Dive into Scripture to see Jesus' mission, miracles, and message as author Angie Smith helps us sort through the confusion to truly understand who Jesus is and how we can know Him. A woman's faith in God is challenged by the first question Satan asks Eve in the Bible: "Did God really say you can't eat from any tree in the garden?" That seed of doubt and the story it begins to unfold breed a concept of fear still haunting each of us on some level every day-the idea that our actions could ruin

something beautiful, and God might not have control of things. In What Women Fear, acclaimed writer and speaker Angie Smith admits, "fear is a major part of my testimony" and talks openly about her treatment for anxiety as a child. Giving a voice to the problem, she says, "I truly believe every single one of us struggles with some type of fear, whether it's fear of flying or fear of being 'found out.' Maybe you don't worry about dying, but you get sick thinking about the fact that you might fail." Rather than suggesting that those who truly love the Lord would never fear, Angie blends her own experiences with those of men and women from throughout Scripture to help us start dealing more effectively with these true, human emotions. Whether it's a constant "What if?," a nagging fear of abandonment or betrayal, fear of your own or someone else's death, fear of trusting God's plan, or even the fear that God's existence is a lie, Angie will walk you through stories of others who have simultaneously loved God and struggled with fear. Join Angie and discover how to let Jesus redeem this struggle as only He can, that He will be glorified, and you will be transformed!

Endorsements Angie Smith has the rare gift to write a non-fiction page-turner as good as any fiction book I've read. As her words tumbled out in raw honesty, fresh hope spread before me. Her teachings on fear are comforting, practical, and gut honest. I can't wait for you to read this life-changing book. What Women Fear is one of my favorites this year. Honestly, I think it will stay next to my bed for a very long time. Lysa TerKeurst, New York Times best-selling author of Made to Crave You don't have to be around Angie Smith very long to fall in love with her. She is funny and transparent with a passionate love for Christ.

In What Women Fear Angie holds up a mirror so that we can see ourselves from every angle, the thoughts we display on the front shelves of our lives and those we hide. The greatest gift tucked into this book is the overwhelming picture of the mercy of our God who understands our fears and invites us to stand beside Him in the rain and let His love wash us clean. Sheila Walsh, author of The Shelter of God's Promises Whatever high wire you're walking right now, there really is nobody you want at the other end of the line like Angie Smith. And this rare gem of a book is like a steadying, sure hand taking you right into His presence in ways you never imagined. redemption code printed in Bible study book for individual streaming access In 2008, Angie Smith and her husband Todd (lead singer of the group Selah) learned through ultrasound that their fourth daughter had conditions making her “incompatible with life.” Advised to terminate the pregnancy, the Smiths chose instead to carry this child and allow room for a miracle. That miracle came the day they met Audrey Caroline and got the chance to love her for the precious two-and-a-half hours she lived on earth. Upon receiving the original diagnosis, Angie started a blog (Bring the Rain) to keep family and friends informed of their journey. Soon, the site exploded in popularity, connecting with thousands who were either experiencing their own heartbreaking situations or simply curious about how God could carry someone through something so tragic. I Will Carry You tells the powerful story of a parent losing her child, interwoven with the biblical story of Lazarus to help those who mourn to still have hope—to find grace and peace in the sacred dance of grief and joy. Endorsement "This is a beautiful and tender book that would touch any woman's heart, no matter her age or realm of experience. It is about a relationship so intimate with God that it carves a safe place for crises of faith, for faith proved genuine and for divine callings willed, sealed and fulfilled. Yes, this is one mother's moving story. This one mother also happens to be a true writer. We will hear more from her. Angie, I am so proud of you. May Christ continue to tip the ink jar toward your gifted quill." - Beth Moore Best-selling author and speaker This sixth Faith Lessons volume takes you to Galilee in Israel where Jesus called his first disciples to follow Him. In your less-than-

lovely moments, God sees a precious daughter in need of His perfect love. In this liberating look at how God adores and transforms imperfect people, Bible teacher Lisa Harper weaves poignant stories of her own personal foibles with a fresh take on selected Psalms to reveal a loving Father who remains your greatest champion even when you don't feel anywhere close to holy. A stuffed bunny named Audrey worries that a child would never choose her because of her imperfections, until a little girl named Caroline comes along and loves her regardless. The heartfelt story of a Catholic nun who married a priest. This real life story is an inside look at secrecy in the Church, and an inspiring description of a gentle God, bigger than any institution, who coaxed this woman into ever deepening and more inclusive spirituality. Popular author and speaker Angie Smith takes a personal and biblical look at the dynamic emotion of fear and how to conquer its negative impact on one's deeper faith. "Bevy knows what's what, and she is the kind of woman you want in your corner. If you don't believe me . . . buy the book." —Whoopi Goldberg "Funny, wise, well-experienced, empathetic, colorful—Bevy brings the spirit of humanity wherever she goes." —Pharrell Williams From the host of the fabulous and popular show Bevelations on SiriusXM's Radio Andy channel, Bevy Smith's irreverent and inspiring memoir about learning to live a big, authentic, and

