After the critically acclaimed epic fantasy THE WOLF comes THE SPIDER, book two in Leo Carew's UNDER THE NORTHERN SKY series A battle has been won, but the war still wages on . . . Roper, the Black Lord of the northern people, may have vanquished the Southern army at the Battle of Harstathur. But the greatest threat to his people lies in the hands of more shadowy forces. In the south, the disgraced Bellamus bides his time. Learning that the young Lord Roper is planning to invade the southern lands, Bellamus conspires with his Queen to unleash a weapon so deadly it could wipe out Roper's people altogether. And at a time when Roper needs his friends more than ever, treachery from within puts the lives of those he loves in mortal danger . . .

**WHAT REVIEWERS ARE SAYING ABOUT THE BREATHTAKING WORK OF LEO CAREW:** 'The next George RR Martin' - Mail on Sunday 'Imagine Game of Thrones rewritten by John le Carré . . . A marvellously accomplished debut' - Guardian 'A work of extraordinary imagination and perhaps the most captivating first novel I've ever read' - Michael Dobbs, author of House of Cards 'A stunning piece of modern fantasy writing' RJ Barker 'Utterly compelling, thoroughly engrossing and written with such skilful assurance I could barely put it down' Nicholas Eames

**NO MAN IS ABOVE THE LAW** The Empire of the Wolf simmers with unrest. Rebels, heretics and powerful patricians all challenge the power of the imperial throne. Only the Order of Justices stands in the way of chaos. Sir Konrad Vonvalt is the most feared Justice of all, upholding the law by way of his sharp mind, arcane powers and skill as a swordsman. At his side stands Helena Sedanka, his clerk and protégé, orphaned by the wars that forged the empire. When the pair investigate the murder of a provincial aristocrat, they unearth a conspiracy that stretches to the very top of imperial society. As the stakes rise and become ever more personal, Vonvalt and Helena must make a choice: will they abandon the laws they've sworn to uphold in order to protect the empire? Introducing an unforgettable protagonist destined to become a fantasy icon, The Justice of Kings is an unmissable debut where action, intrigue and magic collide. Praise for The Justice of Kings 'A fantastic debut' Peter McLean 'The Justice of Kings is equal parts heroic fantasy and murder mystery . . . Richard Swan's sophisticated take on the fantasy genre will leave readers hungry for more' Sebastien de Castell 'A fascinating look at justice, vengeance and the law - great characters, compelling and wonderfully written. A brilliant debut and fantastic start to the series' James Islington 'Totally addictive. A truly riveting tale about law, war, morality and justice' Novel Notions 'A marvellously detailed world with an engrossing adventure from a unique perspective' K. S. Villoso 'Swan has built a dark and gritty world, filled it with beautifully written characters and lays out a master-crafted story to create an incredible book that you can't put down' FanFiAddict 'A brilliant book, with intrigue, excellent character arcs, a brutal magic system and a story I just could not put down' Grimdark Magazine 'Riveting . . . Swan crafts a strong, dynamic character in Vonvalt, and the twists will keep readers turning the pages' Publishers Weekly

A sweeping epic of prehistory, People of the Wolf is another compelling novel in the majestic North America's Forgotten Past series from New York Times and USA Today bestselling authors W. Michael Gear and Kathleen O'Neal Gear In the dawn of history, a valiant people forged a pathway from an old world into a new one. Led by a dreamer who followed the spirit of the wolf, a handful of courageous men and women dared to cross the frozen wastes to find an untouched, unspoiled continent. Set in what is now Alaska, this is the magnificent saga of the vision-filled man who led his people to an awesome destiny, and the courageous woman whose love and bravery drove them on in pursuit of that dream. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Till death do us part. My father married me off to one of the most powerful men in Italy. Maverick DeVille. But I call him the wolf. He calls me his sheep. The arranged marriage was detested by us both, but we had to make sacrifices for the right reasons. He needed to avenge his mother, and I needed protection from the mobs that want to torture me. He's not what I pictured for my husband. He's ruthless, calloused, and cold. His walls are higher than mine. He possesses cruelty that makes him feared. But it doesn't take long for me to respect him...even like him. I rely on my husband more than anyone else in the world. He provides for me, protects me, and chases away all my fears. He lets me graze in the meadow...not a care in the world. Because the wolf is always watching. "When people look in the darkness, they see shadows. I see monsters. And I kill the monsters that hunt my sheep." I hated this marriage in the beginning, but now I realize how lucky I am. How lucky I am to be the sheep the wolf protects...and doesn't eat. A chance encounter with an angry patient turns a hospital security guard's life upside down and he is thrust into a gritty world of

