Robert Newcomb's dazzling debut trilogy, *The Chronicles of Blood and Stone*, introduced readers to the strange and wondrous land of Eutracia. Now, in *Savage Messiah*, the first volume in a sweeping new trilogy of magic, romance, and adventure, Newcomb returns to the world of his epic saga, unlocking fresh secrets and startling surprises. With the demise of his evil half brother, Wulfgar, Prince Tristan restored peace to Eutracia . . . or

so he thought. But the Orb of the Vigors was damaged in the climactic battle, and now the powerful artifact is bleeding magical energy and cutting a swath of death and destruction across the kingdom. Tristan can heal the wounded Orb, but not until his enchanted blood is returned to normal. Only then will the powers of the Vigors be his to command. Unfortunately, the secret of reversing the enchantment is lost. Even worse, Wulfgar is neither dead nor defeated. Ensnared in his fortress across the Sea of Whispers, Tristan's hideously scarred half brother plots with the Heretics, the otherworldly masters of the Vagaries. With their aid, Wulfgar has grown even stronger in the dark arts. Now, with powerful demonic servants and weapons of dire potency, Wulfgar sets forth to complete the destruction of the Orb . . . and to avenge himself on the Chosen Ones. Preceding him, he sends a brotherly greeting: a cunning assassin with orders to dispatch Eutracia's ruling council. Tristan and his trusted allies—the wise wizards Wigg and Faegan, the beautiful pirate Tyranny, and, dearest of all, his beloved Celeste—embark on a desperate quest to cleanse his blood. It is a journey that will lead from the Sea of Whispers to distant Parthalon to the mysterious Well of Forestallments, and it will change everything the Chosen Ones think they know about themselves and their destiny. If they should fail, the Orb will perish, and with it, the Vigors. As for success, it may prove more costly still. . . . 15,000 first printing. When you need to get rid of a Presidential candidate, you need THE SILVER BEAR. Columbus, the most respected and feared hitman in the criminal underworld, has killed many times using many weapons, including his bare hands. An assassin at the top of his profession, immune to the pressure of his chosen life, gliding silently beneath the view of law enforcement, he is what the Russians call a Silver Bear. When Columbus takes the contract on a congressman running for President, he discovers that his quarry is tied to his own mysterious past. Soon, he's fighting to stay alive - and to make sure his target does not . . . Here David Eddings continues his bestselling *The Malloreon*, taking the quest across a strange continent and among stranger peoples struggling over the religion of a dead God. A story of ancient, opposing Destinies, battling for control of all men. Zandramas had stolen King Garion's infant son and fled to use the child in some ritual that would make the Dark Destiny supreme. Garion and his friends had followed, but now they were captives of Zakath, Emperor of Malloreon, who, while friendly, stubbornly refused to let them leave. Meanwhile, a horde of demons was ravaging the cities through which they must travel. Zandramas was escaping further toward her goal. And the Seeress of Kell revealed that they must

be at the ancient palace of Ashaba within a matter of days or Zandramas would win by default. Then a horrible, fatal plague struck the city of Mal Zeth, closing it against all traffic in or out. Videssos was beset by enemies abroad and had fallen into decadence at home. But on his first night in the imperial capital, The Empire's health mattered less to Krispos than finding a dry place to sleep. Driven by crushing taxes from the farm where his family had lived—and died—Krispos had come to the city seeking what fortune a good mind and a strong back could earn. He had a single goldpiece to his name—the gift, years past, of a nomad chieftain to a ragged peasant boy. Now, though the night was raw and the inn was warm, he was loath to spend that coin, for the barbarian had claimed it carried magic. Keep his lucky goldpiece or trade it for a warm, dry bed? Krispos tucked the coin away and stepped back into the wet streets—all unaware that so simple a choice would lead to a world of peril and possibility. . . . Epic fantasy found an exhilarating new voice in Robert Newcomb, whose monumental debut novel, *The Fifth Sorceress*, was hailed by readers and critics alike. And now, for all those spellbound by the tale of Prince Tristan, heir to the throne of Eutracia, his twin sister Princess Shailiha, the ancient wizard Wigg, and the fate of their enchanted land, there is indeed more—much more—to be told. . . . For three centuries, Eutracia was a kingdom at peace, ruled by a benevolent monarchy and guided by a council of wizards. But a horror from the past, long believed vanquished, returned with devastating fury. And when the battle against the bloodthirsty Sorceresses of the Coven was finally won, victory was not without its price. Now, the royal palace lies in ruins; the king and queen, the royal guard, and the Directorate of Wizards are dead; the land is lawless; and Prince Tristan—forced by the Coven to murder his father, the King—is a wanted man. In a cavernous underground labyrinth, once headquarters of the wizards' council, Tristan has taken refuge with his sister, Shailiha, her infant daughter, the wizard Wigg—the lone

