Her photograph—one of the most unforgettable images of the twentieth century—was seen around the world and helped turn public opinion against the Vietnam War. This book is the story of how that photograph came to be—and the story of what happened to that girl after the camera shutter closed. Award-winning biographer Denise Chong's portrait of Kim Phuc—who eventually defected to Canada and is now a UNESCO spokesperson—is a rare look at the Vietnam

Sonichu #0 is the first issue of Christian Weston Chandler's magnum opus. At this initial stage, the comic was almost entirely about Sonichu and Rosechu, although bits of Chris's life still managed to find their way in. The "hand-drawn premiere issue" is a special zero issue. In the comics industry, zero issues are used as either a sales-enhancing gimmick (Image Comics is a notable user of this) or a special preview of work that will not truly begin until issue #1. Given that it previews nothing, which one Chris was going for is probably the former, though given that it's not legally able to be sold, it fails even that. The comic consists of Sonichu's first three adventures. In "Sonichu's Origin", the core cast of the series is introduced as Sonichu and Rosechu are created. Then, in "Genesis of the Lovehogs", the two protagonists meet and immediately fall in love. Finally, in "Sonichu vs. Naitsirhc", our yellow hero does battle with his first real villain, who but foreshadows the challenges awaiting the hedgehogs in the following issue. Bonus material in Sonichu #0 includes various advertisements for imaginary Sonichu products, "classic" Sonichu comic strips drawn outside of the narrative of the main comic book, and the first "Sub-Episode". Struggling with her lack of baking skills despite belonging to a culinary family, 12-year-old Lily forms a band and auditions for her school's annual Spring Fling at the same time she helps her friend create a mouthwatering dessert for an upcoming party. By the author of It's Raining Cupcakes. Twelve-year-old Sophie is excited to have the opportunity to audition for a television commercial until she learns the company is Beatrice's Brownies, the biggest competitor to her best friend's family's cupcake shop. Includes recipes for chocolate treats. "Lauren is the new girl in town with a dark secret. Colby is the football hero with a dream of something more. An epic case of mistaken identity puts a teen looking for a hookup on the run from both the FBI and a murderous cult in this compulsively readable thriller. !--EndFragment-- Finding himself alone in a posh New York City hotel room for the night, Aidan does what any red-blooded seventeen-year-old would do—tries to hook up with someone new. But that lapse in judgement leads him to a room with a dead guy and a mysterious flash drive . . . two things that spark an epic case of mistaken identity that puts Aidan on the run—from the authorities, his friends, his family, the people who are out to kill him—and especially from his own troubled past. Noble's Most Anticipated LGBTQAP YAs of the year 11 New YA Books to Get Excited About (Pure Wow) 29 New LGBTQ+ YA Books To Add To Your Reading List (Pride.com) Inspired by a true story of girl empowerment, acclaimed author Lisa Schroeder's new novel explores trust, self-worth, and speaking up -- especially when you're told to keep quiet. Very good friends, her poetry notebooks, and a mysterious "ninja of nice" give 17-year-old Rae the strength to face her mother's neglect, her stepfather's increasing abuse, and a new boyfriend's obsessiveness. Lisa and Sol board the luxury ocean liner St. Louis in Hamburg, Germany on May 13, 1939. Lisa and her family are in first class; Sol and his parents are below in tourist class. Both children have mixed feelings -- they're excited to be beginning this voyage to a better life, but sad to be leaving their old lives behind. They are Jewish, as are almost all of the 937 passengers on board, and although war has not been officially declared in Europe, the Nazis have been persecuting Jews for years. As the ship sets sail for Cuba, the atmosphere is optimistic. The passengers feel fortunate to have been able to buy landing permits, and their German captain, Gustave Schröder, is determined to get them to safety. The captain's voice alternates with Sol and Lisa's, revealing the details they didn't know. As Hitler's propaganda machine turns Cuba against them, the mood on board changes to despair. The St. Louis and its Jewish passengers are turned away -- first from Cuba, then the United States, and then Canada. This was the tragic true history of the St. Louis. Denied entry from port after port, the captain was forced to return his passengers to Europe, where many died in the Holocaust. Through the eyes of Sol and Lisa -- both of whom survived the war and shared their experiences with Kathy Kacer -- we see the injustice and heartbreak that were caused by the prejudice and ignorance of so many. Robyn Schneider's *The Beginning of Everything* is a witty and heart-wrenching teen novel that will appeal to fans of books by John Green and Ned Vizzini, novels