werewolves and true monsters. Who will he become? With his life turned upside down, he must decide what identity means and ultimately rise to meet his destiny. Along the way he will meet friends, enemies and discover that he is much more than he ever thought possible. Nic may have escaped enslavement in the mines outside of Rome, but his troubles are far from over. The Praetor War -- the battle to destroy Rome from within -- is in full force, and Nic is caught in the crossfire. The secretive Praetors are determined to unlock a powerful amulet -- one sure to bring the empire to its knees. Worse, the Praetors believe Nic holds the key to finding this amulet, and they will stop at nothing to steal it, even if that means harming the people Nic holds most dear. When the Praetors capture Nic's mother, Nic knows he must do anything to save her. He challenges the Praetors to a chariot race. If he wins, they will release his mother. But if he loses, he must hand over a magic that will certainly bring about the end of Rome as well as his own life. Can Nic once again harness his magic and gather the strength to defeat his enemies? Or will he lose his mother and bear witness to Rome's destruction? In this outdoors thriller, the investigation of a bizarre wolf attack leads to evidence of murder, conspiracy, and shocking family secrets. A decades-old promise haunts Sam Rivers, but the wildlife biologist refuses to return home—not with his abusive and estranged father still there. Rivers left the family farm some 20 years ago. He found solace in nature and built a respected career as a special agent for the U.S. Fish & Wildlife Service. His experiences have given him a penchant for understanding predators—a skill he'll need, now, more than ever. After his father's mysterious death, Rivers is lured back to his hometown of Defiance, in northern Minnesota, to fulfill his mother's dying wish. But all is not as it seems. Rivers breaks into his childhood home during a howling winter storm and discovers something sinister. His suspicions are heightened after a bizarre wolf attack on local livestock. The events lead the special agent to a series of clues that could change everything he knows—or thinks he knows—about the town, his family, and himself. With the help of alluring reporter Diane Talbott, Rivers must unravel the wolf kill and learn what really happened to his father—a man Rivers has hated for most of his life. It is a case unlike any he's worked before. His knowledge of frigid winters, wolves, and wilderness will be put to the test, as he tries to solve the case—and stay alive. In *Wolf Kill*, natural history writer Cary J. Griffith introduces readers to Sam Rivers, the predator's predator, and weaves a masterful tale of danger and suspense in the far north. The first book in the completed six-book werewolf series!

Christina 'Chrissy' Monet aspired for something more than the life of a simple blog columnist. Her wishes come true when an old wooded property comes up for sale, and she pours her life-savings into the fixer-upper. The property comes with the added bonus of a handsome neighbor by the name of Adam Smith, but sparks fizzle rather than sizzle when she realizes he owns half the property she hoped to have. They part ways with biting remarks on her part, but she finds her carpentry skills aren't up to the task and she's forced into a relationship with the mysterious Smith. Strange happenings occur and she's left wondering whether Smith has more up his sleeve than muscle. Looking for other sensual werewolf reads? Try out some of my other series!

The year is 1956, and the Axis powers of the Third Reich and Imperial Japan rule. To commemorate their Great Victory, they host the Axis Tour: an annual motorcycle race across their conjoined continents. The prize? An audience with the highly reclusive Adolf Hitler at the Victor's ball in Tokyo. Yael, a former death camp prisoner, has witnessed too much suffering, and the five wolves tattooed on her arm are a constant reminder of the loved ones she lost. The resistance has given Yael one goal: Win the race and kill Hitler. A survivor of painful human experimentation, Yael has the power to skinshift and must complete her mission by impersonating last year's only female racer, Adele Wolfe. This deception becomes more difficult when Felix, Adele's twin brother, and Luka, her former love interest, enter the race and watch Yael's every move. But as Yael grows closer to the other competitors, can she be as ruthless as she needs to be to avoid discovery and stay true to her mission? From the author of *The Walled City* comes a fast-paced and innovative novel that will leave you breathless. When Reuben, otherwise known as Sunshine Boy, was sent to write a piece about the uncertain future of the giant house on the cliff, he wasn't expecting to warm so instantly to elegant heiress Marchent Nideck. Nor was he expecting to get caught up in a violent attack which will leave him changed in ways he could never have imagined ... Anne Rice's 'Vampire Chronicles' defined a genre, but now she has another age-old story in her sights: the terrifying werewolf legend. The classic

