*Anne McCaffrey Oct 28 2020 Anne McCaffrey: A Life  
with Dragons is the biography of a writer who vividly  
depicted alien creatures and new worlds. As the  
author of the Dragonriders of Pern series, McCaffrey  
(1926-2011) was one of the most significant writers*

*of science fiction and fantasy. She was the first woman to win the Hugo and Nebula awards, and her 1978 novel The White Dragon was the first science-fiction novel to appear on the New York Times hardcover bestseller list. This biography reveals a fascinating and complex figure, one who created and re-created her fiction by drawing on life experiences. At various stages, McCaffrey was a beautiful young girl who refused to fit into traditional gender roles in high school, a restless young mother who wanted to write, an American expatriate who became an Irish citizen, an animal lover who dreamed of fantasy worlds with perfect relationships between humans and beasts, and a wife trapped in an unhappy marriage just as the women's movement took hold. Author Robin Roberts conducted interviews with McCaffrey, her children, friends, and colleagues, and used archival correspondence and contemporary reviews and criticism. The biography examines how McCaffrey's early interests in theater, Slavonic languages and literature, and British history, mythology, and culture all shaped her science fiction. The book is a nuanced portrait of a writer whose appeal extends well beyond readers of her chosen genre.*

*Dragongirl Nov 16 2019 With a cast of beloved characters from previous Pern novels, Dragongirl is another triumph for Todd McCaffrey—and a riveting chapter for the Dragonriders of Pern. Young Fiona,*

rider of the gold queen Talenth, has returned with the dragons and riders who fled into the past to heal their battle wounds and prepare to fight anew the menace of Thread. Now more than three years older, Fiona is no longer a child but a woman—thrust into authority by a shocking tragedy. But leading weyrfolk who are distrustful of a young outsider will be only one of her challenges. Despite gaining reinforcements from the past, too few dragons have survived the recent plague to stem the tide of the intensifying Threadfall. As a senior Weyrwoman, Fiona must take decisive action. With the aid of Lorana, the rider who sacrificed her dragon for others, and Fiona's true love, the harper Kindan, she proposes a daring, nearly impossible plan. But if it succeeds, it just might save them all.

*The Skies of Pern* Aug 18 2022 In this triumphant return to Pern, Anne McCaffrey takes us on an adventure as surprising and unforgettable as any that has come before . . . It is a time of hope and regret, of endings and beginnings. The Red Star, that celestial curse whose eccentric orbit was responsible for Thread, has been shifted to a harmless orbit, and the current Threadfall will be the last. Technological marvels are changing the face of life on Pern. And the dragonriders, led by F'lessan, son of F'lar and Lessa and rider of bronze Golanth, and Tia, rider of green Zaranth, must forge a new place for themselves in a world that may no longer

*need them. But change is not easy for everyone. There are those who will stop at nothing—not even violence—to keep Pern and its people pure. And now a brand-new danger looms from the skies . . . and threatens a catastrophe of unimaginable proportions. Once again, the world looks to the dragons and their riders to solve the crisis and save the world. But now, as the friendship of F'lessan and Tia begins to bloom into something more, unforeseen tragedy strikes: a tragedy destined to forever change the future—not just of the two young lovers, but of every human and dragon on Pern . . .*

*The Dolphins of Pern Jan 31 2021 “[Anne] McCaffrey here adds yet another dimension to her colorful and vivid saga by focusing on the attractive dolphins and their highly believable society.”—Publishers Weekly* When the first humans came to settle the planet Pern, they did not come alone: intelligence-enhanced dolphins also crossed the stars to colonize Pern’s oceans while their human partners settled the vast continents. But then disaster struck. The deadly silver spores called Thread fell like rain from the sky, and as the human colonists’ dreams of a new, idyllic life shattered into a desperate struggle for survival, the dolphins were forgotten. Now, centuries later, as the dragonriders of Pern prepare to complete the momentous task of ridding their world of Thread forever, T’lion, a young bronze rider, and his friend Readis, son of the Lord

*Holder of Paradise River Hold, make contact with the legendary “shipfish.” And as the dragonriders grapple with the end of an era, T’lion, Readis, and the dolphins face the start of a new one: reviving the bond between land- and ocean-dwellers—and resurrecting the dreams of the first colonists of Pern.*

