"Nwoka's debut feels like a dream, or a fable, or something in between . . . Recommended for fans of Nnedi Okorafor's Remote Control or Nghi Vo's The Empress of Salt and Fortune." —Ashley Rayner, Booklist "[God of Mercy] owes a debt to Chinua Achebe's Things Fall Apart, revising that novel's message for the recent past . . . A well-turned dramatization of spiritual and social culture clashes." —Kirkus Reviews Homegoing meets Black Leopard, Red Wolf, Okezie Nwoka's debut novel is a powerful reimagining of a history erased. God of Mercy is set in Ichulu, an Igbo village where the people's worship of their gods is absolute. Their adherence to tradition has allowed them to evade the influences of colonialism and globalization. But the village is reckoning with changes, including a war between gods signaled by Ijeoma, a girl who can fly. As tensions grow between Ichulu and its neighboring colonized villages, Ijeoma is forced into exile. Reckoning with her powers and exposed to the world beyond Ichulu, she is imprisoned by a Christian church under the accusation of being a witch. Suffering through isolation, she comes to understand the truth of merciful love. Reimagining the nature of tradition and cultural heritage and establishing a folklore of the uncolonized, God of Mercy is a novel about wrestling with gods, confronting demons, and understanding one's true purpose. On July 1, 1959, at Ypsilanti State Hospital in Michigan, the social psychologist Milton Rokeach brought together three paranoid schizophrenics: Clyde Benson, an elderly farmer and alcoholic; Joseph Cassel, a failed writer who was institutionalized after increasingly violent behavior toward his family; and Leon Gabor, a college dropout and veteran of World War II. The men had one thing in common: each believed himself to be Jesus

Christ. Their extraordinary meeting and the two years they spent in one another's company serves as the basis for an investigation into the nature of human identity, belief, and delusion that is poignant, amusing, and at times disturbing. Displaying the sympathy and subtlety of a gifted novelist, Rokeach draws us into the lives of three troubled and profoundly different men who find themselves "confronted with the ultimate contradiction conceivable for human beings: more than one person claiming the same identity." The city of ancient Corinth was much like our own modern-day cities: a melting pot of electrifying cultural experiences to be had, along with the myriad pitfalls of spiritual depravity. Still, Paul wrote to the church of God in Corinth. Meaning God's church is meant to thrive in any city and every circumstance in which we find ourselves. Paul's letter is as timely as ever. Over 8 sessions, Kelly Minter will lead you through the Letter of 2 Corinthians, exploring the anchoring truths of bearing treasures in jars of clay, meeting Christ through a pressing thorn, opening wide your heart in the midst of hurtful relationships, and what it means to embrace the lost and lonely as ministers of the new covenant. Each of us has a message to proclaim and live by: Because of Jesus the old has gone, the new has come. Features: - Leader helps to guide questions and discussions within small groups - 7 personal study segments with homework to complete between 8 weeks of group sessions - Recipes for personal enjoyment or when hosting a small group in your home - A great addition to The Living Room series. Benefits: - Grow in biblical literacy with in-depth study of the Book of 2 Corinthians - Discover how God can use you no matter your cultural setting - Learn how your suffering can help you comfort others - Gain wisdom for relationships, and strengthen your church and community - Leave your old self behind as you celebrate the new life of a believer - Understand God's ways will set you free Over 250,000 copies sold Have we become so focused on "major" sins that we've grown apathetic about our subtle sins? Renowned author Jerry Bridges takes you into a deep look at the corrosive patterns of behavior that we often accept as normal, in this established and impactful book. Practical, thought-provoking, and relevant at any stage of life, Respectable Sins addresses a dozen clusters of specific "acceptable" sins that we tend to tolerate in ourselves, such as: Jealousy Anger Judgementalism Selfishness Pride Writing from the trenches of his own battles with sin, Bridges offers a message of hope in the transforming grace of God to overcome our "respectable sins." Now with an added study guide for personal use or group discussion so you can dive deeper into this staple of Jerry Bridges's classic collection. "Read this book—we need to—and be ready for a gentle surgeon's sharp knife." —J. I. Packer, author and speaker This multidisciplinary treatment of the doctrine of Christ's deity combines evangelical scholarship with substantial and accessible theological content. Volume 3 in the noted Theology in