surviving member of the Directorate—and the crippled wizard Faegan, returned from self-imposed exile in the forest of Shadowood. Together they face the daunting task of restoring order to Eutracia and winning back the allegiance of her subjects. But suddenly, even these challenges pale beside a truly terrifying turn of events. The sacred jewel that is the source of all magic has inexplicably begun to lose its power. Without its age-old enchantment to sustain their spells, the immortal wizards will perish . . . and magic will vanish from Eutracia forever. At the same time, a mysterious and ruthless mercenary has declared a bounty upon the head of Prince Tristan. And an army of wizards on a mission to rid Eutracia of monsters created by the Coven has fallen prey to an insidious breed of creatures—beings that can only have sprung from forbidden use of malevolent magic. With time and their powers dwindling, Wigg and Faegan desperately seek to discover who, or what, has succeeded the dead Sorceresses in laying siege to Eutracia. But when the shocking truth is revealed, and an evil that transcends life itself is made known, it is Tristan, more than any other, who will be stunned to his very soul. And it is Tristan who will be thrust into the ultimate battle—for his life, his land, and the course of his destiny. In his witty first novel for young readers, New York Times best-selling author Jasper Fforde introduces fifteen-year-old Jennifer Strange, who runs an agency for underemployed magicians in a world where magic is fading away. But when visions of the death of the world's last dragon begin, all signs point to Jennifer—and Big Magic. L.E. Modesitt, Jr.'s *The Magic of Recluce* begins his bestselling fantasy series the *Saga of Recluce*, which is one of the most popular in contemporary epic fantasy. Young Lerris yearns

to find a place in the world better suited to his skills and temperament. In Recluce this means taking one of two options: permanent exile from Recluce or the dangergeld, a complex, rule-laden wanderjahr in the lands beyond. Many do not survive. Lerris chooses dangergeld. Lerris will need magic in the lands beyond, where the power of the Chaos Wizards reigns unchecked, and he must learn to use his powers in an orderly way before his wanderjahr, or fall prey to Chaos.

The spellbinding fantasy that began with *The Fifth Sorceress* and *The Gates of Dawn* continues... Tristan and his twin sister, Shailiha, are the Chosen Ones, long prophesied to unite the opposing magics of the dark Vagaries and the benevolent Vigors. With the destruction of the Gates of Dawn, it would appear that the ravaged kingdom of Eutracia has been given the chance to cleanse itself, to heal - and the Chosen Ones the opportunity to fulfil their destiny under the tutelage of wizards Wigg and Faegan. But Fate would have it otherwise. For there is another who unknowingly possesses magic in his blood - a magic that, in the wrong hands, could unleash unspeakable evil. To find this unsuspecting soul and understand the threat that now faces them, the Chosen Ones and their allies begin a quest that takes them deep into the mysterious Chambers of Penitence and then across the Sea of Whispers to the sacred