monster of horror fiction is here reimagined and reinvented, with all Rice's supernatural sympathy and inventiveness, as a romantic being, a potentially tragic figure bestowed with the gift of transformation and transcendence. *The Wolf Gift* is a glorious celebration - of storytelling, of possibility, of truths revealed in the half-light. And in *The Wolf Gift's* Reuben, we have a brand new hero for a brand new Anne Rice world. In this new historical romantic fantasy of stunning originality and scope, Alice Borchardt breathes life into a bygone age, brilliantly recreating a sensuous, violent world--and the men and women whose grand ambitions, betrayals, and passions shape the era in which they live and die. Decadent Rome at the dawn of the Dark Ages is mired in crumbling grandeur. Now, into the Eternal City comes Regeane, a beautiful young woman distantly related, through her dead mother, to Charlemagne. Regeane's regal blood renders her an unwilling pawn in the struggle for political power. But unknown to those plotting against her, the blood she has inherited from her murdered father makes her much more than a child of royalty. Possessed of preternatural agility and strength, primal memories extending back thousands of years, and senses so keen they can pierce the veil of death itself, Regeane is a shapeshifter: woman and wolf, hunter and hunted. Betrothed by Charlemagne's command to a barbarian lord she has never seen, Regeane is surrounded by enemies. The most notorious, her depraved uncle and guardian, will not scruple to betray her to the Church unless she aids him in his sinister schemes. And if the Church discovers her secret, Regeane will burn at the stake. Yet Regeane finds allies as well: Lucilla, rumored to be the private courtesan of Pope Hadrian himself; Antonius, a wise and gentle soul trapped within a body grotesquely disfigured by disease; and the little Saxon girl Elfgifa, brave beyond her years, with a tongue as sharp as a blade. Outside the gates of Rome, baying on the moonlit expanses of the Campagna, there is a mysterious dark wolf whose scent makes the animal in Regeane tremble with desire. Now, as an infamous stranger prepares to claim his bride, deadly plots and counter plots tighten like a noose around her neck, Regeane must fight to live with dignity as the proud creature she is: civilized and savage, woman and wolf, partaking of both yet infinitely more than either . . . Lyrical, fast-paced, sensual, and rich with historical detail and deep insights into the heart, *The Silver Wolf* catapults Alice Borchardt squarely into the front rank of contemporary women writers. Her intricate plot and hypnotic voice will cast a spell that few will be able to resist.

*The Left Hand of God* by Paul Hoffman is the gripping first instalment in a remarkable trilogy. "Listen. The Sanctuary of the Redeemers on Shotover Scarp is named after a damned lie for there is no redemption that goes on there and less sanctuary." The Sanctuary of the Redeemers is a vast and desolate place - a place without joy or hope. Most of its occupants were taken there as boys and for years have endured the brutal regime of the Lord Redeemers whose cruelty and violence have one singular purpose - to serve in the name of the One True Faith. In one of the Sanctuary's vast and twisting maze of corridors stands a boy. He is perhaps fourteen or fifteen years old - he is not sure and neither is anyone else. He has long-forgotten his real name, but now they call him Thomas Cale. He is strange and secretive, witty and charming, violent and profoundly bloody-minded. He is so used to the cruelty that he seems immune, but soon he will open the wrong door at the wrong time and witness an act so terrible that he will have to leave this place, or die. His only hope of survival is to escape across the arid Scablands to Memphis, a city the opposite of the Sanctuary in every way: breathtakingly beautiful, infinitely Godless, and deeply corrupt. But the Redeemers want Cale back at any price... not because of the secret he now knows but because of a much more terrifying secret he does not. *The Left Hand of God* is a must read. It is the first instalment in a gripping trilogy by Paul Hoffman. Imagine if Phillip Pullman's *His Dark Materials* met Umberto Eco's *Name of the Rose*. Fans of epic heroic fiction will love this series. Praise for Paul Hoffman: 'This book gripped me from the first chapter and then dropped me days later, dazed and grinning to myself' Conn Iggulden 'Tremendous momentum' Daily Telegraph 'A cult classic . . .' Daily Express