Community series. Why is it that so many of us settle for a less-than-satisfying Christian life? We suffer the symptoms—spiritual dryness, dissatisfaction, and unanswered prayers—of a yet-unidentified problem that creates an obstacle between God and us. We seem unable to connect the dots between our symptoms and the problem causing them: God is no longer first in our hearts. Pastor Dennis Newkirk shares how God revealed to their church their idolatry. The lessons were difficult, but the result was an extraordinary spiritual revival and much deeper fellowship with God. No gods but God is about learning to confront our modern-day idolatry and how God uses a four-step pattern to call our hearts back to him. Examining our own lives before God and admitting that our hearts have strayed isn't easy, and it is most certainly humbling. But that's what God wants—a humbled, repentant person standing before him willing to be used in service for him. Let No gods but God show you the way. After his daughter's murder, a grieving father confronts God with desperate questions -- and finds unexpected answers -- in this riveting and deeply moving #1 NYT bestseller. When Mackenzie Allen Phillips's youngest daughter Missy is abducted during a family vacation, he remains hopeful that she'll return home. But then, he discovers evidence that she may have been brutally murdered in an abandoned shack deep in the Oregon wilderness. Four years later, in this midst of his great sadness, Mack receives a suspicious note that's supposedly from God, inviting him back to that shack for a weekend. Against his better judgment, he arrives on a wintry afternoon and walks back into his darkest nightmare. What he finds there will change his life forever. \*\*\*2015 National Jewish Book Award Winner\*\*\* In this powerful and timely book, one of the most admired and authoritative religious leaders of our time tackles the phenomenon of religious extremism and violence committed in the name of God. If religion is perceived as being part of the problem, Rabbi Sacks argues, then it must also form part of the solution. When religion becomes a zero-sum conceit—that is, my religion is the only right path to God, therefore your religion is by definition wrong—and individuals are motivated by what Rabbi Sacks calls "altruistic evil," violence between peoples of different beliefs appears to be the only natural outcome. But through an exploration of the roots of violence and its relationship to religion, and employing groundbreaking biblical analysis and interpretation, Rabbi Sacks shows that religiously inspired violence has as its source misreadings of biblical texts at the heart of all three Abrahamic faiths. By looking anew at the book of Genesis, with its foundational stories of Judaism, Christianity, and Islam, Rabbi Sacks offers a radical rereading of many of the Bible's seminal stories of sibling rivalry: Cain and Abel, Isaac and Ishmael, Jacob and Esau, Joseph and his brothers, Rachel and Leah. "Abraham himself," writes Rabbi Sacks, "sought to be a blessing to others regardless of their faith. That idea, ignored for many of the

intervening centuries, remains the simplest definition of Abrahamic faith. It is not our task to conquer or convert the world or enforce uniformity of belief. It is our task to be a blessing to the world. The use of religion for political ends is not righteousness but idolatry . . . To invoke God to justify violence against the innocent is not an act of sanctity but of sacrilege." Here is an eloquent call for people of goodwill from all faiths and none to stand together, confront the religious extremism that threatens to destroy us, and declare: Not in God's Name. Urban Apologetics examines the legitimate issues that Black communities have with Western Christianity and shows how the gospel of Jesus Christ—rather than popular, socioreligious alternatives—restores our identity. African Americans have long confronted the challenge of dignity destruction caused by white supremacy. While many have found meaning and restoration of dignity in the black church, others have found it in ethnocentric socioreligious groups and philosophies. These ideologies have grown and developed deep traction in the black community and beyond. Revisionist history, conspiracy theories, and misinformation about Jesus and Christianity are the order of the day. Many young African Americans are disinterested in Christianity and others are leaving the church in search of what these false religious ideas appear to offer, a spirituality