unapologetic life—and how you can, too Bevy Smith was living what seemed like a glamorous dream as a fashion advertising executive, blazing a lucrative career for herself in the whitewashed magazine world. She jetsetted to Europe for fashion shows, dined and danced at every hot spot, and enjoyed a mighty roster of lovers. So it came as quite a shock to Bevy when one day, after arriving at her luxury hotel in Milan, she collapsed on the Frette bedsheets and sobbed. Years of rolling with the in-crowd had taken its toll. Her satisfaction with work and life had hit rock bottom. But Bevy could not be defeated, and within minutes (okay, days) she grabbed a notepad and started realizing a truer path—one built on self-reflection and, ultimately, clarity. She figured out how to redirect her life toward meaningful creativity and freedom. In her signature lively and infectious voice (there's no one like Bevy!), Bevelations candidly shares how she reclaimed her life's course and shows how we too can manifest our most bodacious dreams. From repossessing her bold childhood nature to becoming her own brand to envisioning her life's next great destination (which will feature natural hair, important charitable giving, and a midcentury house overlooking the Pacific Ocean), Bevy invites readers along on the route of her personal transformation to reveal how each of us can live our best lives with honesty, joy, and, when we're in the mood, a killer pair of shoes. In this faith-bolstering book, best-selling author Edward T. Welch investigates the roots of fear in the human heart and the ramifications of living in the grips of anxiety, worry, and dread. Running Scared explores how fear inescapably takes root in all of our lives—and how our race for the good life finds us all

too often “running scared.” Welch encourages readers to discover for themselves how the Bible is full of beautiful words of comfort and peace for fearful people. Everyone is afraid of something, and Welch guides readers to see how Jesus enters in to fear. Within thirty topical meditations, Welch offers sound biblical theology, gospel answers, and moment-by-moment, thoughtful encouragement for those in a heart and mind battlefield of rampant, panic-stricken fear. This comprehensive primer on the topic of fear, worry, and the rest of God will have readers retreating to Scripture for invariable constancy, stalwart care, and robust comfort rather than human independence, control, and self-protectiveness. Running Scared affirms that, through Scripture, God speaks directly to our fears, including: Money and possessions People and their judgments Death, pain, suffering, and punishment Welch's lively text provides convincing evidences that humanity's struggle against active and dormant fears are countless. He presents the good news that God provides both the remedy and the cure for this malady in the person of Jesus Christ, the work of the Holy Spirit, and through powerful, life-altering promises in Scripture. Far more than merely another psychology "self-help" guide, Running Scared serves as a biblical road map to a life of serenity and security. Bestselling new women's author and conference speaker Smith gets to the heart of beauty in brokenness; the cracks that show in people's lives don't eliminate the ability to magnify God. She wants faith, hope, and love. She wants help and healing. She wants to hear and be heard, to see and be seen. She wants things set right. She wants to know what is true—not partly true, or sometimes true, or almost true. She wants to see Truth itself, face-to-face. But here, now, these things are all cloudy. Hope is

tinged with hurt. Faith is shaded by doubt. Lesser, broken things masquerade as love. How does she find something permanent when the world around her is always changing, when not even she can stay the same? And if she finds it, how does she hold on? She Reads Truth tells the stories of two women who discovered, through very different lives and circumstances, that only God and His Word remain unchanged as the world around them shifted and slipped away. Infused with biblical application and Scripture, this book is not just about two characters in two stories, but about one Hero and one Story. Every image points to the bigger picture—that God and His Word are true. Not because of anything we do, but because of who He is. Not once, not occasionally, but right now and all the time. Sometimes it takes everything moving to notice the thing that doesn't move. Sometimes it takes telling two very different stories to notice how the Truth was exactly the same in both of them. For anyone searching for a solid foundation to cling to, She Reads Truth is a rich and honest Bible-filled journey to finally find permanent in a world that's passing away. The powerful story of a mother who carried a child deemed "incompatible with life," and the eternal insights gained from a baby that lived less than three hours on earth. Framing her own story of staggering loss and soaring hope with the biblical story of Job, Nancy Guthrie takes her fellow sufferers by the hand and guides them on a pathway through pain—straight to the heart of God. Holding on to Hope offers an uplifting perspective, not only for those experiencing monumental loss, but for anyone going through difficulty and failure. Includes a study section for readers who want to dig