A stunning re-imagining of Robin Hood, the first in an exciting new trilogy Forget everything you've ever heard about Robin Hood. Robin Loxley is seven years old when his parents disappear without a trace. Years later the great love of his life, Marian, is also taken from him. Driven by these mysteries, and this anguish, Robin follows a darkening path into the ancient heart of Sherwood Forest. What he encounters there will leave him transformed . . . The first book of a trilogy, *Shadow of the Wolf* is a breathtakingly original--an utterly compelling--retelling that will forever alter the legend of Robin Hood. A funny and bighearted tale about what makes a story good. The stories Gabe "reads" to his sister always start out sounding familiar — a red-caped girl on her way to Grandma's meets a wolf in the woods — but then, just in the nick of time, Sir Gabriel swoops in to save the day. His sister insists that's not how it's supposed to go. He says his version is better: "Nothing bad happens in my story." But when his sister walks away, it's time to reconsider. Are his stories boring? Why does it seem like there's always something missing? True fact about stories: they need a bit of bad to be good! Imagine a world ruled by Werelords--men and women who can shift at will into bears, lions, and serpents. When Drew discovers he's not only a werewolf but the long-lost heir to the murdered Wolf King's throne, he must use his wits and newfound powers.

Jordan Belfort—immortalized by Leonardo DiCaprio in the hit movie *The Wolf of Wall Street*—reveals the step-by-step sales and persuasion system proven to turn anyone into a sales-closing, money-earning rock star. For the first time ever, Jordan Belfort opens his playbook and gives you access to his exclusive step-by-step system—the same system he used to create massive wealth for himself, his clients, and his sales teams. Until now this revolutionary program was only available through Jordan's \$1,997 online training. Now, in *Way of the Wolf*, Belfort is ready to unleash the power of persuasion to a whole new generation, revealing how anyone can bounce back from devastating setbacks, master the art of persuasion, and build wealth. Every technique, every strategy, and every tip has been tested and proven to work in real-life situations. Written in his own inimitable voice, *Way of the Wolf* cracks the code on how to persuade anyone to do anything, and coaches readers—regardless of age, education, or skill level—to be a master sales person, negotiator, closer, entrepreneur, or speaker. Before the dawn of history, a brave people found a new world, led by a dreamer who followed the spirit of the wolf. Copyright © Libri GmbH. All rights reserved. The first in The Wolf Chronicles trilogy, brilliantly weaving together original research, lovable characters and a dynamic, thoroughly engaging plot, *Promise of the Wolves* is a historical adventure story in the tradition of *Clan of the Cave Bear* and *Watership Down*. Set 14,000 years ago in what is now Southern Europe, *Promise of the Wolves* is told from the point of view of Kaala, a young wolf born of a forbidden, mixed-blood litter. An outcast after her mother is exiled, Kaala struggles to earn her place in her pack. But her world is turned upside down when she rescues a human girl from drowning. Kaala and her young packmates begin hunting and playing with humans—risking expulsion from their pack and banishment from their home in the Wide Valley. When war between humans and wolves threatens, Kaala learns that she is the last in a long line of wolves charged with keeping watch over humans in order to prevent them from losing touch with nature and thus destroying the world. But to do so she must solve the great paradox of wolfkind: though wolves must always be with humans, humans cannot abide the presence of wolves, and every time the two come together, war ensues. Kaala must choose between safety for herself, her friends, and their human companions and the survival of her pack—and perhaps all of wolf and humankind. While traveling with her servants, Lady Marion’s caravan is attacked by bandits. A group of passing knights saves her and she accompanies them to their home, *Campion Castle*. Her arrival marks the beginning of her life among the wolves with Lord *Campion* and his six sons. One day, eldest son *Dunstan* returns to the castle and Marion feels something stir inside her that she has never felt before... Includes the novella *Night of the wolf* and an excerpt from *Flight of the white wolf*. Violence and death come to the land under the Northern Sky when two fierce races break their age-old fragile peace and start an all-out war in this thrilling and savagely visceral epic fantasy. Beyond the Black River, among the forests and mountains of the north, lives an ancient race of people. Their lives are measured in centuries, not decades; they revel in wilderness and resilience, and they scorn wealth and comfort. By contrast, those in the south live in the moment, their lives more fleeting. They crave wealth and power; their ambition is limitless, and their cunning unmatched. When the armies of the south flood across the Black river, the fragile peace between the two races is shattered. On a lightning-struck battlefield, the two sides will fight - for their people, for their land, for their very survival. Under the Northern Sky