more indigenous to their history and ethnicity. Edited by Dr. Eric Mason and featuring a top-notch lineup of contributors, Urban Apologetics is the first book focused entirely on cults, religious groups, and ethnocentric ideologies prevalent in the black community. The book is divided into three main parts: Discussions on the unique context for urban apologetics so that you can better understand the cultural arguments against Christianity among the Black community. Detailed information on cults, religious groups, and ethnic identity groups that many urban evangelists encounter—such as the Nation of Islam, Kemetic spirituality, African mysticism, Hebrew Israelites, Black nationalism, and atheism. Specific tools for urban apologetics and community outreach. Ultimately, Urban Apologetics applies the gospel to black identity to show that Jesus is the only one who can restore it. This is an essential resource to equip those doing the work of ministry and apology in urban communities with the best available information. Kelly Minter explores what it means--in real life--to "clothe" ourselves (Col. 3:12) in Christian virtues like forgiveness, joy, patience, compassion, and more. Colossians 3:12 tells us to "clothe" ourselves in Christian virtues like forgiveness, joy, patience, compassion. But how does that work in real life? Can we really "dress up" in the character of Christ? Kelly Minter says the answer is yes--if we let the Master Designer do the fitting. This relatable book offers insightful Scripture study with real-life stories and simple, down-to-earth explanations of tricky concepts as justification and sanctification--stitching it all together with dry humor and down-to-earth honesty. There are no gimmicks, no guilt trips, just an irresistible invitation for women to enjoy a spiritual makeover--to put on a life that's personally tailored by the One who knows and loves them best. Product will not be produced, and it has been cancelled. "The Lord has shown me that Satan was once an honored angel in heaven, next to Jesus Christ. His

countenance was mild, expressive of happiness like the other angels. His forehead was high and broad, and showed great intelligence. His form was perfect. He had noble, majestic bearing. And I saw that when God said to his Son, Let us make man in our image, Satan was jealous of Jesus. He wished to be consulted concerning the formation of man. He was filled with envy, jealousy and hatred. He wished to be the highest in heaven, next to God, and receive the highest honors. Until this time all heaven was in order, harmony and perfect subjection to the government of God."-Ellen G White You've heard it said, "All religions are equal." But do you know how to respond? Tolerance sees all religions as spokes of one wheel, spinning everyone together in harmony with God. Christ Among Other gods shows how this wobbly wheel simply doesn't hold up. Walking you through a study of Christ—from his birth to his promised second coming—pastor and scholar Erwin W. Lutzer presents Jesus as He is: the only way of salvation. Learn how to: Describe the uniqueness of Christ Defend the claims of Christianity Debunk the myths that many tout The tensions between tolerance and truth are growing, as are the challenges of representing Christ in today's world. Christ Among Other gods will help you understand and navigate these challenges. It gives you the facts you need to counter the claims of false religions with the truth of Christ. And what is more, it will help you fall more in love with Jesus, the only way, truth, and life. "If you want to understand Christ better, defend Him with more confidence, and worship Him with more single-mindedness, this book is for you." — Josh McDowell, Josh McDowell Ministry Recognize, confront, and conquer the fears holding you back from living boldly and freely with renowned Bible teacher and New York Times bestselling author, Joyce Meyer. Fear is the devil's favorite tool in the toolbox of schemes he uses to destroy God's good plan for you. He uses it to hold you back and prevent progress in your relationships, career, and more. In Do It Afraid, Joyce Meyer explains that fear is everywhere and affects everyone. It rules many people, but it doesn't have to rule you any longer. She will teach you how to: Understand fear and recognize how it works in your life. Confront those fears that are holding you back. Change your mindset for lasting freedom from some of the most common fears people face. Remember, courage isn't the absence of fear; it is learning how to move forward in the presence of fear. Courageous people do what they believe in their hearts they should do, no matter how they feel or what doubts fill their minds. When you take ownership of