"A grand tour of the world's great tattoos"--Atlas Obscura "This book--part global art historical tome, part coffee-table book of visual wonders--is a valuable corrective to many silly things that we assume about tattooing."--The New Republic A lavishly illustrated global exploration of the vast array of styles and most significant practitioners of tattoo from ancient times to today Tattoo art and practice has seen radical changes in the 21st century, as its popularity has exploded. An expanding number of tattoo artists have been mining the past for lost traditions and innovating with new technology. An enormous diversity of styles, genres, and techniques has emerged, ranging from geometric blackwork to vibrant, painterly styles, and from hand-tattooed works to machine-produced designs. With over 700 stunning color illustrations, this volume considers historical and contemporary tattoo practices in Europe, the Americas, the Middle East, North and Sub-Saharan Africa, Asia, Australia, and the Pacific Islands. Each section, dedicated to a specific geographic region, features fascinating text by tattoo experts that explores the history and traditions native to that area as well as current styles and trends. The World Atlas of Tattoo also tracks the movement of styles from their indigenous settings to diasporic communities, where they have often been transformed into creative, multicultural, hybrid designs. The work of 100 notable artists from around the globe is showcased in this definitive reference on a widespread and intriguing art practice. Fire-breathing dragons. Elegant floral bands. Exquisitely detailed Mehndi graphics. This collection of 125 beautiful Asian images features some of today's most popular body art designs. Includes three versions of each tattoo — in black-and-white outline, solid drawing, and full color — so it's a great resource for tattoo artists and designers alike. This is a staggering volume of thousands of examples of the celluloid acetate stencil, an essential tool in the history of tattooing. Mythical creatures, angels and devils, anchors and other nautical symbols, and more abound in stencil form, the classic tracing method that has only increased exponentially in popularity since the rough days of crude materials and callused hands. Before Thermofax(TM) and numbing cream, tattooists had to hone their tracing skills perfectly--and clients had to hope for the best. Over time artists would ask sailors and dock workers to let them trace remarkable tattoos they got at other ports, effectively inventing design replication. Today tattoo artists use tattoo stencils to transfer designs onto wood, quilts, and even cabinets. A worthy companion to Flash from the Bowery: Classic American Tattoos, 1900-1950, this volume continues to ignite the curiosity of American history and tattoo buffs. For thousands of years, people have engaged in ritualistic marking of the skin to identify themselves as a member of a tribe, of a lineage, of a mindset, or of a subculture. The ancient art of tattooing is a tradition we carry on to this day. While the past 10 years have seen no shortage of books about tattoos and tattooing, most are best described as "idea books." Until now, none have profiled the world's most renowned artists across a variety of styles. This book explores this most basic form of self-expression by showcasing the studios and work of 18 of the world's top tattoo artists, including Suluape Angela (San Diego), Aaron Bell (Seattle), Bugs (Los Angeles), Mo Capoletta (London), Madame Chan (Brussels), Daniel DiMattia (Liege), Durga (Jakarta), Gakkin (Kyoto), Horiyu (Costa Mesa), Henning Jorgensen (Copenhagen), Rory Keating (San Diego), Brent McCowan (Carinthia), Maneko (Brasilia), Keone Nunes (Oahu), Noon (New York/London/Berlin), Sua Suluape Petelo (Sydney), Te Rangitu (Waipapa), and Simon & Eddie (Hartama). Each chapter profiles the artist in the context of where he or she fits into the overall tradition of tattooing, while the photos showcase not only the art but also the artists and their workspaces. Larger than life - a fable, a Greek tragedy, a comedy, a melodrama - the Tony Award-winning *The Rose Tattoo* is a valentine from Tennessee Williams to anyone who has ever been in love. In the midst of her anger and grief over news that her late husband had been unfaithful, Serafina delle Rose is courted by a Sicilian truck driver who has the virile body of her husband and the face of a clown - his name, Mangiacavallo, means "eat a horse" in Italian. Teary-eyed, he declares, "I am a human being that drives a truck for