**The Wolf.** This thrilling sci-fi Western features “a dash of *Dune*, a bit of *Fury Road*, and a whole lot of badass female characters” (Emma Maree Urquhart, author of *Dragon Tamers*) The strange planet known as *Tanegawa’s World* is owned by *TransRifts Inc*, the company with the absolute monopoly on interstellar travel. *Hob* landed there ten years ago, a penniless orphan left behind by a rift ship. She was taken in by *Nick Ravani* and quickly became a member of his mercenary biker troop, the *Ghost Wolves*. Ten years later, she discovers that the body of *Nick’s* brother out in the dunes. Worse, his daughter is missing, taken by shady beings called the *Weathermen*. But there are greater mysteries to be discovered—both about *Hob* and the strange planet she calls home. A *London Times* bestseller, this rousing historical debut rescues one of England's forgotten heroes from the mists of medieval history and brings him to brutal and bloody life. 1062, a time many fear is the *End of Days*. With the English King *Edward* heirless and ailing, across the grey seas in *Normandy* the brutal *William the Bastard* waits for the moment when he can drown England in a tide of blood. The ravens of war are gathering. But as the king's closest advisors scheme and squabble amongst themselves, hopes of resisting the naked ambition of the Norman duke come to rest with just one man: *Hereward*. To some a ruthless warrior and master tactician, to others a devil in human form, *Hereward* is as adept in the art of warfare as the foes that gather to claim England's throne. But in his country's hour of greatest need, his enemies at court have made him an outlaw. To stay alive—and a free man—he must carve a bloody swathe from the frozen lands outside the court, in this evocative tale of a man whose deeds will become the stuff of legend. Fate will not be denied. And those **FATED TO RISE** can't remain in the shadows forever. Two thousand years after the ancient Kingdom of *Alekka* was broken in two, the gods are stirring, seeking a reckoning, for order can only last so long before chaos returns to claim its rightful place. The dreamers see what is coming. They warn their lords of a trouble greater than any other, raising fears of unimaginable death and destruction, and a winter colder than any that has come before. Heroes will be sought. Secrets revealed. Sides chosen. As the battle to claim *Alekka* begins... *Eye of the Wolf* is the first book in *The Lords of Alekka* epic fantasy series. Set in the same world as *The Furyck Saga*, it features a new cast of richly-woven characters and an exciting new adventure to embark upon. What readers are saying about *Eye of the Wolf*: ? ? ? ? ? Wow, just wow... when you start to read this make sure to allot enough time because you will not want to put it down. ? ? ? ? ? I absolutely LOVE this author! These books could seriously be a series you would see on Netflix or Hulu! ? ? ? ? ? If you like reading sagas like *GOT* or the *Wheel of Time* where there are a lot characters and lots of plots going on to keep track of then you will love *Rayne's* writing and enjoy this book/series. ? ? ? ? ? I keep forgetting how much I like the way she writes and the world-building she does. Looking forward to reading these for years to come. ? ? ? ? ? I first discovered this author when I found the *Furyck Saga*. I fell in love with the world-building and magic system. I believe it to be one of the best fantasy series I've read. ? ? ? ? ? She just keeps getting better! This is another amazing story! From the first few pages I was hooked! Note: This book contains adult themes and mature content **NEW YORK TIMES BESTSELLER** • Now a major motion picture directed by *Martin Scorsese* and starring *Leonardo DiCaprio* By day he made thousands of dollars a minute. By night he spent it as fast as he could. From the binge that sank a 170-foot motor yacht and ran up a \$700,000 hotel tab, to the wife and kids waiting at home and the fast-talking, hard-partying young stockbrokers who called him king, here, in *Jordan Belfort’s* own words, is the story of the ill-fated genius they called the *Wolf of Wall Street*. In the 1990s, *Belfort* became one of the most infamous kingpins in American finance: a brilliant, conniving stock-chopper who led his merry mob on a wild ride out of Wall Street and into a massive office on Long Island. It’s an extraordinary story of greed, power, and excess that no one could invent: the tale of an ordinary guy who went