such as *The Perks of Being a Wallflower*, and classics like *The Great Gatsby* and *The Catcher in the Rye*. Varsity tennis captain Ezra Faulkner was supposed to be homecoming king, but that was before—before his girlfriend cheated on him, before a car accident shattered his leg, and before he fell in love with unpredictable new girl Cassidy Thorpe. As Kirkus said in a starred review, "Schneider takes familiar stereotypes and infuses them with plenty of depth. Here are teens who could easily trade barbs and double entendres with the characters that fill John Green's novels." Funny, smart, and including everything from flash mobs to blanket forts to a poodle who just might be the reincarnation of Jay Gatsby, *The Beginning of Everything* is a refreshing contemporary twist on the classic coming-of-age novel—a heart-wrenching story about how difficult it is to play the part that people expect, and how new beginnings can stem from abrupt and tragic endings. Strange things are happening in Maya's tiny Vancouver Island town. First, her friend Serena, the captain of the swim team, drowns mysteriously in the middle of a calm lake. Then, one year later, mountain lions are spotted rather frequently around Maya's home—and her reactions to them are somewhat . . . unexpected. Her best friend, Daniel, has also been experiencing unexplainable premonitions about certain people and situations. It doesn't help that the new bad boy in town, Rafe, has a dangerous secret, and he's interested in one special part of Maya's anatomy—her paw-print birthmark. Girl meets boy. Girl loses boy. Girl gets boy back... ..sort of. Ava can't see him or touch him, unless she's dreaming. She can't hear his voice, except for the faint whispers in her mind. Most would think she's crazy, but she knows he's here. Jackson. The boy Ava thought she'd spend the rest of her life with. He's back from the dead, as proof that love truly knows no bounds. But inside she discovers something truly amazing a letter written during World War II, from a young girl to her sister who's been evacuated from London. The letter includes a "spell" for bringing people closer together: a list of clues leading all through the city. Each stop along the way adds up to magic. Phoebe is stunned. Not only has she found a priceless piece of history, the letter is exactly what she needs -- she's also separated from her sister, though not by distance. Alice leaves for university soon, but in the meantime, she wants nothing to do with Phoebe. They used to be so close. Now that Phoebe has this magical list, maybe she can fix everything! The New York Times bestselling author of *Next Level Basic* and fan-favorite alumna of Bravo's *Vanderpump Rules* returns with the definitive *Basic Bitch* handbook for surviving your rock-bottom moments. The year 2020 was going to be the best year of Stassi's life. Besides getting engaged and feeling like she was on top of the world career-wise, she bought her first house and was planning her dream Italian wedding. The future showed so much freaking promise—until it all went to hell. Stassi may not be perfect—she may have made some (major) mistakes—but she does feel like she has some insight (and plenty of hilarious tales) about getting knocked up, called out, and learning from what went wrong. Through stories, confessions, illustrations, and plenty of self-reflection and self-deprecation, this new book goes behind the scenes and addresses the experience of getting cancelled, getting that positive pregnancy test, and saying “I do” in the backyard instead of in Italy. Stassi won't hold back about her transformation from proud basic bitch to... proud basic bitch who has a deeper appreciation for what's really important in life: love, relationships, mutual respect, and, okay fine, an Aperol spritz and some showtunes when you need them most. Stassi hopes her story will help others see the light at the end of the tunnel in their own lives and make them laugh along the way. She writes about the importance of having a good cry (at work, in the shower, in your closet), ways to navigate social media responsibly (sometimes that means logging the eff off when crowds are chanting, “OFF WITH HER HEAD”), how to practice self-care when wine is not an option, and how not to become a Bridezilla—plus she'll offer tips on marrying your f*ckboy, embracing pregnancy sweats (both cashmere sweats and night sweats), and styling baby OOTDs. So roll up your bedazzled sleeves...or the sleeves of the tattered robe you've been wearing nonstop because you're at rock bottom; grab a cocktail; and let your favorite (more evolved) basic bitch take you on a wild ride inside the bumpiest year of her life. The owner of *Mother's Bistro and Bar* collects her own recipes, as well as those of mothers from around the world, into an array of 175 tasty comfort-food dishes that include appetizers, coups, salads, main courses, sides, breakfast foods, sandwiches and desserts, all illustrated with 60 full-color photos. This delicious paperback bind-up brings together three middle grade novels about young aspiring bakers