bananas." His clumsy flirting unlocks Serafina's fiery passion, wit and eventually, her capacious love. Leah Howland is a survivor. And a deserter. After three numbing years, she has forsaken her husband and escaped to mythical Ireland where a stalker leaves her calling cards that are eerie and increasingly gruesome. Shadowed by the legend of the warrior hero Cúchulainn and preyed upon by her own escalating imagination, Leah finds her escape is turning into a virtual prison of chilling mind-games and cold-hearted crimes. Whether they graphically depict an individual's or a community's beliefs, express the defiance of authority, or brand marginalized groups, tattoos are a means of interpersonal communication that dates back thousands of years. Evidence of the tattoo's place in today's popular culture is all around--in advertisements, on the stereotypical outlaw character in films and television, in supermarket machines that dispense children's wash-away tattoos, and even in the production of a tattooed Barbie doll. This book explores the tattoo's role, primarily as an emblem of resistance and marginality, in recent literature, film, and television. The association of tattoos with victims of the Holocaust, slaves, and colonized peoples; with gangs, inmates, and other marginalized groups; and the connection of the tattoo narrative to desire and violence are discussed at length. Forty years after the disappearance of Harriet Vanger from the island owned and inhabited by the Vanger family, her uncle hires journalist Mikael Blomqvist and hacker Lisbeth Salander to investigate, in a tale retold in graphic novel format. The art of the Japanese tattoo has fascinated people across the world for decades, but in Japan they are taboo since traditional full body tattoos are associated with the Japanese mafia - the Yakuza. *Yakuza Tattoo* offers a unique insight into the dragons, fish and gods that form the identity of the Yakuza. While the motifs are inspired by the structure of the organisation, Japanese history and mythology, younger members tend to add a contemporary touch to their body art. Andreas Johansson visited the homes of members of the Yakuza, documenting Yakuza symbols and body art. "Based on historical records, including the letters and diaries of Oatman's friends and relatives, *The Blue Tattoo* is the first book to examine her life from her childhood in Illinois including the massacre, her captivity, and her return to white society - to her later years as a wealthy banker's wife in Texas."--BOOK JACKET. "This collection of amazing photos attests to the high level of artistic achievement and technical ability of the Polynesian people today, as well as nonislanders who have been heavily influenced by the art of the Pacific."---Ed Hardy --Book Jacket. Packed with illustrations, this book celebrates the art of the tattoo. It includes tattoo designs that all specially drawn for the book range from traditional motifs hearts, sailors, girls, skulls, roses to more elaborate compositions with a contemporary edge. Bailey Morgan isn't the type of girl who shows a lot of skin, but somehow, she ends up in a dressing room at the mall with her friend Delia applying a temporary tattoo to her lower back. Never one to suffer fashion doubt, trendsetter Delia knows exactly where she wants her own tattoo: on her stomach, right where her shirt ends—can you say "midriff"? Annabelle, the quiet one, chooses the back of her neck, and tomboy Zo plasters hers on the top of her foot. The tattoos will last for three days, and Delia's sure that with them, the four friends will absolutely kill at the school dance. Unfortunately, killing is just what someone has in mind, and Bailey, Delia, Annabelle, and Zo are in for the battle of their lives. Along with her tattoo, each girl receives a gift—a supernatural power to help them in their fight. As Bailey's increasingly frightening dreams reveal the nature of their enemy, it becomes clear to the girls that it's up to them to save the world. And if they can get Delia to stop using her newfound power to turn gum wrappers into Prada pumps, they might actually stand a chance. The most comprehensive book yet on this unique art form. Whether flaunted or hidden, sought as art or curiosity, the tattoo has left its mark on generations. From its beginnings as a pagan ornament to today's popular body art, this book takes an intriguing look at the world of tattoos. 