your problems and open your heart to God, He will help bring light into darkness so that you can be free. Minter explores what happens when good desires become false gods, robbing people of an intimate relationship with the heavenly Father. (Christian) The Book of Jonah is a unique text in the Jewish canon. Among the shortest books in the Bible, it is also one of the most mysterious and morally ambiguous. Who is this prophet running from God, hiding at the bottom of the ocean? Why does he struggle with God's mission to save and forgive Israel's enemies? In this volume, Rabbi Dr. Yanklowitz shows that the Book of Jonah delivers a message of human responsibility in a shared world. Illuminating such contemporary ethical issues as animal welfare, incarceration, climate

change, weapons of mass destruction, and Jewish-Muslim relations, this social justice commentary urges us to join in repairing a broken world—a call that we, unlike Jonah, must hasten to answer. Ranging with authority from the Talmud to Maimonides, from Marx to Nietzsche and on to G.E. Moore, this account of a subject central to our culture also has much to say about metaphor, myth, and the application of philosophical analysis to religious concepts and sensibilities. Jews often consider Hinduism to be Avoda Zara, idolatry, due to its worship of images and multiple gods. Closer study of Hinduism and of recent Jewish attitudes to it suggests the problem is far more complex. In the process of considering Hinduism's status as Avoda Zara, this book revisits the fundamental definitions of Avoda Zara and asks how we use the category. By appealing to the history of Judaism's view of Christianity, author Alon Goshen-Gottstein seeks to define what Avoda Zara is and how one might recognize the same God in different religions, despite legal definitions. Through a series of leading questions, the discussion moves from a blanket view of Hinduism as idolatry to a recognition that all religions have aspects that are idolatrous and non-idolatrous. Goshen-Gottstein explains how the category of idolatry itself must be viewed with more nuance. Introducing this nuance, he asserts, leads one away from a globalized view of an entire tradition in these terms. Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life. In this commentary on the book of Amos, Daniel Carroll combines a detailed reading of the Hebrew text with attention to its historical background and current relevance. What makes this volume unique is its special attention to Amos's literary features and what they reveal about the book's theology and composition. Instead of reconstructing a hypothetical redactional history, this commentary offers a close reading of the canonical form against the backdrop of the eighth century BCE. Leaders in congregations and Christian organizations wrestle with an unraveling of the world in which they have little experience and training. While they are offered unending resources by experts on leadership, some with claims to biblical blueprints, the challenges seem mismatched to those methods. Branson and Roxburgh frame the situation as one in which "modernity's wager"--the conviction that God is not necessary for life and wisdom and meaning--has defined the Western imagination. Because churches and leaders are colonized by this ethos, even when God is named and beliefs are claimed, approaches to leadership are blind to God's agency. Branson and Roxburgh approach this challenge

as a work in practical theology, attending to our cultural context, narratives of God's disruptive initiatives in Scripture, and a reshaping of leadership theories with a priority on God's agency. With years of experience as teachers, consultants, and guides, they name practices which lead to more faithful participation. Leadership, God's Agency, and Disruption is wide-ranging in cultural and biblical scholarship, challenging in its engagement with numerous leadership studies, and practical with its focus toward the on-the-ground life of churches and organizations. The Problem of God explores answers to the most difficult questions raised against Christianity. A skeptic who became a Christian and then a pastor, author Mark Clark grew up in an atheistic home. After his father's death, he began a skeptical search for truth through the fields of science, philosophy, and history, eventually finding answers in the last place he expected: Christianity. In a winsome, persuasive, and humble voice, The Problem of God responds to the top ten interrogations people bring against God, and Christianity, including: Does God even exist in the first place? What do we do with Christianity's violent history? Is Jesus just another myth? Can the Bible be trusted? Why should we believe in