God's Answer to the Growing Crisis Oct 13 2019 The dramatic shifts

seen over the last few years—from economic to political to moral to beyond—have set the stage for a crisis that will affect every sphere of society. But this crisis isn't just looming in the United States; all of humanity is at a crossroads like never before. Mike Bickle, director of the International House of Prayer of Kansas City, offers God's definitive answer to this approaching global crisis. He provides a fresh biblical perspective on: The agenda to secularize and de-Christianize America What the upsurge of secular humanism looks like The rise of ISIS and Islamic extremists The looming financial crisis Readers will overcome fear and confusion in the last days and learn to pray effectively for this nation and the world.

Unexpected Answers Dec 15 2019 Best-selling author Barbara Bartocci brings us heart-touching stories of prayers answered in surprising ways.

One Nation Undecided Aug 03 2021 A unique primer on how to think intelligently about the thorniest public issues confronting us today Let's be honest, we've all expressed opinions about difficult hot-button issues without always thinking them through. With so much media spin, political polarization, and mistrust of institutions, it's hard to know how to think about these tough challenges, much less what to do about them. *One Nation Undecided* takes on some of today's thorniest issues and walks you through each one step-by-step, explaining what makes it so difficult to grapple with and enabling you to think smartly about it. In this unique what-to-do book, Peter Schuck tackles poverty, immigration, affirmative action, campaign finance, and religious objections to gay marriage and transgender rights. For each issue, he provides essential context; defines key concepts and values; presents the relevant empirical evidence; describes and assesses the programs that now seek to address it; and considers many plausible solutions. Schuck looks at all sides with scrupulous fairness while analyzing them rigorously and factually. Each chapter is self-contained so that readers may pick and choose among the issues that interest and concern them most. His objective is to educate rather than proselytize you—the very nature of these five issues is that they resist clear answers; reasonable people can differ about where they come out on them. No other book provides such a comprehensive, balanced, and accessible analysis of these urgent social controversies. *One Nation Undecided* gives you the facts and competing values, makes your thinking about them more sophisticated, and encourages you to draw your own conclusions.