150 photos. Discusses the history, social aspects, and styles of tattoos, outlines the process of getting a tattoo, and explains how to care for one afterwards. American tattoo master Sailor Jerry Collins of Hawaii is best known for his remarkable tattoo designs, blending the fluidity of Asian motifs into classic American tattoo imagery. Here is a sizeable portion of Sailor Jerry's stencils, spanning from the 1940s to the 1970s, and including pin-ups, roses, bluebirds, hearts and banners and Jerry's infamous military/political cartoons. The value of the stencils is included, with descriptions of stencils and their usage, and a glossary of tattoo terminology. "A book about 'the sins of the fathers.' . . . A gritty, troubling book."—The Honolulu Advertiser "The other Hawai'i, the one tourists never get to see."—Ian MacMillan Ken Hideyoshi is the new guy in Halawa Correctional Institute. He's tough looking, a hard case, observes his cellmate Cal—the mute tattoo artist of the prison, a wife murderer. SYN, a gang symbol, is tattooed on his hand, and he has a Japanese emblem inscribed on his left shoulder. He asks Cal for a tattoo on his back, in kanji script, of Musashi's Book of the Void. While he is being worked on, he tells Cal his life story, a tale of hardship and abuse. Motherless, he was raised by a distant father, a Vietnam War veteran, in the impoverished hinterlands. In his teen years he hung out with the native Hawaiian gangs and was drawn into the Hawaiian-Korean underworld of strip bars and massage parlors. His ambition and proud samurai spirit seem, inevitably, to lead to his downfall. Chris McKinney is of Korean, Japanese, and Scottish descent. He was born in Honolulu and grew up in Kahaluu. He portrays the native Hawaiian experience from the inside, where children of mixed ethnicity grow up far from the clear water and pristine beaches of the rich visitors' resorts. Between these pages are images of the original acetate rubbings from Charlie Wagner's turn of the 20th century tattoo shop, The Black Eye Barbershop, in the Bowery at Chatham Square in New York. This is the only known art that has survived from this shop, where Samuel J. O'Reilley's modern-day electric tattoo machine was born and patented. The imagery of this classic flash preserves the origins of American tattoos, when tattoo art was transferred to the client from these templates via an acetate stencil. Everything was done by hand until O'Reilley's electrified tattoo machine changed history. This rich heritage of folk art has more than 900 individual pieces of flash that provide commentary on the shop's clientele and reveal some of the social, economic, and political ideas of the time. Including nautical themes, Asian imagery, flowers, boxers, circus characters, and plenty of girls, this is an exciting collection of early American flash and a necessary book for the tattoo artist, aficionado, and student. Color ninety-two of the wildest and most interesting tattoo art pieces in this fun coloring book! In this fun coloring book, teens can color ninety-two different styles of tattoos throughout history, such as Polynesian Tribal, Horimoto (Japanese traditional), Celtic, American Traditional, and much more! Included are works from some of the history's most famous tattoo artists, such as George Burchett-Davis, Hori Chiyo, Tom Riley, Sutherland MacDonald, and Sailor Jerry Collins. Also included is information on famous artists and popular styles, a timeline of tattoo art, and a glossary of terms. Megan Massacre, one of the most popular tattoo artists and reality TV stars with starring roles in TLC's NY Ink and America's Worst Tattoos, brings her wildly popular art style to a coloring book. Tattoo artist Megan Massacre invites adult coloring book fans into her whimsical world of sugar skulls, sailing ships, mermaids, owls, and more. Now you can add your own bold, vibrant colors to her signature edgy and artistic tattoo designs--and tear each perforated page out for display! Modern-day passion, tangible tradition, and striking creativity: trace how tattooing continues to evolve in the follow up to Forever. Featuring some of the most important contemporary tattoo artists who are making cutting-edge graphics, typography, and customized artistic masterpieces. Tatt Book: Visionaries of Tattoo is a unique collection of the designs of the most creative contemporary tattoo artists from around the world. These contemporary tattooists are, first and foremost, artists creating tattoo designs inked on the human body as well as works for galleries and personal collections. Curated by the renowned artist JK5 and including work from over twenty distinguished artists, such as Stephanie Tamez, Mike Giant, and Scott

