what God said. And light began shining and then started to spread." Wild and creative illustrations from top children's illustrator David Catrow pair with Matthew Paul Turner's lyrical verse in this message of a God-made light that cuts through darkness to bring vision and hope to all young readers. This light radiates, chasing away the shadows, providing the wonder and fun of stargazing or firefly chasing. Most important, this light appears in each child—an inner God-given spark that grows and will be used to change the world. *The Sunshine Kids* is no ordinary autobiography. Twins Fabio and Rafael Da Silva have seen it all in football - from the favelas of Brazil to the height of the European game with Manchester United. Their performances and contribution to one of the most glittering periods in the club's history cemented their place in the heart of every United fan. Theirs is an incredible journey and story - and, with Wayne Barton ('The pre-eminent writer on Manchester United' - Martin Edwards) the pair tell all. The sheer personality pours from the pages as Rafael's energy shines through in tales of fierce rivalries with Liverpool and Manchester City, and Fabio reveals his battle with anxiety as he sought to establish himself at Old Trafford. From the experience of joining the best team in Europe, to the human aspect and difficulty that comes with it, their familial relationship with Sir Alex Ferguson and their careers since leaving United - you'll discover just why the twins have been adored wherever their football careers have taken them. This is the extended and annotated

edition including * an extensive biographical annotation about the author and his life The Homilies of St. Chrysostom on St. Matthew were undoubtedly delivered at Antioch (see Hom. vii. p. 43) and probably in the latter part of the time during which he preached as a Presbyter. Montfaucon considers his little mention of the sin of swearing a sign of his accomplished some reformation on that point by his previous exertions. In the Homilies delivered from 386 to 388, it is a constant topic; and the Homilies known to belong to that date are so numerous, as scarcely leave room for such a series as the present. These, however, contain very little to mark the period to which they belong. The argument from his reference to dissensions some time gone by, possible those between St. Meletius and Paulinus and Evagrius, in commenting on St. Matt. xxiii. 6. is not very conclusive. A modern reader must sometimes be struck with finding in St. Chrysostom a kind of criticism, which we are apt to think belongs only to later times. His main object, however, is moral, and he searches out with diligence both the meaning and the applications of particular passages, usually concluding with an eloquent exhortation to some special virtue. Some of the most remarkable of these exhortations are on the subject of Alms-giving, which he seems to have pressed with some success at last. His calculation in Hom. lxvi as to what might be done, is somewhat curious. In the end of Hom. lxxxviii. he demands a reformation as the condition of his entering on the controversy with Infidels. In the next Homily he discusses the evidence of the Resurrection with nearly the same arguments as would still be used against an objector. Needing Jesus isn't just for the bad times. We need Jesus every single second of the day. When life is going good, it is easy to forget we need Jesus. When life is overwhelming and hard, we desperately cry out to Him for help. We all crave to be in the middle, and the middle ground is needing Jesus every minute. Through flexible and doable prayers, meditations, and guided journaling this book is a moment-to-moment resources of encouragement to point you back to your reliance on Jesus. This book can be picked up when your soul is weary and overwhelmed to breath truth into you- or you can daily grace these pages to hydrate your soul with truth to maintain the crucial reliance on Christ. You already possess all the tools needed to daily rely on Jesus. This book simply serves as a reminder and action plan to guide you and remind you of what matters the most-Jesus. No matter what season you are in, you will find wisdom and encouragement to face each day with a positive outlook. Three sections include: Pray: Connect with your Father and express your hearts desires and concerns Meditate: Let the truth from the Word soak into your soul to transform your thinking. Renew: Take action steps to constantly renew your mind to not only learn, but live out God's teachings. The history of medicine is much more than the story of doctors, nurses, and hospitals. Seeking to understand the patient's perspective, historians scour the archives, searching for rare personal accounts. Bringing together a trove of more than 400 family letters by Charles Dwight Willard, *Suffering in the Land of Sunshine* provides a unique window into the experience of sickness. A Los Angeles civic leader at the turn of the twentieth century, Willard is well known to historians of the West, but exclusively for his public life as a booster and reformer. Willard's evocative story offers fresh insights into several critical issues, including how concepts of gender, class, and race shape patients' representations of their illness, how expectations of cure affect the illness experience, how different cultures constrain the coping strategies of the sick, and why robust health is such an exalted value in certain societies. A troubled girl named Emma Corbeau begins seeing 'clones' of herself that exist only in the daytime and disappear into ash at nightfall. These different versions of herself lead her on a journey of self discovery and expose the terrible past that she has been hiding for so long. As time grows short, Emma sets out on a journey to piece together her troubled past and become whole once more so that she may stop the coming end of all existence. This Modified eBook version of *The Broadview Anthology of British Literature: Concise Volume B, 3rd edition* omits in-copyright readings that are found in the print book. This ebook is available for purchase in the UK and select international markets. The two-volume *Broadview Anthology of British Literature: Concise Edition* provides an attractive alternative to the full six-volume anthology. Though much more compact, the Concise Edition nevertheless provides substantial choice, offering both a strong selection of canonical authors and a sampling of lesser-known works. With an unparalleled selection of illustrations and of contextual materials, accessible and engaging introductions, and full explanatory annotations, these