deeper into what the Bible says about dealing with suffering and grief. Additional sections include a Foreword by Anne Graham Lotz and a Resource section linking Scriptures with each chapter's lesson. Endorsements: "Only God could orchestrate such events. And only God could give the Guthrie family the faith and courage to live them. May he use this story to strengthen us all."—Max Lucado "Nancy Guthrie's faith shines through some of the darkest clouds of human pain. This book and her story will touch your emotions and inspire your mind in an unforgettable way. Seldom will you read anything with such candor and insight, probing one of life's toughest questions: How can grief be a friend along life's journey?" —Ravi Zacharias "Holding on to Hope reads easy, runs deep, and enriches the heart! If you are stymied about God's goodness amidst life's heartaches, then this book's for you."—Joni Eareckson Tada Six-session study that helps girls understand the Bible as one complete story. New York Times bestseller How do you hold on to hope when you don't get the ending you asked for? When Katie Davis Majors moved to Uganda, accidentally founded a booming organization, and later became the mother of thirteen girls through the miracle of adoption, she determined to weave her life together with the people she desired to serve. But joy often gave way to sorrow as she invested her heart fully in walking alongside people in the grip of poverty, addiction, desperation, and disease. After unexpected tragedy shook her family, for the first time Katie began to wonder, Is God really good? Does He really love us? When she turned to Him with her questions, God spoke truth to her heart and drew her even deeper into relationship with Him. Daring to Hope is

an invitation to cling to the God of the impossible—the God who whispers His love to us in the quiet, in the mundane, when our prayers are not answered the way we want or the miracle doesn't come. It's about a mother discovering the extraordinary strength it takes to be ordinary. It's about choosing faith no matter the circumstance and about encountering God's goodness in the least expected places. Though your heartaches and dreams may take a different shape, you will find your own questions echoed in these pages. You'll be reminded of the gifts of joy in the midst of sorrow. And you'll hear God's whisper: Hold on to hope. I will meet you here. With biblical insights and inspiring stories from a variety of women, this action-oriented guide will speak to every woman who has felt a nudge from God--from the visionary who wants to end poverty to the empty-nest mom who feels called to help the young single mother next door. Jesus gave his disciples authority to preach the good news of the kingdom of God and to cast out demons, heal the sick, save the lost and set the captives free. Everywhere Jesus went, the kingdom came with power. There was no proclamation of the gospel without a demonstration of power. It was the authentic demonstration of Jesus' power through his followers that ignited the greatest spiritual movements in the first century. Today, we are becoming more like the spiritual climate in the first century than like 1950 America. In a pluralistic, syncretistic society where all deities are considered equal, only the unequal display of Jesus' power will convince people of the supremacy of Christ. The key to demonstrating the power of the King is Authority and authority is not just positional; it is developmental. Spiritual authority is rooted in identity, expanded in intimacy and activated by faith. This book takes an in depth look at how we can grow in identity, intimacy and faith so that we can develop our authority and release the kingdom. Who is Jesus? What makes Him different from other religious leaders? How can you know Him? We live in a world where people want to shape Jesus and His message to fit their personal needs or political agendas. You will also find humor, Wisdom. Honesty. You will find Melissa’s very bone and blood...it is here, then, in reading—rather, perhaps, listening to—her words, that your heart, trapped as it may feel in its own midnight, begins to see the first signs of dawn.” –Curt Thompson, MD, author of Anatomy of the Soul Grace and Hope for Long Dark Nights Have you ever suffered with depression, sadness, or the feeling that you just can't seem to get it together? Maybe you've never asked the question out loud, but you've wondered. You do the things that look good on paper: read your Bible, pray, attend study groups and go to church on Sundays. But you aren't convinced you really know Him. Angie Smith understands, because she had run circles around the same paths searching for Him, frustrated at her lack of progress. And she probably would have continued to do so had it not been for one realization that changed everything. She wasn't following God; she was trying to catch up with Him. And without realizing it, you may be as well. It's a distinction that affects every aspect of our lives with Christ, and it begins with learning where we've relied more on man's explanation of God than God Himself. So many requirements, so many rules, and so much guilt where there is supposed to be freedom. It's the reason you wonder if you've measured up, and the nagging voice that tells you you're a failure as a Christian. Three simple words changed everything for Angie, and she believes they can do the same for you. Stop chasing God. Retells forty stories of biblical women such as Eve, Esther, and Rebekah. Does the Bible feel confusing and complicated to you? Perhaps some of it feels familiar, but overall, does it feel impossible to navigate?

*Maybe you recognize the stories, but you just don't know how they all fit together. Yet they do fit together. In her unique and remarkably readable way, Angie Smith—bestselling author of *What Women Fear*, *Mended*, *I Will Carry You*, and *Seamless*—helps you tie together all the loose, disconnected threads you find in the Bible, weaving them into a beautifully crafted storyline. After reading *Woven*, when it comes to reading Scripture, you'll go: From confused to confident From lost to knowledgeable From separate stories to the One they are all about Because once you see the big picture, you'll see it on every page.