Harrison, Tatt Book explores the intricate customized body art and also the artwork these "inking" geniuses do outside the tattoo studio. This will be an indispensable reference catalogue for type forms, illustration, fine art, and design in a time where tattoos are a mark of personal creativity and individuality. As the proprietor of the legendary Sea Tramp Tattoo Company, in Portland, Oregon, Jeff Johnson has inked gangbangers, age-defying moms, and sociopaths; he's defused brawls and tended delicate egos. In *Tattoo Machine*, Johnson illuminates a world where art, drama, and commerce come together in highly entertaining theater. A tattoo shop is no longer a den of outcasts and degenerates, but a place where committed and schooled artists who paint on living canvases develop close bonds and bitter rivalries, where tattoo legends and innovators are equally revered, and where the potential for disaster lurks in every corner. Picking up where *Bushido: Legacies of the Japanese Tattoo* left off, join Horiyuki as she studies the art of Japanese tattooing with Master Horiyoshi III. Jill "Horiyuki" Mandelbaum takes you on a very candid firsthand account of her exploration. Follow her through text and over 270 color photographs into the studios and home of Horiyoshi as well as the shrines and temples of Japan. Offering a bold, new, and very Western perspective to studying the Japanese tattoo, this book is a must have for anyone interested in tattoo arts and cross-cultural study. With a foreword by Takahiro "Horitaka" Kitamura, this book also features never before published photos of tattoos by Horiyoshi III. Packed with stunning illustrations, this unique coloring book celebrates the art of the tattoo. The tattoo designs – all specially drawn for the book – range from traditional motifs – hearts, sailors, girls, skulls, roses – to more elaborate compositions with a contemporary edge. A perfect gift book that will appeal to anyone who loves tattoo imagery – or is looking for inspiration for their next piece of body art. Tattoo artist Megan Massacre presents a beautiful collection of her best work, with instructive how-to and inspiration for both professional tattoo artists as well as tattoo aficionados. With a personal behind-the-scenes peek into the making of a tattoo, from concept to execution, plus fan favorite tattoos and tattoo cover-ups, this approachable, full-color paperback will feature everything Massacre has learned over the years. Part idea sourcebook, part tattoo opus, this is an art book that tattoo fans will be eager to read and display. A bestselling author-illustrator duo join forces to create a modern father-son love story. The father tells his little son the story behind each of his tattoos, and together they go on a beautiful journey through family history. There's a tattoo from a favorite book his mother used to read him, one from something his father used to tell him, and one from the longest trip he ever took. And there is a little heart with numbers inside—which might be the best tattoo of them all. Tender pictures by New York Times bestselling illustrator Eliza Wheeler complement this lovely ode to all that's indelible—ink and love. From Phil Hansen, renowned multimedia artist whose TED Talk "Embrace the Shake" is inspiring individuals around the world to overcome their limitations and express themselves creatively, comes this entertaining and witty guide to turning everyday objects into art. Using items that include a piece of toast, a plastic bag, or even just your own fingerprints, this fun and captivating guide will inspire you to get creative. Whether you want to jumpstart, rediscover or further your creative pursuits, this book will help you build your creative muscles by experimenting with the unexpected. Once you tattoo a banana, print on marshmallows, or mold a Mona Lisa sugar cookie, you'll definitely be curious about what else is possible. #1 NATIONAL BESTSELLER • The thrilling first book in the Millennium series featuring Lisbeth Salander: "Combine the chilly Swedish backdrop and moody psychodrama of a Bergman movie with the grisly pyrotechnics of a serial-killer thriller, then add an angry punk heroine and a down-on-his-luck investigative journalist, and you have the ingredients of Stieg Larsson's first novel" (The New York Times). Harriet Vanger, a scion of one of Sweden's wealthiest families disappeared over forty years ago. All these years later, her aged uncle continues to seek the truth. He hires Mikael Blomkvist, a crusading journalist recently trapped by a libel conviction, to investigate. He is aided by the