Getting fired and humiliated in front of everyone at my newly acquired secretarial job at Morgan Financial Holdings wasn't how I'd seen my day going. And then chaos—or maybe luck—ensured. I was set up on a blind date, shocked that my former boss was giving me a month's severance, and had the perfect interview lined up. Maybe things were looking up for me after all. And although finding a man should have been on the bottom of my to-do list, I couldn't get Jason—the uber sexy blind date—out of my head. Sexy and confident—or maybe arrogant—he had me yearning for more with just a smoldering look and a smirk of his lips. But when a night of drinking leads to getting in bed with him and having the wildest, most intense night of my life, I didn't know if I should ask to see him again, or do the good old walk of shame. And it's when I walk into my interview the next day and come face-to-face with my prospective employer that the reality of my situation sinks in. Because there, sitting across from me with that devilish smile on his face, that knowing expression of what we'd done the night before, is the one and only Jason, my supposedly one-night stand. Looked like my humiliation wasn't over just yet. The all-new scorching sequel to Beautiful Bastard! A charming British playboy. A girl determined to finally live. And a secret liaison revealed in all too vivid color. Escaping a cheating ex, finance

whiz Sara Dillon's moved to New York City and is looking for excitement and passion without a lot of strings attached. So meeting the irresistible, sexy Brit at a dance club should have meant nothing more than a night's fun. But the manner—and speed—with which he melts her inhibitions turns him from a one-time hookup and into her Beautiful Stranger. The whole city knows that Max Stella loves women, not that he's ever found one he particularly wants to keep around. Despite pulling in plenty with his Wall Street bad boy charm, it's not until Sara—and the wild photos she lets him take of her—that he starts wondering if there's someone for him outside of the bedroom. Hooking up in places where anybody could catch them, the only thing scarier for Sara than getting caught in public is having Max get too close in private. You've heard of these groups - the secretive ones that only the crème de la crème are invited into, the ones outsiders speculate about for centuries - I'm the second in my family invited to attend, but to them, I'm fresh meat. New blood. New money, too. They think they'll elbow past me, that I'm here for their amusement, for them to walk all over, they'll find out soon enough that I'm not. I may look like one of them, with my designer bags and clothes straight from the Parisian runways, but I'm not. I'm here for answers, to take revenge for blood spilled on their centuries-old Persian rugs. I transferred here in search for answers about what happened to my older brother, who hightailed out of here, and my friend who seemingly disappeared into thin air. I certainly wasn't here for the attention of the star hockey player, regardless of how much he willed my eyes his way. I wasn't here for his scrutiny or his judgment or to read into his mysterious aura. I was here for the society, because only they held the answers I needed. That was, until I found out that in order to get those answers, I needed to go through him. He's saying if I want in, I have to play by their rules, follow their lead. It's a game I'm willing to play. I

may be the second person I know of to be invited into their society, but I'll be the first to make it out intact. \*This is a complete standalone novel\* Unforgettable My name is Tate. And all my life I have kept secrets. The type of secrets that haunt your dreams at night. I wake up hating the world, and I go to sleep knowing that the memories of my past will visit me-remind me that I once was weak and a coward. I'll never be that man again. But there is one person who has always made me think there may be more to life than hatred and revenge. Missy fills me with hope. But hope is what makes you weak, makes you think you can be better, and it's a lie. But what I didn't know was that she has nightmares of her own-because of me. For the first time in my life, I want to save someone. But how do I save her when I can't even save myself? \*\*\* Unpredictable I'm known for being an asshole. It suits me. I'm that guy who jokes about love and how settling down is overrated. Why would a guy ever fall for one woman when he can have as many as you want? Makes no sense to me. But if being a cop has taught me anything, it's that life is unpredictable. And that is exactly what Katherine is. I question my sanity on a daily basis because of that woman. Sometimes, she makes me want to keep her to myself, and other times, she makes me want to jump off a cliff just to get away from her. What's that saying? Boy meets girl and the rest is history ... Well, those who fuck with what is mine will become history. Welcome to my world. The world of Parker O'Hare. \*\*\* Also included are the novellas Unforeseen, Unchangeable, and Unimaginable, which continue each couple's story. I'm a sinner with no regrets. I'm a man with no shame. I'm a lover with no soul. What am I? You're a loner with no friends. You're a beggar with no place to go. You're a face with no name. Who are you? It doesn't really matter what I am or who you are. Everyone has sin in common. But I pride myself on doing it better. Through the eyes of another, I am envied. If they only knew the wrath I have endured. Greed can be a motherfucker, but it is what makes us strive to be better. Lust can make you burn, but without it you would freeze to death. Some of us are a glutton for punishment and want to feel the pain that reminds us we're still alive rather than overcome by sloth. The lure of these seven deadly sins is like an

addiction. And I intend to indulge in each of these unforgivable sins. Those that truly know August Greenfield, will tell you that I live my life to the fullest. Work hard as part of the team at Jameson Force Security but play just as hard at The Wicked Horse Vegas. I have no regrets about my life. Well, maybe just one. Leighton Hale was my first love and the woman I wanted to spend my life with, but one day she was just gone. Vanished without a trace. Even my extensive contacts as part of the team at Jameson left me empty-handed in my search for answers. My single remorse is never being able to find out what happened to her, because no matter how difficult the truth may be, it can't be as bad as never knowing at all. Ten years later, a knock on my front door brings me face-to-face with the woman I thought I'd never see again and nothing in my life could have prepared me for the secrets she holds. - Harloe Rae, USA Today Bestselling author. From USA Today and Washington Post bestselling author L.J. Shen comes a new, standalone romance about first loves, betrayal and loss. Not all love stories are written the same way. Ours had torn chapters, missing paragraphs, and a bittersweet ending.

