**The Bird King** Apr 17 2020 One of NPR's 50 Best Science Fiction and Fantasy Books of the Decade: A fifteenth-century palace mapmaker must hide his powers in the time of the Inquisition . . . Award-winning author G. Willow Wilson's debut novel *Alif the Unseen* was an NPR and Washington Post Best Book of the Year and established her as a vital American Muslim literary voice. Now she delivers *The Bird King*, an epic journey set during the reign of the last sultan in the Iberian peninsula at the height of the Spanish Inquisition. Fatima is a concubine in the royal court of Granada, the last emirate of Muslim Spain. Her dearest friend, Hassan, the palace mapmaker and the one man who doesn't leer at her with desire, has a secret—he can draw maps of places he's never seen and bend the shape of reality. When representatives of the newly formed Spanish monarchy arrive to negotiate the sultan's surrender, Fatima befriends one of the women, not realizing that she will see Hassan's gift as sorcery and a threat to Christian Spanish rule. With their freedoms at stake, what will Fatima risk to save Hassan and escape the palace walls? As the two traverse Spain with the help of a clever jinn to find safety,

*The Bird King* asks us to consider what love is and the price of freedom at a time when the West and the Muslim world were not yet separate. I did not choose this fate. But I will not walk away from it. Children have been disappearing from across Menaiya for longer than Amraeya ni Ansarim can remember. When her friend's sister is snatched, Rae knows she can't look away any longer—even if that means seeking answers from the royal court, where her country upbringing and clubfoot will only invite ridicule. Yet the court holds its share of surprises. There she discovers an ally in the foreign princess, who recruits her as an attendant. Armed with the princess's support, Rae seeks answers in the dark city streets, finding unexpected help in a rough-around-the-edges street thief with secrets of his own. But treachery runs deep, and the more Rae uncovers, the more she endangers the kingdom itself. Praise for Intisar Khanani's *Thorn*: "Set in a dark and dangerous world. Well-written and dramatically told, teens will find much to love in a novel in which the princess grows to become a force to be reckoned with." —School Library Journal (starred review) "Khanani beautifully crafts Alyrra's quiet but clear journey of self-definition." —Bulletin of the Center for Children's Books (starred review) [Memories of Ash](#) Oct 16 2022 In the year since she cast her sunbolt, Hitomi has recovered only

a handful of memories. But the truths of the past have a tendency to come calling, and an isolated mountain fastness can offer only so much shelter. When the High Council of Mages summons Brigit Stormwind to stand trial for treason, Hitomi knows her mentor won't return—not with Arch Mage Blackflame behind the charges. Armed only with her magic and her wits, Hitomi vows to free her mentor from unjust imprisonment. She must traverse spell-cursed lands and barren deserts, facing powerful ancient enchantments and navigating bitter enmities, as she races to reach the High Council. There, she reunites with old friends, planning a rescue equal parts magic and trickery. If she succeeds, Hitomi will be hunted the rest of her life. If she fails, she'll face the ultimate punishment: enslavement to the High Council, her magic slowly drained until she dies.

**Anna K** Sep 22 2020 A national indie bestseller! Meet Anna K: every happy teenage girl is the same, while every unhappy teenage girl is miserable in her own special way... At seventeen, Anna K is at the top of Manhattan and Greenwich society (even if she prefers the company of her horses and dogs); she has the perfect (if perfectly boring) boyfriend, Alexander W.; and she has always made her Korean-American father proud (even if he can be a little controlling). Meanwhile, Anna's brother, Steven, and his girlfriend, Lolly, are trying to weather an sexting scandal; Lolly's little sister, Kimmie, is struggling to recalibrate to normal life after an injury derails her ice dancing career; and Steven's best friend, Dustin, is madly (and one-

sidedly) in love with Kimmie. As her friends struggle with the pitfalls of ordinary teenage life, Anna always seems to be able to sail gracefully above it all. That is...until the night she meets Alexia "Count" Vronsky at Grand Central. A notorious playboy who has bounced around boarding schools and who lives for his own pleasure, Alexia is everything Anna is not. But he has never been in love until he meets Anna, and maybe she hasn't, either. As Alexia and Anna are pulled irresistibly together, she has to decide how much of her life she is willing to let go for the chance to be with him. And when a shocking revelation threatens to shatter their relationship, she is forced to question if she has ever known herself at all. Dazzlingly opulent and emotionally riveting, *Anna K: A Love Story* is a brilliant reimagining of Leo Tolstoy's timeless love story, *Anna Karenina*—but above all, it is a novel about the dizzying, glorious, heart-stopping experience of first love and first heartbreak.
