Consiglieri Aug 23 2020 The key to success lies in getting to the top, right? Wrong. Not everyone can be in charge but, more importantly, not everyone should want to be. Richard Hytner, Deputy Chairman of Saatchi & Saatchi, thinks it's time to celebrate the second-in-commands, the consiglieri: from Merlin, to Al Gore, Rasputin to Machiavelli. These are the deputies, the Vice Presidents, the C-suite, the department heads - lieutenants, advisers, and counselors - whose influence determines the fate of boardrooms, corporations, and nations. While supremacy comes with drawbacks and influence, authority and power can be found in much more interesting places than the CEO's chair. Consiglieri: Leading from The Shadows brings together historical examples from Harry Hopkins to William Seward, conversations with contemporary second-in-commands like Tony Blair and Sir Alex Ferguson, and unique insights into Stalin, JFK, and Winnie the Pooh. A mirror for contemporary 'No. 2's' and a theoretical map for future consiglieri, the book traverses an array of powerful advisers from the White House to the Vatican, across international business, sports, and entertainment, as well as citing provocative research from psychology and academia.

[The Twits](#) Feb 21 2023 From the bestselling author of Charlie and the Chocolate Factory and The BFG! Mr. and Mrs. Twit are the smelliest, nastiest, ugliest people in the world. They hate everything—except playing mean jokes on each other, catching innocent birds to put in their Bird Pies, and making their caged monkeys, the Muggle-Wumps, stand on their heads all day. But the Muggle-Wumps have had enough. They don't just want out, they want revenge.

Quentin Blake: In the Theatre of the Imagination Nov 18 2022 Quentin Blake is one of the foremost illustrators of the twentieth century. Perhaps best known for his collaboration with Roald Dahl on books such as The Giraffe and the Pelly and Me, The Twits and Matilda, he is cherished by young and old alike, throughout the world. Yet his work has not attained 'fine art' status. Should it be considered so? How does Blake's background in education inform his work? And what is the interrelation between the work he makes and the life that he leads? Distinguished curator Ghislaine Kenyon has spent a great deal of time with Blake during the last decade and a half and in Quentin Blake In the Theatre of the Imagination she provides a profound insight into an extraordinary man and a truly remarkable body of work. Kenyon has known Quentin Blake since 1998, and worked with him on staging a jointly curated exhibition 'Tell Me A Picture' in the year of Blake's tenure as Children's Laureate (1999-2000). She followed Blake during the years in which he continued to work 'off the page' producing work for hospitals in Angers and Paris and staging major exhibitions around the world, collaborating with him both in an administrative and curatorial capacity. But what Kenyon has observed, during a number of years of working alongside him, and sharing a friendship, is that Blake's work is necessarily intertwined with his life. His life informs his wonderful illustrations and his artwork in turn informs his life - a life which is extremely private, mysterious and full of complexities and ambiguities. Kenyon and Blake share a background in teaching, and this interest informs Blake's connection to what educationists call 'learning and teaching' but which could also be termed simply education. A shared enthusiasm for education brought Kenyon and Blake together and informs the projects both the artist and curator now work on, aiming to reach children and adults in new ways and provide new experiences. With exceptional insight into Blake's oeuvre and his life, Ghislaine Kenyon has produced not merely a biography, but a critical view of the artist's work. Quentin Blake: In the Theatre of the Imagination is a fitting tribute to Quentin Blake's journey and his great legacy - the delightful illustrations to over 300 books, several written by him, paintings, prints and sculptures - and the contribution he has made to art education and the lives of so many different people.

Early Bird Special Jan 28 2021 Forsyth sat on the step of the parking lot office reading the Monday morning newspaper. The same little tombstone notice had appeared in the paper three times now, just like clockwork. He wasn't given to reading the paper's legal notices, but a news clipping containing a foreclosure notice on the lot had been mailed to Harry by Fidelity Union Bank a few weeks earlier, and he'd opened it by mistake. Since then, he'd located it in the paper and read it for himself every week. He was fascinated to see his brother's name in the paper amidst all that legal jargon. It wasn't often that anything about his family was worthy of print. The last time was his father's obituary. It seemed that the occasions were always sad ones. But then, so was just about everything else in the newspaper. According to the notice, an auction of the lot would take place on the steps of the county courthouse a week from Tuesday at nine thirty. The public was invited to attend and submit bids. He could go. He was a member. As a matter of fact, the public was the only group he

belonged to.

Roald Dahl's the Twits Jan 20 2023 Mr and Mrs Twit are not very nice. In fact they're extremely nasty. They're nasty to each other, and they're VILE to everyone else. This revolting revolution was first performed at the Royal Court Theatre, London, in April 2015.