*The Ship Who Sang May 23 2020 Helva had been born human, but only her brain had been saved—saved to be schooled, programmed, and implanted into the sleek titanium body of an intergalactic scout ship. But first she had to choose a human partner—male or female—to share her exhilarating escapades in space! Her life was to be rich and rewarding . . . resplendent with daring adventures and endless excitement, beyond the wildest dreams of mere mortals. Gifted with the voice of an angel and being virtually indestructable, Helva XH-834 antipitated a sublime immortality. Then one day she fell in love!*

*Dragon's Code Dec 22 2022 "One of the world's most beloved series in sci-fi history--Anne McCaffrey's The Dragonriders of Pern--relaunches with an all-new adventure. The world of Pern has for centuries depended on its dragons and their riders to protect it from total annihilation. But when greed and resentment begin to simmer among the working people, and disagreements between dragonriders have already culminated in the exile of*

*Sky Dragons Feb 24 2023 NEW YORK TIMES  
BESTSELLER Scores of dragons are dead after plague swept across the world of Pern, and now the Weyrs are struggling to rebuild before Threadfall destroys everything—and everyone—left alive. Their best hope lies with a group of new dragonriders who have volunteered to brave the dangers of an unexplored island populated by vicious wild felines and voracious tunnel-snakes to create a safe home for their young dragons, whose offspring will hopefully replenish Pern's decimated population. But their leader, Xhinna, the first female rider of a blue dragon, faces an uphill battle to win the respect of her peers, especially after tragedy leaves the new colony reeling. The way forward seems to lie with the awesome ability of the dragons to travel through time. But that power comes with risks: By venturing into the past, Xhinna may jeopardize the very future she has sworn to save. "Memorable characters and a good balance of individual dramas and large-scale action make this a strong addition to the Pern saga."—Library Journal "Longtime fans will enjoy the latest adventures of the cheerful dragonriders and their colorful mounts."—Publishers Weekly "McCaffrey will be remembered, rightly, as one of science fiction's grand masters."—Tordotcom*

*Dragonsdawn Dec 10 2021 NEW YORK TIMES BESTSELLER • Go back in time and visit Pern like it's never been seen before in this thrilling prequel about the creation of dragons. The beautiful planet Pern seemed a paradise to its new colonists—until unimaginable terror turned it into hell. Suddenly deadly spores were falling like silver threads from the sky, devouring everything—and everyone—on their path. It began to look as if the colony, cut off from Earth and lacking the resources to combat the menace, was doomed. Then some of the colonists noticed that the small, dragonlike lizards that inhabited their new world were joining the fight against Thread, breathing fire on it and teleporting to safety. If only, they thought, the dragonets were big enough for a human to ride and intelligent enough to work as a team with a rider... And so they set their most talented geneticist to work to create the creatures Pern so desperately needed—Dragons!*

*Dragonseye Nov 09 2021 In Anne McCaffrey's New York Times bestselling Dragonseye, join Weyrleaders, Holders, and Craftmasters in the creation of the legendary Star Stones and the teaching ballads of Pern! It's been two hundred years since the deadly Thread fell like rain upon Pern, devouring everything in its path. No one alive remembers that first horrific onslaught and no one believes in its return—except for the dragonriders.*

*For two centuries they have been practicing and training, passing down from generation to generation the formidable Threadfighting techniques. Now the ominous signs are appearing: the violent winter storms and volcanic eruptions that are said to herald the approach of the Red Star and its lethal spawn. But one stubborn Lord Holder, Chalkin of Bitra, refuses to believe--and that disbelief could spell disaster. So as the dragonriders desperately train to face a terrifying enemy, they and the other Lord Holders must find a way to deal with Chalkin—before history repeats itself and unleashes its virulence on all of Pern. . . .*

*The Masterharper of Pern* Oct 08 2021 NEW YORK TIMES BESTSELLER • “At last, Robinton has his own book . . . McCaffrey adds another absorbing chapter to dragon lore. . . . Readers will revel in this compelling character study of a fascinating personality.”—Romantic Times In a time when the deadly scourge Thread has not fallen on Pern for

centuries—and many dare to hope that Thread will never fall again—a boy is born to Harper Hall. A musical prodigy who has the ability to speak with the dragons, he is called Robinton, and he is destined to be one of the most famous and beloved leaders Pern has ever known. It is a perilous time for the harpers who sing of Thread—they are being turned away from holds, derided, attacked, even beaten. In this climate of unrest, Robinton will come into his own. But despite the tragedies that beset his own life, he continues to believe in music and in the dragons, and he is determined to save his beloved Pern from itself—so that the dragonriders can be ready to fly against the dreaded Thread when at last it returns . . . “The story takes wing . . . when McCaffrey’s beloved dragons roar and their riders soar upon the beasts’ mighty backs. . . . Fans of Pern will likely be enthralled.”—Publishers Weekly