from hustling Italian ices to making hundreds of millions—until it all came crashing down. Beyond the Black River, among the forests and mountains of the north, lives an ancient race of people. Their lives are measured in centuries, not decades; they revel in wilderness and resilience, and they scorn wealth and comfort. By contrast, those in the south live in the moment, their lives more fleeting. They crave wealth and power, their ambition is limitless, and their cunning unmatched. When the armies of the south flood across the Black River, the fragile peace between the two races is shattered. On a lightning-struck battlefield, the two sides will fight - for their people, for their land, for their very survival. Two sides. One victor. The Wolf is a thrilling, savagely visceral, politically nuanced and unexpectedly wry exploration of power and identity - and how far one will go to defend them. WHAT REVIEWERS ARE ALREADY SAYING ABOUT CAREW'S BREATHTAKING FANTASY EPIC: 'The next George RR Martin' - Mail on Sunday 'Imagine Game of Thrones rewritten by John le Carré . . . A marvellously accomplished debut' - Guardian 'Full of dark conspiracies, larger-than-life characters, and tense battles' - Paul Hoffman, author of The Left Hand of God In a world of danger and uncertainty, the Alpha has enough to worry about without him... For Alpha Evie Kitwanasdottir, things are never easy. The Great North Pack has just survived a deadly attack. Evie is determined to do whatever is necessary to keep her Pack safe, especially from the four Shifters who are their prisoners. Constantine lost his parents and his humanity on the same devastating day. He has been a thoughtless killer ever since. When Constantine is moved to live under Evie's watchful eye, he discovers that taking directions and having a purpose are not the same thing. Each moment spent together brings new revelations to Constantine, who begins to understand the loneliness of being Alpha. He finds strength and direction in helping Evie, but there is no room for a small love in the Pack, so Constantine must work harder than ever to prove to Evie he is capable of a love big enough for the Great North Pack itself. But her wolves do...Taryn barely knows her own name, much less why she's been thrown to the wolves.... literally.Before today there are only dark, shadowed memories she's too afraid to even think about. It doesn't take her long to find out no one escapes from the Island of the Damned, a hidden prison camp in the depths of Siberia.But why is she here? She didn't even know supernatural beings existed until a huge wolf protects her from being attacked minutes after she's trapped and freaking talks into her mind with the darkest, sexiest of voices.Then there's the man who declares himself her guard and tells her she's more than a mere chubby girl lost and alone.She'll need all the help she can get to survive in this desolate existence, especially when the dark Prince of Wolves declares her a menace to their society.Taryn and her wolves' story begins in Unclaimed, and continues in the next book, with more of her saga to come in this four book series.Get lost in the world of

the Fate of the Wolf Guard as this curvy girl discovers who she truly is and that when it comes to love, she doesn't have to choose. It has been generations since the Northlands have seen a hero worthy of the title. Many have made the claim, but few have lived to defend it. Timid, weak, and bullied, Wulfric is as unlikely a candidate as there could be. A chance encounter with an ancient and mysterious object awakens a latent gift, and Wulfric's life changes course. Against a backdrop of war, tragedy, and an enemy whose hatred for him knows no bounds, Wulfric will be forged from a young boy, into the Wolf of the North. The stars align for this stunningly original werewolf shifter romance: \*STARRED Booklist\* \*STARRED Publishers Weekly\* \*STARRED Kirkus\* \*STARRED Library Journal\* If she returns to her Pack, the stranger will die. But if she stays... Silver Nilsdottir is at the bottom of her Pack's social order, with little chance for a decent mate and a better life. Until the day a stranger stumbles into their territory, wounded and beaten, and Silver decides to risk everything on Tiberius Leveraux. But Tiberius isn't all he seems, and in the fragile balance of the Pack and wild, he may tip the destiny of all wolves... For three days out of thirty, when the moon is full and her law is iron, the Great North Pack must be wild.