Isle of Sanctuary. They are not alone in searching. Krassus, devoted servant of the Vagaries, has dispatched ships of demonic slavers to scour the coast of Eutracia, taking captive men and women and bringing them to the island fortress of the Citadel, where evil dreams take the form of living nightmares. Aided by Tyranny, a pirate as fierce as she is beautiful, Tristan and his sister must destroy the demonslavers' fleet and rescue the ill-fated pawn of magic, now imprisoned in the Citadel. For Krassus seeks to awaken the magic in this one's blood and imbue him with dark enchantments from the mysterious Scrolls of the Ancients - transforming him into an instrument of evil the likes of which the world has never known... and will not long survive. With the aid of King Mandanbar, Princess Cimorene rescues the dragon Kazul and saves the Enchanted Forest from a band of wicked wizards. In *The Fifth Sorceress*, Robert Newcomb conjures a time and place wrought with exquisite detail, characters vividly drawn and deeply felt, and a history rich in glory and horror, splendor and secrets. . . . "We gave them a chance once, long ago. . . . We offered to share power equally, and in peace. But they refused and chose war. With them it was all or nothing. Wizard against Sorceress. Male against female. Light against dark." It is more than three centuries since the ravages of a devastating war nearly tore apart the kingdom of Eutracia. And as the coronation approaches, the spirit of celebration fills every heart. Except one. Prince Tristan is a reluctant monarch-to-be. Though born with the "endowed" blood that will give him the power to master magic, and destined by tradition to succeed his father as ruler, he is a rebel soul. And when he discovers the ancient, hidden caves where strange red waters flow—possessed of their own

mysterious magic—it only makes him yearn all the more to escape his future of duty . . . and succumb to the stirrings of enchantment within him. But more than tradition compels Tristan to ascend the throne. The very existence of Eutracia depends upon it. For after these long centuries of peace, dreadful omens have begun to appear, heralding something too unspeakable to ponder. And if indeed the old evil has returned, hungry to wreak vengeance, Tristan's role in an ages-old prophecy must be fulfilled—or the cost to his kingdom and his people will be beyond imagination. It will be a battle like none ever known, against an enemy whose thirst for blood and domination is depthless and unyielding. And for Tristan, it will be the ultimate challenge: facing an adversary whose greatest weapon is the person he loves most—transformed into the instrument of his annihilation . . . and the catalyst that will doom Eutracia forever to darkness.

Christopher Sinclair goes out for a walk on a mild Arizona evening and never comes back. He stumbles into a freezing winter under an impossible night sky, where magic is real -- but bought at a terrible price. A misplaced act of decency lands him in a brawl with an arrogant nobleman and puts him under a death sentence. In desperation he agrees to be drafted into an eternal war, serving as a priest of the Bright Lady, Goddess of Healing. But when Marcius, god of war, offers the only hope of a way home to his wife, Christopher pledges to him instead, plunging the church into turmoil and setting him on a path of violence and notoriety. To win enough power to open a path home, this mild-mannered mechanical engineer must survive duelists, assassins, and the never-ending threat of monsters, with only his makeshift technology to compete with swords and magic. But the gods and demons have other plans. Christopher's fate will save the world... or destroy it. With one simple myth, nations burned. A year had passed since Ben Holiday bought the Magic Kingdom from the wizard Meeks, who had set a series of pitfalls against him. Ben survived, by the aid of three loyal friends: Questor Thews, and ill-trained wizard; Abernathy, a talking dog, the Court Scribe; and the lovely Willow, who sometimes had to be a tree. But Ben had been troubled by dreams of disaster to his former partner, Miles Bennett. Yet when he returned to Earth, Ben found Miles doing splendidly. Unknown to Ben, the dreams had been a trap by Meeks, who had returned to the Magic Kingdom as a tiny insect hidden in Ben's clothing. That first night back in Landover, Ben awoke to see Meeks gloating over him, claiming to have the medallion that could summon the mysterious knight-protector, the Paladin, and that he had cast a spell to witch appearances with Ben. Ben found himself outcast, no longer recognized by any friend, though all his powerful enemies seemed to know him. Without the medallion, he couldn't seek the help of the Paladin against Meeks. Horris Kew, conjuror and confidence-trickster, has returned to the Magic Kingdom of Landover, and a chorus of disapproval immediately assaults Ben Holiday's ears. Both Questor Thews, the Court Wizard, and Abernathy, the Court Scribe (currently, magically transformed into a dog) urge Ben to lock him up or exile him. Fair as ever, Ben decides to consider the problem rather than act immediately. Alas, this leads to disaster, for Horris's return is not what it seems, and Ben soon finds himself in deadly peril. Willow, holds the means to save him. But Willow has disappeared on a mysterious mission of her own . . . While Lara's son Prince Taj is well loved by the people of Terah, he is too young to rule, so Lara must obey Magnus's dying command and govern in his stead. Yet some in Terah still believe that a female must never wear the crown...and Lara and her children will face old enemies who are not finished with their schemes for revenge.
