An essential jumbled sentence workbook geared towards helping parents, teachers and tutors teach this difficult section of the 11+ verbal reasoning section, and to provide quality practice for students aged 9-10 years. This book is designed for children who have had no experience at completing jumbled

sentences, and is therefore split into two sections. The first section introduces the skills required to complete a jumbled sentence, without an extra word. The second section focuses on completing jumbled sentences that include an extra word. The exercises increase in stages of difficulty, up to and beyond the expected 11+ standard for children aged 9-10 years. Each exercise also provides an example of how to complete the subsequent questions. This book features over 250 CEM-style quality questions that will aid in boosting children's confidence in sentence formation, vocabulary and grammar skills. Just as the 11+ grammar tests are performed under timed conditions, these activities are all designed to be completed within a recommended limit of 10 minutes. This workbook includes a complete set of answers and tips on how to improve timing and efficiency.