Hell anymore today? Each chapter answers the specific challenge using a mix of theology, philosophy, and science. Filled with compelling stories and anecdotes, The Problem of God presents an organized and easy-to-understand range of apologetics, focused on both convincing the skeptic and informing the Christian. The book concluding with Christianity's most audacious assertion: how should we respond to Jesus' claim that he is God and the only way to salvation. Abandoning monolithic approaches and embracing the possibility of inconsistencies and incongruities in Greek thought, behaviour, and culture, this book investigates how ancient Greeks could validate the complementarity of dissonant, if not contradictory, representations in e.g. polytheism, theodicy, divine omnipotence and ruler cult. "The Gods have become diseases," said C.G. Jung, & these nine chapters show how major figures of the Greek mythological imagination are still at work in the contemporary psyche. This book is both reliably scholarly & intuitively psychological. It offers the reader ways of finding mythical backgrounds for personal experiences. Here we can feel how the Gods & Goddesses influence symptoms, ideas, attitudes, relationships, & dream imagery. Includes chapters by: Karl Kerényi on Artemis in girlhood, Rene Malamud on Amazons & creative passion, Murray Stein on Hephaistos & the art of introversion, David L. Miller on Rhea the Grandmother, Barbara Kirksey on Hestia & the power of the hearth, William Doty on Hermes in all his guises, Chris Downing on Ariadne, wife to Dionysos, James Hillman on Athene & Necessity & on Dionysos in Nietzsche & Jung. What role does Scripture play in counseling? Today, we face a weakening of confidence in the Bible. This is just as true for the pastor offering counsel in his office as it is for the person in the pew talking with a struggling friend. We need to regain our confidence in God's living Word as sufficient to address the real-life issues we face today. Scripture and Counseling will help you understand how the Bible equips us to grow in counseling competence as we use it to tackle the complex issues of life. Divided into two

sections, Part One develops a robust biblical view of Scripture's sufficiency for "life and godliness" leading to increased confidence in God's Word. Part Two teaches how to use Scripture in the counseling process. This section demonstrates how a firm grasp of the sufficiency of Scripture leads to increased competence in the ancient art of personally ministering God's Word to others. Part of the Biblical Counseling Coalition series, Scripture and Counseling brings you the wisdom of twenty ministry leaders who write so you can have confidence that God's Word is sufficient, necessary, and relevant to equip God's people to address the complex issues of life in a broken world. It blends theological wisdom with practical expertise and is accessible to pastors, church leaders, counseling practitioners, and students, equipping them to minister the truth and power of God's word in the context of biblical counseling, soul care, spiritual direction, pastoral care, and small group facilitation. COLLECTION OF ESSAYS ON THE INTERSECTION OF RELIGION AND GENOCIDE. Trace the path of Joseph's life in the Book of Genesis to observe how God's sovereignty reigns, even in our darkest moments. Learn to recognize when God is working during periods of waiting, trust God's plan when life doesn't make sense, and rest in the sufficiency of His presence in every circumstance. His provision is enough, His presence is constant, and His purpose is unstoppable. (8 sessions) Features: Leader helps to guide questions and discussions within small groups Personal study segments to complete between 8 weeks of group sessions Teaching videos, approximately 35 minutes per session, available for purchase or rent Benefits: Place your hope in the God who is with you. Learn to trust God's purposes when life doesn't make sense. Recognize how God is working in your waiting. Rest in the sufficiency of God's presence in every circumstance. Although many people suggest that Christianity is declining, research indicates that it continues to be the world's most popular worldview. But even so, the Christian faith includes many controversial beliefs that non-Christians find hard to accept. This book explores 12 issues that might cause someone to dismiss orthodox Christianity—issues such as the existence of suffering, the Bible's teaching on gender and sexuality, the reality of heaven and hell, the authority of the Bible, and more. Showing how the best research from sociology, science, and psychology doesn't disagree with but actually aligns with claims found in the Bible, these chapters help skeptics