pierced and tattooed punk prodigy Lisbeth Salander. Together they tap into a vein of unfathomable iniquity and astonishing corruption. Two orphaned sisters, one Pentecostal, one wild, must raise each other and themselves in the mountains of post-WWII Kentucky. A collection of themed designs for tattoos. Things for Kayla progress from bad, as in being told her computer grades disqualify her from an art scholarship, to worse, when she refuses to accept an identification bar code tattoo on her seventeenth birthday. Sleek, stealthy, and powerful, sharks are among the most awesome creatures in the sea. Super, Strong Tattoo Sharks features 50 temporary tattoos of astonishing sharks from the tiny dwarf lanternshark to the giant, plankton-eating whale shark, plus cool facts about each fearsome fish. Easy to apply with a damp cloth, these tattoos promise lots of fun — and learning — for shark lovers! Stizzo, the proud owner of Best of Times Tattoo, presents the best work to come out of his famous parlor in Milan, Italy, in the form of beautiful flash, and provides an intimate look into the house artists in action. At turns exotic, religious, and cryptic, but always classy, highly detailed, and distinct, their work and their legacy could spark a new generation of artists who care about tradition and aren't afraid to push their skills to the limit. Showcased on textured paper, the vibrant, iconographic art and bold designs look just as outstanding on artificial surfaces as they would on skin. Enthusiasts and ambitious tattoo artists who hope to imitate these remarkable samples will appreciate the hard work and dedication that goes into Stizzo, Max Brain, and Pellico's craft, which they can catch a glimpse of—at the drawing board and in the studio—in arresting black and white and color photography. Say "body modifications" and most people think of tattoos and piercings. They associate these mainly with the urban primitives of the 1980s to today and with primitive tribes. In fact, as this fascinating book shows, body mods have been on the scene since ancient times, traceable as far back as 1.5 million years, and they also encompass sacrification, branding, and implants. Professor John Rush outlines the processes and procedures of these radical physical alterations, showing their function as rites of passage, group identifiers, and mechanisms of social control. He explores the use of pain for spiritual purposes, such as purging sin and guilt, and examines the phenomenon of accidental cuts and punctures as individual events with sometimes profound implications for group survival. *Spiritual Tattoo* finds a remarkable consistency in body modifications from prehistory to the present, suggesting the importance of the body as a sacred geography from both social and psychological points of view. "After Franklin commits a horrific crime and is sent to a special lab for rehabilitation, only Jeremy believes that Franklin might actually be better...but when crimes start up again in their small town, Jeremy begins to wonder if evil can ever truly be quelled"-- There are nearly as many reasons for getting a tattoo as there are people who have them. Contents include: The History of Tattoos What Is Going On Today With Tattoos How do Tattoo Artists Make Tattoos? Temporary Tattoos Tattoos Vs. Other Body Art The Costs of Tattoos Not Just for Bikers Anymore The Meanings of Flower Tattoos Popular Tattoo Designs What Are Tattoo Cover Ups Who Is Most Likely To Get Tattoos? Getting Tongue Tattoos Variations In Tattoos Choosing a Good Tattoo Parlor Celebrities and Their Tattoos Application Techniques of Tattoos Are Tattoos an Addiction? Qualities of a Good Tattoo Artist Questions to Ask Your Tattoo Artist Psychology Related to Tattoos Picking Your Perfect Tattoo Design Why Men Like Tribal Tattoos Innovative Tribal Designs Men and Women Tattoo Design Ideas Women Foot Tattoo Designs Why Women Like Ankle Tattoos Women and Lower Back Tattoos Minimizing the Pain of Tattoos How to Care for a New Tattoo Tattoo Removal The evolution of tattoo art in America is spread before you in 265 impressive original tattoo flash sheets and insightful text written by a tattoo artist who has designed on his own since 1960. Military, religious, figural, animal, and nature themes are displayed among the many hundred designs. Changes in tattoo art over the years is shown as well as the trend today to return to earlier designs. Individual artists are listed, along with others who altered designs. This book will be an endless source of inspiration, for those who are passionate about tattoo art.