Luna Rexroth is everyone's favorite wallflower. Sweet. Caring. Charitable. Quiet. Fake. Underneath the meek, tomboy exterior everyone loves (yet pities) is a girl who knows exactly what, and who, she wants—namely, the boy from the treehouse who taught her how to curse in sign language. Who taught her how to laugh. To live. To love.

Knight Cole is everyone's favorite football hero. Gorgeous. Athletic. Rugged. Popular. Liar. This daredevil hell-raiser could knock you up with his gaze alone, but he only has eyes for the girl across the street: Luna. But Luna is not who she used to be. She doesn't need his protection anymore. When life throws a curveball at All Saints' golden boy, he's forced to realize not all knights are heroes. Sometimes, the greatest love stories flourish in tragedy.

ASHLYN It was supposed to be a vacation. Five whole days on the beach with my best friend before we made the move from Seattle to New York. I never expected to meet a man who would make me change the way I saw love and sex. I've always believed you can have one without the other. So, when I hooked up with a one-night stand while on vacation, I never expected him to be standing in the middle of my hotel room hours later. Proclaiming to be my best friend's brother.

him for one night. It took me a day to understand that he was gonna want more. I've always had the means to buy anything I want. Too bad, she is priceless. I've always believed in love. But I'm selfish. I want more ... But can he give it to me? Or when this gets hard, does he walk away? I don't want him. I can't do this. That's what my ex said after our son was born, leaving me a single dad. These days, my world consists of two things: Noah and my bar. Until her—the woman I want—but can never have. Now hear the story from his lips: unbarred, uncensored, and raw to the bone. It makes me laugh when I hear folks think Molly and I rushed into it too fast, spouting that we couldn't possibly have felt what we did for each other in such a short space of time. I say, how the hell would they know? We made it, didn't we? She became my whole life, didn't she? And as for my folks not being real, being true? Tell that to me aged ten, eleven, twelve—damn, all my bastard life—when I was never enough, when I was beaten until I bled for being too good at football and not being everything they'd dreamed: the perfectly dutiful son. Tell that to thousands of kids around the world getting wailed on by asshole parents for whatever stupid reason; tell them evil don't exist in their eyes. Fuck Romeo and Juliet. This is the story of me and my girl, from my lips. No mushy sentiment, no cheese, just the plain, hard truth, and, because I'm feeling generous, I'm going to let you in on more of our story too. you? Both of us were sinners. She was hell-bent on revenge, and I was determined to let her have it. She was a beautiful sin that alone would be my damnation. And for her, I was willing to dig my own grave. She took what little pride I had left and made me look like a fool. I lusted for a taste of her darkness, for it was the same color as mine. I envied the way she was able to say no, as if she really meant it. I will endure the wrath of having her no matter the cost of my greed. But I have always been a glutton for punishment without any propensity of sloth. She became my obsession and like any other drug, she took all the pain away but brought me to a new level of low. Too bad falling in love with her brought on a different kind of hell that I wasn't sure we would live through. We were both running from a past that was going to tear apart our future. What I thought was going to be a beautiful beginning turned out to be a torturous end. She might be an omega, but who says she needs to follow every dust-covered tradition? She would rather work on her studies than count male abs. Particularly when those abs belong to three of her uncle's most intimidating enforcers. Unfortunately, her uncle is also the Alpha, the pack leader. And he has too many unmated males to deal with. Still, Leah refuses to solve the Alpha's 'problem'. Particularly not when she learns that her fated mate is her childhood tormentor - and he wants to mate her with two of his friends.. ————— "Mating the Omega" is a steamy hot Dubcon Reverse Harem Erotic Wolf Shifter Romance. It wasn't a great success. Her mind seemed to be constantly churning on how she could avoid her fate. But so far, no good ideas had come forward. She needed to calm down. That would help her mind work more efficiently. But even a long, warm shower had failed to calm her nerves. She dried her hair and got dressed. Taking some comfort in doing what she always did in the morning. There had to be a way out of this mess. Some miracle that would restore her life to normal and wake her up from this nightmare. As she left the bathroom, Leah heard her mother call from the story below her. "Leah?" "Yes?" "There's someone here to see you." "Who?" "Come down

and see for yourself, dear." Leah had a strong suspicion who it might be. Taren. Otherwise, her mother would have said so. She had briefly told her mother what her uncle had ordered her to do. Her mother had seemed relieved, but she hadn't nagged about it. Instead, she had kept her questions to a minimum, as if she sensed Leah was too shocked to want to talk about it. In fact, she didn't even want to think or talk about the mating. She wanted to forget the whole thing. But the people around her wouldn't forget. Particularly not if her so-called mate would become a frequent visitor to her house. Leah heard muttered voices coming from the living room as she moved closer. Fearing the meeting, yet it was better to know. She stood in the doorway and looked inside. At the same time, they stopped talking and turned their attention to her. Even if she had moved silently, it felt like she had barged in. Leah stiffened when she saw Taren wasn't the only visitor. Three large men towered over her mother. Each of them so large and broad, their living room suddenly felt tiny. Their faces turned to her. Leah felt their eyes scan her entire body from top to toe. As if they were weighing her, judging her. ————— Whenever wolf shifter Roni Axton is near Marcus Fuller, there's a crackle of sexual awareness that's intoxicating ... and deeply annoying. I should have walked away that day at the race track. I should have turned my back on Dash and all the feelings I started to have for him. He lied to me. He was keeping secrets from not only my father but me as well. But I couldn't. There were too many unanswered questions that I needed to know and he promised to tell me. But promises are made to be broken, right? I lied. Not because I needed to but because I could. Tabatha was smart, though. She is gonna figure out sooner or later that who I am and who she thinks I am are two very different people. She deserves the truth. But how do I know what the truth is anymore?