understand why these issues are signposts, rather than roadblocks, to faith in Christ. This is a handbook for pastors, elders, and all Christians who want to see how Scripture presents the process of discipline that should operate in the Christian community. It was written in response to the various concerns that threaten to tear apart marriages, families, friendships, and congregations—concerns that call for a biblical approach to discipline that can heal fractures, restore right relationship, and ensure the health of the church. Developed around the five corrective steps found especially in Matthew 18:15-17, this book helps church leaders deal with the sorts of problems that require the church's disciplinary response. Charting a course that combines discernment with appropriate action, this simple, readable handbook can have a

profound effect on the community of believers. We often think of idols as ancient graven images or golden calves, but God's people still battle idolatry every day. Our idols look more familiar—money, fame, power, work, ministry, and people. We serve these gods above the one true God and miss the unrivaled joy of following and knowing Jesus Christ. In this 8-session revised and expanded study from Kelly Minter, learn to identify the gods you may be unknowingly serving and the lies they tell you. As you dethrone your modern-day idols, you'll be set free for the more abundant life Jesus gives. You'll discover Jesus can do what no other god can. ALSO AVAILABLE No Other Gods leader kit includes resources for leading an 8-session group study: one Bible study book, two DVDs, and extra leader resources. DIGITAL RESOURCES E-book, video and audio teaching sessions, and promotional materials available at [www.LifeWay.com/NoOtherGods](http://www.LifeWay.com/NoOtherGods) Book jacket. Nothing is more essential than knowing how to worship the God who created us. This book focuses readers on the essentials of God-honoring worship, combining biblical foundations with practical application in a way that works in the real world. The author, a pastor and noted songwriter, skillfully instructs pastors, musicians, and church leaders so that they can root their congregational worship in unchanging scriptural principles, not divisive cultural trends. Bob Kauflin covers a variety of topics such as the devastating effects of worshiping the wrong things, how to base our worship on God's self-revelation rather than our assumptions, the fuel of worship, the community of worship, and the ways that eternity's worship should affect our earthly worship. Appropriate for Christians from varied backgrounds and for various denominations, this book will bring a vital perspective to what readers think they understand about praising God. Are angels, demons, aliens, Satan, and God one and the same entity? Examine the evidence and come to your own conclusion. Lorne J. Therrien Sr. is a mystic and a seasoned empath. On his path to win God's heart, Therrien experienced angels that appeared as bright as the sun, the comforting embrace of the Holy Spirit that would come and go leaving him in a euphoric state, and darker-than-night hooded shadows that lingered on the sidelines, watching. It is written, 'You shall not test the Lord, your God'. But when his empathic ability recognizes a similarity in the energy of the angels, demonic hooded shadows, and the Holy Spirit, a red flag is raised. Does he accept what has been written, or trust his intuition and test the God he loves? Making no assumptions, Therrien lets empathy, intuition, and thorough research guide the way, arriving at a clear understanding of both human and non-human nature. The opportunity presents itself with an unexpected visitation at a former monastery, and the game begins. Therrien invites a student curious about spiritual communication to join him as he confronts and converses with the divine and demonic to learn the true identity of the invisible presence. Lorne J. Therrien's Deceptive Gods will also share with you: - Why ancient aliens are not visitors from another planet but dual dimensional beings that have always been here. - What's behind the claim of hearing the voice of God. - Why God allows Satan to live. - Why exorcisms and house blessings rarely work. - How to stop dark thoughts and memories from dominating your consciousness. - How