*All the Weyrs of Pern Dec 30 2020* “When McCaffrey’s beloved dragons roar and their riders soar on the beasts’ mighty backs . . . fans of Pern will likely be enthralled.”—Publishers Weekly

For generations, the dragonriders had dedicated their lives to fighting Thread, the dreaded spores that periodically rained from the sky to ravage the land. On the backs of their magnificent telepathic dragons they flew to flame the deadly stuff out of the air before it could reach the planet’s surface. But the greatest dream of the dragonriders was to find a

way to eradicate Thread completely, so that never again would their beloved Pern be threatened with destruction. Now, for the first time, it looks as if that dream can come true. For when the people of Pern, led by Masterharper Robinton and F'lar and Lessa, Weyrleader and Weyrwoman of Bendon Weyr, excavate the ancient remains of the planet's original settlement, they uncover the colonists' voice-activated artificial intelligence system—which still functions. And the computer has incredible news for them: There is a chance—a good chance—that they can, at long last, annihilate Thread once and for all.

*Dragon's Time* May 15 2022 **NEW YORK TIMES BESTSELLER** Even though Lorana cured the plague that was killing the dragons of Pern, sacrificing her queen dragon in the process, the devastating disease has left too few dragons alive to fight the fall of deadly Thread. As morale at Telgar Weyr plunges in the wake of the widespread loss, and Weyrwoman Fiona and the harper Kindan struggle to keep hope from vanishing, a pregnant Lorana decides she must take drastic steps. Nothing short of manipulating time itself will undo the damage

*done by the plague. But attempting time travel could have devastating consequences—altering history, and destiny, forever. Now, somehow, Lorana must find a way to accomplish what seems impossible: bending the natural laws of the universe without wreaking havoc on existence itself. To ensure the future of Pern, she's willing to take the fateful chance—even if it demands yet another, far greater, sacrifice. *The White Dragon Apr 14 2022 Volume III of The Dragonriders of Pern®, the influential series by sci-fi/fantasy titan Anne McCaffrey Never in the history of Pern has there been a dragon like Ruth. Mocked by other dragons for his small size and pure white color, Ruth is smart, brave, and loyal—qualities that he shares with his rider, the young Lord Jaxom. Unfortunately, Jaxom is also looked down upon by his fellow lords, and by other riders as well. His dreams of joining the dragonriders in defending Pern are dismissed. What else can Jaxom and Ruth do but strike out on their own, pursuing in secret all they are denied? But in doing so, the two friends will find themselves facing a desperate choice—one that will push their bond to the breaking point . . . and threaten the future of Pern itself.*

*Dragonwriter Jun 16 2022 When Anne McCaffrey passed in November 2011, it was not only those*

closest to her who mourned her death; legions of readers also felt the loss deeply. The pioneering science fiction author behind the Dragonriders of Pern® series crafted intricate stories, enthralling worlds, and strong heroines that profoundly impacted the science fiction community and genre. In *Dragonwriter*, Anne's son and Pern writer Todd McCaffrey collects memories and stories about the beloved author, along with insights into her writing and legacy, from those who knew her best. Nebula Award-winner Elizabeth Moon relates the lessons she learned from Pern's Lessa (and from Lessa's creator); Hugo Award-winner David Brin recalls Anne's steadfast belief that the world to come will be better than the one before; legendary SFF artist Michael Whelan shares (and tells stories about) never-before-published Pern sketches from his archives; and more. *Nerilka's Story Oct 20 2022 A deadly epidemic was sweeping across Pern! Everyone, holder and dragonrider alike, pitched in to help—except Nerilka's father, who refused to share Fort Hold's bounty with the other Holds. So, ashamed of her family and determined to do her part, Nerilka packed up medicines and supplies and sneaked off to aid her people. Her quest to help wherever she was most needed led her finally to Ruatha Hold, where Lord Alessan was frantically preparing the precious serum needed for mass inoculations against the dread plague. Nerilka had long ago abandoned her hope of marriage and a home of her own. Now she found happiness in being useful and appreciated—first the Healers and then Alessan made very clear that they were grateful for her help. She had no idea that her new path would change the course of her life forever!*