volumes provide concise yet extraordinarily wide-ranging coverage for British Literature survey courses. New to this volume are Samuel Beckett's *Endgame* and Robert Louis Stevenson's *Strange Case of Dr. Jekyll and Mr. Hyde*; new authors include Dorothy Wordsworth, John Clare, Tomson Highway, Derek Walcott, and Chimamanda Ngozi Adichie. The third edition now also offers substantially expanded representation of Irish, Scottish, and Welsh literatures, as well as contextual materials on Gothic literature, Modernism, and World War II. Material that no longer appears in the bound book may in most cases be found on the companion website; many larger works are also available in separate volumes that may at the instructor's request be bundled together with the anthology at no extra cost to the student. Perfect for fans of *Lizzy Legend* and the *Baseball Genius* series, this quick-paced, heartfelt, and zany novel follows a speedy kid from an unconventional family who will do whatever it takes to win an international track contest. Grant Falloon isn't just good at track; he's close to breaking the world record 100-meter time for his age group. So when the mega-rich *Babblemoney* sneaker company announces an international competition to find the fastest kid in the world, he's desperate to sign up. But not so fast. Nothing's ever that easy with the eccentric Falloon family. Turns out, his non-conformist parents never got him a legal birth certificate. He can't race for the United States, so now if he wants to compete, he may just have to invent his own country. And even if that crazy plan works, winning gold will mean knocking his best friend—and biggest competitor—Jay, out of the competition. As unexpected hurdles arise, Grant will have to ask not only if winning is possible, but what he's willing to sacrifice for it. *Every Quilt Has a Story* Featuring tales of love and loss, hope and faith, tradition and new beginnings, the latest *Quilts of Love* books will delight fiction fans, crafters and quilters, and anyone who loves a good story. Enjoy FREE chapters from eleven titles from popular and bestselling authors Vannetta Chapman, Sandie Bricker, Carla Olsen Gade, Bonnie S. Calhoun, S. Dionne Moore, Angela Breidenbach, Christa Allan, Loree Lough, Jennifer Hudson Taylor, and Jennifer ALee. Like what you read? The full copy of each of these books is just a click away. This sampler features chapters from... *The Christmas Quilt Raw Edges Pattern for Romance Pieces of the Heart A Heartbeat Away A Healing Heart Threads of Hope For Love of Eli Path of Freedom A Wild Goose Chase Christmas Beyond the Storm THE INSPIRATION FOR THE NETFLIX DOCUMENTARY GIRL IN THE PICTURE* Sharon Marshall was a brilliant and beautiful student whose future was filled with promise—until her murderous, fugitive father drew her into a lifetime of deception that became one of the most baffling cases in the annals of American true crime. A student at Forest Park High School near Atlanta, Georgia, popular blonde-haired Sharon Marshall was at the top of her class. Serving as a Lt. Colonel in the ROTC, she earned a full scholarship to Georgia Tech University to study aerospace engineering. She was the ultimate girl next door, sweet, generous, and well-adjusted. But Sharon had disturbing secrets so shocking and unique, they took more than a decade to unravel... This is the horrifying true story of a mysterious young woman caught in the violent web of the murderous fugitive she called her father—and a heartrending testament to the profound courage and perseverance of one woman trapped in the grip of extreme evil. The beloved star of *Friends* takes us behind the scenes of the hit sitcom and his struggles with addiction in this candid, funny, and revelatory memoir that delivers a powerful message of hope and persistence. 'Hi, my name is Matthew, although you may know me by another name. My friends call me Matty. And I should be dead.' So begins the riveting story of acclaimed actor Matthew Perry, taking us along on his journey from childhood ambition to fame to addiction and recovery in the aftermath of a life-threatening health scare. Before the frequent hospital visits and stints in rehab, there was five-year-old Matthew, who travelled from Montreal to Los Angeles, shuffling between his separated parents; fourteen-year-old Matthew, who was a nationally ranked tennis star in Canada; twenty-four-year-old Matthew, who nabbed a coveted role as a lead cast member on the talked-about pilot then called *Friends Like Us*. . . and so much more. In an extraordinary story that only he could tell - and in the heartfelt, hilarious, and warmly familiar way only he could tell it - Matthew Perry lays bare the fractured family that raised him (and also left him to his own devices), the desire for recognition that drove him to fame, and the void inside him that could not be filled even by his greatest dreams coming true. But he also details the peace he's found in sobriety and how he feels about the ubiquity of *Friends*, sharing stories about his castmates and other stars he met along the way. Frank, self-aware, and with his trademark humour, Perry vividly depicts his lifelong battle with addiction and what fuelled it despite seemingly having it all. *Friends, Lovers, and the Big Terrible Thing* is an unforgettable memoir that is both intimate and eye-opening - as well as a hand extended to anyone struggling with sobriety. Unflinchingly honest, moving, and uproariously funny, this is the book fans have been waiting for. In early June, 1964, the Benevolent Home for Necessitous Girls burns to the ground and its vulnerable residents are thrust out into the world. The orphans, who know no other home, find their lives changed in an instant. Arrangements are made for the youngest residents, but the seven oldest girls are sent on their way with little more than a clue or two to their past and the hope of learning about the families they have never known. On their own for the first time in their lives, they are about to experience the world in ways they never imagined. Bestselling authors Kelley Armstrong, Vicki Grant, Marthe Jocelyn, Kathy Kacer, Norah McClintock, Teresa Toten and Eric Walters teamed up to create this series of linked YA novels. Readers can discover all seven Secrets in any order in this thrilling collection. This collection includes the seven following titles: *The Unquiet Past Small Bones A Big Dose of Lucky Stones on a Grave My Life Before Me Shattered Glass Innocent This 'Bee The Sunshine In Someone's Life - Let Your Light Shine - Matthew 5:15'* Christian notebook features beautiful graphics of sunflowers and honey bees.