the jinn use mediums and play the dead. - How sex demons apply seductive techniques and can destroy a relationship. - What is inside the cloak of the hooded shadow. - What fairies are really like. And a long-held secret will be revealed. A deceiving hidden race has pulled the wool over humanity's eyes for millennia. Education in how to recognize their influences, guises, and lies is a must to avoid falling into their traps. The Gold Medallion Award-winning book that presents a persuasive case for Christ as the only way to God in light of contemporary religious pluralism. A great majority of social commentators attempting to define modern Western culture land on a common characteristic: pluralism. This isn't unique to secular culture. Many modern approaches to Christian hermeneutics, or biblical interpretation, have given credence to contemporary pluralism. What began as a refreshing restraint and humility in modern theology has fallen more and more into irresoluteness. It's no secret that the contemporary challenges to Christianity are complex and serious. Yet, far from simple fear-mongering, or cultural warmongering, The Gaggling of God takes a hard look at the background and intricacy—of pluralism, postmodernity, and hermeneutics—and equips thoughtful Christians to have intelligent, culturally sensitive, and passionate fidelity to the gospel of Jesus Christ. In his contemplative, even-handed approach, Carson provides a structure of Christian thought capable of facing the philosophies of today and piercing their surface. It invites Christians to grapple responsibly with urgent questions of biblically-grounded theology, spirituality, and the defining lines of Christianity, along with its range of challenges from without and within. The Gaggling of God offers an in-depth look at the big picture, shows how the many ramifications of pluralism are all parts of a whole, and provides a systematic Christian response. Want to start a Christian weight loss program at your church? The Take Back Your Temple Member Guide gives your support group the wisdom they need to reach their ideal weight and maintain it for life. Includes Christian health scriptures for motivation, delicious recipes, and a survival plan for handling common weight loss barriers like emotional eating, bottomless food pits, and more. "Uncovers the empty promises made to women by the idols of our age--outward beauty, sex, abortion, gender fluidity, and relationships"-- Life is full of difficult questions, but when we have questions, the Bible has answers. In God's Answers to Life's Difficult Questions, Rick Warren, pastor and New York Times bestselling author, invites us to take a closer look at key biblical figures and the ways in which they walked through the challenges they faced in their daily lives. Rick Warren uses stories from scripture to teach us that the Bible is filled with examples of real people who faced the same dilemmas we're facing today. By demonstrating the ways in which God chooses to use ordinary people to accomplish his plans-- despite their weaknesses and failures--Warren gives us hope as we take on life's countless challenges. Better yet, Warren provides us with realistic solutions that we can start putting into practice today. Warren takes us inside the lives of biblical characters including Moses, Paul, and Jesus himself, giving you a chance to see the up-close-and-personal ways that they navigated their own circumstances. Although

God's Answers to Life's Difficult Questions is anchored in timeless stories from Scripture, Warren also weaves in modern examples that address the twelve questions he's asked the most as a spiritual leader, including: How can I learn to handle discouragement? How can I respond better in a crisis? How do I become more resilient when I feel like a failure? How can I fight my loneliness? How is change possible for me? How can I lead a more peaceful life? The concrete, practical insights that Warren shares in God's Answers to Life's Difficult Questions will give you the tools you need to build up your resilience, strengthen your relationship with God, and finally enjoy a life full of lasting purpose, peace, and significance today. In Encountering God, Kelly Minter explores how essential spiritual disciplines are to our faith experience and everyday lives. She'll unpack the biblical foundation for these sacred habits along with approachable ways to practice disciplines like prayer, study, worship, rest, simplicity, hospitality, and celebration. Over 8 sessions, you'll discover that spiritual disciplines aren't just one more thing to add to your to-do list, but they can actually create more margin in your life, resulting in deeper peace, communion, and rest. And perhaps most importantly, cultivating habits of faith help you know God more, as you release control to Him, express your need for Him, and walk in glad submission and worship of Him. Features: Personal study segments with homework to complete between 8 weeks of group sessions Leader helps to guide questions and discussions within small groups Teaching videos, approximately 30 minutes per session, available