*A Gift of Dragons Jul 25 2020 For more than thirty years, Pern has conjured visions of brave men and*

women mounted upon the backs of dragons. As anyone knows who has been touched by the storytelling magic of Anne McCaffrey, to read of the exotic world of Pern is to inhabit it—and to experience its extraordinary dragons is to soar aloft with them and share their dazzling adventures. Now, *A Gift of Dragons* brings together three beloved stories and a thrilling new tale of Pern in a single volume illustrated with beautiful artwork by Tom Kidd. In “The Smallest Dragonboy,” Keevan is the youngest dragonrider candidate, determined to impress a dragon when the next clutch of eggs hatches. But what transpires will surprise everyone—Keevan most of all. In “The Girl Who Heard Dragons,” a young girl’s rare ability to communicate with dragons puts her family in danger and will bring her face to face with her greatest fears—and with her most secret desire. The “Runner of Pern” is a girl named Tenna, who follows family tradition by delivering messages—and who will find her destiny on the mossy traces that runners have used for centuries under the dragon-filled sky. And finally, a very special gift: an exciting new Pern adventure, published here for the first time, fresh from the imagination of Anne McCaffrey.

*Dragonheart Sep 19 2022* The specter of sickness looms over the Weyrs of Pern, felling fire-lizards and threatening their dragon cousins, Pern’s sole

defense against the deadly phenomenon that is Thread. Fiona, the young rider of queen dragon Talenth, is about to assume the duties of a Weyrwoman when word spreads that dragons have begun succumbing to the new contagion. As more dragons sicken and die, Weyrleader B'Nik and queen rider Lorana comb Fort Weyr's archives in a desperate search for clues from the past that may hold the solution to the plague. But could the past itself prove the pathway to salvation for Pern's imperiled dragons? Guided by a mysterious ally from a wholly unexpected place, and trusting in the dragon gift for transcending time, Fiona will join a risky expedition with far-reaching consequences for both Pern's future and her personal destiny.

Dragon Harper Jul 05 2021 Kindan is an apprentice harper at the Harper Hall but he is finding the lessons very difficult and although he has his friends, Nonala, Kelsa and Verilan, he also has enemies, such as the bully Vaxoram. Things begin to improve for Kindan when he beats Vaxoram in a duel and Vaxoram becomes first his servant and then gradually his trusted friend. Then Kindan impresses a fire-lizard and becomes the proud owner of the magnificent Valla. At the hatching he meets Korianana, daughter of Lord Holder Bemin of Fort Hold. She also impresses and she and Kindan fall in love, but her parents disapprove and she has to return to Fort Hold. Then a plague begins to

*spread across Pern, killing nearly everyone infected. Kindan and his friends search the harper records to see if they can find a cure, but all they can find is mention of a similar plague over a hundred Turns past. As the plague gets worse Kindan and Vaxoram are sent to Fort Hold to help tend the sick. Kindan will be reunited with Korian, but will she be free of the plague, and will he be able to find a cure before more people die?*

*Moreta: Dragonlady of Pern Jun 23 2020 Anne McCaffrey draws the reader back in time to an earlier Pern to tell the story of one of Pern's great and true heroines. An air of pleasant anticipation hung so thickly over the Halls, Holds and Weyrs of Pern that it had affected even the businesslike ways of Moreta, the Weyrwoman of Fort Weyr, where her dragon, Queen Orlith, would soon clutch. Then without warning, a runnerbeast fell ill. Soon myriads of holders, craftsmen, and dragonriders were dying; and the mysterious ailment had spread to all but the most inaccessible holds. Pern was in mortal danger. For, if dragonriders did not rise to char Thread, the parasite would devour any and all organic life it encountered. The future of the planet rested in the hands of Moreta and the other deicated, selfless Pernese leaders. But of all their problems, the most difficult to overcome was time. . . .*

*The Renegades of Pern Jul 17 2022* “[McCaffrey is the] master of the well-told tale.”—Chicago Sun-Times As long as the people of Pern could remember, the Holds had protected them from Thread, the deadly silver strands that fell from the sky. In exchange for sanctuary in the huge stone fortresses, the people tithed to their Lord Holders, who in turn supported the dragonriders, Pern's greatest weapon against Thread. But not everyone on Pern was protected. Some, like Jayge's trader clan, simply preferred the freedom of the roads to the security of a hold. Others, like Aramina's family, had lost their homes. Regardless of their differences, however, they all feared the outlaws who preyed on holds and holdless alike. The Lady Thella's renegades are the most dangerous yet—all