for purchase or rent Explanations of the history and progression of spiritual disciplines from origins to present day along with their biblical roots Practical guidance and activities to live out the various spiritual disciplines at home Benefits: Demystify spiritual disciplines and be empowered to practice them as you draw closer to God. Understand how spiritual disciplines strengthen the Body of Christ, both in communities and individual lives. Reframe your perspective on rest and renewal. God does not suggest, he commands that we do justice. Social justice is not optional for the Christian. All injustice affects others, so talking about justice that isn't social is like talking about water that isn't wet or a square with no right angles. But the Bible's call to seek justice is not a call to superficial, kneejerk activism. We are not merely commanded to execute justice, but to "truly execute justice." The God who commands us to seek justice is the same God who commands us to "test everything" and "hold fast to what is good." Drawing from a diverse range of theologians, sociologists, artists, and activists, Confronting Injustice without Compromising Truth, by Thaddeus Williams, makes the case that we must be discerning if we are to "truly execute justice" as Scripture commands. Not everything called "social justice" today is compatible with a biblical vision of a better world. The Bible offers hopeful and distinctive answers to deep questions of worship, community, salvation, and knowledge that ought to mark a uniquely Christian pursuit of justice. Topics addressed include: Racism Sexuality Socialism Culture War Abortion Tribalism Critical Theory Identity Politics Confronting Injustice without Compromising Truth also brings in unique voices to talk about their

experiences with these various social justice issues, including: Michelle-Lee Barnwall Suresh Budhaprithi Eddie Byun Freddie Cardoza Becket Cook Bella Danusiar Monique Duson Ojo Okeye Edwin Ramirez Samuel Sey Neil Shenvi Walt Sobchak In Confronting Injustice without Compromising Truth, Thaddeus Williams transcends our religious and political tribalism and challenges readers to discover what the Bible and the example of Jesus have to teach us about justice. He presents a compelling vision of justice for all God's image-bearers that offers hopeful answers to life's biggest questions. 7-session Bible study for women by Kelly Minter looks at the prophet Nehemiah. Structured around a series of lectures presented at the Jung Institute of Chicago in a program entitled "Jungian Psychology and Human Spirituality: Liberation from Tribalism in Religious Life," this book-length essay attacks the related problems of human evil, spiritual narcissism, secularism and ritual, and grandiosity. Robert Moore dares to insist that we stop ignoring these issues and provides clear-sighted guidance for where to start and what to expect. Along the way, he pulls together many important threads from recent findings in theology, spirituality, and psychology and brings us to a point where we can conceive of embarking on a corrective course. Traditional doctrinal and historical interpretation both rely heavily on rational analysis. But from the disciples at Emmaus to the beginnings of the present century, it has been the impact of scripture upon the human heart that has changed human lives. In recent decades, this impact has been strengthened by advances in linguistic and literary theory, by such disparate influences as feminism, structuralism, Jungianism, deconstructionism, the analysis of archaic imagery and myth, the recovery of Gnostic texts, and finally an openness to pluralism, whether ethnic, geographic, religious, or interpretive. All of these factors are treated here with a brevity and comprehensiveness which convincingly show that the reader of scripture has a creative and not merely passive role. "If you would understand the deepest roots of terrorism, greed, and religious fanaticism, read Facing the Dragon. But be forewarned: you may find some offshoots in your own garden."- June Singer, Jungian analyst, author of Boundaries of the Soul Robert Moore, Phd was an internationally recognized psychotherapist and consultant in private practice in Chicago. He was considered one of the leading therapists specializing in psychotherapy with men because of his discovery of the Archetypal Dynamics of the Masculine Self (King, Warrior, Magician, Lover). He served as Distinguished Service Professor of Psychology, Psychoanalysis and Spirituality at the Graduate Center of the Chicago Theological Seminary, and has served as a Training Analyst at the C.G. Jung Institute of Chicago. He is Co-founder of the Chicago Center for Integrative Psychotherapy.