*Powers That Be Jan 19 2020 From the Hugo and Nebula award-winning authors comes the Petaybee series, full of gripping fantasy and daring adventure. Strange things are happening on the icy planet of Petaybee: Unauthorized genetically engineered species have been spotted; geologic survey teams sent to locate newly detected mineral deposits are either coming up empty or disappearing altogether. And the locals aren't talking—especially not to the company bent on exploiting the planet. Disabled combat veteran Yanaba Maddock seems to be the perfect spy for the company. The frailty that was a liability in the military allows her to gain the trust of the Petaybean natives. But miraculously, with Yana's relocation to the arctic planet comes the return of her health and strength. And the closer she gets to the people of Petaybee, the more determined she is to protect her new home. For something unusual and wonderful is happening on Petaybee. *Dragonholder Aug 26 2020 An enthralling biography of one of the most luminous shining stars of fantasy and science fiction, world builder and dragon master Anne McCaffrey, written by her son,*

collaborator, and most devoted fan While you've been to Pern . . . you haven't heard the stories behind the stories. I propose to fix that. When Anne McCaffrey's Hugo Award-winning novella "Weyr Search" appeared in the late 1960s as part of the novel *Dragonflight*, the science fiction universe was gloriously transformed as readers first experienced the exhilarating thrill of soaring with dragons. With the many Pern novels that followed, McCaffrey steadily won the hearts and unwavering devotion of millions of fans, eventually earning a permanent position on the *New York Times* bestseller list. *Dragonholder* celebrates the birth and growth of McCaffrey's breathtaking literary vision, as well as the momentous events of a life that was in many ways as extraordinary as the worlds and characters that McCaffrey created. No one understands or appreciates McCaffrey's life and work better than her son, Todd, does. In *Dragonholder*, her frequent coauthor and avid fan intimately examines his mother's childhood and early adulthood, the amazing gift of second sight she inherited from her own mother and grandmother, the trials she faced juggling a career and a family during the turbulent sixties, and her rise to literary stardom—and he reveals the events and influences that ultimately gave rise to the myriad wonders of Pern and the other miraculous worlds borne of Anne McCaffrey's unparalleled imagination.

*The Renegades of Pern Feb 18 2020 As long as the people of Pern could remember, the Holds had protected them from Thread, the deadly silver strands that fell from the sky and ravaged the land. In exchange for sanctuary in the huge stone fortresses, the people tithed to their Lord Holders, who in turn supported the Weyrs, whose dragons were Pern's greatest weapon against Thread. But not everyone on Pern was part of that system of mutual care and protection, particularly those who had been rendered holdless as punishment for wrongdoing. And there were some, like Jayge's trader clan, who simply preferred the freedom of the roads to the security of a hold. Others, like Aramina's family, had lost their holds through injustice and cruelty. For all the holdless, life was a constant struggle for survival. Then, from the ranks of the criminals and the disaffected, rose a band of renegades, led by the Lady Thella. No one was safe from Thella's depredations, and now her quarry was Aramina, reputed to have a telepathic link with dragons. But when Thella mistakenly vented her rage on Jayge's family, she made a dangerous mistake. For Jayge was bent on revenge . . . and he would never let her have the girl who heard dragons! *At Natalon’s mining camp, Pellar embarks on a secret mission to discover whether the condemned criminals known as the Shunned are stealing coal. But the gifted tracker discovers that a far more treacherous plot is unfolding. A heartless thief named Tenim has realized there is profit to be made from firestone, the volatile mineral that enables the dragons of Pern to burn the lethal Thread out of the sky. When the last remaining firestone mine explodes, a desperate race begins to find a new deposit of the deadly but essential mineral. Sure enough, Tenim has a murderous plan to turn tragedy to his own advantage. Now Pellar and his new friends—the kind and gentle Halla, a child of the Shunned, and Cristov, the son of a corrupt miner—must stop Tenim. If they fail, it will mean the end for Pern and its dragonriders. “Grittier than the early parts of the series; Todd’s apparently brought a wider, more current worldview to Pern.”—The San Diego Union-Tribune “These fabled dragons still cast a spell.”—Publishers Weekly*
